NOTES

- (1) - Instead the OBPVS pays 10% of its Non-Penalty/Fine fees INTO the General Revenue Fund.
- (2) - Statutory Fee Source: **Title 70 O.S. §21-106.**
- (3) - At its Feb. 1, 2017 Board Meeting, the Board wants to consider asking for some Fee increases to make the OBPVS Fees commiserate with OBPVS Staff efforts and the surrounding States' Fees.
- (4) - The annual Relicensing Fee is based on Tuition ranges from \$0 to \$3,000,000, or higher.
- (5) - This has been a flat fee since 2004 and might be well-suited to be increased based on the number of changes or number of modified/added Programs that greatly increase the workload.
- (6) - In lieu of a hard-copy package that must be charged for, two standard emails are issued free of charge. The first provides explanatory materials, and the second provides all of the possible Ap. forms.
