For the express purpose of reducing the overall cost of medical care for injured workers in the workers' compensation system by five percent (5%), the Administrator of the Workers' Compensation Court is hereby directed to develop a new "Oklahoma Workers' Compensation Medical Fee Schedule" to be implemented by January 1, 2012. Thereafter, the Administrator shall conduct a review of the Fee Schedule every two (2) years. The Fee Schedule shall establish the maximum rates that medical providers shall be reimbursed for medical care provided to injured workers, including, but not limited to, charges by physicians, dentists, counselors, hospitals, ambulatory and outpatient facilities, clinical laboratory services, diagnostic testing services, and ambulance services, and charges for durable medical equipment, prosthetics, orthotics, and supplies.

B. Reimbursement for medical care shall be prescribed and limited by the Fee Schedule as adopted by the Administrator, after notice and public hearing. The director of the Oklahoma State Employees Group Insurance Board shall provide the Administrator such information as may be relevant in the development of the Fee Schedule. The Administrator shall develop the Fee Schedule in a manner in which quality of medical care is assured and maintained for injured workers. The Administrator shall give due consideration to additional requirements for physicians treating an injured worker under this act, including, but not limited to, communication with claims representatives, case managers, attorneys, and representatives of employers, and the additional time required to complete forms for the Court, insurance carriers, and employers.

C. In making adjustments to the Fee Schedule, the Administrator shall use, as a benchmark, the reimbursement rate for each Current Procedural Terminology (CPT) code provided for in the fee schedule published by the Centers for Medicare and Medicaid Services (CMS) of the U.S. Department of Health and Human Services for use in Oklahoma (Medicare Fee Schedule) on August 6, 2011. For services not valued by CMS, the Administrator shall establish values based on the usual, customary and reasonable medical payments

to health care providers in the same trade area for comparable treatment of a person with similar injuries.

1. No reimbursement shall be allowed for any magnetic resonance imaging (MRI) unless the MRI is provided by an entity that meets Medicare requirements for the payment of MRI services or is accredited by the American College of Radiology, the Intersocietal Accreditation Commission or the Joint Commission on Accreditation of Healthcare Organizations. For all other radiology procedures, the reimbursement rate shall be the lesser of the reimbursement rate allowed by the 2010 Oklahoma Fee Schedule or two hundred seven percent (207%) of the Medicare Fee Schedule.

2. For reimbursement of medical services for Evaluation and Management of injured employees as defined in the fee schedule adopted by the Administrator, the reimbursement rate shall not be less than one hundred fifty percent (150%) of the Medicare Fee Schedule.

3. Any entity providing durable medical equipment, prosthetics, orthotics or supplies must be accredited by a CMS-approved accreditation organization. In the event a physician provides durable medical equipment, prosthetics, orthotics, prescription drugs, or supplies to a patient ancillary to the patient visit, reimbursement will be no more than ten percent (10%) above cost.

4. The Administrator shall develop a reasonable stop loss provision of the Fee Schedule to provide for adequate reimbursement for treatment for major burns, severe head and neurological injuries, multiple system injuries, and other catastrophic injuries requiring extended periods of intensive care.

D. The right to recover charges for every type of medical care for injuries arising out of and in the course of covered employment as defined in this act shall lie solely with the Workers' Compensation Court and its administration. When a medical care provider has brought a claim in the Court to obtain payment for services, a party who prevails in full on the claim shall be entitled to a reasonable attorney fee.

E. Nothing in this section shall prevent an employer, insurance carrier, group self-insurance association, or certified workplace medical plan from contracting with a provider of medical care for a reimbursement rate that is greater than or less than limits established by the Fee Schedule.

F. A treating physician may not charge more than Four Hundred Dollars (\$400.00) per hour for preparation for or testimony at a deposition or court appearance in connection with a claim covered by the Workers' Compensation Code.

G. The Administrator's review of medical and treatment charges pursuant to this section shall be conducted pursuant to the Fee Schedule in existence at the time the medical care or treatment was provided. The order approving the medical and treatment charges pursuant to this section shall be enforceable by the Court in the same manner as provided in the Workers' Compensation Code for the enforcement of other compensation payments. Any party feeling aggrieved by the order, decision or award of the Administrator shall, within ten (10) days, have the right to request a hearing on such medical and treatment charges by a judge of the Court. The judge of the Court may affirm the decision of the Administrator, or reverse or modify the decision only if it is found to be contrary to the Fee Schedule existing at the time the medical care or treatment was provided. The order of the judge shall be subject to the same appellate procedure set forth for all other orders of the Court.

H. Charges for prescription drugs dispensed by a pharmacy shall be limited to ninety percent (90%) of the average wholesale price of the prescription, plus a dispensing fee of Five Dollars (\$5.00) per prescription. "Average wholesale price" means the amount determined from the latest publication designated by the Administrator. Physicians shall prescribe and

pharmacies shall dispense generic equivalent drugs when available. If the National Drug Code (NDC) for the drug product dispensed is for a repackaged drug, then the maximum reimbursement shall be the lesser of the original labeler's NDC or the lowest cost therapeutic equivalent drug product. Compounded medications shall be billed by the compounding pharmacy at the ingredient level, with each ingredient identified using the applicable NDC of the drug product, and the corresponding quantity. Ingredients with no NDC area are not separately reimbursable. Payment shall be based upon a sum of the allowable fee for each ingredient plus a dispensing fee of Five Dollars (\$5.00) per prescription.

I. When medical care includes prescription drugs dispensed by a physician or other medical care provider, the employer or insurance carrier shall be required to pay the lesser of the reimbursement amount specified under the schedule of fees adopted by the Administrator, the reimbursement amount for prescription drugs obtained by mail order, when mail order is available, or the reimbursement amount for prescription drugs obtained at a retail pharmacy. If the NDC for the drug product dispensed is for a repackaged drug, then the maximum reimbursement shall be the lesser of the original labeler's NDC or the lowest cost therapeutic equivalent drug product. Compounded medications shall be billed by the compounding pharmacy.

J. Implantables are paid in addition to procedural reimbursement paid for medical or surgical services. A manufacturer's invoice for the actual cost to a physician, hospital or other entity of an implantable device shall be adjusted by the physician, hospital or other entity to reflect, at the time implanted, all applicable discounts, rebates, considerations and product replacement programs and must be provided to the payer by the physician or hospital as a condition of payment for the implantable device. In the event the physician, or an entity that the physician has a financial interest in, other than an ownership interest of less than five percent (5%) in a publicly traded company provides implantable devices, this relationship must be disclosed to patient, employer, insurance company, third party administrator, certified workplace medical plan, case managers, and attorneys representing claimant and defendant. In the event the physician, or an entity that the physician has a financial interest in, other than an ownership interest of less than five percent (5%) in a publicly traded company, buys and resells implantable devices to the hospital or another physician, that markup shall be limited to ten percent (10%) above cost.

K. Payment for medical care as required by this act shall be due within forty-five (45) days of the receipt by the employer or insurance carrier of a complete and accurate invoice, unless the employer or insurance carrier has a good faith reason to request additional information about such invoice. Thereafter, a judge of the Court may assess a penalty up to twenty-five percent (25%) for any amount due under the Fee Schedule that remains unpaid upon the finding by the Court that no good faith reason existed for the delay in payment. In the event the Court finds a pattern of an employer or insurance carrier willfully and knowingly delaying payments for medical care, the Court may assess a civil penalty of not more than Five Thousand Dollars (\$5,000.00) per occurrence.

L. In the event an employee fails to appear for a scheduled appointment with a physician, the employer or insurance company shall pay to the physician a reasonable charge, to be determined by the Administrator, for the missed appointment. In the absence of a good faith reason for missing the appointment, the Court shall order the employee to reimburse the employer or insurance company for such charge.

M. Physicians providing treatment under this act shall disclose under penalty of perjury to the Administrator of the Workers' Compensation Court, on a form prescribed by the Administrator, any ownership or interest in any

health care facility, business, or diagnostic center that is not the physician's primary place of business. Such disclosure shall include any employee leasing arrangement between the physician and any health care facility that is not the physician's primary place of business. A physician's failure to disclose as required by this section shall be grounds for the Administrator to disqualify the physician from providing treatment under this act.

§85-328. Repealed by Laws 2013, c. 208, § 171, eff. Feb. 1, 2014.

NOTE: Subsequent to repeal, this section was amended by Laws 2013, c. 254, § 39 to read as follows:

A. If a self-insured employer, group self-insurance association plan, an employer's workers' compensation insurance carrier or an insured, which shall include any member of an approved group self-insured association, policyholder or public entity, has contracted with a workplace medical plan that is certified by the State Commissioner of Health as provided in this act, the employer shall select for the injured employee a treating physician from the physicians listed within the network of the certified workplace medical plan. The claimant may apply to the certified workplace medical plan for a one-time change of physician to another appropriate physician within the network of the certified workplace medical plan by utilizing the dispute resolution process set out in the certified workplace medical plan on file with the State Department of Health. Notwithstanding any other provision of law, those employees who are subject to such certified workplace medical plan shall receive medical treatment in the manner prescribed by the plan.

B. The provisions of this section shall not preclude an employee, who has exhausted the dispute resolution process of the certified workplace medical plan, from petitioning the Workers' Compensation Court for a change of treating physician within the certified workplace medical plan or, if a physician who is qualified to treat the employee's injuries is not available within the plan, for a change of physician outside the plan, if the physician agrees to comply with all the rules, terms and conditions of the certified workplace medical plan; or an employee from seeking emergency medical treatment.

C. Any person or entity may make written application to the State Commissioner of Health to have a workplace medical plan certified that provides management of quality treatment to injured employees for injuries and diseases compensable under the Workers' Compensation Code. Each application for certification shall be accompanied by a fee of One Thousand Five Hundred Dollars (\$1,500.00). A workplace medical plan may be certified to provide services to a limited geographic area. A certificate is valid for a five-year period, unless revoked or suspended. Application for certification shall be made in the form and manner and shall set forth information regarding the proposed program for providing services as the Commissioner may prescribe. The information shall include, but not be limited to:

1. A list of the names of all medical providers who will provide services under the plan, together with appropriate evidence of compliance with any licensing or certification requirements for those providers to practice in this state; and

2. A description of the places and manner of providing services under the plan.

D. 1. The Commissioner shall not certify a plan unless the Commissioner finds that the plan:

a. proposes to provide quality services for all medical services which:

- (1) may be required by the Workers' Compensation Code in a manner that is timely, effective and convenient for the employee, and
- (2) utilizes medical treatment guidelines and protocols substantially similar to those established for use by medical service providers which have been recommended by the Physician Advisory Committee and adopted by the Administrator pursuant to this act. If the Administrator has not adopted medical treatment guidelines and protocols, the Commissioner may certify a plan that utilizes medical guidelines and protocols established by the plan if, at the discretion of the Commissioner, the guidelines and protocols are reasonable and will carry out the intent of the Workers' Compensation Code. Certified plans must utilize medical treatment guidelines and protocols substantially similar to those adopted by the Administrator pursuant to this act, as such guidelines and protocols become adopted,
 - b. is reasonably geographically convenient to residents of the area for which it seeks certification,
 - c. provides appropriate financial incentives to reduce service costs and utilization without sacrificing the quality of service,
 - d. provides adequate methods of peer review, utilization review and dispute resolution to prevent inappropriate, excessive or medically unnecessary treatment, and excludes participation in the plan by those providers who violate these treatment standards,
 - e. requires the dispute resolution procedure of the plan to include a requirement that disputes on an issue, including a subsequent change of physician as described in the provisions of this section, related to medical care under the plan, be attempted to be resolved within ten (10) days of the time the dispute arises and if not resolved within ten (10) days, the employee may pursue remedies in the Court,
 - f. provides aggressive case management for injured employees and a program for early return to work,
 - g. provides workplace health and safety consultative services,
 - h. provides a timely and accurate method of reporting to the Commissioner necessary information regarding medical service costs and utilization to enable the Commissioner to determine the effectiveness of the plan,
 - i. authorizes necessary emergency medical treatment for an injury provided by a provider of medical, surgical, and hospital services who is not a part of the plan,
 - j. does not discriminate against or exclude from participation in the plan any category of providers of medical, surgical, or hospital services and includes an adequate number of each category of providers of medical, surgical, and hospital services to give participants access to all categories of providers and does not discriminate against ethnic minority providers of medical services, and
 - k. complies with any other requirement the Commissioner determines is necessary to provide quality medical services and health care to injured employees.

2. The Commissioner may accept findings, licenses or certifications of other state agencies as satisfactory evidence of compliance with a particular requirement of this section.

E. If any insurer fails to contract with or provide access to a certified workplace medical plan, an insured, after sixty (60) days' written notice to its insurance carrier, shall be authorized to contract independently with a plan of his or her choice for a period of one (1) year, to provide medical care under the Workers' Compensation Code. The insured shall be authorized to contract, after sixty (60) days' written notice to its insurance carrier, for additional one-year periods if his or her insurer has not contracted with or provided access to a certified workplace medical plan.

F. A workers' compensation insurance carrier or a group self-insurance association plan may grant a ten-percent premium reduction to an employer who is not experience rated when the employer participates in a certified workplace medical plan.

G. The Commissioner shall refuse to certify or shall revoke or suspend the certification of a plan if the Commissioner finds that the program for providing medical or health care services fails to meet the requirements of this section, or service under the plan is not being provided in accordance with the terms of the plan.

H. The State Commissioner of Health shall implement a site visit protocol for employees of the State Department of Health to perform an inspection of a certified workplace medical plan to ensure that medical services to a claimant and the medical management of the claimant's needs are adequately met in a timely manner and that the certified workplace medical plan is complying with all other applicable provisions of this act and the rules of the State Department of Health. Such protocol shall include, but not be limited to:

1. A site visit shall be made to each certified workplace medical plan not less often than once every year, but not later than thirty (30) days following the anniversary date of issuance of the initial or latest renewal certificate;

2. A site visit shall conclude with a determination that a certified workplace medical plan is or is not operating in accordance with its latest application to the State Department of Health;

3. Compliant operations shall include, but not be limited to:

- a. timely and effective medical services available with reasonable geographic convenience,
- b. appropriate treatment guidelines and protocols, and
- c. effective programs for utilization review, case management, grievances, and dispute resolution;

4. Performance of a site visit shall include:

- a. inspection of organizational documentation,
- b. inspection of systems documentation and processes,
- c. random or systematic sampling of closed and open case management cases (files),
- d. random or systematic sampling, or a one-hundred-percent inspection of all dispute resolution, grievance, and Department of Health request for assistance files,
- e. workplace medical plan employee and management interviews, as appropriate;

5. An initial site visit may occur with an interval of less than twelve (12) months to a recently certified plan, or a site visit may occur more often than once in every twelve (12) months if the State Commissioner of Health has reason to suspect that a plan is not operating in accordance with its certification;

6. If a deficient practice is identified during a site visit, the State Department of Health shall require a certified workplace medical plan to submit a timely and acceptable written plan of correction, and then may perform a follow-up visit or visits to ensure that the deficient practice has been eliminated;

7. A deficient practice that is not remedied by a certified workplace medical plan on a timely basis shall require the State Commissioner of Health to revoke or to suspend the certification of a plan;

8. The fees payable to the State Department of Health shall be:

- a. One Thousand Five Hundred Dollars (\$1,500.00) for an initial, annual site visit,
- b. One Thousand Dollars (\$1,000.00) if a follow-up visit is performed,
- c. separate from the once in five (5) years certification application fee, and
- d. charged only if less than two site visits occur in a twelve-month period; and

9. In addition to the site visit fee, employees of the State Department of Health may charge to the certified workplace medical plan reasonable travel and travel-related expenses for the site visit such as overnight lodging and meals. A certified workplace medical plan shall reimburse travel expenses to the State Department of Health at rates equal to the amounts then currently allowed under the State Travel Reimbursement Act.

I. The State Board of Health shall adopt such rules as may be necessary to implement the provisions of this act and this section. Such rules shall authorize any person to petition the State Commissioner of Health for decertification of a certified workplace medical plan for material violation of any rules promulgated pursuant to this section.

A. In addition to any other penalty prescribed by law, any employer who fails to secure compensation required by Section 351 of this title shall be liable for a civil penalty, to be assessed by the Commissioner of Labor or designee, of not more than Two Hundred Fifty Dollars (\$250.00) per employee for a first offense, unless the employer secures workers' compensation insurance within thirty (30) days after receiving notice of the violation. If the employer secures workers' compensation insurance within thirty (30) days after receiving notice of the violation, the employer shall be liable for a civil penalty of not more than Seventy-five Dollars (\$75.00) per employee. An employer shall be liable for a civil penalty of not more than One Thousand Dollars (\$1,000.00) per employee for a second or subsequent offense. The Commissioner of Labor shall have the authority to require the cessation of activities of an employer whose employees are not covered by workers' compensation insurance until the violating employer shall obtain workers' compensation insurance for its employees; provided that an employer who has made application for workers' compensation coverage with an insurance carrier, and who, through no fault of the employer, has not received notice that such coverage has commenced, shall not be made to cease operations, as provided for in this section, until a determination has been made concerning the employee's application for workers' compensation coverage. Any order to cease and desist issued by the Commissioner may be enforced in district court. The district court may issue the Commissioner an injunction without bond, for the purposes of enforcing this section.

C. The Commissioner of Labor or designee shall assess and collect any civil penalty incurred under subsection A of this section and, in the Commissioner's discretion, may remit, mitigate or negotiate the penalty. In determining the amount of the penalty to be assessed, or the amount agreed upon in any negotiation, consideration shall be given to the appropriateness of such penalty in light of the life of the business of the employer charged, the gravity of the violation, and the extent to which the employer charged has complied with the provisions of Section 351 of this title or has otherwise attempted to remedy the consequences of the violation.

Thereafter, each position will be filled by the appointing official for a term of three (3) years. Members shall be subject to reappointment, with any new appointee to serve out the remainder of the unexpired term of the Committee member so replaced.

B. The Committee shall:

1. Assist and advise the Administrator of the Workers' Compensation Court regarding utilization review as it relates to the medical practice and treatment of work-related injuries. Such utilization review shall include a review of reasonable and necessary medical treatment; abusive practices; needless treatments, testing, or procedures; or a pattern of billing in excess of or in violation of the Schedule of Medical Fees. The Physician Advisory Committee shall review and make findings and recommendations to the Administrator with respect to charges of inappropriate or unnecessary treatment or procedures, abusive practices, or excessive billing disclosed through utilization review;

2. Assist the Administrator in reviewing medical practices of health care providers, including evaluations of permanent impairment provided by health care providers. A. There is hereby created, for the purposes declared in this act, the "Multiple Injury Trust Fund" to be derived from the following sources:

1. As soon as practicable after January 1 of each year, the Administrator of the Workers' Compensation Court shall establish an assessment rate applicable to each mutual or interinsurance association, stock company, or other insurance carrier writing workers' compensation insurance in this state, each employer carrying its own risk, and each group self-insurance association, for amounts for purposes of computing the assessment authorized by this section necessary to pay the annual obligations of the Multiple Injury Trust Fund determined on or before December 31 of each year by the MITF Director to be outstanding for the next calendar year, and to pay the allocations provided for in subsection I of this section. The rate shall be equal for all parties required to pay the assessment. The Board of Directors for CompSource Mutual Insurance Company shall have the power to disapprove the rate established by the MITF Director until the Multiple Injury Trust Fund repays in full the amount due on any loan from CompSource Mutual Insurance Company or its predecessor CompSource Oklahoma. If the MITF Director and CompSource Mutual Insurance Company have not agreed on the assessment rate within thirty (30) days, the Administrator of the Workers' Compensation Court shall set an assessment rate sufficient to cover all foreseeable obligations of the Multiple Injury Trust Fund, including interest and principal owed by the Fund on any loan. The rate in effect on the effective date of this act shall remain effective through June 30, 2012;

2. The Oklahoma Tax Commission shall assess and collect from any uninsured employer a temporary assessment at the rate of five percent (5%) of the total compensation for permanent total disability awards, permanent partial impairment awards, and death benefits paid out during each quarter of the calendar year by the employers;

3. The assessments shall be paid to the Tax Commission. Insurance carriers, self-insurers and group self-insurance associations shall pay the assessment in four equal installments not later than the fifteenth day of the month following the close of each quarter of the calendar year of the assessment. Assessments shall be determined based upon gross direct written premiums, normal premiums or actual paid losses of the paying party, as applicable, during the calendar quarter for which the assessment is due. Uninsured employers shall pay the assessment not later than the fifteenth day of the month following the close of each quarter of the calendar year of the assessment. For purposes of this section, "uninsured employer" means an employer required by law to carry workers' compensation insurance but who has failed or neglected to do so. Only one-third (1/3) of assessments against insurance carriers may be charged to policyholders and shall not be considered in determining whether any rate is excessive. The remaining two-thirds (2/3) of assessments against insurance carriers may not be included in any rate, premium, charge, fee, assessment or other amount to be collected from a policyholder. Insurance carriers shall not separately state the amount of the assessment on any invoice or billing assessment.

a. The assessment authorized in this section shall be determined using a rate equal to the proportion that the sum of the outstanding obligations of the Multiple Injury Trust Fund as determined pursuant to paragraph 1 of this subsection and the allocations provided for in subsection I of this section bear to the combined gross direct written premiums of all such insurers; all actual paid losses of all individual self-insureds; and the normal premium of all group self-insurance associations, for the year period from January 1 to December 31 preceding the assessment.

b. For purposes of this subsection:

- (1) "actual paid losses" means all medical and indemnity payments, including temporary disability, permanent disability, and death benefits, and excluding loss adjustment expenses and reserves, and
- (2) "normal premium" means a standard premium less any discounts;

4. By April 15 of each year, the Insurance Commissioner, the MITF Director, and each individual and group self-insured shall provide the Administrator with such information as the Administrator may determine is necessary to effectuate the purposes of this section;

5. Each mutual or interinsurance association, stock company, or other insurance carrier writing workers' compensation insurance in this state, and each employer carrying its own risk, including each group self-insurance association, shall be notified by the Administrator in writing of the rate for the assessment on or before May 1 of each year in which a rate is determined. The rate determined by the Administrator shall be in effect for four calendar quarters beginning July 1 following determination by the Administrator;

6. a. No mutual or interinsurance association, stock company, or other insurance carrier writing workers' compensation insurance in this state, may be assessed in any year an amount greater than six percent (6%) of the gross direct written premiums of that insurer.

- b. No employer carrying its own risk may be assessed in any year an amount greater than six percent (6%) of the total actual paid losses of that individual self-insured.
- c. No group self-insurance association may be assessed in any year an amount greater than six percent (6%) of the normal premium of that group self-insurance association.
- d. If the maximum assessment does not provide in any one year an amount sufficient to make all necessary payments for obligations of the Multiple Injury Trust Fund and for the allocations provided for in subsection I of this section, the unpaid portion shall be paid as soon thereafter as funds become available.

B. The Multiple Injury Trust Fund is hereby authorized to receive and expend monies appropriated by the Legislature.

C. It shall be the duty of the Tax Commission to collect the payments provided for in this act. The Tax Commission is hereby authorized to bring an action for the recovery of any delinquent or unpaid payments required in this section.

D. Any mutual or interinsurance association, stock company, or other insurance company, which is subject to regulation by the Insurance Commissioner, failing to make payments required in this act promptly and correctly, and failing to report payment of the same to the Insurance Commission within ten (10) days of payment shall be subject to administrative penalties as allowed by law, including but not limited to a fine in the amount of Five Hundred Dollars (\$500.00) or an amount equal to one percent (1%) of the unpaid amount, whichever is greater, to be paid to the Insurance Commissioner.

E. Any employer carrying its own risk, or group self-insurance association failing to make payments required in this act promptly and correctly, and failing to report payment of the same to the Administrator within ten (10) days of payment shall be subject to administrative penalties as allowed by law, including but not limited to a fine in the amount of Five Hundred Dollars (\$500.00) or an amount equal to one percent (1%) of the unpaid amount, whichever is greater, to be paid to the Administrator.

F. 1. On or before the first day of April of each year, the State Treasurer shall advise the Administrator, the MITF Director and the Tax Commission of the amount of money held as of March 1 of that year by the State Treasurer to the credit of the Multiple Injury Trust Fund. On or before the first day of November of each year, the State Treasurer shall advise the Administrator, the Board of Managers of CompSource Oklahoma and the Tax Commission of the amount of money held as of October 1 of that year by the State Treasurer to the credit of the Multiple Injury Trust Fund.

2. Until such time as the Multiple Injury Trust Fund fully satisfies any loan obligation payable to CompSource Mutual Insurance Company or its predecessor CompSource Oklahoma, the State Treasurer shall:

- a. advise the Chief Executive Officer of CompSource Mutual Insurance Company on or before the first day of April of the money held as of March 1 of that year by the State Treasurer to the credit of the Multiple Injury Trust Fund, and
- b. advise the Chief Executive Officer of CompSource Mutual Insurance Company on or before the first day of November of the money held as of October 1 of that year by the State Treasurer to the credit of the Multiple Injury Trust Fund.

G. Eighty percent (80%) of all sums held by the State Treasurer to the credit of the Multiple Injury Trust Fund may by order of the MITF Director, with the approval of the Insurance Commissioner, be invested in or loaned on the pledge of any of the securities in which a state bank may invest the

monies deposited therein by the State Treasurer; or may be deposited in state or national banks or trust companies upon insured time deposit bearing interest at a rate no less than currently being paid upon insured savings accounts in the institutions. As used in this section, "insured" means insurance as provided by an agency of the federal government. All such securities or evidence of indebtedness shall be placed in the hands of the State Treasurer, who shall be the custodian thereof, who shall collect the principal and interest when due, and pay the same into the Multiple Injury Trust Fund. The State Treasurer shall pay by vouchers drawn on the Multiple Injury Trust Fund for the making of such investments, when signed by the MITF Director, upon delivery of such securities or evidence of indebtedness to the State Treasurer. The MITF Director may sell any of such securities, the proceeds thereof to be paid over to the State Treasurer for the Multiple Injury Trust Fund.

H. The refund provisions of Sections 227 through 229 of Title 68 of the Oklahoma Statutes shall be applicable to any payments made to the Multiple Injury Trust Fund. Refunds shall be paid from and out of the Multiple Injury Trust Fund.

I. The Tax Commission shall pay, monthly, to the State Treasurer to the credit of the Multiple Injury Trust Fund all monies collected pursuant to the provisions of this section, less the annual sum of Two Million Five Hundred Fifty Thousand Dollars (\$2,550,000.00), of which One Million Two Hundred Seventy-five Thousand Dollars (\$1,275,000.00) shall be payable by the Oklahoma Tax Commission to the State Treasurer in equal monthly installments to the credit of the Department of Labor, Six Hundred Thirty-seven Thousand Five Hundred Dollars (\$637,500.00) shall be payable in equal monthly installments to the credit of the Office of the Attorney General, and Six Hundred Thirty-seven Thousand Five Hundred Dollars (\$637,500.00) shall be payable in equal monthly installments to the credit of the Oklahoma Department of Career and Technology Education. The State Treasurer shall pay out of the Multiple Injury Trust Fund only upon the order and direction of the Workers' Compensation Court acting under the provisions hereof.

J. The Administrator shall promulgate rules as the Administrator deems necessary to effectuate the provisions of this section.

K. The Insurance Commissioner shall promulgate rules relating to insurers as defined in Title 36 of the Oklahoma Statutes, as the Insurance Commissioner deems necessary to effectuate the provisions of this section.

L. The Multiple Injury Trust Fund may enter into an agreement with any reinsurer licensed to sell reinsurance by the Insurance Commissioner pursuant to a competitive process administered by the Director of Central Purchasing in the Office of Management and Enterprise Services.

M. Any dividend, rebate, or other distribution, payable by any workers' compensation insurance carrier, to a state agency policyholder shall be paid to the State Treasurer, and shall be credited as follows:

1. In the event of failure of the Multiple Injury Trust Fund to meet all lawful obligations, the monies shall be credited to the Multiple Injury Trust Fund and shall be used by the Multiple Injury Trust Fund to meet all lawful obligations of the Multiple Injury Trust Fund; and
