

Oklahoma Workers' Compensation Commission

Mission of Workers' Compensation Commission

- ▶ The Workers' Compensation Commission's responsibility is to apply the law as set out in Title 85A of the Oklahoma Statutes. It has adjudicative, administrative and regulatory functions. Those functions include providing fair and timely procedures for the resolution of disputes and identification of issues involving work-related injuries. To that end, the Commission dedicates itself to carry out its responsibility and to serve the public promptly, courteously and impartially.

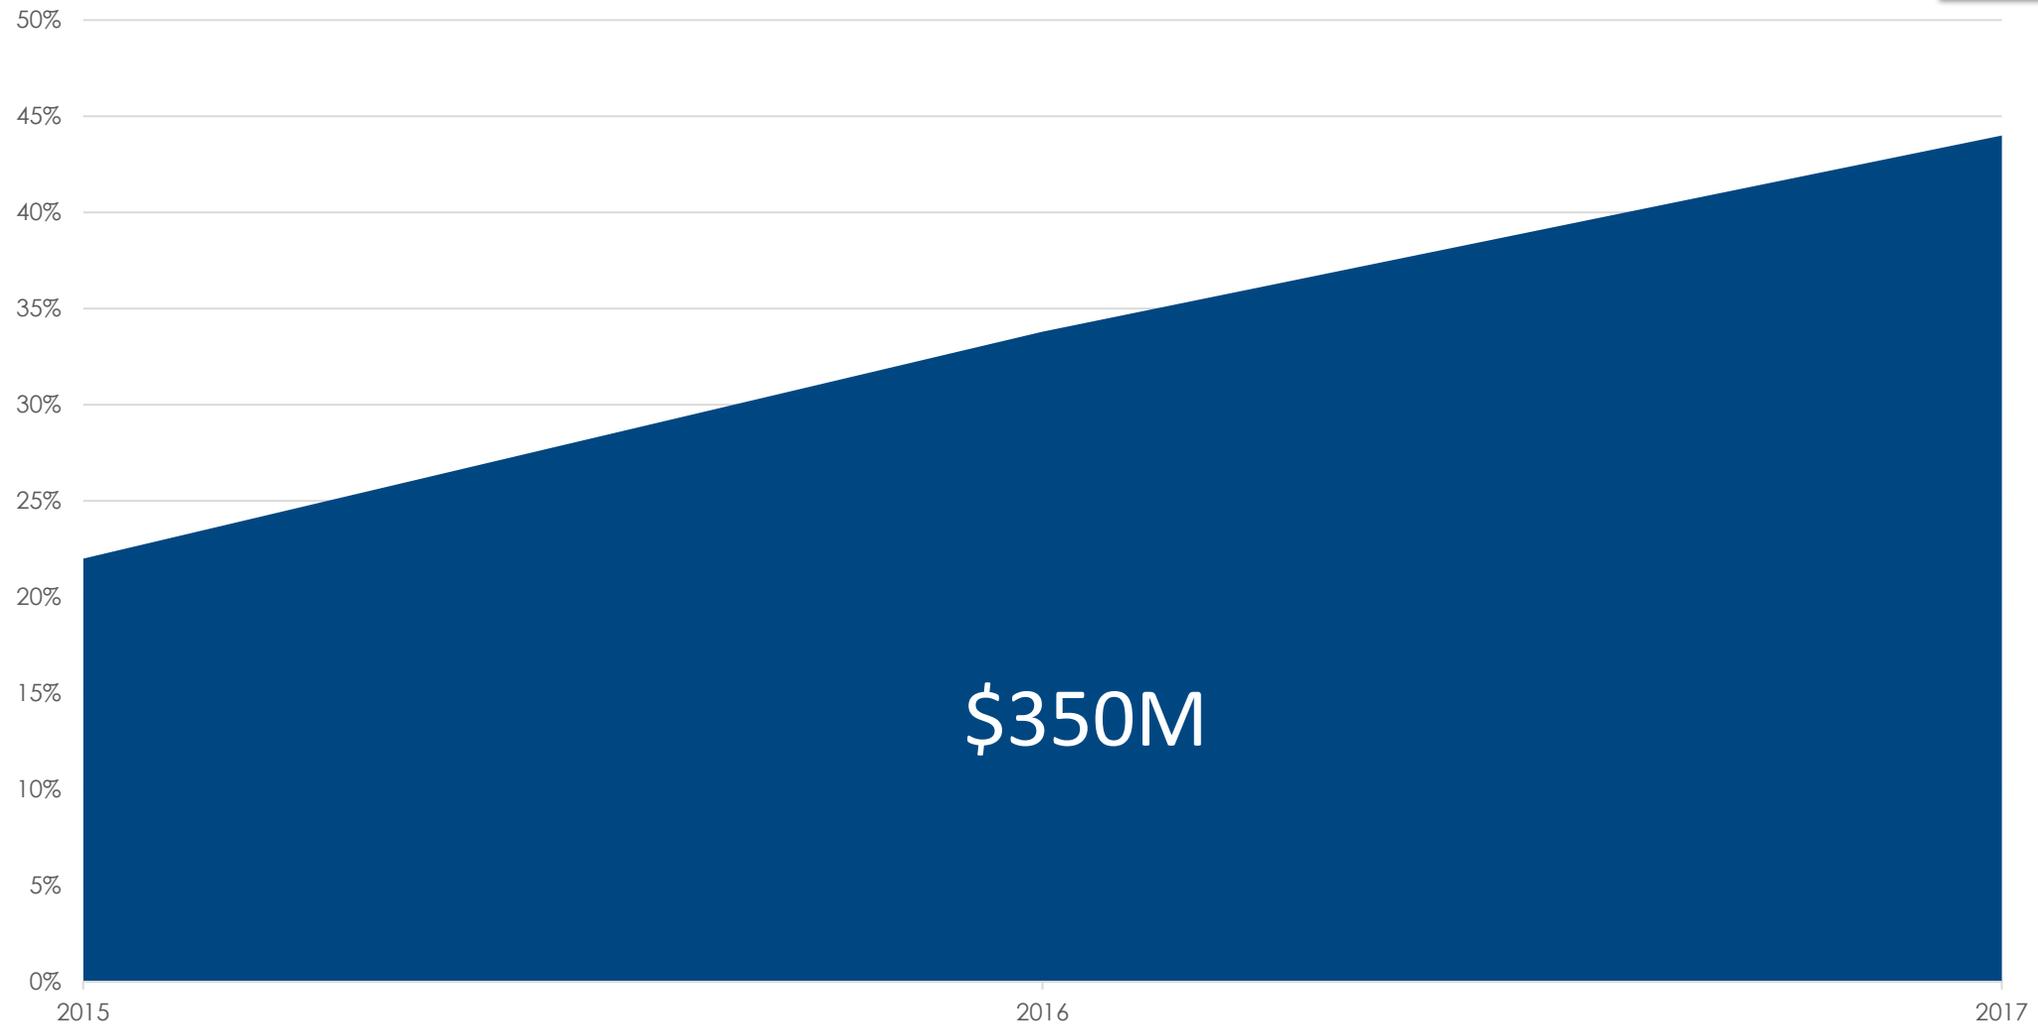

WCC Accomplishments

- ▶ Fewer Workers' Compensation Claims
- ▶ Faster Medical Care to Injured Workers
- ▶ Faster Return to Work for Injured Workers
- ▶ More Efficient Delivery of Benefits
- ▶ More assistance to Injured Workers and their Families
- ▶ Lower Medical Costs
- ▶ Lower Prescription Costs
- ▶ Premium savings to employers
- ▶ Premium savings to State
