1.) How much federal money received by the agency is tied to a mandate by the Federal Government? No federal money nor state appropriations are received, therefore federal and state mandates decrease money available for operations/programs. 2.) Are any of those funds inadequate to pay for the federal mandate?

Federal Government Impact

Since no federal funds are received - any mandate that costs the agency comes out of operations/programs.

3.) What would the consequences be of ending all of the federal funded programs for your agency?

Not applicable, no federal funds are received.

4.) How will your agency be affected by federal budget cuts in the coming fiscal year? Not applicable, no federal funds are received.

5.) Has the agency requested any additional federal earmarks or increases?

Not applicable

Division and Program Descriptions Division Name The Board of Pharmacy continues its commitment to the development of a staff which will provide the citizens of Oklahoma the safe oversight of the profession of pharmacy. These are some of the continuing goals the Pharmacy Board developed to accomplish its mission: Operations Improve compliance and communication between pharmacists, pharmacies, wholesalers and manufacturers through free educational outreach programs. Provide educational opportunities for Board staff through seminars and symposiums in their field of work. . Development of regulations and rules which are modern, efficient and promote the safety concerns of citizens. Inspect all Oklahoma-licensed pharmacies, wholesalers, manufacturers and medical gas suppliers on an annual basis. • Respond immediately to citizen complaints against registrants, both in-state and non-resident, and to questions regarding the practice of pharmacy • from both registrants and citizens. Require the use of site specific procedures for the detection and prevention of drug diversion in pharmacies. Review thoroughly applications of out-of-state firms requesting a license where prescription drugs will be shipped into Oklahoma. Work closely with other state agencies such as the Medical and Osteopathic Licensing Boards, the Nursing Board, and the Oklahoma Bureau of

Narcotics to assure the safety of Oklahomans.
