

# AMERICAN RESCUE PLAN ACT

## Joint Committee Project Cover Page ARPA State & Local Fiscal Recovery Funds (SLFRF)

Project Information	
<b>Project Name</b>	ARPA-YY000460
<b>Project Organization</b>	City of Oklahoma City
<b>Project Description</b>	<p><b>Priority Area:</b> Partnerships with municipalities, cities, and tribes on water and sewage projects</p> <p>This necessary infrastructure investment of \$35 million will relocate the segment of the 60" water transmission main going East to Post Road starting at SE 74th Street up to SE 44th Street. At SE 44 Street, the line would turn back West to Douglas Blvd where it proceeds North parallel to Douglas Blvd. The purpose and objective of this project is to protect public health and public safety for the service area. Specific project costs to be expended are for construction activities, which includes installing approximately four miles of 60" water line, valving, connection to existing line, testing, disinfection, construction signage and traffic control, as-builts, erosion control, and surface restoration.</p>
<b>Expenditure Code</b>	5.11 Drinking Water Transmission and Distribution
<b>Total Dollar Amount</b>	\$35,000,000
