In November 2011 the Oklahoma Medical Loan Repayment Program became effective. The Oklahoma State Statute, Title 63, Section 1, 2720-2723. This program remains unfunded by appropriated dollars. It is funded via a grant from Tobacco Settlement Endowment Trust. Recently it was extended to 2021 and is valued at \$7.4M.

In November 2016 the Community Sponsored Primary Care Physician Loan Repayment Program became effective. The Oklahoma State Statute, Title 63, Section 1, 2721. Statutory changes were made to the Oklahoma Medical Loan Repayment Program to utilize public and private funds.

Legislative language is proposed in FY17 to expand utilization of the Oklahoma Medical Loan Repayment Program to include Physician Assistants (PA) and Nurse Practitioners (NP) for utilization of community sponsored funds. This will result in two new programs: The Community Sponsored Physician Assistant Loan Repayment Program and the Community Sponsored Nurse Practitioner Loan Repayment Program.
