The Statutes of Oklahoma are hereby defined to be:

First. Original acts enacted by the Legislature.

Second. Statutes taken from other sources and adopted and enacted by the Legislature as statutes of this state.

§75-11a. Construction of statutes - Severability.

In the construction of the statutes of this state, the following rules shall be observed:

1. For any act enacted on or after July 1, 1989, unless there is a provision in the act that the act or any portion thereof or the application of the act shall not be severable, the provisions of every act or application of the act shall be severable. If any provision or application of the act is found to be unconstitutional and void, the remaining provisions or applications of the act shall remain valid, unless the court finds:

- a. the valid provisions or application of the act are so essentially and inseparably connected with, and so dependent upon, the void provisions that the court cannot presume the Legislature would have enacted the remaining valid provisions without the void one; or
- b. the remaining valid provisions or applications of the act, standing alone, are incomplete and are incapable of being executed in accordance with the legislative intent.

2. For acts enacted prior to July 1, 1989, whether or not such acts were enacted with an express provision for severability, it is the intent of the Oklahoma Legislature that the act or any portion of the act or application of the act shall be severable unless:

- a. the construction of the provisions or application of the act would be inconsistent with the manifest intent of the Legislature;
- b. the court finds the valid provisions of the act are so essentially and inseparably connected with and so dependent upon the void provisions that the court cannot presume the Legislature would have enacted the remaining valid provisions without the void one; or

- c. the court finds the remaining valid provisions standing alone, are incomplete and are incapable of being executed in accordance with the legislative intent.

§75-12. Original acts shall govern.

In all cases where there is a conflict between the original acts and adopted statutes, the original acts shall govern, and the adopted statutes shall be deemed as repealed, amended, or modified thereby, without reference to the date of the approval of such original acts. For purposes of this section, "original acts" means the enrolled documents of the acts as produced by the house of origin.

A. The "Oklahoma Statutes 2011" certified by the Justices of the Oklahoma Supreme Court on November 7, 2011, are hereby adopted as the official Statutes of the State of Oklahoma and are declared to be in full force and effect. Provided, however, that this section shall not be construed to repeal or in any way affect or modify any special or local laws or any law making an appropriation or any law relating to any special election or validating act, or any law affecting any bond issue or by which any bond issue may have been authorized, nor to affect any pending proceedings or any existing rights or remedies, nor the running of the statutes of limitations in force at the time of the approval of this section; but all such local and special laws, laws making appropriations, laws relating to special elections, validating acts, and laws relating to or authorizing bond issues, pending proceedings, and existing rights and remedies, and statutes of limitations running and in force at the time of the approval of this section shall continue and exist in all respects as if this section had not been passed. Provided, further, that this section shall not be construed to alter, change, impair, disparage, vest or divest, or in any way affect any right or interest in the United States, the State of Oklahoma, any Indian tribes or Nations of Indians within the State of Oklahoma, nor shall the same be construed to repeal any act of the Legislature of the State of Oklahoma enacted subsequent to the adjournment of the First Regular Session of the Fifty-third Legislature of the State of Oklahoma.

B. The Secretary of State shall issue a proclamation and publish it in a newspaper of general circulation within the State of Oklahoma stating the date upon which the statutes were published. Added by Laws 2012, c. 293, § 1, emerg. eff. May 25, 2012.

§75-250. Short title.

A. This section and Sections 250.1 through 323 of this title shall be known and may be cited as the "Administrative Procedures Act".

B. All statutes hereinafter enacted and codified as part of the Administrative Procedures Act shall be considered and deemed part of the Administrative Procedures Act.

§75-250.2. Legislative intent.

A. Article V of the Oklahoma Constitution vests in the Legislature the power to make laws, and thereby to establish agencies and to designate agency functions, budgets and purposes. Article VI of the Oklahoma Constitution charges the Executive Branch of Government with the responsibility to implement all measures enacted by the Legislature.

B. In creating agencies and designating their functions and purposes, the Legislature may delegate rulemaking authority to executive branch agencies to facilitate administration of legislative policy. The delegation of rulemaking authority is intended to eliminate the necessity of establishing every administrative aspect of general public policy by legislation. In so doing, however, the Legislature reserves to itself:

1. The right to retract any delegation of rulemaking authority unless otherwise precluded by the Oklahoma Constitution;
2. The right to establish any aspect of general policy by legislation, notwithstanding any delegation of rulemaking authority;
3. The right and responsibility to designate the method for rule promulgation, review and modification;
4. The right to approve or disapprove any adopted rule by joint resolution; and

5. The right to disapprove a proposed permanent, promulgated or emergency rule at any time if the Legislature determines such rule to be an imminent harm to the health, safety or welfare of the public or the state or if the Legislature determines that a rule is not consistent with legislative intent.

Added by Laws 1987, c. 207, § 3. Amended by Laws 1991, c. 326, § 1, eff. July 1, 1991; Laws 1992, c. 310, § 1, eff. July 1, 1992; Laws 2013, c. 357, § 1, eff. Nov. 1, 2013.

- b. comply with deadlines in amendments to an agency's governing law or federal programs,
- c. avoid violation of federal law or regulation or other state law,
- d. avoid imminent reduction to the agency's budget, or
- e. avoid serious prejudice to the public interest.

As used in this subsection, "substantial evidence" shall mean credible evidence which is of sufficient quality and probative value to enable a person of reasonable caution to support a conclusion.

2. In determining whether a rule is necessary as an emergency measure, the Governor shall consider whether the emergency situation was created due to the agency's delay or inaction and could have been averted by timely compliance with the provisions of this chapter.

B. An emergency rule adopted by an agency shall:

1. Be prepared in the format required by Section 251 of this title;
2. a. Include an impact statement which meets the requirements set forth in subparagraph b of this paragraph unless the Governor waives the requirement in writing upon a finding that the rule impact statement or the specified contents thereof are unnecessary or contrary to the public interest.

- b. The rule impact statement shall include, but not be limited to:
- (1) a brief description of the proposed rule,
 - (2) a description of the persons who most likely will be affected by the proposed rule, including classes that will bear the costs of the proposed rule, and any information on cost impacts received by the agency from any private or public entities,

 - (9) a determination of any detrimental effect on the public health, safety and environment if the proposed rule is not implemented, and
 - (10) the date the rule impact statement was prepared and if modified, the date modified.

3. Be transmitted pursuant to Section 464 of Title 74 of the Oklahoma Statutes to the Governor, the Speaker of the Oklahoma House of Representatives and the President Pro Tempore of the Senate, along

with the information required by this subsection within ten (10) days after the rule is adopted; and

4. Not be invalidated on the ground that the contents of the rule impact statement are insufficient or inaccurate.

C. 1. Within forty-five (45) calendar days of receipt of a proposed emergency rule filed with the Governor, the Speaker of the Oklahoma House of Representatives and the President Pro Tempore of the Senate, the Governor shall review the demonstration of emergency pursuant to subsection A of this section, and shall separately review the rule in accordance with the standards prescribed in paragraph 3 of this subsection.

2. Prior to approval of emergency rules, the Governor shall submit the emergency rule to the Secretary of State for review of proper formatting.

3. If the Governor determines the agency has established the rule is necessary as an emergency measure pursuant to subsection A of this section, the Governor shall approve the proposed emergency rule if the rule is:

- a. clear, concise and understandable,
- b. within the power of the agency to make and within the enacted legislative standards, and
- c. made in compliance with the requirements of the Administrative Procedures Act.

D. 1. Within the forty-five-calendar-day period set forth in paragraph 1 of subsection C of this section, the Governor may approve the emergency rule or disapprove the emergency rule. Failure of the Governor to approve an emergency rule within the specified period shall constitute disapproval of the emergency rule.

2. If the Governor disapproves the adopted emergency rule, the Governor shall return the entire document to the agency with reasons for the disapproval. If the agency elects to modify the rule, the agency shall adopt the modifications, and shall file the modified rule in accordance with the requirements of subsection B of this section.

3. Upon disapproval of an emergency rule, the Governor shall, within fifteen (15) days, make written notification to the Speaker of the House of Representatives, the President Pro Tempore of the Senate and the Office of Administrative Rules.

E. 1. Upon approval of an emergency rule, the Governor shall immediately make written notification to the agency, the Speaker of the House of Representatives, the President Pro Tempore of the Senate and the Office of Administrative Rules. 3. The emergency rule shall be published in accordance with the provisions of Section 255 of this title in "The Oklahoma Register" following the approval by the Governor. The Governor's approval and the approved rules shall be retained as official records by the Office of Administrative Rules.

F. 1. Upon approval by the Governor, an emergency rule shall be considered promulgated and shall be in force immediately, or on such later date as specified therein. An emergency rule shall only be applied prospectively from its effective date.

2. The emergency rule shall remain in full force and effect through the first day of the next succeeding regular session of the Legislature following promulgation of such emergency rule until September 14 following such session, unless it is made ineffective pursuant to subsection H of this section.

G. No agency shall adopt any emergency rule which establishes or increases fees, except during such times as the Legislature is in session, unless specifically mandated by the Legislature or federal legislation, or when the failure to establish or increase fees would conflict with an order issued by a court of law.

H. 1. If an emergency rule is of a continuing nature, the agency promulgating such emergency rule shall initiate proceedings for promulgation of a permanent rule pursuant to Sections 303 through 308.2 of this title. If an emergency rule is superseded by another emergency rule prior to the enactment of a permanent rule, the latter emergency rule shall retain the same expiration date as the superseded emergency rule, unless otherwise authorized by the Legislature.

2. Any promulgated emergency rule shall be made ineffective if:
 - a. disapproved by the Legislature,
 - b. superseded by the promulgation of permanent rules,

Unless otherwise authorized by the Legislature, an agency shall not adopt any emergency rule, which has become null and void pursuant to subparagraph a of this paragraph, as a new emergency rule or adopt any emergency rules of similar scope or intent as the emergency rules which became null and void pursuant to subparagraph a of this paragraph.

I. Emergency rules shall not become effective unless approved by the Governor pursuant to the provisions of this section.

J. 1. The requirements of Section 303 of this title relating to notice and hearing shall not be applicable to emergency rules promulgated pursuant to the provisions of this section. Provided this shall not be construed to prevent an abbreviated notice and hearing process determined to be necessary by an agency.

2. The rule report required pursuant to Section 303.1 of this title shall not be applicable to emergency rules promulgated pursuant to the provisions of this section. Provided this shall not be construed to prevent an agency from complying with such requirements at the discretion of such agency.

3. The statement of submission required by Section 303.1 of this title shall not be applicable to emergency rules promulgated pursuant to the provisions of this section.

K. Prior to approval or disapproval of an emergency rule by the Governor, an agency may withdraw from review an emergency rule submitted pursuant to the provisions of this section. Notice of such withdrawal shall be given to the Governor, the Speaker of the House of Representatives, the President Pro Tempore of the Senate in accordance with the requirements set forth in Section 464 of Title 74 and to the Office of Administrative Rules as required by the Secretary. In order to be promulgated as emergency rules, any replacement rules shall be resubmitted pursuant to the provisions of this section.

L. Upon completing the requirements of this section, an agency may promulgate a proposed emergency rule. No emergency rule is valid unless promulgated in substantial compliance with the provisions of this section.

Such compilation shall be maintained by the Office of Administrative Rules and shall be updated by agencies, in a manner prescribed by the Secretary, to reflect subsequent permanent rulemaking. Prior to publication of the first "Code", as set forth in subparagraph b of this paragraph, the compilation shall constitute the official permanent rules of the state. A permanent rule which is published in "The Oklahoma Register" after the closing date for publication in the first "Code", as announced by the Secretary, shall be void and of no effect upon publication of the next succeeding "Code" or "Code" supplement, if not published in the "Code" or "Code" supplement.

2. Compilations or revisions of the "Code" or any part thereof shall be supplemented or revised annually. The "Code" shall be organized by state agency and shall be arranged, indexed and printed in a manner to permit separate publications of portions thereof relating to individual agencies.

3. Annual supplements to the "Code" shall be cumulative. Emergency rules shall not be published in the "Code" or in any supplements thereto.

5. The Secretary in preparing such rules for publication in the "Code" or supplements shall omit all material shown in canceled type. The Secretary shall not prepare any rule for publication in the "Code" which amends or revises a rule unless the rule so amending or revising conforms to the provisions of the Administrative Procedures Act.

6. The Secretary is authorized to determine a numbering system and other standardized format for documents to be filed and may refuse to accept for publication any document that does not substantially conform to the promulgated rules of the Secretary.

B. 1. Rules submitted and accepted for publication in the "Code" by August 15 of each year shall be published in the next succeeding "Code" or supplement thereto.

2. As soon as possible after August 15 of each year, the Secretary shall assemble all rules and Executive Orders, except emergency rules, promulgated after the publication of the preceding "Code" or "Code" supplement in accordance with the provisions of the Administrative Procedures Act for publication in the "Oklahoma

Copies of all Executive Orders shall be published and indexed in the "Oklahoma Administrative Code". All Executive Orders placing agencies or employees under the State Merit System of Personnel Administration shall remain in effect unless otherwise modified by action of the Legislature.

C. The Secretary is hereby authorized and empowered to publish or to contract to publish the "Oklahoma Administrative Code", and to publish or contract to publish such annual cumulative supplements so as to keep the "Code" current. All such agreements shall provide that the publisher shall make such publications in such form and arrangement as shall be approved by the Secretary. The Secretary may publish or authorize the publication of the "Code" in part.

D. The Secretary is authorized to correct spelling errors in rules submitted for publication in the "Code" or any such supplements or in "The Oklahoma Register". Any other errors in rules submitted for publication in the "Code" may be noted in editorial notes provided by the Secretary.

E. The Secretary shall make copies of the "Code" generally available at a cost sufficient to defray the cost of publication and mailing. Except as otherwise provided by Section 257.1 of this title, the Secretary is authorized to sell or otherwise distribute the "Code" and its supplements.

F. 1. The codification system, derivations, cross references, notes of decisions, source notes, authority notes, numerical lists, and codification guides, other than the actual text of rules, indexes, tables and other aids relevant to the publication of the "Oklahoma Administrative Code" and "The Oklahoma Register" shall be the property of the state and may be reproduced only with the written consent of the Secretary. The information which appears on the same page with the text of a rule may be reproduced incidentally with the reproduction of the rule, if the reproduction is for the private use of the individual and not for resale. No person shall attempt to copyright or publish the "Oklahoma Administrative Code" or "The Oklahoma Register", in printed or electronic media, without expressed written consent of the Secretary of State. Provided, in lieu of mailing copies, an agency may electronically notify interested persons that a copy of the proposed rule and the rule impact statement, if available, may be viewed on

the agency's website. Upon request by an agency, the Governor may also waive the rule impact statement requirements if the agency is required to implement a statute or federal requirement that does not require an agency to interpret or describe the requirements, such as federally mandated provisions which afford the agency no discretion to consider less restrictive alternatives. If the Governor fails to waive such requirement, in writing, prior to publication of the notice of the intended rulemaking action, the rule impact statement shall be completed. The determination to waive the rule impact statement shall not be subject to judicial review.

§75-310. Procedures before agency.

In individual proceedings:

1. Agencies may admit and give probative effect to evidence which possesses probative value commonly accepted by reasonably prudent persons in the conduct of their affairs. They shall give effect to the rules of privilege recognized by law in respect to: self-incrimination; confidential communications between husband and wife during the subsistence of the marriage relation; communication between attorney and client, made in that relation; confessions made to a clergyman or priest in his or her professional capacity in the course of discipline enjoined by the church to which he or she belongs; communications made by a patient to a licensed practitioner of one of the healing arts with reference to any physical or supposed physical disease or of knowledge gained by a practitioner through a physical examination of a patient made in a professional capacity; records and files of any official or agency of any state or of the United States which, by any statute of a state or of the United States are made confidential and privileged. No greater exclusionary effect shall be given any such rule or privilege than would obtain in an action in court. Agencies may exclude incompetent, irrelevant, immaterial, and unduly repetitious evidence. Objections to evidentiary offers may be made and shall be noted in the record. Subject to these requirements, when a hearing will be expedited and the interests of the parties will not be prejudiced substantially, any part of the evidence may be received in written form;

2. Documentary evidence may be received in the form of copies or excerpts, if the original is not readily available. Upon request, parties shall be given an opportunity to compare the copy with the original;

3. A party may conduct cross-examinations required for a full and true disclosure of the facts;

4. Notice may be taken of judicially cognizable facts. In addition, notice may be taken of generally recognized technical or scientific facts within the agency's specialized knowledge. Parties shall be notified either before or during the hearing, or by reference in preliminary reports or otherwise, of the material noticed, including any staff memoranda or data, and they shall be afforded an opportunity to contest the material so noticed. The agency's experience, technical competence, and specialized knowledge may be utilized in the evaluation of the evidence.

5. Any party shall at all times have the right to counsel, provided that such counsel must be duly licensed to practice law by the Supreme Court of Oklahoma, and provided further that counsel shall have the right to appear and act for and on behalf of the party represented.

6. A party may request the exclusion of witnesses to the extent and for the purposes stated in Section 2615 of Title 12 of the Oklahoma Statutes. Exclusion of a witness shall not be a violation of the Oklahoma Open Meeting Act.

Added by Laws 1963, c. 371, § 10. Amended by Laws 1999, c. 46, § 1, eff. Nov. 1, 1999.

§75-311. Proposed orders.

A. Except as otherwise provided by Section 311.1 of this title, if the administrative head of an agency has not heard the case or read the record of an individual proceeding, a final agency order adverse to a party shall not be made until a proposed order is served upon the party, and an opportunity is afforded to the party to file exceptions and present briefs and oral argument to the administrative head who is to render the final agency order. The proposed order shall be accompanied by a statement of the reasons therefor and of each issue of fact or law necessary to the proposed order, prepared by the hearing examiner or by one who has read the record.

B. Such proposed order shall be served upon the parties at least fifteen (15) days prior to a hearing or meeting at which the administrative head is to consider or render a decision on the proposed order. At such hearing or meeting, the parties shall be afforded an opportunity to present briefs and oral arguments concerning the proposed order.

C. The parties by written stipulation may waive compliance with this section.

3. The Commissioner in delegating the authority to issue final agency orders adverse to a party pursuant to this section specifically designates by written agency policy and procedure the type or category of final agency order which may be issued by the administrative law judge.

B. The provisions of this section shall not be construed to authorize or allow restraints on the authority of the Commissioner to adopt, reject, review, modify or correct the findings of fact and conclusions of law or any proposed order issued by the administrative law judge.

C. When the administrative law judge issues a final agency order, that order becomes the final order of the State Department of Health without further proceeding unless there is a request for rehearing, reopening, or reconsideration pursuant to Section 317 of Title 75 of the Oklahoma Statutes or a filing for judicial review pursuant to Section 318 of Title 75 of the Oklahoma Statutes. Added by Laws 1995, c. 317, § 2, emerg. eff. June 5, 1995.

§75-314. Issuance or denial of new license - Revocation, suspension, annulment, withdrawal or nonrenewal of existing license.

A. Except as otherwise specifically provided by law, the issuance or denial of a new license shall not require an individual proceeding.

B. Except as otherwise prohibited by law, if a licensee has made timely and sufficient application for renewal of a license or a new license with reference to any transfer of an activity of a continuing nature, the existing license does not expire until the application has been finally determined by the agency. In case the application for renewal or for a new license with reference to any transfer of an activity of a continuing nature is denied or the terms of the new license limited, the existing license does not expire until the last day for seeking review of the final agency order or a later date fixed by order of the reviewing court.

C. 1. Unless otherwise provided by law, an existing license shall not be revoked, suspended, annulled, withdrawn or nonrenewed unless, prior to the institution of such final agency order, the agency gave notice by mail to the licensee of facts or conduct which warrant the intended action, and the licensee was given an opportunity to show compliance with all lawful requirements for the retention or renewal of the license.

2. If the agency finds that public health, safety, or welfare imperatively requires emergency action, and incorporates a finding to that effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action. These proceedings shall be promptly instituted and determined.

§75-315. Furnishing of information, attendance of witnesses and production of books, records, etc. - Subpoenas.

A. 1. The agency conducting any individual proceeding or investigation shall have power to require the furnishing of such information, the attendance of such witnesses, and the production of such books, records, papers or other objects as may be necessary and proper for the purposes of the proceeding or investigation.

2. The agency, or any party to a proceeding before it, may take the depositions of witnesses, within or without the state, in the same manner as is provided by law for the taking of depositions in civil actions in courts of record. Depositions so taken shall be admissible in any proceeding affected by this act. Provided, however, all or any part of the deposition may be objected to at time of hearing, and may be received in evidence or excluded from the evidence by the agency or individual conducting the hearing in accordance with the law with reference to evidence in this act or with reference to evidence in courts of record under the law of the State of Oklahoma.

B. In furtherance of the powers granted by subsection A of this section, any agency, administrative head, hearing examiner or any other duly authorized member or employee thereof, upon its own motion may, and upon the request of any party appearing in an individual proceeding shall:

1. Issue subpoenas for witnesses;
2. Issue subpoenas duces tecum to compel the production of books, records, papers or other objects, which may be served by the marshal of the agency or by any person in any manner prescribed for the service of a subpoena in a civil action; or
3. Quash a subpoena or subpoenas duces tecum so issued; provided, prior to quashing a subpoena or subpoenas duces tecum the

agency shall give notice to all parties. A subpoena or subpoenas duces tecum may not be quashed if any party objects.

C. 1. In case of disobedience to any subpoena issued and served under this section or to any lawful agency requirement for information, or of the refusal of any person to testify to any matter regarding which he or she may be interrogated lawfully in a proceeding before an agency, the agency may apply to the district or superior court of the county of such person's residence or to any judge thereof for an order to compel compliance with the subpoena or the furnishing of information or the giving of testimony. Forthwith the court or the judge shall cite the respondent to appear and shall hear the matter as expeditiously as possible.

2. If the disobedience or refusal is found to be unlawful, the court, or the judge, shall enter an order requiring compliance. Disobedience of such an order shall be punished as contempt of court in the same manner and by the same procedure as is provided for like conduct committed in the course of judicial proceedings.

§75-316. Disqualification of hearing examiner or agency member.

A hearing examiner or agency member shall withdraw from any individual proceeding in which he cannot accord a fair and impartial hearing or consideration. Any party may request the disqualification of a hearing examiner or agency member, on the ground of his inability to give a fair and impartial hearing, by filing an affidavit, promptly upon discovery of the alleged disqualification, stating with particularity the grounds upon which it is claimed that a fair and impartial hearing cannot be accorded. The issue shall be determined promptly by the administrative head of the agency, or, if it affects a member or members of the agency, by the remaining members thereof, if a quorum. Upon the entry of an order of disqualification affecting a hearing examiner, the agency shall assign another in his stead or shall conduct the hearing itself. Upon the disqualification of a member of an agency, the agency shall proceed with the proceeding if a quorum remains. If a quorum no

longer exists, by virtue of the member's disqualification, the Governor immediately shall appoint a member pro tempore to sit in place of the disqualified member in that proceeding. In further action, after the disqualification of a member of an agency, the provisions of Section 311 of this title shall apply.

Added by Laws 1963, c. 371, § 16. Amended by Laws 1997, c. 206, § 23, eff. Nov. 1, 1997; Laws 1998, c. 62, § 2, eff. Nov. 1, 1998.

§75-317. Rehearing, reopening or reconsideration of agency decision.

A. A final agency order issued by an administrative head of an agency shall be subject to rehearing, reopening or reconsideration by such administrative head. Any application or request for such rehearing, reopening or reconsideration shall be made by any party aggrieved by the final agency order within ten (10) days from the date of the entry of such final agency order. The grounds for such action shall be either:

1. Newly discovered or newly available evidence, relevant to the issues;

2. Need for additional evidence adequately to develop the facts essential to proper decision;

3. Probable error committed by the agency in the proceeding or in its decision such as would be ground for reversal on judicial review of the final agency order;

4. Need for further consideration of the issues and the evidence in the public interest; or

5. A showing that issues not previously considered ought to be examined in order properly to dispose of the matter.

B. The order of the agency granting rehearing, reconsideration or review, or the petition of a party therefor, shall set forth the grounds which justify such action.

C. Nothing in this section shall prevent rehearing, reopening or reconsideration of a matter by any agency in accordance with other statutory provisions applicable to such agency, or, at any time, on the ground of fraud practiced by the prevailing party or of procurement of the order by perjured testimony or fictitious evidence.

D. On reconsideration, reopening, or rehearing, the matter may be heard by the agency, or it may be referred to a hearing examiner. The hearing shall be confined to those grounds upon which the reconsideration, reopening or rehearing was ordered.

E. If an application for rehearing shall be timely filed, the period within which judicial review, under the applicable statute, must be sought, shall run from the final disposition of such application.

Laws 1963, c. 371, § 17; Laws 1992, c. 310, § 13, eff. July 1, 1992.

§75-318. Judicial review.

A. 1. Any party aggrieved by a final agency order in an individual proceeding is entitled to certain, speedy, adequate and complete judicial review thereof pursuant to the provisions of this section and Sections 319, 320, 321, 322 and 323 of this title.

2. This section shall not prevent resort to other means of review, redress, relief or trial de novo, available because of constitutional provisions.

3. Neither a motion for new trial nor an application for rehearing shall be prerequisite to secure judicial review.

B. 1. The judicial review prescribed by this section for final agency orders, as to agencies whose final agency orders are made subject to review, under constitutional or statutory provisions, by appellate proceedings in the Supreme Court of Oklahoma, shall be afforded by such proceedings taken in accordance with the procedure and under the conditions otherwise provided by law, but subject to the applicable provisions of Sections 319 through 324 of this title, and the rules of the Supreme Court.

2. In all other instances, proceedings for review shall be instituted by filing a petition, in the district court of the county in which the party seeking review resides or at the option of such party where the property interest affected is situated, naming as respondents only the agency, such other party or parties in the administrative proceeding as may be named by the petitioner or as otherwise may be allowed by law, within thirty (30) days after the appellant is notified of the final agency order as provided in Section 312 of this title.

C. Copies of the petition shall be delivered in person or mailed, postage prepaid, to the agency and all other parties of record, and proof of such delivery or mailing shall be filed in the court within ten (10) days after the filing of the petition. Any party not named as a respondent in the petition is entitled to respond within ten (10) days of receipt of service. The court, in its discretion, may permit other interested persons to intervene.

D. In any proceedings for review brought by a party aggrieved by a final agency order:

1. The agency whose final agency order was made subject to review may be entitled to recover against such aggrieved party any court costs, witness fees and reasonable attorney fees if the court determines that the proceeding brought by the party is frivolous or was brought to delay the effect of said final agency order.

2. The party aggrieved by the final agency order may be entitled to recover against such agency any court costs, witness fees, and reasonable attorney fees if the court determines that the proceeding brought by the agency is frivolous.

§75-319. Staying enforcement of agency decision pending review.

(1) The filing of a proceeding for review shall not stay enforcement of the agency decision; but the agency may do so, or the reviewing court may order a stay upon such terms as it deems proper, and shall do so whenever required by subsection (2) of this section.

(2) In every proceeding in any court for the review of an order of an agency, upon the filing of an application, supported by verified statements of material fact establishing that the enforcement of the order pending final decision would result in present, continuous and irreparable impairment of the constitutional rights of the applicant, a stay of the enforcement of such order and of the accrual of penalties thereunder shall be entered upon the condition that:

(a) injury to adverse parties or to the public, as the case may be, can be obviated through the furnishing of security adequate to compensate for any loss which may be suffered as a result of the stay in the event the order is affirmed, in whole or in part;

(b) a supersedeas bond, in the amount and with sureties prescribed and approved by the reviewing court, in its sound judicial discretion, as adequate to meet requirement (a), be filed with such court. If an application for supersedeas hereunder, accompanied by a proposal for a supersedeas bond, is not acted upon by the court within forty-five (45) days from the filing thereof, the order appealed from thereupon shall be automatically superseded and stayed, during the pendency of the appeal, upon the filing of the bond proposed in the application, provided, however, that the court thereafter may reasonably modify the terms of the supersedeas as to amount and surety whereupon the appellant shall comply with such modification in order to maintain the supersedeas in effect.

Laws 1963, c. 371, § 19.

§75-320. Transmission of record to reviewing court - Stipulations.

Within sixty (60) days after service of the petition for review or equivalent process upon it, or within such further time as the reviewing court, upon application for good cause shown, may allow, the agency shall transmit to the reviewing court the original or a certified copy of the entire record of the proceeding under review. For purposes of this section, "record" shall include such information as specified by Section 309 of this title. By stipulation of all parties to the review proceeding, the record may be shortened. Any party unreasonably refusing to stipulate to limit the record may be taxed by the court for the additional costs resulting therefrom. The court may require or permit subsequent corrections or additions to the record when deemed desirable.

§75-321. Review without jury - Additional testimony.

The review shall be conducted by the court without a jury and shall be confined to the record, except that in cases of alleged irregularities in procedure before the agency, not shown in the record, testimony thereon may be taken in the court. The court, upon request, shall hear oral argument and receive written briefs.
Laws 1963, c. 371, § 21.

§75-322. Setting aside, modifying or reversing of orders - Remand - Affirmance.

(1) In any proceeding for the review of an agency order, proceeding for the review of an agency order, the Supreme Court or the district court, as the case may be, in the exercise of proper judicial discretion or authority, may set aside or modify the order, or reverse it and remand it to the agency for further proceedings, if it determines that the substantial rights of the appellant or petitioner for review have been prejudiced because the agency findings, inferences, conclusions or decisions, are:

- (a) in violation of constitutional provisions; or
- (b) in excess of the statutory authority or jurisdiction of the agency; or
- (c) made upon unlawful procedure; or
- (d) affected by other error of law; or
- (e) clearly erroneous in view of the reliable, material, probative and substantial competent evidence, as defined in Section 10 of this act, including matters properly noticed by the agency upon examination and consideration of the entire record as submitted; but without otherwise substituting its judgment as to the weight of the evidence for that of the agency on question of fact; or
- (f) arbitrary or capricious; or
- (g) because findings of fact, upon issues essential to the decision were not made although requested.

(2) The reviewing court, also in the exercise of proper judicial discretion or authority, may remand the case to the agency for the taking and consideration of further evidence, if it is deemed essential to a proper disposition of the issue.

(3) The reviewing court shall affirm the order and decision of the agency, if it is found to be valid and the proceedings are free from prejudicial error to the appellant.

Laws 1963, c. 371, § 22.

§75-323. Review of final judgment of a district or superior court by appeal to Supreme Court.

An aggrieved party, or the agency, without any motion for a new trial, may secure a review of any final judgment of a district or superior court under this act by appeal to the Supreme Court. Such

appeal shall be taken in the manner and time provided by law for appeal to the Supreme Court from the district court in civil actions. An agency taking an appeal shall not be required to give bond. Laws 1963, c. 371, § 23.

B.
