N/A		\$ Amount
		\$0

Total Increase above FY-18 Request

No Increase requestd over the FY16 Appropriation

How would the agency handle a 5% appropriation reduction in FY'185

The agency would reduce administrative and operating expenses to manage a 5% reduction while maintaining our core mission.

How would the agency handle a 7.5% appropriation reduction in FY'18?

A 7.5% appropriation reduction in FY 18 would be again be spread across the agency's operating expenses

How would the agency handle a 10% appropriation reduction in FY'18?

A 10% reduction would limit agency productivity maintaing our core mission.

Is the agency seeking any fee increases for FY'18?	
	\$ Amount
Increase 1 N/A	\$0

	What are the agency's top 2-3 capital or technology (one-time) requests, if applicable?	
N/A		\$0

Federal Government Impact

1.) How much federal money received by the agency is tied to a mandate by the Federal Government?

All federal money received by the agency is tied to a mandate by the Federal Government.

2.) Are any of those funds inadequate to pay for the federal mandate?

No

3.) What would the consequences be of ending all of the federal funded programs for your agency?

Ending all federal funded programs for our agency would not allow for the upkeep of the air / spaceport to support the Air Force Joint Use Agreement or maintain the airfiled in a safe operational condition that also serves all civilian flight oprations including corportate flight operations and air ambulande flights

4.) How will your agency be affected by federal budget cuts in the coming fiscal year?

Our agency could be affected by a reduction by the US Air Force Air Trainning Command related to our Joint Use Agreement (JUA) that allows Vance and Enid Air Force Base to utilize the Oklahoma Air & Spaceport for pilot trainning. The JUA pays OSIDA 1.1m Dollars a year which provides airfield upkeep on a 90/10 grant.

5.) Has the agency requested any additional federal earmarks or increases?

Yes, the agency requested \$450,000 from the FAA for additional ruway improvements. It is a 90/10 Grant RequestHowever, the FAA has a new rule that a public use airport must have a minimum of 9 based aircraft to be able to apply for airport improvement grants.
