#### **MESSAGES FROM THE GOVERNOR**

Advising his approval May 8, 2025, of Enrolled **SBs 553, 630, 681 and 806**.

Advising that on May 8, 2025, in accordance with Article VI, Section 11, of the Oklahoma Constitution, Senate Bills **111, 301, 364, 398, 586, 634, 831, 861, 925 and 957** have become law without the Governor's signature.

Advising his veto May 8, 2025, of Enrolled **SBs 631, 837 and 870**.

The veto messages read as follows:

May 8, 2025

TO THE HONORABLE PRESIDENT PRO TEMPORE  
AND MEMBERS OF THE OKLAHOMA SENATE  
FIRST REGULAR SESSION OF THE  
SIXTIETH OKLAHOMA LEGISLATURE

**ENROLLED SENATE BILL NO. 631:**

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled Senate Bill 631.

Senate Bill 631 would add the crime of discharging a firearm at or into a building to the list of offenses requiring 85% of a sentence to be served before becoming parole eligible—even when no one is inside or harmed. While this is potentially serious conduct, it differs fundamentally from crimes like murder, rape, or lewd molestation of a child, which justify the 85% rule because they directly threaten or take human life.

Oklahoma already punishes discharging a firearm at or into a building as a felony with up to twenty years in prison. Mandating 85% of time for cases that may involve no victim senselessly increases the burden on our criminal justice system, raises incarceration costs, and limits opportunity for reform.

For these reasons, I have vetoed Enrolled Senate Bill 631.

**ENROLLED SENATE BILL NO. 837:**

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled Senate Bill 837.

The Legislature's overzealous commitment to vanity license plates has resulted in a bloated catalogue full of taxpayer-funded advertisements for special interest groups. The legislation allows for a fee increase on a seemingly existing license plate, but there is no Oklahoma City Zoo license plate currently available.

It's bananas that our Legislature has time to dedicate to creating more novelty license plates but doesn't have the time to pass tax cuts. The Legislature should stop monkeying around and address the elephant in the room. It's time to boa up and pass tax cuts.

For these reasons, I have vetoed Enrolled Senate Bill 837.

**ENROLLED SENATE BILL NO. 870:**

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled Senate Bill 870.

While I am supportive of protecting vulnerable children, this bill is too broad and leaves many terms undefined. Even law enforcement believe this bill is so vague it could lead to overcriminalization. There is already a failure to report statute, but it requires that the violator knew of misconduct and *chose* not to report. On the other hand, this bill criminalizes people who suspect – even when they don’t really know if a crime has been committed – and do not report.

This bill may unintentionally discourage volunteers and employees from serving, out of concern that they could face prosecution for not being sufficiently vigilant in identifying potential misconduct. I would encourage the legislature to clarify the above, expand it to more than just OJA and get it to my desk to better protect Oklahoma children without the ambiguity.

For these reasons, I have vetoed Enrolled Senate Bill 870.

Advising his veto May 9, 2025, of Enrolled **SBs 522, 875, 1014, 1050 and 1089.**

SIXTIETH OKLAHOMA LEGISLATURE

**ENROLLED SENATE BILL NO. 522:**

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled Senate Bill 522.

This bill would require the Oklahoma Medical Marijuana Authority Executive Advisory Council to organize a special task force. This is like holding a meeting to schedule a meeting about meetings. Creating yet another advisory group is bureaucracy dressed up as productivity. We don't need more panels, roundtables, or reports that end up collecting dust. We need action, leadership, and real solutions.

For these reasons, I have vetoed Enrolled Senate Bill 522.

**ENROLLED SENATE BILL NO. 875:**

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled Senate Bill 875.

This bill would mandate the Oklahoma Health Care Authority (OHCA) to impose steep, additional penalties on contracted entities that fail to meet existing minimum spending thresholds for primary care services. It's unclear why legislation is necessary for what seems to be a contractual issue already within the OHCA's and healthcare providers' purview.

For these reasons, I have vetoed Enrolled Senate Bill 875.

**ENROLLED SENATE BILL NO. 1014:**

Pursuant to the authority vested by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled House Bill 1014.

I agree with the premise that we should prefer local Oklahoma companies, all else equal, but this is already allowed under the law as localities *may* give those companies preferential treatment. This bill would take away flexibility in the bidding process. We should continue to allow localities flexibility so that they can pick companies who can give them the best services for the price.

If this bill becomes law it would reduce competition and qualified bidders and ultimately hurt consumers.

For these reasons, I have vetoed Enrolled Senate Bill 1014.

**ENROLLED SENATE BILL NO. 1050:**

Pursuant to the authority vested by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled House Bill 1050.

This bill undermines the ability of insurers to detect waste, fraud, and abuse and recover fraudulent or improper payments, which will drive up costs across the system. Oklahoma families are already burdened by rising health care premiums. We should not be adopting policies that increase those costs further.

For these reasons, I have vetoed Enrolled Senate Bill 1050.

**ENROLLED SENATE BILL NO. 1089:**

Pursuant to the authority vested by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled House Bill 1089.

While Senate Bill 1089 is well-intended, I am concerned that it shifts competency restoration decisions from qualified clinicians to judges and attorneys, which will result in worse outcomes for Oklahomans and higher burdens on taxpayers.

Additionally, many of the concerns raised by this bill have already been addressed in the *Briggs v. Friesen* consent decree, which was agreed to by the plaintiffs, the Department of Mental Health and Substance Abuse Services, the Attorney General, and the Legislature. I'm concerned this bill would unnecessarily increase the Department's exposure to legal liability.

I encourage the Legislature and the Department to continue collaborating in good faith to develop mutually agreeable legislation that more effectively addresses the underlying concerns driving this proposal.

For these reasons, I have vetoed Enrolled Senate Bill 1089.

Advising his veto May 10, 2025, of Enrolled **SBs 424, 694, 773 and 924.**

**ENROLLED SENATE BILL NO. 424:**

Pursuant to the authority vested by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled House Bill 424.

I vetoed a nearly identical bill in 2023. Like its predecessor, this requires the State Department of Health to create a certification program for community health workers – another license and more government intervention.

While these workers offer important services I believe decisions about employing them should be left to private employers, not mandated through government expansion.

For these reasons, I have vetoed Enrolled Senate Bill 424.

**ENROLLED SENATE BILL NO. 694:**

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled Senate Bill 694.

The current municipality annexation and detachment law is fine how it is—it rightly requires approval from three-fourths (3/4) of registered voters and property owners in the area. This bill would block detachment even with that support, undermining local democracy and inviting unnecessary interference from the Capitol.

For these reasons, I have vetoed Enrolled Senate Bill 694.

**ENROLLED SENATE BILL NO. 773:**

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled Senate Bill 773.

Oklahoma statute already gives the Attorney General authority to go after bad actors in the PBM space. This bill hands additional power to an Attorney General who has shown again and again that he will abuse it. To date, he has used his office to sue agricultural farmers, tech companies and other Oklahoma businesses for political gain.

After increasing his budget 68% since taking office, and asking for another 204% increase for next year, the Attorney General is making another attempt to grow his office and expand his authority. Senate Bill 773 gives the AG new tools to go after more industries and keep the fines and fees levied on them, without meaningful oversight or checks on his actions. This bill gives him a financial incentive to sue people.

For these reasons, I have vetoed Enrolled Senate Bill 773.

**ENROLLED SENATE BILL NO. 924:**

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled Senate Bill 924.

This bill would allow the Oklahoma Employment Security Commission to alter the administrative appeals filing process in a way that creates uncertainty for the people and businesses they serve. This language is incongruous with the stated intention of the bill, and

its operative terms are undefined in the statute. Administrative appeals for unemployment should be transparent and straightforward and allow both the citizen and employer to know what is expected without needing a law degree. In short, this language would create ambiguity for both the Commission and the citizens it intends to serve.

For these reasons, I have vetoed Enrolled Senate Bill 924.
