

Cedar Eradication

Executive Director Sterling Zearley

Fort Cobb

The Bureau of Reclamation (BOR) is currently removing cedars.

Roman Nose

Trying to get Terry Peach Cedar Removal scheduled. We are working towards finalizing this agreement. Our arbor crew has conducted prescribed burns.

This is a state funded project.

Boiling Springs

Terry Peach Cedar Removal Project did an amazing job at Boiling Springs last year.

We are trying to get them to get Roman Nose.

Foss

Holman Tree Service out of Clinton and our arbor crew did a great job cleaning up the park after the tornado in the spring of 2023. Cedars were also removed at this time.

Lake Thunderbird

The cedar tree removal project was initiated by the Bureau of Reclamation (BOR). Project was awarded to Bushwhackers Land Clearing out of Durant, Oklahoma, with trees cut and mulched in place.

The park is now in the process of Phase II cedar tree removal working with Oklahoma Forestry Service on prescribed burns, including portions of the previously cleared areas.
