Advising that on May 21, 2025, Governor's messages were received on **SBs 393, 394, 395 and 396** and were filed with the Secretary of State.

Governor's messages read as follows:

May 21, 2025

TO THE HONORABLE PRESIDENT PRO TEMPORE
AND MEMBERS OF THE OKLAHOMA SENATE
FIRST REGULAR SESSION OF THE
SIXTIETH OKLAHOMA LEGISLATURE

ENROLLED SENATE BILL 393

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I am allowing Senate Bill 393 to become law without my signature.

I do so with serious reservations—not because of the bill's contents, but because of the broken process it represents. Sunset provisions are supposed to ensure that government doesn't grow by default. They are meant to prompt accountability, not automatic renewals.

Yet year after year, sunset bills are passed in rote fashion, with little debate, no meaningful scrutiny, and no tough questions. It has become a ritual of rubber-stamping—not governance. That's not acceptable.

To be clear, this is not about any one occupational or professional license, agency, board, or commission. Some may be performing well. But given the extraordinarily large number of licenses, agencies, boards, and commissions, the Legislature has a responsibility to justify each reauthorization, not simply assume it.

Once again, I am calling on the Legislature to take sunset reviews seriously—to ask hard questions, reject autopilot governance, and restore real oversight. Government will always grow unless elected leaders step in to stop it.

The State's myriad occupational and professional licensing entities illustrate the problem with rubber-stamping sunset extensions. Each license is governed by a different agency, board or commission, often with its own staff, overhead and administrative costs, and the like. Other states, like Utah, have consolidated the administration of licenses to a single state agency—a one-stop shop for license issuance and renewals. Experts estimate that a similar reform in Oklahoma would save taxpayers tens of millions of dollars annually. Sunset reviews are a prime opportunity to take up reforms such as this—indeed, they are designed to force an analysis of whether the license, agency, board, or commission is still

necessary and whether it is being administered properly—but only if taken seriously by the legislature.

For these reasons, I am allowing Senate Bill 393 to become law without my signature.

Advising his veto May 21, 2025, of Enrolled **SB 443**.

Veto message reads as follows:

May 21, 2025

TO THE HONORABLE PRESIDENT PRO TEMPORE
AND MEMBERS OF THE OKLAHOMA SENATE
FIRST REGULAR SESSION OF THE
SIXTIETH OKLAHOMA LEGISLATURE

ENROLLED SENATE BILL 443

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled Senate Bill 443.

Simply put, this bill grows government unnecessarily by allowing the State Board of Medical Licensure and Supervision to hire more personnel. Growing bureaucracy is not the same as improving accountability.

While ensuring that doctors are properly licensed is undeniably important for the health and well-being of Oklahomans, we don't need more employees scattered across independent boards. We need fewer boards doing the job more efficiently under one roof. And if national background checks are only now being implemented after nearly 100 years, that's a reason to question how the Board has been operating all this time.

For these reasons, I have vetoed Enrolled Senate Bill 443.
