Permits and Fees

FY – 2016

		New	Renewal
Class 1 Dealer	50100	\$1000.00	\$400.00
Class 2 Transporter	11000	\$1000.00	\$400.00
Class 3 Cylinder Transporter	1800	\$150.00	\$150.00
Class 4 Installer	45875	\$70.00	\$70.00
Class 4D Driver	25560	\$50.00	\$50.00
Class 6 Cylinder Station	29300	\$100.00	\$100.00
Class 6A Dispenser	31025	\$25.00	\$25.00
Class 7 Cylinder Exchange	95700	\$50.00	\$50.00
Class 9 Container Sales	27405	\$70.00	\$70.00
Class 9A Manufactured Home	3010	\$70.00	\$70.00
Class 10 Manager	55125	\$150.00	\$150.00
Truck/Trailer Inspections	232305		
Exam Fees (1 & 10)	2420		
Exam Fees (Others)	9160		
Filing Fees	13420		
Plan Review Fees	1470		
Cylinder Tags	189828		
Tank Tags	31030		
Misc. Fees	10180.25		
Late Fees	6016.25		

	\$895,739.50		

Colorado

\$10.00 per 8,000 gallons

Only 2 FTE's

Admittedly can't do what really needs to be done

No Inspections on Transports & Bobtails

They work off of a "risk based" list

Missouri

Assessment of 2 tenths of a cent per gallon for each gallon of odorized LP Gas sold in the state.

Assessment is charged at the loading rack.

They require registration classes for obtaining permits, but they do not charge for the permit.

No inspections on Transports & Bobtails

Kansas

Class 1 Dealer - \$175.00 per location

Class 2 Bulk Storage Tank - \$25.00 per tank

Class 3 Cylinder Transport - \$100.00 per vehicle

Class 4 Cylinder Filling - \$50.00 per facility
Class 5 Rec. Vehicle or Motor Fuel Filling - \$50.00 per facility
Class 6 Cylinder Exchange Cabinet - \$10.00 for each cabinet at any location
Class 7 Self-Serve Dispensing - \$50.00 per facility
Class 8 Install and Service of LPG Systems - \$20.00 per technician

\$25.00 Application Fee for each permit
No Inspections on Transports & Bobtails

Arkansas LP Gas Board

Class 1 Permit - \$500.00 (includes home county) \$300.00 for each additional county.
Class 2 Permit - \$100.00 (Installation and containers only)
Class 3 Permit - \$100.00 (Reseller)
Class 4 Permit - \$50.00 (Motor Fuel Carburetion installation)
Class 5 Permit - \$200.00 (Transporter Delivery in state)
Class 6 Permit - \$200.00 (Transporter travel through state)
Class 7 Permit - \$100.00 (Resell Motor Fuel only)
Class 8 Permit - \$200.00 (Refinery, Terminal)
Class 9 Permit - \$100.00 (Sale Containers only)
Class 10 Permit - \$100.00 (Piping and Appliances)

Employee Certification - \$25.00 (Delivery\Installation\DOT-ASME\Safety Supervisor)

Inspection Fees:

Bobtail \ Transport - \$150.00
Bulk Storage - \$35.00
Dispenser - \$25.00
ASME - \$20.00 (State Tag)
Commercial Building - \$35.00

Texas Railroad Commission

LPG License Categories: Any organization that performs any of the Liquefied Petroleum Gas (LPG) activities described below in Texas is required to be a licensee of the Railroad Commission.

LPG License Categories and Authorized Activities

Category A. ASME/DOT. Manufacture, fabricate, assemble, repair, install, subframe, test, and sell both ASME and DOT containers/cylinders, including motor or mobile fuel containers and systems; repair and install transport and transfer systems.

Category A-1. ASME. Manufacture, fabricate, assemble, repair, install, subframe, test and sell ASME containers, including motor or mobile fuel containers and systems; repair and install transport and transfer systems.

Category A-2. DOT. Manufacture, fabricate, assemble, repair, install, subframe, test, and sell DOT cylinders.

Category B. Transport Outfitter. Subframe, test, and sell transport containers; test LP-gas storage containers; install, test and sell LP-gas motor or mobile fuel containers and systems; install and repair transport systems and motor or mobile fuel systems.

Category C. Carrier. Transport LP-gas in a transport equipped with one or more containers; load and unload LP-gas; install and repair transport systems.

Category D. General Installers and Repairmen. Sell, service, and install containers, except motor fuel containers; service, install and repair piping and certain appliances as defined by rule, excluding recreational vehicle appliances and systems and motor fuel and recreational vehicle systems; sell, service, install and repair LP-gas containers, systems and appliances in manufactured homes.

Category E. Retail/Wholesale Dealer. Store, sell, transport and distribute LP-gas and perform all other categories of licensed activities except the manufacture, fabrication, assembly, repair, subframing, and testing of LP-gas containers and the sale and installation of LP-gas motor or mobile fuel systems rated at more than 25 horsepower.

Category F. Cylinder Filling. Operate a cylinder-filling facility, including cylinder filling, the sale of LP-gas in cylinders, and the replacement of cylinder valves.

Category G. Service Station. Operate an LP-gas dispensing station to fill ASME motor or mobile fuel containers.

Category H. Cylinder Dealer. Transport and sell LP-gas in cylinders.

Category I. Service Station and Cylinder Filling. Operate any service station and cylinder activity set out in Category F and G.

Category J. Service Station and Cylinder Facility. Sell, transport, install and connect LP-gas in cylinders; operate a cylinder filling facility, including cylinder filling and, the replacement of cylinder valves; operate an LP-gas service station as set out in Category G.

Category K. Distribution System. Sell and distribute LP-gas through mains or pipes; install and repair LP-gas systems.

Category L. Engine Fuel. Sell and install LP-gas motor or mobile fuel containers and fuel systems on engines.

Category M. Recreational Vehicle Installers and Repairmen. Sell, service and install recreational vehicle containers; install, repair and service recreational vehicle appliances, piping, and LP-gas systems, including recreational vehicle motor or mobile fuel systems and containers.

Category N. Manufactured Housing Installers and Repairmen. Service and install containers that supply fuel to manufactured housing; install, repair and service appliances and piping systems for manufactured housing.

Category O. Testing Laboratory. Test LP-gas containers, LP-gas motor fuel systems or mobile fuel systems, transfer systems, and transport systems to determine the safety of the containers or systems for LP-gas service, including the necessary installation, disconnection, reconnection, testing, and repair of LP-gas motor fuel systems or mobile fuel systems, transfer systems, and transport systems involved in the testing of containers.

Category P. Portable Cylinder Exchange. Operate a portable cylinder exchange service, where LP-gas is sold in portable cylinders whose LP-gas capacity does not exceed 21 pounds, where the portable cylinders are not filled on-site, and where no other LP-gas activity requiring a license is conducted. See LP-Gas Safety Rules §9.17, Designation and Responsibilities of Company Representatives and Operational Supervisors, for options for Category P licensees. **License Categories and Fees**

Categories of license for LP-Gas and their associated fees.

Category	New	Renewal
Category A	\$1,000.00	\$600.00
Category B	400.00	200.00
Category C	1,000.00	300.00
Category D	100.00	70.00
Category E	750.00	300.00
Category F	100.00	50.00
Category G	100.00	50.00
Category H	1,000.00	300.00
Category I	150.00	70.00
Category J	1000.00	300.00
Category K	1,000.00	300.00
Category L	100.00	50.00
Category M	100.00	70.00
Category N	100.00	70.00
Category O	400.00	100.00
Category P	100.00	50.00
