“SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-508.2 of Title 63, unless there is created a duplication in numbering, reads as follows:

- A. As used in this section:
1. “Relevant study” means:
 - a. a randomized controlled study,
 - b. a peer reviewed study, or
 - c. a study performed by one or more researchers that has not been discredited and is published in a print or electronic research journal;
 2. “Significant adverse effects” means recurring headaches, negative impact on the cardiovascular system, negative impact on the cardiopulmonary system including but not limited to any reduction in blood oxygenation or respiratory volume, significant nausea and vomiting or other side effects that a reasonable physician would consider significant; and
 3. “Substantial harm” means:
 - a. bacterial, viral or other infection, most commonly from device contamination,
 - b. reduced cardiovascular function,
 - c. reduced cardiopulmonary function,
 - d. psychological harm,
 - e. negative impact on learning for students, or
 - f. other adverse effects that a reasonable physician would conclude pose a risk of substantial harm.
- B. 1. A state entity, institution within The Oklahoma State System of Higher Education, technology center school district or political subdivision including, but not limited to, a school district board of education may only implement a mandate to wear a mask or any other medical device as provided in this subsection and shall state any purpose or purposes for the mandate in the text of the mandate.
2. The mandate must reference three (3) or more relevant studies that show the mask or medical device has proven effectiveness for the exact purpose or purposes stated in the mandate. Studies that do not include all masks or medical devices that could qualify as such under the mandate or do not address all purposes stated in the mandate, and in the case of a mask the potential for mitigation of transmission of bacterial or viral infection, shall not qualify as one of the required three (3) or more studies.
3. The mandate shall be invalidated if three (3) or more relevant studies that show possible significant adverse effects as a result of wearing a mask or medical device that would satisfy the mandate and for any use that would satisfy the mandate are provided to the state entity, institution within The Oklahoma State System of Higher Education, technology center school district or political subdivision implementing the mandate.
4. The mandate shall be invalidated if three (3) or more relevant studies show that any mask or medical device that would be required under the mandate is found not to be effective for any of the purposes stated in the mandate. If no specific purposes are stated in the mandate, the mandate shall be invalidated.
5. The mandate shall be immediately invalidated if any mask or medical device that would satisfy the mandate is shown by one or more relevant studies to pose a risk of substantial harm, if used in any manner that would satisfy the mandate, to the wearer of the mask or medical device.”; and renumbering the subsequent section, which amendment was declared adopted upon roll call as follows:

Aye: Allen, Bergstrom, Bullard, Burns, Coleman, Dahm, Daniels, Dossett (J.J.), Garvin, Hall, Hamilton, Haste, Jech, Jett, Kidd, Leewright, Newhouse, Paxton, Pederson, Pemberton, Pugh, Rogers, Standridge, Stanley, Stephens, Taylor, Treat and Weaver.--28.
