

National Change of Address Mailings

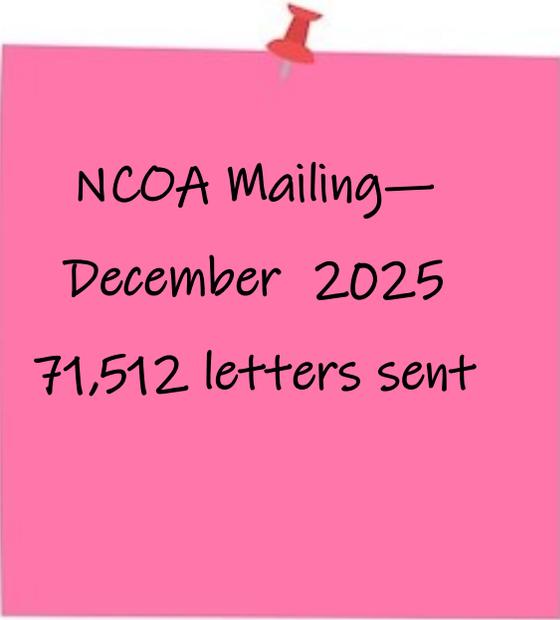

The \$100,000 appropriated for FY26 is being used to send mailings to voters whose address was matched with the USPS National Change of Address list. The request covers Central Printing matching our voter registration list to the NCOA list, printing, and mailing postcard mailings in accordance with 26 O.S. § 4-118.1. The mailings remind voters to and explains how to update their voter registration with their new address.
