March 20, 1935.

To the Speaker and Members of the
Honorable House of Representatives.

GENTLEMEN:

I am returning herewith Enrolled House Bill No. 4, by Bailey, Johnston, Frazier, Twidwell, Rawls, Wooten, Welch, Cox, Reed, Phillips of Pawnee, O'Neill, Ulmark, Huey, Long, Coleman and Traw, entitled:

"An Act amending Section 2, Chapter 62, Session Laws, 1933, and Sections 5758 and 5759, O. S., 1931; providing methods for challenging of notification and declaration of candidates and giving Election Board authority to conduct hearings, subpoena witnesses and make decisions in writing which are final; providing for designation of the ballot of candidate's race and other descriptive matter; providing that no prefix, suffix or title shall be placed before or after candidate's name upon the ballot; repealing Sections 5760, 5761, 5763, 6026, 6027, 6028 and 6029, O. S., 1931; and all other Acts and parts of Acts in so far as they relate to run-off primary elections,"

passed by your honorable body and by the Honorable Senate, and submitted to me for my approval or disapproval.

I hereby disapprove and veto this bill and in accordance with Article VI., Section XI. of the Constitution, requiring the objections of the Governor to be stated in case of a veto, I hereby state my objection to the bill as follows:

Under our primary election system, prior to the enactment of the Run-off Primary Law, it was possible for a candidate to secure a nomination in opposition to the will of the majority of his party. It was possible for a well organized minority bloc to secure a plurality of votes in a large field of candidates, thus defeating the will of a majority of the members of his party. These results were not only possible but frequently occurred.

I consider it a fundamental principle of a democratic government that a majority should rule. I consider it not only unwise but

dangerous to the very existence of our free government to make it possible for a minority to be able to select our public officers. Under our present primary election laws it is impossible for a candidate to secure a nomination at the hands of his party without approval of a majority thereof voting at the election. While our present primary election laws are far from perfect, in my opinion the cure for these defects does not lie in a repeal of the run-off feature of the law. The remedy will not be achieved by substituting minority rule for majority rule.

I am willing, and would readily consent to a repeal of the run-off primary law when legislation is enacted that will properly safeguard the principle of majority rule. I believe it is possible to accomplish this end and have advocated such a course, but until such legislation is provided I consider it dangerous to abandon the safeguard to majority rule afforded by our run-off primary, however imperfect it may be in other respects.

Respectfully submitted,

E. W. MARLAND,

Governor of Oklahoma.

F. C. Carter,
Secretary of State.

Katherine Manton,

Harriet Parker Camden

I give you a land of sun and flow'rs,
 And summer a whole year long;
 I give you a land where the golden hours
 Roll by to the mocking bird's song;
 Where the cotton blooms 'neath the southern sun,
 Where the vintage hangs thick on the vine;
 A land whose story has just begun,
 This wonderful land of mine.

Chorus:

Oklahoma, Oklahoma, Fairest daughter of the west,
 Oklahoma, Oklahoma, 'Tis the land I love the best.
 We have often sung her praises,
 But we have not told the half,
 So I give you 'Oklahoma,'
 'Tis a toast we all can quaff.

A land where the fields of golden grain,
 Like waves on a sunlit sea,
 Bend low to the breezes that sweep the plain,
 With a welcome to you and me;
 Where the corn grows high 'neath the smiling sky,
 Where the quail whistles low in the grass;
 And fruit trees greet with a burden sweet,
 And perfume the winds that pass."

SENATE RESOLUTION NO. 17—By PAUL, JOHNSTON, NANCE, COMMONS and GEORGE.

SCOTT A. FERRIS

AN OFFERING, A TRIBUTE, AND A MEMORIAL

Scott A. Ferris, who died in Oklahoma City April 3, 1935, was just entering into the real prime of manhood's best.

He was born at Neosho, Missouri, in 1899, but in infancy came with his parents, Mr. and Mrs. Thomas Ferris, to Lawton at the opening of the Kiowa and Comanche country.

He was named for his uncle, Scott Ferris, now Chairman of the Oklahoma State Highway Commission, and for many years Oklahoma's National Democratic Committeeman.

He is survived by his mother, Mrs. Thomas Ferris, of 846 N. E. 27th Street, Oklahoma City, and by his brother, W. T. Ferris.

His life, though short, was filled with eventful change. His father had been in the Indian Service, through which activity his son and family gained much in travel and worldly knowledge. His uncle, Scott Ferris, for several years a Congressman, and always in public life, secured for him four years of service in Washington, D. C., as a page in the United States Congress.

He had a natural aptitude for the law and grew up in a political environment. While pursuing studies in the law, he stepped aside and enlisted and rendered highly creditable service in the United States Army during the World War. Hostilities over, he returned immediately to his legal pursuits, graduated with high honors, and entered actively into the practice.

His practice was usually of a high standard and always above question. He served as City Attorney of Sulphur, and County Attorney of Murray County, and as Attorney for the Oklahoma State Banking Department. In 1934, he made an active and highly meritorious race for Attorney-General.

Professionally he had the refined art of being generous and considerate of his opponent, while true and faithful to his client. In bearing, he was always dignified and manly.

Death is no respecter of persons. It comes to the patriarch well filled with honors and with years; it snatches the babe from its mothers arms; it beckons to buoyant youth to enter its somber portals; it lays its bony fingers on the stalwart man of affairs.

To be called when life is young and when the sun has scarcely reached the meridian, when ambition vaults, and the heart yearns for service and for progress was the enigma closing the earthly destiny of Scott A. Ferris. He was a manly man at his best, his prime. His mental endowments were of the highest order. He was grasping the opportunities of life with avid clutch, with mind alert and with hand extended, a broken heart string closed the earthly chapter.

The spirit released from ties of earth has answered the summons to the great and final assize and stands an honest man in the presence of the only just and perfect Judge.

Scott—To your family and friends we extend the hand clasp of fellow understanding and offer a heart tribute of consolation and affection from those who shared in your love for Him. The God of nature is not only infinitely wise and infinitely just, but infinitely merciful and His essence is infinite love.

Scott—You had your weaknesses, your frailties, your faults, perhaps even your failures, but you were a clean lawyer, a noble friend, a good citizen, a true soldier, a genuine American patriot, and your trust was in God, and these elements of excellence, these lofty virtues, will fix your rank and station, and your guerdon and reward.

Time is but a segment of eternity—earth a school of experience, and in the fullness of our Heavenly Father's gifts and graces we bid you adieu on earth and God-speed in your entrance into the "Infinite Cycle of Successions."

Upon motion of Senator Paul, Senate Resolution No. 17 was adopted and ordered referred for engrossment.

Upon motion of Senator Paul, Senate Resolution No. 17 was ordered printed in a suitable folder, to be forwarded by the Secretary to Honorable Scott Ferris, Chairman of the State Highway Commission, and to Mrs. Thomas Ferris, mother of Scott A. Ferris, deceased.

Senator Albright asked unanimous consent, which was granted, to take up for consideration SENATE CONCURRENT RESOLUTION NO. 14, which was read at length as follows:

SENATE CONCURRENT RESOLUTION NO. 14—By ALBRIGHT and FIDLER.

A CONCURRENT RESOLUTION DESIGNATING AND NAMING A CERTAIN PUBLIC BUILDING IN THE STATE OF OKLAHOMA.

Said Board may, from time to time, amend, extend or add to the Plan or carry any part of the Plan into greater detail. SECTION 9. It shall be the further duty of said Board to make an exhaustive study and analysis of the needs of the inmates of penal and eleemosynary institutions and of those dependent upon the State for aid as to clothing, food and other supplies and of the materials and supplies necessary for the construction and upkeep of State institutions, highways and other public works and to make a thorough analysis of the cost of all such items. Said Board shall investigate the practicability of co-ordinating the labor of the inmates of penal and

eleemosynary institutions and of those who are dependent upon State aid, in order to produce and manufacture food, clothing and supplies for said State charges, and if found practicable, said Board shall have the authority to provide for the manufacture and production of said food, clothing and supplies for said State charges. Provided that no article produced or manufactured by any of such State charges shall be placed on the market in competition with Oklahoma trade or labor.

SECTION 10. There is hereby appropriated out of the funds of the State Treasury, not otherwise appropriated, for the purpose of carrying out this Act, the sum of \$500,000.00 Dollars, to cover salaries, expenses and other disbursements, from the date this Act becomes effective to the end of the fiscal year ending Jun 30th, 1936.

SECTION 11. If any part or provision of this Act shall be held invalid, the decision of the Court shall not affect or impair any of the remaining parts or provisions of the Act.

Senator Nichols asked unanimous consent, which was granted, to immediately consider Senate Resolution No. 18, which was read at length as follows:

SENATE RESOLUTION NO. 18—By NICHOLS, JOHNSTON, KING, ALBRIGHT, WHITAKER, LOGAN, COMMONS and WALDREP.

A RESOLUTION REQUESTING THE OKLAHOMA DELEGATION IN CONGRESS TO OPPOSE THE ENACTMENT OF SENATE BILL NO. 2047 NOW PENDING IN THE CONGRESS OF THE UNITED STATES, IN ITS PRESENT FORM.

WHEREAS, there is now pending in the Congress of the United States a bill entitled, "A Bill to promote the general welfare of the Indians of the State of Oklahoma, and for other purposes," being Senate Bill No. 2047, and an identical bill in the House of Representatives, relating to the affairs of the members of the Osage and Five Civilized Tribes; and

WHEREAS, the terms and provisions of said bill are objectionable in the following particulars, to-wit:

(1) The President of the United States is given power and authority, in his discretion, to extend restricted periods and trusts relating to said Indians;

(2) The provision of said bill authorizing an Indian to apply to the Secretary of the Interior for the removal of restrictions is ambiguous and capable of a construction adverse to a class which should have special consideration at his hands;

(3) By the provisions of said bill it is proposed to make lands non-taxable which are now subject to taxation under the laws of the State;

(4) By the terms of said bill it is proposed to give to the Secretary of the Interior exclusive jurisdictional powers to administer upon the estate of a deceased Indian, including the power to determine his heirs, approve or disapprove his will, partition his lands, funds or other property among his heirs, settle any claims against his estate and to prescribe rules and regulations for descent and distribution, without giving to any aggrieved person the right of appeal from the decision of said Secretary.

(5) It is generally proposed by the terms of said bill to establish over the Indians of the Osage and Five Civilized Tribes of Oklahoma a long-range government, operated, directed and maintained by the bureaucrats at Washington, and thereby reverse the policy which has heretofore been pursued by the Federal Government in assisting and aiding the members of said Tribes to become, in reality, citizens of the State of Oklahoma with all the rights, privileges and prerogatives of citizenship therein and the duty and obligation to bear and maintain their part of the government of said State; and

WHEREAS, in the administration of the affairs of the Five Civilized Tribes of Oklahoma, many worthy, competent and qualified members of said Tribes have been ignored and disregarded by the appointive authority in designating and appointing officials and employees of the Indian Department operating in the State of Oklahoma among said Tribes; and

WHEREAS, Section 1 of the Act of January 27, 1933, being Section 1 of House Bill No. 8750 of the 72nd Congress, should be repealed for the reason that it is unintelligible and incapable of application, as demonstrated by the various interpretations thereof placed thereon by the officers of the Indian Department.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE FIFTEENTH LEGISLATURE OF THE STATE OF OKLAHOMA:

That the provisions of the said bill above referred to are objectionable to the people of the State of Oklahoma, including the members of the said Tribes of Indians, and are inimical to the welfare and progress of said Indians, and such terms and conditions contained in said bill should be eliminated, or else the bill defeated in its entirety, and that we therefore recommend to the Oklahoma delegation in Congress that they oppose the enactment of said bill containing said objectionable features.

That the said delegation is requested to secure the repeal of Section 1 of the Act of January 27, 1933, being Section 1 of House Bill No. 8750 of the 72nd Congress; and that they use their good offices in furtherance of the recognition of worthy, intelligent and competent Indians of said Tribe to serve in official capacities in the administration of the affairs of said Indians.

"My Dear Governor:

"I am pleased to enclose herewith a release of the Bureau of Internal Revenue, showing collections of the 64 districts of income tax for the month of March, 1935, as compared with the same period of 1934. This release certainly indicates a healthy financial gain over the entire United States.

SENATE RESOLUTION NO. 21—By PAUL.

A RESOLUTION TO REQUIRE THE STATE EXAMINER AND INSPECTOR TO AUDIT THE OFFICE OF STATE AUDITOR AS TO

ALL MATTERS PERTAINING TO THE ENFORCEMENT OF CHAPTER 189 OF THE SESSION LAWS OF 1933.

WHEREAS, Chapter 189 of the Session Laws of 1933 provided that the Secretary to the Commissioners of the Land Office, upon resolution adopted by the Commissioners of the Land Office, should certify delinquencies due from all State officers and State employees to the State Auditor; and that registered mail notice be given such State officers and State employees of such certification; and that the State Auditor should issue the Commissioners of the Land Office warrants in an amount not greater than twenty-five per centum of the monthly salary of any State officer or State employee delinquent on any obligation due the State as said salary accrued; and

WHEREAS, there are various rumors now current that under the administration of the Hon. F. C. Carter payments due the Commissioners of the Land Office under certifications made to him by the Secretary to the Commissioners of the Land Office were not made, due to political favoritism shown certain State officers and State employees, undue and unwarranted discrimination by the State Auditor in favor of and against certain State officers and employees; and

WHEREAS, said certifications in many instances had become final and the payments to the Commissioners of the Land Office were legally due no one except the Commissioners of the Land Office, and the failure of the State Auditor or his employees to make said payments to the Commissioners of the Land Office possibly constitutes an embezzlement of public funds under Section 2029, C. O. S. 1921, and under Section 7761 O. S., 1931.

NOW THEREFORE, Be It Resolved by the Senate of the State of Oklahoma that the State Examiner and Inspector be required to immediately audit records in the office of State Auditor pertaining to or affecting in any way whatsoever Chapter 189 of the Session Laws of 1933; and that full report thereof be made this body within five (5) days from the date of the passage of this Resolution.

Upon motion of Senator Paul, Senate Resolution No. 21 was adopted and ordered referred for engrossment.

Senator Paul asked unanimous consent, which was granted, that the State Examiner and Inspector be directed to use the services of Haskell Paul with reference to the audit ordered under Senate Resolution No. 21, for the reason he is familiar with the records.

April 16, 1935.

Hon. F. N. Shoemake,
Democratic Floor Leader,
House of Representatives,
Oklahoma City, Oklahoma.

Honorable Sir:

It has been called to my attention that the statement has been repeatedly made to the members of the House of Representatives that the Senate will not pass House Bill No. 212 after it is revised by the Conference Committee. I am at a loss to understand why such false and misleading assertions should be made by anyone in view of the action of the Senate in passing House Bill No. 212 originally by an almost unanimous vote.

House Bill No. 212 is now pending in conference between the two Houses where I am sure the differences between the two Houses will be worked out satisfactorily to all persons interested. The Senate sent the bill to conference to give the two Houses opportunity to work out the common school aid problem and write a bill that would guarantee to each child in this State equal educational opportunity with a full nine months term of school. The conferees are working to that goal at this time.

The Senate is greatly interested in the problem of schools. A vast majority of Senators feel that if this legislative session succeeds in solving the school problem in a permanent manner and forever insuring equal educational opportunity to each child, it will have achieved the greater attainment of all legislative action. The Senate is intensely interested in passing House Bill No. 212, as well as the companion bill, House Bill No. 440, better known as the two per cent sales tax which finances common school education.

As further testimony and evidence of the good faith and intention of the Senators, more than two thirds of the membership of the Senate have this day signed the following declaration of position, action and policy:

We, the undersigned members of the Oklahoma State Senate, hereby, mutually pledge ourselves to the following position, action, and policy concerning House Bill No. 212 and House Bill No. 440:

House Bill No. 212 is better known as the common school aid Bill. This Bill authorizes the distribution of certain special funds authorized in House Bill No. 440. In other words, House Bill No. 212 distributes \$3,200,000.00 annually for the aid of common school education in Oklahoma. It lays down a fundamental principle of democracy that every child is entitled to equal educational opportunity, which includes a full nine months term of school, and House Bill No. 212, with the distribution of public funds authorized therein, fully insures said full nine months of school.

House Bill No. 440 levies and collects a two per cent sales tax

for the use and benefit of common school education in Oklahoma. This bill has been passed by the Senate as amended, and is now pending in the House. House Bill No. 440 and House Bill No. 212 are companion measures; one cannot be enacted into law without the other.

The purpose of this declaration of position, action and policy is to assure the people of Oklahoma that the Senate will enact into law House Bill No. 212 when the Senate is assured by the Action of the House that House Bill No. 440, which finances the school Bill, will be enacted into law. We, the undersigned Senators therefore pledge ourselves to pass House Bill No. 212 when the House completes final action on House Bill No. 440 at a rate of two per cent. This statement is further published for the purpose of assuring the House of the good faith of the Senate in completing action on both bills.

RINEHART,	THOMAS,	JOHNSTON,
FIDLER,	NANCE,	FISCHL,
RAY,	MacDONALD,	WILBANKS,
HILL,	TAYLOR,	LOWRANCE,

GEORGE,	BUSHYHEAD,	RITZHAUPT,
KING,	COMMONS,	WHITAKER,
LOGAN,	GARVIN,	BURNS,
HOWSLEY.	WALDREP.	JONES,
		SPENCER.

I am giving you this information that you may present the same to the House of Representatives. There is no desire on the part of the Senate to go into a deadlock with the House, but the Senate feels that it must insist that common school education be properly financed along with the other objects of government, which include the balancing of the budget. I trust that you will succeed in persuading the House to pass the two per cent sales tax and thereby solve the common school problem.

I am, with all good wishes,

Yours very truly,

JIM NANCE,

JN:FB

Democratic Floor Leader.

Upon motion of Senator Hill, the Senate approved and confirmed the Nance letter, above incorporated.

In case any such improvement, ground, building, structure, or property be given a location or extent which does not accord with the report and advice of the Planning Board, the State Official, department or agency having charge of the location, authorization, acquisition or construction of the same shall file, in the office of the Governor, a statement of its or his reasons for the departure from such report and advice, and such statement shall be open to public inspection. This Section shall not apply, however, to road improvements, grounds, buildings, structures or properties which are under construction at the time of the taking effect of this Act or the construction or acquisition of which shall have been fully authorized and the location and extent determined previous to the taking effect of this Act.

"That one cent (1c) of the tax on each gallon of gasoline raised by this Act, shall be apportioned monthly, by the State

Highway Commission, or its successor in office, to each county in the State, in that percentage which the population and area of each county bears to the population and area of the entire State; that said fund after being apportioned shall be sent immediately to the County Treasurer of each county to be deposited in the County Highway Fund, to be used by the County Commissioners for the purpose of constructing and maintaining County Highways and permanent bridges in such county. No part of this fund shall be used for any other purpose, except the construction and maintenance of County Highways, and permanent bridges in said county; provided, that the fund herein created, when apportioned to the respective counties as herein provided shall not thereafter be diverted to any other county in the State, but shall only be expended in the county to which same was appropriated under the direction and control of the Board of County Commissioners. Where any State or county highway has been laid out over a road already constructed in any county by the use of money raised from the county bond issues for the purpose either alone or by the use of Federal or State aid, or both, the County Commissioners may set aside out of the funds coming into that county from the gasoline tax above mentioned, an amount of money equal to the value or any part thereof of the interest of such county, in and to such highway or highways, bridge or bridges, so constituting a part of the State Highway system, which amount of money shall be considered by the Excise Board under Section 8576, Compiled Laws of Oklahoma 1921 (5921) in reducing the levy for the purpose, or retiring the bonded indebtedness and interest thereon of the county, and shall be used for investment or deposit (sic) in the same manner as provided by law for the disposition of other sinking fund money.

"(a) An additional one cent (1c) of the tax on each gallon of gasoline raised by this Act shall be apportioned monthly by the State Highway Commission, or its successor in office, to each county in the state. All moneys so apportioned shall be placed to the credit of the Rural Highway Improvement Fund. For the purpose of making such apportionment, the State Highway Commission shall determine the number of miles of public dirt roads in the State, and the number of miles of such road in each county of the state. The apportionment to the respective counties shall be made based on the proportion that such total mileage of roads in each county bears to the total mileage of such roads in the entire state. Provided, that all funds received under the provisions of this Act shall be used for the payment of labor and materials actually needed, and specifically shall not be used to purchase machinery or tools. Any person violating the provisions of this Act shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not less than Fifty Dollars (\$50.00), or more than Five Hundred Dollars (\$500.00), or by imprisonment in the county jail for not less than thirty (30) days, or more than ninety (90) days, or by both said fine and imprisonment. If any part of said fund is diverted for any other purpose, the County Commissioners shall become liable on their bond for double the amount of money so diverted.

"(b) There is hereby created in the State Highway Commission a fund to be known as the Rural Highway Improvement Fund, and all moneys accruing to each and every county in the State from the apportionment of the gasoline tax under the provisions of Section 12535 (a), shall be credited to such fund. The moneys credited to such fund shall immediately thereafter be sent to the County Treasurer of each county in the respective amount to which each county is entitled under the provisions of this Section, to be deposited in the County Highway Fund, to be expended by the County Commissioners on County Highways.

"(c) None of the funds herein specified shall ever be available for improvements or maintenance of roads designated, improved or maintained as county roads prior to March 1, 1935. Provided that the County Commissioners in making expenditures shall give preference insofar as same may be practicable: First, to school bus routes; Second, to rural mail routes.

"(d) None of the funds herein provided shall ever be expended for any other purpose save and except for the improvement of rural highways as hereinbefore designated, provided that the term "improvement of rural highways" shall include the cost of erection and construction of such bridges or culverts as may be deemed necessary by the Board of County Commissioners on, and forming a part of, such rural highways."

CONFERENCE COMMITTEE SUBSTITUTE FOR ENGROSSED HOUSE BILL NO. 212—By BRANAN, TWIDWELL, WILLIAMS, PO-TEET and TRAW.

AN ACT MAKING AN APPROPRIATION TO AID IN THE SUPPORT AND MAINTENANCE OF THE PUBLIC SCHOOLS OF OKLAHOMA, IN THE SUM OF \$8,200,000.00, FOR EACH OF THE FISCAL YEARS ENDING JUNE 30, 1936 AND 1937, EXCEPTING THE INCOME AND REVENUE MENTIONED IN SECTION 3, ARTICLE 11 OF THE CONSTITUTION; PRESCRIBING THE PURPOSES FOR WHICH SAME SHALL BE USED AND THE MANNER OF AND CONDITIONS FOR THE APPORTIONMENT AND DISBURSEMENT THEREOF, AS PRIMARY AID, SECONDARY AID, ADMINISTRATION COSTS AND TRANSFER FEES; REPEALING CONFLICTING LAWS; PRESCRIBING THE EFFECTIVE DATE HEREOF; DECLARING THE PROVISIONS HEREOF TO BE SEVERABLE, AND DECLARING AN EMERGENCY.

Be It Enacted by the People of the State of Oklahoma:

Section 1. There is hereby appropriated out of any moneys in the State Treasury not otherwise appropriated, for the fiscal years ending June 30, 1936, and June 30, 1937, the sum of Eight Million Two Hundred Thousand Dollars (\$8,200,000.00) for each of said fiscal years, and each succeeding fiscal year thereafter, for the purpose of aiding in the support and maintenance of the public schools of Oklahoma, under the provisions of this Act.

Section 2. On or prior to the 10th day of July each year, the State Board of Education shall make apportionments from the funds as estimated for the purposes set forth in sub-section I of Section 4 hereof. The funds apportioned to the school districts of the State shall be for the purpose of aiding each school district receiving the same to finance its school budget for said fiscal year. The State Superintendent of Public Instruction shall notify the School Board or the Board of Education of each school district the amount said district is to receive from the funds appropriated hereby and apportioned according to the provisions hereof, for each fiscal year. No School Board or Board of

Education of a district shall use any of the moneys apportioned to the district for any other purpose than that for which it is apportioned.

Section 3. The State Superintendent of Public Instruction shall furnish the State Auditor with a copy of the apportionment made of the funds appropriated herein, for each fiscal year, and warrants shall be drawn by the State Auditor against said appropriation in accordance with said apportionment only upon the order of the State Board of Education. That part of the fund apportioned to the school districts under sub-section I of Section 4 hereof, shall be paid in monthly installments throughout the year, and the warrant for the amount apportioned to the school districts of any county shall be forwarded by the State Superintendent of Public Instruction to the County Treasurer, who shall cash or sell the same for not less than the principal amount thereof, and apportion the proceeds to the school districts of the county as provided by this Act and the orders of the State Board of Education.

Section 4. The State Board of Education shall each year apportion the moneys herein appropriated to the following purposes; provided, however, that the maximum distribution under sub-section I, Section 4 of this Act shall not exceed Five Million Four Hundred Thousand (\$5,400,000.00) Dollars, plus the income derived from Chapter 153, House Bill 647, Session Laws of 1933.

I. To pay to each district, as primary aid, a sum to supplement the district funds appropriated for the payment of the salaries of teachers, using as a basis for the apportionment of said sum a salary schedule which shall be set by the State Board of Education with the following as a minimum:

- (1) For each teacher holding a first grade elementary certificate issued on examination, \$50.00 per month;
- (2) For each teacher holding an elementary certificate issued on forty hours of college work, \$65.00 per month;
- (3) For each teacher holding a State Certificate issued on two years of college work, \$75.00 per month;
- (4) For each teacher holding a State Certificate issued on three years of college work, \$80.00 per month;
- (5) For each teacher holding a State Certificate issued on a bachelor's degree, \$90.00 per month;
- (6) For each teacher holding a State Certificate issued on a master's degree or a higher grade certificate, \$100.00 per month.

The total number of needed elementary teachers in any district shall be determined by dividing the number of pupils in average daily attendance during the preceding year:

- (a) By eighteen, in districts with an average daily attendance of less than two pupils per square mile;

(b) By twenty-two in districts having an average daily attendance of two and less than three pupils per square mile;

(c) By twenty-six, in districts having an average daily attendance of three and less than six pupils per square mile;

(d) By thirty, in districts having an average daily attendance of six and less than nine pupils per square mile;

(e) By thirty-two, in districts having an average daily attendance of nine or more pupils per square mile.

Provided, that in any district of this State where it is found that the number of teachers under the provisions of the above paragraphs, a, b, c, d, and e of this sub-section is in excess of the number required for the proper maintenance of said school, the School District Board shall have authority to reduce the number of teachers to the number actually needed; and provided further, that the State Board of Education shall have power and authority in districts falling under paragraphs a, b, c, d and e of this sub-section, where the district or a part of the district by reason of small population or topographical lay of the land therein cannot economically organize to secure an average daily attendance of sufficient number of school children to qualify for at least one teacher, then, and in that case, the State Board of Education may, by appropriate resolution, approve the said district for State aid as set out in sub-sections I and II of this section for at least one teacher in said district, or part of any district.

The total number of needed high school teachers in any district shall be determined by dividing the average daily attendance in approved junior and senior high schools during the preceding year;

(x) By twenty, in districts having an average daily attendance of less than one pupil per square mile;

(y) By twenty-two, in districts having an average daily attendance of one and less than two pupils per square mile;

(z) By twenty-five, in districts having an average daily attendance of two or more pupils per square mile.

II. To supplement the amount appropriated for teachers' salaries by each school district by granting secondary aid in districts where a ten (10) mill levy and other revenue including the primary aid granted in sub-section I of this section will not maintain the minimum school for the minimum term. Each district may petition the State Board of Education for secondary aid and must affirmatively show by sworn statement that:

(a) A ten (10) mill levy on lawfully assessed valuations has been laid in the district, if secondary aid is sought for the common schools; or if for the separate schools that a 1.5 mill levy has been made by the county for said separate schools;

(b) The aforesaid tax levied, together with other income and

revenue, including the primary State aid granted by sub-section I of this section, are insufficient to maintain the schools for the minimum term;

- (c) The proportion of teachers to pupils is proper;
- (d) The schedule of teachers' salaries is reasonable;
- (e) The budget for maintenance expenses and building repairs is commensurate with the actual needs of the district.

Upon such showing the State Board of Education, with the approval of the Governor, shall promulgate rules and regulations, not inconsistent with the provisions hereof, providing for the distribution of secondary aid as a fixed right to every district making such showing taking into consideration the conditions of the district and the number of applications for secondary aid. The rules and regulations so made and the benefits to accrue thereunder and hereunder shall apply alike to all school districts applying for secondary aid.

III. Not to exceed Twenty Thousand (\$20,000) Dollars of the moneys appropriated by this Act shall be used to defray all expenses of the enforcement and administration hereof, to be disbursed by the State Auditor by warrants issued upon sworn itemized claims approved by the State Board of Education.

IV. State aid granted by sub-sections I and II of this section, may be withheld from full time schools in case the average daily attendance falls below eighteen and when the school district fails to meet the standards established by the State Board of Education.

V. Any transfer fees payable by the State under existing laws shall be paid from moneys made available under sub-section II, of Section 4 of this Act, for secondary aid, conditioned on the fact that any district from which a transfer may be made is maintaining a school or schools and if said district is not doing so, it shall pay the full transfer fee for children below the 9th grade.

Section 5. The State Board of Education shall prescribe the form of all reports and applications for aid, necessary to the proper administration of this Act and it shall be the duty of all County Superintendents, School Boards and Boards of Education to make such reports fully and completely at the time and in the manner prescribed by the State Board of Education. Applications for the supplemental or secondary aid provided in sub-section II of Section 4 may be filed with the State Superintendent of Public Instruction either at the beginning of the fiscal year or at any time during the fiscal year. Said supplemental or secondary aid shall be paid upon order of the State Board of Education to the County Treasurer of the respective counties of the State, who shall cash or sell the warrant for such aid for not less than the principal amount thereof, and apportion the proceeds to the school districts of the county entitled thereto under this Act and according to the orders of the State Board of Education.

Section 6. All State funds and revenues, other than those mentioned

in Section 3 of Article 11 of the Constitution of Oklahoma, which under prior laws have been levied for and/or paid to the common schools of the State, or the weak schools under the provisions of Acts relating to the common school equalization fund, shall hereafter be levied for and/or paid into the general revenue fund of the State and be used to defray the expenses of State Government. It is expressly provided that it is not the intention of the Legislature to repeal any law the revenues from which have been levied and paid into a fund for the benefit of the common schools, but it is the intention of the Legislature that such revenues shall hereafter be paid into the general revenue fund as herein provided and thereafter appropriated by law for such uses and purposes as may be provided by law. Provided, that nothing in this Act shall affect the distribution of revenues derived and distributed under the provisions of Chapter 66, Article 12, Oklahoma Statutes, 1931, as amended by Chapter 103, Oklahoma Session Laws, 1933, as amended by House Bill No. 87 of the Fifteenth Legislature, approved by the Governor on April 1, 1935, and under the provisions of Chapter 153 House Bill No. 647, Session Laws of 1933.

Section 7. The provisions of this Act shall not take effect and be in full force until the first day of July, 1935.

Section 8. If any section, sub-section, sentence, clause or phrase of this Act is held to be invalid, such decision shall not affect the validity of the remaining portions of this Act. The Legislature hereby declares that it would have passed all of this Act and each section, sub-section, sentence, clause and phrase thereof irrespective of the fact that any one or more sections, sub-sections, sentences, clauses or phrases be declared invalid.

Section 9. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this Act shall take effect and be in full force from and after its passage and approval.

Be It Enacted by the People of the State of Oklahoma:

SECTION 1. The Oklahoma Tax Commission of the State of Oklahoma is hereby authorized and directed to designate a sufficient number of highways entering the State of Oklahoma as port of entry highways. Such number of highways so designated shall be sufficient in number as to reasonably meet the needs and requirements of persons, firms, or corporations operating or causing to be operated motor vehicles as "motor carriers" as defined by Section One (1) of Chapter 156 of the Session Laws of 1933, or by any other law of this State; such highways so designated to be highways which are commonly used by persons entering the State of Oklahoma from points without and beyond the boundaries of the State of Oklahoma. The Oklahoma Tax Commission may establish a Primary Registration Office on each of said designated highways at a suitable place. Each place where such a Primary Registration Station Office is located is hereby designated a port of entry. Such Primary Registration Stations or ports of entry shall not be less than twenty-five (25) or more than fifty (50) in number. In addition to those Primary Registration Stations or ports of entry, the Oklahoma Tax Commission may establish such secondary registration stations or secondary ports of entry, on such other roads and highways where Primary Registration Stations or ports of entry are not established, as shall be deemed necessary by the Oklahoma Tax Commission. Inspection and Registration service shall be maintained at all Primary Registration Stations and Secondary Registration Stations. No such motor vehicle shall be permitted to be brought into or taken from this State except at such designated ports of entry or secondary ports of entry. Each person operating such motor vehicle shall report at a Primary Registration Station or at a Secondary Registration Station, and there register and otherwise comply with the provisions of this Act.

SECTION 2. (a) The Oklahoma Tax Commission shall appoint and maintain, subject to removal at its will, a Chief Inspector and not to exceed two assistant inspectors at each such Primary Registration Station and they shall have charge of said Station and conduct same in accordance with the provisions of this Act and with such orders and regulations as may be prescribed by the Oklahoma Tax Commission, not inconsistent with the provisions hereof. The Oklahoma Tax Commission shall appoint, subject to removal at its will, an inspector at each Secondary Registration Station and they shall have charge of said Station and conduct same in accordance with the provisions of this Act and with such orders and regulations as may be prescribed by the Oklahoma Tax Commission not inconsistent with the provisions hereof; each such Chief Inspector shall be paid a salary at the rate of not to exceed One Hundred Fifty (\$150.00) Dollars, per month and each Assistant Inspector at Primary Registration Stations shall be paid a salary at the rate of not to exceed One Hundred (\$100.00) Dollars, per month; and each Inspector appointed to operate a Secondary Registration Station shall be paid a salary at the rate of not to exceed Fifty (\$50.00) Dollars per month. Said salaries to be paid out of the Oklahoma Tax Commission Fund.

It shall be the duty of the Motor License Agents of the Oklahoma Tax Commission located in the counties in which ports of entry are established, when so directed by the Oklahoma Tax Commission, to maintain facilities for the proper registration of motor

vehicles at all such Registration Stations. Provided, that it shall be optional with the Oklahoma Tax Commission to designate any of its Motor Vehicle License Agents to perform any of the duties herein authorized and, in which event any such agent shall receive as additional compensation for such additional services not more than fifty (50%) per centum of the salary herein authorized to be paid.

Any such Chief Inspector, Assistant Inspector or Inspector who shall knowingly and wilfully permit any violations of this Act, or who shall aid any motor carrier in violating this Act, or who shall accept compensation or favors from any motor carrier, shall be deemed guilty of a misdemeanor and punished in accordance with the provisions of this Act.

(b) Whenever any person operating a motor carrier vehicle as aforesaid arrives at any primary registration station or secondary registration station, he shall stop and report at the same. Thereupon and upon record books, sheets or cards to be furnished by the Oklahoma Tax Commission, he shall register. In so registering he shall, if he is just entering the State from another state, state the kind of vehicle he is operating, the motor number and license number or numbers thereof; the name, address and occupation of the owner, operator and driver of the vehicle, the point of origin of the cargo, if any, being transported and a definite description thereof, together with the name and address of the owner thereof at that time, the ultimate destination of any such cargo, the route to be traveled within the boundaries of the State of Oklahoma, a statement of the number of taxable miles to be covered and the nature, amount and coverage of all insurance carried upon said vehicle and cargo. If said motor carrier vehicle in departing from the State of Oklahoma into another State, then the operator thereof shall, upon record books, sheets and cards to be furnished for that purpose by the Oklahoma Tax Commission, list the amount of taxable miles covered by said motor vehicle in the State of Oklahoma since it was last reported, and such other information as may be required by rules and regulations of the Oklahoma Tax Commission in regard thereto.

(c) Said operator of said motor carrier vehicle entering the State from another State at a Primary Registration Station or a Secondary Registration Station, shall present to the Inspector in charge of said Station, evidence, in such form as may be prescribed by rules and regulations to be promulgated by the Oklahoma Tax Commission, that he has complied with all the laws of the State of Oklahoma relative to the operation of motor vehicles within the State of Oklahoma, and with all of the rules and regulations of the Corporation Commission and of the Oklahoma Tax Commission in regard to the operation of motor vehicles within this State.

(d) If any motor carrier transport a cargo of gasoline into the State for sale or delivery therein, the operator thereof shall pay the gasoline excise tax on said cargo of gasoline, levied by Section 12536, Oklahoma Statutes, 1931, as amended, or as the same may be hereafter amended, before said motor carrier shall be allowed to proceed into this State.

(e) In event the operator of such motor vehicle fully complies with the requirements of this Act, the inspector of the registration station shall issue to him a clearance certificate in accordance with the provisions of this Act, and said motor carrier may then proceed upon the highways of the State. Said Clearance Certificate shall contain such information as may be prescribed by rules and regulations of the Oklahoma Tax Commission. In event such operator of such vehicle entering this State fails to comply with any of the requirements of this Act, he shall not be permitted to proceed further with said motor vehicle in the State of Oklahoma until such requirements shall have been met, and in event he does so proceed or attempt to proceed, except to remove his vehicle from the State over the shortest route, he shall be deemed guilty of a misdemeanor and the inspector at said Registration Station or any peace officer shall have the authority to arrest him therefor and proceed in accordance with the laws of the State of Oklahoma.

(f) Any owner, operator or driver of any such motor vehicle who shall write upon said registration card any false statement shall be deemed guilty of a misdemeanor, and punished in accordance with the provisions of this Act.

(g) Any operator of any motor vehicle subject to the terms hereof, operating upon the highways of the State of Oklahoma, who shall have entered this State from beyond its boundaries who does not have in his possession a valid Clearance Certificate as provided by this Act, shall be deemed guilty of a misdemeanor and shall be punished in accordance with the provisions of this Act.

(g) Any operator of any motor vehicle subject to the terms hereof, departing from this State shall surrender any Clearance Certificate or Certificates in his possession at the last Primary Registration Station or Secondary Registration Station he shall pass before leaving the State. Failure to do so shall constitute a violation of this Act, and shall be punished in accordance with the provisions of this Act.

Section 3. It is hereby made the duty of the Oklahoma Tax Commission of Oklahoma to furnish all books, records, sheets, cards and other equipment necessary for the maintenance of the Primary Registration Stations and Secondary Registration Stations and to adopt and promulgate suitable rules and regulations for the administration of this Act.

When the inspector issues a Clearance Certificate as hereinbefore provided, he shall prepare the same in triplicate. The original thereof, duly signed by the Inspector, shall be delivered to the motor carrier operator to whom it is issued, one copy thereof shall be retained in the office of said Primary Registration Station or Secondary Registration Station, and a copy thereof transmitted daily with the Inspector's report to the Oklahoma Tax Commission as herein provided.

Section 4. Every such motor carrier or other person, referred to herein, who shall violate any of the provisions of this Act shall be guilty of a misdemeanor and upon conviction thereof, shall be punished by a fine of not less than Twenty-five (\$25.00) Dollars and not

exceeding One Hundred (\$100.00) Dollars, or imprisonment in the county jail for a period not exceeding thirty (30) days or by both such fine and imprisonment.

WHEREAS, Agriculture is the basic industry of this nation, and there can be no recovery until agriculture is put upon a sound economic basis.

Mr. President: I move to amend House Bill No. 550, by adding as Sections 30 to 46, both inclusive, the following, and by amending the title to conform thereto:

"SECTION 30. It is hereby declared to be a public policy of this State to bring about a change in the distressing condition now existing in this State whereunder a large majority of the families in the State do not own their own home, recognizing the fact that a condition of universal tenantry endangers the very existence of organized government.

"The object, aim and purpose of this Act is to create an agency and a plan, whereunder the vast sums of money being appropriated by the National Congress for the relief of our citizens, or so much thereof as may be made available for such purpose, together with the sums herein appropriated, or which may hereafter be appropriated, may be capitalized and used for the purpose of creating modest but comfortable homes to be sold on long-term amortization plan with a low rate of interest, to the deserving families of the State.

"To this end, this Act shall be liberally construed as an emergency measure and as part of the National relief program, in order that the public policy above announced, and that the object, aim and purpose above set out, may be effectuated.

"SECTION 31. There is hereby created a State owned body corporate, by the name of the Oklahoma Housing Board. The incorporation shall be held to have been effected from the date of the first meeting of the Board. Said Corporation shall have succession in its corporate name.

"SECTION 32. The Board of Directors of the Corporation (hereinafter referred to as 'the Board'), shall be composed of the Governor, who shall act as chairman, the State Treasurer, and the Chairman of the Board of Affairs, who shall have offices at the State Capitol to be furnished by the State Board of Affairs.

"SECTION 33. The aims and objects of the Board shall be to

promote subsistence homestead projects, rural rehabilitation projects and to increase generally the ownership of homes by the citizens of Oklahoma, and to co-operate with the Federal Government in promoting these ends within the State of Oklahoma.

"SECTION 34. The Board, in addition to all of the powers heretofore granted, shall have power:

- "(a) To sue and be sued in its corporate name.
- "(b) To adopt and use a corporate seal, which shall be judicially noticed.
- "(c) To acquire, hold and dispose of property for its corporate purposes. To take mortgages and otherwise secure the purchase price of property sold.
- "(d) To make all contracts necessary for the purposes of this Act.
- "(e) To adopt, amend and repeal by-laws.
- "(f) To acquire in its corporate name, by purchase, gift, condemnation, or otherwise, real or personal property, or rights or easements therein, necessary or convenient for its corporate purposes, and to use the name so long as its corporate existence shall continue.
- "(g) To enter into contracts for construction, building and improvement of projects to purchase or lease tools and machinery, to contract with the citizens of the State for the sale or rent of real or personal property, to collect rents, partial payments or any levies made against such property or properties; to pay taxes and perfect titles to land; to provide for insurance and upkeep; to disburse funds; to bring about legal eviction; to buy or sell an existing contract and to do all things necessary for the protection of its rights and all persons interested.
- "(h) To make by-laws for the management and regulation of its affairs, for the regulation, construction, improvement, establishment and sale of any project, and the collection of interest, rents, or any kind of installment payments, not inconsistent, however, with agreements with holders of mortgages or other obligations issued by said Board.
- "(i) To enter into contracts or agreements with any agency, bureau or department of the Federal Government for the insuring of notes, mortgages or any other form of obligations that may be owned or issued by the Board.
- "(j) To sell or pledge notes, mortgages, or other assets belonging to the Board, to any person, agency, company, corporation or any branch, bureau or department of the Federal Government, and to service any mortgage that has been insured, sold or pledged.

"(k) To use the Attorney General as legal advisor, provided, however, that said use shall not be inconsistent with, or interfere with the constitutional and statutory provisions of this State.

"(l) To construct and maintain facilities for the public, not inconsistent with the use of any project, to contract for such construction, and to lease or sell the same.

"(m) To borrow and lend money for the purpose of carrying out the aims and objects of the Board, provided that said Board shall not have the power to create any obligations against the State of Oklahoma, but the obligations of such Board shall be limited to and be liquidated, only from the assets of said Board.

"(n) To issue bonds, mortgages and other forms of securities and to provide for the rights of the holders thereof. Funds derived from the issuance and sale of such securities may be used for the purchase of lands, materials and labor, or such securities may be issued in exchange for lands, materials and labor. Such securities may be general in their nature and form or may be issued against, and secured by the assets of a definite number or group of homesteads, developed or to be developed as a separate and independent project.

"(o) To accept grants from the Federal Government or any agency thereof, or from any other source, or lands, leases, money, material or labor for the creation or improvement of homesteads.

"(p) To erect buildings and other structures on lands acquired or owned by it, such as houses, barns, outbuildings, cellars and fences, and make such other improvements including terracing and ditching, as will make such projects desirable and profitable homesteads.

"(q) To adopt rules whereby prospective purchasers of homesteads, who are employed by the Board, may secure credit on the purchase price of a homestead in lieu of a part or all of the compensation to which they would be entitled for their services.

"(r) To co-operate with cities, towns and counties of Oklahoma, or any housing authority, either Federal or State, that has been, or may be created, in the development of subsistence homesteads and rural rehabilitation projects.

"(s) To have the power of eminent domain in its corporate name, which shall be exercised only with the approval of the Board, and the procedure therefor shall be the same as that provided by law for the exercise of the right of eminent domain by railroad corporations, or by other general laws.

"(t) To appoint such managers, assistant managers, officers, employees, technicians, attorneys and agents as are necessary for the transaction of its business, fix their compensation, define their duties, require bonds of such of them as the Board may designate and provide a system of organization to fix responsibility and promote efficiency. Any appointee may be removed at the discretion of the Board.

"(u) To have such other powers as may be necessary or appropriate for the exercise of the powers herein specifically conferred upon it.

"Section 35. The Governor, or any agency, bureau or department of the Federal Government, insuring or purchasing obligations or assets of the Board, is hereby authorized and empowered to cause to be examined the accounts and the books of the Board, including its receipts, disbursements, contracts, leases, sinking funds, investments and other matters relating to its financial standing.

"Section 36. The purchaser of any homestead shall have the privilege of retiring his indebtedness to the Board by amortization payments, in the discretion of the Board, and sufficient to retire the interest and principal within a period not to exceed thirty (30) years. Provided, that it shall be the mandatory duty of said Board to commence foreclosure proceedings when any purchaser has been delinquent as long as two years in payment of principal or interest.

"Section 37. Neither of the members of the Board or any person executing notes, or other forms of securities shall be liable personally thereon or be subject to any personal liability or accountability by reason of the issuance thereof.

"Section 38. The Board shall have power to use any fund available therefor, to purchase any securities issued by it at a price not more than the callable price thereof.

"Section 39. When obligations or securities of the Board, or mortgages held by it, are insured for payment by any Federal agency or department of the Government, then all public officers, all municipalities and municipal sub-divisions, all insurance companies, all savings banks, State banks, saving and loan associations, administrators, guardians, executors, trustees, and other fiduciaries in the State, may properly and legally invest funds under their control therein.

"Section 40. Any security or obligation of the Board shall not be a debt of the State of Oklahoma, and neither shall the State be liable thereon, nor shall they be payable out of any funds, other than those of the Board.

"Section 41. All mortgages and the revenue derived therefrom, owned or sold by the Board, whose payment has been insured by the Federal Government, shall be exempt from taxation except for transfer and estate taxes.

"Section 42. The State Workmen's Compensation Act of Oklahoma shall apply to employees of the Oklahoma Housing Board in so far as the provisions of this Act apply, and the cost of industrial insurance shall be a proper charge against the appropriations first made.

"Section 43. Any person violating the provisions of this Act or who knowingly or intentionally misappropriates any of the funds or property belonging to or under the control of the Board shall be guilty of

felony and, upon conviction thereof, shall be punished by a fine not exceeding Five Thousand (\$5,000.00) Dollars, or by imprisonment not exceeding ten (10) years, or by both such fine and imprisonment.

"Section 44. All funds coming into the hands of the Board from sale of property, from grants by it received, from interest collected, from appropriations by the Legislature or from any other source shall, unless otherwise provided by law be placed in the State Treasury, in a fund to be known as "State Housing Fund," and shall be expended by the Board under authority herein given, upon warrants issued by the State Auditor, after the filing of proper vouchers or claims by the Board.

"Section 45. It is hereby declared a policy of this Act and the Board is hereby given the authority, as fast as funds become available either from appropriations by the Legislature, or by the sale of homesteads or mortgages, or by grants from the Federal Government, or from loans obtained, or from any other source, continuously to reinvest such funds in additional homesteads for the purpose of sale to citizens of this State.

"Section 46. There is hereby appropriated for the fiscal year beginning July 1st, 1935, and ending June 30th, 1936, out of any moneys in the State Treasury, not otherwise appropriated, the sum of Two Hundred Thousand (\$200,000.00) Dollars, said sum to be placed in the 'State Housing Fund,' to be used and expended for the purposes herein provided."
