The Senate reassembled, in its Chambers, with the President presiding.

Upon motion of Senator Finney, the Message of Governor Robert S. Kerr, as read by him in Joint Session, was ordered incorporated herein, which was as follows

Mr Lieutenant Governor,
Mr President of the Senate,
Mr Speaker of the House of Representatives
and Members of the Joint Session

We gather here today as fellow workers in the people's service. You have been chosen by the citizens of a great state as their representatives in the State's Twentieth Legislature.

The wisdom of the ages is reflected in our governmental institutions. The basic law of our State is the

product of the richest experience of a free people, and at the same time, the foundation for their further progress and development. We must never lose sight for a moment of the high objective of our free government, WHICH IS TO GUARANTEE THAT EVERY CITIZEN SHALL ENJOY THE PRIVILEGES OF FREEDOM WITHOUT DENYING A SINGLE ONE OF THOSE PRIVILEGES TO ANY OTHER CITIZEN OR GROUP THEREOF

Our state government was wisely conceived and has been expertly developed to bring this about. In order that it may be effective, the people have vested great powers in their state government.

In order that those powers may never be abused, a system of checks and balances was inaugurated and has been zealously guarded and preserved. The story and application of this system of checks and balances are as old as the story of free government, but at the same time, they are as new as the budding life of the youngest citizen of our state.

You who constitute the legislative branch of Oklahoma's government have your responsibilities, which are as great, if not the greatest, of either of the three branches.

Our judiciary, selected by the people, is clothed with the exalted obligation and solemn duty of interpreting and applying the laws which you enact.

The laws so passed by you and so interpreted and applied by the judiciary must be put into effect and carried out by the executive branch of the State.

Our Constitution is so written that each of these three branches has its definite responsibilities and obligations. Though each branch is in many ways dependent upon the other two, neither can ever usurp the powers of the others. *Therein* lies the strength and majesty of our government and *thereon* rests the security of the people's liberty and freedom.

The world is amazed, and we in this state and this nation, are most fortunate and happy, as Americans daily demonstrate their ability to successfully meet the most awful challenge a free people have ever encountered.

Our enemies know, and what is more important, our

people know that our fighting men and women are marching to victory on the battle-fields of the most terrible war, ruthless and wicked *men and nations* have ever forced upon a free people. Yet, in the midst of fighting this war, we carry on the necessary and ordinary processes of our government, to the end that our sacred institutions, the home, the church, the school, may be maintained, their integrity guaranteed, and their progress assured.

In fulfillment of my duty as Governor of Oklahoma I am happy to submit to you certain proposals and recommendations for your consideration.

We, together with all of the people shall soon witness the passage by our State of a great milestone. We have long been a debt-ridden state. We are about to become a debt free state.

When we met two years ago the State's outstanding bonds, plus the interest coupons thereon amounted to nearly forty million dollars.

BY REASON OF LEGISLATION PASSED BY THE NINETEENTH LEGISLATURE AND A CONSTITUTIONAL AMENDMENT SUBMITTED BY IT AND APPROVED BY THE PEOPLE, THIS GREAT INDEBTEDNESS WILL EITHER HAVE BEEN PAID OR FULLY PROVIDED FOR WITH FUNDS UNEQUIVOCALLY EAR-MARKED AND DEDICATED TO THE PAYMENT THEREOF AND ON HAND BY JUNE 30 OF THIS YEAR—1945.

The income to the general revenue fund from the present tax structure, according to the estimate heretofore made by the State Equalization Board is approximately \$11,000,000.00 in excess of the amount appropriated from the general revenue fund for the current fiscal year

This fortunate condition makes it possible for you to give consideration, FIRST, TO A REDUCTION OF STATE TAXES, and, second, to making additional provision for the services maintained by the State for the general welfare, which have been and now are being operated on a basis of rigid and puritanic economy in order that the State's debt may be paid.

If, after a careful study of the state's entire tax structure, you should decide to reduce taxes, I know you will do so on what you feel will be the basis best calculated

to encourage the fullest possible development and expansion of our agricultural and industrial welfare.

In connection with needs for increased appropriations, I urge your serious consideration of the following

1. Public Schools
2. Public Health
3. Public Roads
4. Public Safety

Our returning Service men and women are ever present in our minds. Our institutions of higher learning will soon have the responsibility of greatly increased enrollments caused to a considerable extent by the re-enrollment of thousands of them.

PUBLIC SCHOOLS

In order that the youth of Oklahoma may have that which is the minimum to which they are entitled, equal opportunity with those of other states in the Union for education, a more adequate program must be provided.

Every citizen has just cause for pride in the educational progress we have made in the last forty years. No citizen, particularly you and I, and all others charged with official responsibility, can afford to be satisfied until Oklahoma boys and girls have educational opportunities equal to the *best* in the nation.

We are all aware that the present program for financing the common schools of Oklahoma is woefully inadequate, first, by reason of the insufficiency of funds and, second, by the total lack of a coordinated and permanent financial structure. This problem is as close to each one of us as our own fireside. Yet it extends to the furthest outpost of civilization where Oklahoma men are fighting today

Surely we can not feel that a problem is solved merely because we have become accustomed to the inconvenience and adverse conditions involved. Surely we can not feel that the present hardships and inadequacies suffered by our youth should be continued merely because they have demonstrated that they can survive them. Our interest in and attention to problems of long standing should become sharpened by a greater desire to solve them rather

than dulled by indifference merely because of continued association with them.

You in this Twentieth Legislature probably have the greatest opportunity and therefore the greatest responsibility any Legislature has ever had to meet these issues and solve this problem. The people of Oklahoma are more keenly aware today than ever before of it and the necessity for its solution and, in my opinion, will wholeheartedly support you in this effort.

Petitions For Constitutional Amendments

There are at this time four petitions being circulated in Oklahoma seeking by constitutional amendment to make certain material changes in our educational program. Without recommendation as to what your action shall be, I urge that you give these measures your most serious consideration in order that they may have the benefit of your study and such action as you in your judgment may feel them entitled to.

It is a matter of common knowledge that adequate provision is not being made in Oklahoma for our public schools, elementary, secondary and institutions of higher learning.

I believe this problem should have full consideration and appropriate action at your hands and that a program of adequate and permanent financing should be provided by you.

Teachers' Retirement Program

I recommend a reasonable appropriation for the States' participation during the next two years in the Teachers' Retirement Fund. This program was voted by the people in 1942, vitalized by the Nineteenth Legislature in its regular session in 1943 and has met practically universal response and participation by the teachers of the state.

Free Textbooks

I recommend that appropriate legislation be enacted providing a system of free textbooks for the common schools of Oklahoma. You are aware that Oklahoma is one of the few remaining states without such a system.

State Owned and Operated School Transportation

We are all aware of the inadequacies and inequities of transportation facilities to our rural and consolidated schools. The State at the present time is providing a large part of the funds being used in this program. In order that adequate and uniform service may be provided on a more economical and effective basis I recommend that appropriate legislation be enacted providing for a system of State owned and State operated transportation facilities for the rural and consolidated schools.

Langston University

The Nineteenth Legislature placed Langston University under the State Board of Agriculture, which at that time was the Board of Regents for all of the agricultural and mechanical colleges of the State. The Legislature then submitted a constitutional amendment to the people creating a Board of Regents for the agricultural and mechanical colleges, which was approved. It was my understanding at the time, and I believe the intention of the Legislature when they submitted the measure, and the people when they approved it, that the new Board of Regents have charge of Langston University. The Board of Agriculture has recommended such a transfer. The alumni of Langston University and large numbers of our other negro citizens have made similar recommendations. The Attorney General has written an opinion advising that an Act of the Legislature will be necessary to authorize the transfer. I recommend your consideration of the passage of such legislation.

I favor careful study by the Legislature and enactment of the necessary legislation to insure the full accrediting and recognition by standard accrediting agencies of the Langston University.

School of Medicine

In order to meet the greatly increased need for trained physicians and nurses and to enable us better to solve the acute health problem in Oklahoma, I recommend that the facilities of the Medical Department of the University of Oklahoma and for nurses' training of the Medical Department of the University of Oklahoma be substantially increased.

School of Veterinary Medicine

For many years the Oklahoma Agricultural and Mechanical College has conducted courses in veterinary medicine, but not on a basis of training veterinary doctors. In view of the great increase in livestock production in Oklahoma and the definite and increasing need for veterinary doctors in our state, I recommend that provision be made for the training of veterinary doctors at the Oklahoma Agricultural and Mechanical College.

Public Roads

An enlarged program of highway construction and maintenance is an absolute necessity if Oklahoma is to develop on a basis worthy of her resources and her people. The building and upkeep of an adequate highway system for Oklahoma directly affects the economic and social welfare of every citizen of the state. It is directly connected with the effectiveness of every school in Oklahoma, every hospital, the delivery of mail on every rural route and with the operation and development of every farm and every business in the state.

Such a program will also be one of the greatest contributions we can make in providing the opportunity for immediate profitable employment for our returning Service men and women.

In order to provide additional funds for the development and expansion of highways in Oklahoma, I recommend the following

1. Transfer the income from the 1c gasoline tax now going to the General Revenue Fund to the Highway Department, after having exempted farm used gasoline.
2. Appropriate the surplus remaining in the General Revenue Fund for the present fiscal year, after full provision has been made for the public debt, to the Highway Department for the construction of roads and highways.
3. In order that more rapid progress may be made in building and maintaining a system of farm-to-market roads, I recommend that the gasoline excise tax, the gross production tax and the motor vehicle license *fees on commercial vehicles* and bus mileage tax now being collected by the Oklahoma Tax Commission and apportioned to the

counties of the State of Oklahoma, be by appropriate legislation transferred and thereafter apportioned to the State Highway Commission to be ear-marked and used in the development and maintenance of a farm-to-market road system in Oklahoma. In this connection, I call your attention to legislation recently passed by the National Congress providing funds with which to match state funds in building farm-to-market roads on a basis of 52 81/100% by the Federal Government and 47 19/100% by the State.

The Highway Department is not in position with its present revenues to match these Federal funds for this purpose. Nor are Federal funds available to match funds spent for this purpose by our county governments. Thus, by making this transfer the counties will receive more than twice the amount of benefits it is possible for them to receive by these funds continuing to be apportioned to and spent by the counties themselves.

The Federal law making the money available for this purpose contains the following pertinent language

“Provided, that these funds shall be expended on a system of such roads selected by the State Highway departments in cooperation with the county supervisors, county commissioners, or other appropriate local road officials and the Commissioner of Public Roads.”

Collection of Taxes

In connection with the subject of taxation, I recommend your consideration of legislation providing for the collection of all taxes and fees by the Oklahoma Tax Commission. This should include such items as premium taxes from insurance companies now being collected by the State Insurance Commissioner and such fees as are now being collected by the Department of Agriculture or any other department or division of State Government.

VETERANS' LEGISLATION

Elsewhere in this message I have made recommendations calculated to promote the opportunity for profitable employment to our returning Service men and women.

I further recommend for your consideration the enactment of such legislation as you feel may be necessary to

more fully protect the interests, the estates, the families and the dependents of our Service men and women.

In this connection, I recommend specifically

1. Legislation authorizing the judge of the probate court to appoint a conservator of the estate of any Service man or woman, or any other person necessarily out of the continental United States by reason of activity or duty in connection with the war, who may be missing in action, or a prisoner of war, or in any similar position where the estate, or family, or dependents of such person may be best served by such conservator being appointed.

2. During the Special Session of the Nineteenth Legislature Title 72, Chapter 1, shown at page 22 of the Session Laws of 1944, was enacted. This made provision with reference to acknowledgments and other notarial acts in connection with Service men and women outside of the continental United States.

I recommend your consideration of legislation making similar provisions for other citizens who by reason of their connection or duties with reference to the war are beyond the continental limits of the United States.

3. I urge the examination of existing laws by the Committees on Veterans' Legislation of the two Houses with the purpose of enacting such other legislation as may be needed to more adequately protect the interests of our Service men and women and our other citizens connected with the war effort in their absence from home and upon their return to the State.

CONSTITUTIONAL AMENDMENTS

I recommend your consideration of submitting to the vote of the people amendments to the constitution, as follows

1. An amendment reducing the required age of voters of Oklahoma from twenty-one to eighteen years.

We have long been aware that improved educational facilities, methods of communication, including newspapers, magazines and books, and the radio, have enabled our youth to have an understanding of the privileges and responsi-

bilities of citizenship at a much younger age than was formerly possible.

Under the necessities of modern war our country has impressed our eighteen, nineteen and twenty year-old young men into the armed forces of the nation. Under the trying and exacting conditions of modern war these young men have proven themselves capable of meeting every test of their willingness and ability to fight for and defend, and if necessary, die for their country. And I believe they are likewise worthy of full citizenship. Hundreds of thousands of them are in the front line of battle at this very hour, and they who have proven themselves capable of preserving the security of their Country's existence on the battlefield can be depended upon to maintain its honor at the ballot box.

2. An amendment providing increased compensation to members of both the House and Senate of the Oklahoma Legislature.

The people of Oklahoma realize that members of the Legislature perform some of the most important services under our form of government. They do not want this done at financial loss and personal economic sacrifice to the members. There have been many changes, resulting in the general material advancement of our people, since the Constitution with its present provision for your compensation was adopted. It is a matter of common knowledge that the present fixed per diem provided is insufficient to meet necessary living expenses, to say nothing of providing compensation for services.

3. An amendment providing a short ballot. In this connection I recommend for your consideration the submission of a constitutional amendment reducing the elective executive officials of the State of Oklahoma to include the following only

1. Governor
2. Lieutenant Governor
3. Attorney General.
4. State Auditor
5. State Treasurer

4. I favor the principle of the graduated land tax, as applied to cultivated lands only, on a basis that will en-

courage and promote home ownership of the small family size farm and at the same time not penalize other Oklahoma farmers or ranchers in those sections of the state where a large acreage is an economic necessity I recommend your consideration of the submission of such an amendment.

5. I recommend your consideration of the submission of an amendment providing for a reduction in the "killing power" of the silent vote on initiated and referendum measures.

6. I recommend your consideration of the submission of an amendment changing and limiting the investment of the trust funds belonging to the school children of Oklahoma by the State School Land Commission.

We are all well aware of the alleged abuses to which these funds have been subjected in the past. The need for farm loans which was so acute when the provisions of our present Constitution were drafted and adopted is now being met in so many and such abundant ways, both by private capital and through loan agencies of the Federal government, it is evident that the School Land Commission can just as well now be relieved of the expenses and difficulties involved in operating a very large, far-flung loan agency

The School Land Commission at this time is responsible for the handling and investment of some sixty million dollars of assets, including vast amounts of cash. Through the operation of law the membership of this Commission is constantly changing. I believe that their duties can best be performed if their responsibilities in this capacity are simplified and the investment of their funds limited to a field wherein the security of the principal can never be impaired.

Complete Audit of School Land Commission

I strongly urge that the present applicable provisions of the law be implemented by your appropriating a sufficient amount to enable a complete audit down to the present time of the School Land Commission, and that by appropriate amendment or enactment that the Governor, the Attorney General and the State Treasurer be designated as a committee to arrange for and bring about such an audit.

OLD AGE ASSISTANCE

We are very happy in the knowledge that the average monthly payment to our old people on the Old Age Assistance rolls has increased nearly 50% during the past two years. We believe that further economies in administration of this program are possible and that every effort should be made to bring them about in order that the amount paid under this program may at all times be as great as possible.

Two years ago the Nineteenth Legislature memorialized the National Congress to amend the national Social Security Law by providing that the first \$240.00 annual net earnings or income of our eligible old people be exempted and not taken into consideration in determining the amount of assistance they receive. Congress gave a partial response by providing such exemption where the income was earned in or received from agricultural production or wages in connection therewith.

I request your consideration of again memorializing the Congress to pass the necessary legislation to make this exemption general.

PARDON AND PAROLE PROGRAM

The Nineteenth Legislature submitted a constitutional amendment to the people creating a Pardon and Parole Board, which amendment was approved. The Board has been appointed in accordance with the amendment and is now serving in a very efficient and creditable manner. No provision, however, has been made, for compensation of the members of the Board for this service.

I recommend your consideration of legislation whereby the Chairman of the Board and each member thereof shall be paid reasonable compensation and expenses for their services in this connection.

I further recommend legislation providing a more adequate supervision of parolees and others receiving executive clemency of a similar kind.

In this connection I want to call your attention to the fact that during the past two years a voluntary system of parole supervision through cooperation by citizens in the local communities has been set up and is now in opera-

tion. Our Pardon and Parole Officer and Board secured the wholehearted and general cooperation of the American Legion and Auxiliary of Oklahoma in this work. They, in turn, have enlisted the support of many civic and church groups and individual citizens and there are now some eighty-three local Parole Advisory Councils in 57 counties actively engaged in this work. These local groups do this on a purely voluntary basis, and I feel that they are entitled to the gratitude not only of those receiving clemency, but also, of all our people.

UNEMPLOYMENT COMPENSATION

I recommend your careful consideration of the Oklahoma Unemployment Compensation Code and that appropriate amendments thereto be enacted to provide the following

1. In order that the solvency and adequacy of the fund may be fully protected, I recommend that the rate of contribution as provided in Chapter 6 of Title 40, Session Laws of 1943, for the calendar year of 1943, be extended, and that the calendar years of 1941 or 1942, whichever is the lesser be made the base for computing the employer's contribution rate.
2. I recommend that the coverage under the Act be extended to persons working for employers of less than the present required minimum of eight, and to supplement any action which Congress may take with respect to the extension of the Federal Unemployment Tax Act to employers of less than eight employees. I recommend that the Act be amended to cover employees of state and local government.
3. In order that the amount and duration of benefits under the Act may be adequate to maintain workers and their families during periods of temporary unemployment, and in order that an adequate standard of living may be sustained and the deflationary effects of unemployment be minimized, I recommend that the Act be amended to provide a larger maximum weekly payment, for a maximum duration of twenty-six weeks instead of the sixteen weeks now allowed.

AVIATION

In view of the certainty that we face a tremendous expansion of transportation of airborne passengers and freight, and in view of the necessity for supervision, regulation and control of the operation of airplane traffic and to protect the public safety and welfare, and in view of the necessity for a state agency through which Federal assistance to the cities and towns for the development of the aviation industry may be channeled, I recommend the creation of a state aviation commission of five members with an executive director I further recommend the enactment of legislation providing for their qualifications, appointment, duties and powers, compensation and expenses.

LEGISLATIVE REDISTRICTING

I call your attention to Article V, Sections 9, 10 and 11 of the Oklahoma Constitution, touching upon the question of legislative apportionment and to the second, third and fourth paragraphs of the syllabus in the case of *Jones v Freeman, Speaker of the House of Representatives*, et al. decided by the Supreme Court of Oklahoma on October 12, 1943, and reported in 146 Pacific Reporter, 2d Series, at page 564, which said paragraphs of the syllabus read as follows

"2. While it is impossible to apportion representation in the House of Representatives and the Senate with mathematical exactness and the Legislature is allowed some discretion in enacting apportioning statutes, yet provisions of the Constitution require at least as close an approximation to exactness and equality as is reasonably possible."

"3. Constitutional provisions are mandatory unless it appears by express terms or by necessary implication from language used that they are intended to be directory only "

"4. The word 'shall' being used throughout constitutional provisions relating to legislative apportionment, those provisions are mandatory "

I recommend your consideration of the enactment of necessary legislation to conform with the provisions of these sections of the Constitution and the language of this decision by the Supreme Court. In this connection, however, I recommend further that in any redistricting legis-

lation which you see fit to enact that provision be made that no county in the state shall be without at least one member in the House of Representatives of the Oklahoma Legislature.

PENSION AND RETIREMENT BENEFITS FOR FIREMEN AND PEACE OFFICERS

I recommend your consideration of legislation for the State's participation in an equitable and adequate program of retirement benefits for firemen and peace officers in Oklahoma counties and cities.

I further recommend your consideration of legislation providing for retirement benefits for members of the Oklahoma Highway Patrol.

I further recommend your consideration of legislation providing benefits to the widows and orphans of peace officers, firemen and State Highway Patrolmen killed in line of duty

SURPLUS PROPERTY

The United States Congress has recently passed the Surplus Property Act of 1944, which provides for the disposition of surplus property accumulated by the Federal government in the prosecution of the war. Under the provisions of this Act, such properties will be available to the State and its subdivisions. In this connection, I urge that you consider the enactment of necessary legislation whereby the State, for itself and its subdivisions, may be empowered to purchase, lease or otherwise acquire, such surplus property from the United States under the terms of the Act.

PUBLIC HEALTH

The preservation of public health has long been recognized as one of the first obligations of government.

Since the outbreak of the war, The Public Health Service, has gone far in protecting troops and civilians alike from disease. Measures developed during peacetime and wartime have been put to work on every front, with the result that few serious epidemics have occurred. The health status of the American people has been compara-

tively good. This contribution to the efficiency of the war effort and to ultimate victory is recognized.

Now that we are beginning to turn our eyes to the winning of the peace, it is no less important that we have a strong, physically fit population. Civilization will have to be rebuilt on a more enduring basis, and public health will be a vital factor in attaining this goal.

Through the inevitable necessities of war tens of thousands of our doctors and nurses have been called into Military service. Many of those will remain there permanently. Most Oklahoma communities have a serious shortage in medical services, and some have almost none at all. Oklahoma has supplied all the doctors and nurses to the Armed Forces that have been required of us and many more. We are intensely proud that we have been able to do this, but the resulting situation greatly emphasizes our needs for increased medical and public health services.

As to the need for the training of doctors and nurses I have made specific reference and recommendation in another part of this message.

I remind you that tuberculosis up to November 30, 1944 has killed 145,000 U. S. civilians since Pearl Harbor, a figure which exceeds by more than 20,000 the total number of our fatal casualties in this war for the same period.

We can not ignore the rising tide of infectious diseases discovered in the newly liberated countries of Europe. There is real danger that some of the deadly enemies of mankind which have been pretty well under control for some years past may slip in the back door while we are engaged in the more pressing business of global war.

We must also be prepared for an invasion of tropical diseases upon the return of our heroic fighting men who have been fighting our battles in the jungles and lowlands of the East. We must bring all the ingenuity and resourcefulness we have, to bear upon the solution of these problems.

No criticism is intended here of those who have had the responsibility of protecting public health in Oklahoma, or of those who have ministered to our stricken citizens. They have done magnificently and are entitled to our praise. What is intended is that adequate provision shall be made to meet the greatly increased need.

I therefore recommend that you make a diligent study of the State's needs in the field of public health and when they are determined, that you provide for them within the State's means and ability

Finally, in connection with Public Health, I call your attention to the following language in the Oklahoma Constitution, Art. V, Sec. 39 "The Legislature shall create a Board of Health, ****" I further call your attention to Title 63, Section 1 of the Oklahoma Statutes of 1941. Said section reads as follows

"A State Board of Health *to be in charge of one commissioner*, to be known as the State Commissioner of Health, is hereby created. Said Commissioner shall be appointed by the Governor (with term co-terminous with that of the Governor) for a term of four years. ****"

I do not believe that this provision of our Statutes complies either with the letter or the spirit of the Constitutional provision above quoted. I am also of the opinion that a State Board of Public Health composed of at least five members, or whatever number you in your good judgment may find proper, could and would be of great service to the people of Oklahoma.

Experience demonstrates that a greater program of physician-Public Health cooperation is not only desirable but essential in accomplishing the tasks before us. I am sure that we could secure the services of some of Oklahoma's outstanding doctors on a basis that would be of great and lasting benefit to the people.

I therefore recommend that you consider the enactment of the necessary legislation to make this possible.

HOME FOR CONFEDERATE VETERANS

Shortly after statehood, in accordance with the desires of the people, provision was made by the State of Oklahoma for veterans of the Armies of both the North and South in the War between the States.

Some years ago the Home for Union Veterans at Oklahoma City, having completely served the purpose for which it was created, was transferred to and has since been used by the Department of Public Health.

It is now apparent that the Home For Confederate Veterans at Ardmore has likewise served the purpose for which it was created and in my opinion is now available for other use in the service of the public welfare.

I therefore recommend your consideration of legislation transferring the Confederate Veterans Home at Ardmore, Oklahoma, to the Board of Regents of the Oklahoma University to be used as a part of the Medical Department of the University of Oklahoma.

CHILDREN'S CODE

For many years widespread interest has been manifested by numerous citizens and organizations of our State concerning the laws governing our youth. This interest is exceedingly well founded. It has arisen and now exists because of the definite need for amendment to and modernization of the statutes of Oklahoma on this subject. A voluntary Children's Code Committee is now at work on this problem and will make recommendations to this session of the Legislature. I urge your careful consideration of these recommendations and of the needs for remedial legislation.

PUBLIC SAFETY

I recommend your attention to the vital question of Public Safety. The loss of life and the maiming of men in battle is deplorable beyond our ability to describe. It is America's purpose to win this war, which was forced upon us, with the smallest possible loss of life consistent with our determination to achieve complete victory.

It is shocking when we realize that *here at home* more people are being killed and wounded in traffic accidents than are being killed and wounded in our war with Japan.

In Oklahoma the traffic fatalities in 1942 were 348, in 1943 they were 267, and in 1944 they were 307. In addition many thousands were injured each year, and property valued at millions of dollars has been destroyed. Our Highway Patrol has done heroic service, but its ranks are greatly reduced due to many of its members having been called into the armed forces. Replacements have not been secured.

I urge your thorough study of this problem. I sug-

gest that you give consideration to calling to the attention of the proper Federal authorities the result of your study, and that you consider requesting those authorities to give priority to former members of the Highway Patrol and peace officers in the matter of being discharged from the armed forces on a basis that will make them again available at the earliest possible date for service in our Highway Patrol and as peace officers.

I further recommend your consideration of legislation enabling the immediate reorganization of our National Guard when the conditions of the war permit, without the necessity of waiting for a regular session of the Legislature or the calling of a special session for that purpose.

CONSTITUTIONAL CONVENTION

I call your attention to Art. XXIV, Sec. 2 of the Oklahoma State Constitution, which reads as follows

“No convention shall be called by the Legislature to propose alterations, revisions, or amendments to this Constitution, or to propose a new Constitution, unless the law providing for such convention shall first be approved by the people on a referendum vote at a regular or special election, and any amendments, alterations, revisions, or new Constitution, proposed by such convention, shall be submitted to the electors of the State at a general or special election and be approved by a majority of the electors voting thereon, before the same shall become effective PROVIDED, THAT THE QUESTION OF SUCH PROPOSED CONVENTION SHALL BE SUBMITTED TO THE PEOPLE AT LEAST ONCE IN EVERY TWENTY YEARS.”

AGRICULTURE AND CONSERVATION AND DEVELOPMENT OF NATURAL RESOURCES

Interest in soil conservation in Oklahoma has never been so high as now and this is a very reassuring thing for the future of our great state. Our very existence is dependent upon the fertility of our soil. For many years Oklahoma, together with all of her sister states was somewhat careless in the preservation of this basic and priceless resource. However, Oklahoma agriculturists were among the pioneers in the nation to become aware of this vital problem and to take steps to repair the damage and establish practices for the future conservation of our resources.

The State Soil Conservation Committee has done notable work in this regard and is deeply deserving of our appreciation and gratitude. Through its program of education and organization activities we have reached a point where by the end of the year the entire state will have been organized into soil conservation districts with the possible exception of two or three counties. In many districts the work has proceeded far beyond the organizational stage and soil building practices have been and are now being successfully conducted. However we are just at the beginning of the great work and the effort must be vigorously supported and prosecuted. This will not only insure the preservation of our greatest resource for ourselves and our posterity but will also have the very practical effect of providing a substantial amount of profitable employment for our returning Service men and women and the rank and file of our citizens in the years of adjustment which lie immediately ahead.

I therefore recommend your most earnest and sympathetic consideration and study of this vital problem, and urge that wherever it is found necessary and possible, that additional funds be made available for the carrying on of this great work.

I recommend for your consideration an increased program of vocational agriculture, vocational home economics and vocational trades and industrial education.

A prudent people, whether as individuals or as a State, will make every effort to conserve the State's natural resources, its soil, its timber, its water resources, its minerals. Oklahoma's wealth has been developed primarily from her soil, her timber and her vast mineral resources.

Economic considerations based on good judgment, as well as necessity, urge a program of sound conservation as to every one of our natural resources. This is one debt we owe posterity, the paying of which will indeed be a labor of Love.

Secondary Recovery of Oil

In this connection, I would remind you that Oklahoma has in the past produced more than five billion barrels of oil, being exceeded in this respect by only one or two states. At this time the State is producing in excess of 360 thous-

and barrels of crude oil per day, of which approximately 10% is being produced by secondary recovery methods without which it could not be produced.

Engineers tell us that there are hundreds of millions of barrels of crude oil in presently known and developed oil fields which can never be produced by primary methods but which can most certainly be obtained through secondary production methods. Economic considerations make it impossible to operate under secondary recovery methods in areas where there is diversification of ownership, unless voluntary agreements can be reached. This can not always be done and when it is not, the secondary oil can not be recovered and great loss occurs, not only to the operators, but also to the royalty owners, the workers and the State.

I therefore urge that you give your most serious consideration to the enactment of secondary recovery legislation providing a means whereby oil not recoverable by primary methods can be saved and produced through legalized procedure on a basis of equity and justice.

DEPOSITORY FOR THE STATE CONSTITUTION

A little over thirty-eight years ago a group of able and distinguished citizens of the Indian and Oklahoma Territories met in Convention at Guthrie and drafted our great State Constitution. For this valuable service to our State, to our generation and the generations that come after us, we owe these men our unfailing appreciation and gratitude. Our Constitution is our most important and cherished state document. I deem it very fitting and altogether proper that we should now prepare an appropriate depository for its preservation and exhibition to the public.

I therefore recommend your consideration of the enactment of legislation providing for such a depository and directing the place and manner of its keeping, either in the building of the State Historical Society, or in some other place to be designated by you.

STATE HOUSING AUTHORITY

The United States Housing Act was enacted in 1937 to promote the general welfare of the nation by providing financial assistance to the several states and their political

subdivisions for the purposes of (1) alleviating present and recurring unemployment, and (2) remedying the unsafe and unsanitary housing conditions and the acute shortage of decent, safe, and sanitary dwelling for families of low income in urban and rural communities.

A vast majority of the states have heretofore taken advantage of the benefits of the Act. Oklahoma has not done so. The needs of Oklahoma citizens in the field of low-cost housing have not been met. The need exists in every Oklahoma community for the type of program afforded by the United States Housing Act under the supervision and administration of the Federal Public Housing Authority

At the present time, the exigencies of war have temporarily suspended this construction program, but as soon as war conditions permit the program will surely be resumed, on a wider scale and at an accelerated pace. I deem it most important that Oklahoma, which has been sharing the expense of the Federal housing program elsewhere, shall likewise share in its benefits.

I therefore urge your most serious consideration of appropriate legislation, creating a State Housing Authority with adequate powers and resources to act as Oklahoma's agency to work with the Federal Public Housing Authority in this great program in our state.

REPORTS OF STATE OFFICERS AND COMMISSIONS

I am today submitting as a supplement to this message the reports of each State Officer and State Commission as required by the Constitution.

At a later date I shall have further recommendations to make upon the condition of the State and from time to time will submit to you specific suggestions in the interest of good government.

I am happy in the expressions I have had from individual Members of their purpose to expedite the business of this Legislature on a basis that will adequately meet the needs of the State and at the same time be consistent with the stern conditions and necessities of a great people in the midst of total, global war

I want you to know that I have the highest regard and

esteem for your position, your integrity of purpose, and your unquestioned ability to handle the task you have undertaken. I am greatly honored in having the opportunity of working with you on a basis of mutual cooperation. I seek your advice and counsel and your suggestions as to how the Governor's office may at any time be of service to you as individuals and as public officials.

You are a part of a great tradition. You are the product of all our past. You are the forebear and inspiration of all our future. You are an indissoluble link that binds the two together

Oklahoma is more than a name. In it and of it are included the plains and the mountains, the hills and valleys, the streams and forests, the inexhaustible storehouse of our natural resources and material wealth. In it are the people, the old and the young, those who have lived in the past and today rest beneath its soil, those of the future yet unborn. We are many races, colors and creeds, but we are all one people.

Each succeeding Legislature has made its contribution in planning and constructing this magnificent Ship of State we know and love. The portion you build rests upon the structure builded by others in the past. Today it will enhance and adorn their work like the mighty gun turrets above the decks of a giant battleship. Tomorrow it will be the foundation upon which others will erect even broader and higher breastworks of progress and achievement.

The plumb line of Destiny of a great people and a great state is in your hand. I know you will hold it firm and true.

ROBT S. KERR,
Governor

COMMUNICATION

The following Communication from the State Auditor was read and ordered incorporated in the record

To The Honorable,
The President of the Senate,
Twentieth Legislature of Oklahoma.
Sir

In accordance with law and in compliance with the terms of a Resolution duly adopted by the State Board of

Equalization of the State of Oklahoma, sitting in called session on November 20, 1944, I have the honor to deliver to you herewith a duly authenticated duplicate original of said Resolution as adopted by said Board under authority of Section 23, Article 10, of the Constitution of Oklahoma, as amended, and to request a signed memorandum acknowledging receipts of same, for the Minutes and records of said Board.

Very truly yours,

C. C. CHILDERS

C. C. CHILDERS, STATE AUDITOR, Ex Officio
Secretary, State Board of Equalization.

Oklahoma City, Oklahoma,
November 20, 1944.

THE STATE BOARD OF EQUALIZATION

The State Board of Equalization met in the Blue Room, State Capitol Building, Oklahoma City, Oklahoma, at 1 30 P M., Monday, November 20, 1944, upon call of the Chairman after due notice to each member of the Board.

Present

Honorable Robert S. Kerr, Governor and Chairman

Honorable F C. Carter, Secretary of State,

Honorable Randell S. Cobb, Attorney General,

Honorable A. S. J Shaw, State Treasurer and Vice
Chairman,

Honorable John Rogers, State Examiner and Inspector

Absent

Honorable C. C. Childers, State Auditor and Secretary,

Honorable Joe C. Scott, President, State Board of
Agriculture.

A quorum being present, the meeting was called to order by Honorable Robert S. Kerr, Governor and Chairman. (Other proceedings.)

Mr Randell S. Cobb introduced and moved the adoption of the following resolution. The motion was duly seconded by Mr F C. Carter The Resolution is as follows

RESOLUTION OF THE STATE BOARD OF
EQUALIZATION

Whereas, by the provisions of Section 23, Article 10, Constitution of Oklahoma, as amended, the State Board of Equalization, among its other official duties, is directed and required to make

“ . . . an itemized estimate of the revenues to be received by the State under the laws in effect at the time such estimate is made for each year of the next biennium showing separately the revenues to accrue to the credit of the General Revenue Fund and of each special fund of the State, and the total amount of such estimate for each fiscal year shall not exceed the average total revenue which accrued to each such fund for the three (3) last preceding fiscal years, to which amount shall be added the cash surplus, if any, from the preceding fiscal year in the hands of the State Treasurer to the credit of any such fund and not previously appropriated by the State Legislature at the time such estimate is made. Such estimate shall be filed with the Governor, the President of the Senate and the Speaker of the House of Representatives . . . ” and

Whereas, this Board, acting in pursuance of the duty and authority thus conferred upon it by law has caused to be presented to it all of the data, figures and relevant information from various State Departments concerning the income of the General Revenue Fund and of the various Special Funds of the State and has, after careful study of same, determined the figures which properly represent such itemized estimate of the revenues of the said funds for the ensuing biennium, and, in addition thereto has determined the cash surpluses now existing and in the hands of the State Treasurer as provided in said Amendment to Section 23, Article 10, Constitution of Oklahoma;

Now, Therefore, Be It Resolved, by the State Board of Equalization of the State of Oklahoma that the following figures be, and they are hereby adopted, approved and fixed as the sums reasonably estimated to accrue to the General Revenue Fund and to the several Special Funds therein set forth for and during the fiscal years of 1945-1946 and 1946-1947, as follows:

STATE OF OKLAHOMA

A STATEMENT OF REVENUE ESTIMATED FOR THE FUNDS AS SHOWN FROM THE SOURCES INDICATED FOR THE FISCAL YEARS 1945-1946 & 1946-1947, COMPUTED BY THE STATE BOARD OF EQUALIZATION

Name of Fund and Source of Revenue	Estimate of the State Board of Equalization	
	1945-1946	1946-1947

Because of inadequacy of information the State Board of Equalization has made no estimate as to the receipts of Institutional and Departmental Revolving Funds. Also no estimate has been made of the receipts to accrue to certain special funds such as the State Assistance Funds, Conservation Fund, Oil Compact Fund, Motor Vehicle Enforcement Fund, Motor Vehicle Identification Plate Fund, Board of Education Cash Fund, Fish and Game Fund, Firemen's Pension Fund, Board of Accountancy Fund, Dental Board Fund, Board of Professional Engineers Fund, Board of Veterinary Examiners Fund, Board of Dry Cleaners Fund, Board of Embalmers Fund, it being the thought of the Board that if the Legislature desires to appropriate the monies to accrue to these funds in a different manner or for a different purpose than they are now dedicated that the Legislature is authorized by Section 23, Article 10, Con-

stitution of Oklahoma, as amended, to make an estimate of said funds.

Be It Further Resolved, that a duly executed duplicate original of this resolution and the Minutes adopting the same, evidenced by the signatures of the members of the Board present at this meeting, be delivered by messenger upon the convening of the Regular 1945 Session of the Oklahoma State Legislature, to the Honorables: The Governor, The President of the Senate and The Speaker of the House of Representatives, as by law provided.

The motion to adopt the above resolution was voted upon as follows: Governor Rob't S. Kerr, aye; F. C. Carter, aye; Randell S. Cobb, aye; A. S. J. Shaw, aye; John Rogers, aye. The Chairman declared the motion carried and the Resolution duly adopted this 20th day of November, 1944.

FIRST READING

The following Joint Resolution and Bills were introduced and read for the first time:

SENATE JOINT RESOLUTION NO. 1—By Rinehart and Cowden—A Joint Resolution proposing an amendment to Section 1, Article 3, of the Constitution of the State of Oklahoma so as to change the age of qualified electors of the state from twenty-one years to eighteen years; providing for the submission of said amendment to the people for their approval or rejection at a special election to be held on the date of the next statewide primary election.

SENATE BILL NO. 1—By Ritzhaupt—An Act creating the Board of Regents of Oklahoma colleges as herein designated, providing for the appointment of its members, and fixing the powers, duties and compensation thereof; placing the management and control of certain state institutions in said Board of Regents of Oklahoma colleges; repealing conflicting laws; making Act severable; and declaring an emergency.

SENATE BILL NO. 2—By Nichols—An Act relating to elections; providing that qualified electors absent from election precincts, or sick or disabled within the precinct, may exercise the rights of franchise at any statewide general, primary, run-off primary, or special election within this State, or at any special election held in any Congressional district; providing manner and method of obtaining, distributing and casting of ballots; prescribing duties of election officers; prescribing forms and details of procedure; providing penalties for violation of Act; making Act cumulative; repealing 26 O. S. 1941 §§ 324, 324a, 324b, 324c, 324d, 324e, 324f, 324g, 324h, 324i, 324j, 324k, 324l, 324m; making provisions of Act severable; and declaring an emergency.

Senator Dacus, on behalf of the Committee on Mileage, submitted the following Report, which was adopted upon his motion:

Mr President: We, your Committee on Mileage Allowances for Senators, beg to submit herewith the following report. This report shows the name of each Senator, his place of residence, the number of his district, the distance in number of miles via reasonable passenger routes from place of residence to Oklahoma City, and the amount of mileage due thereon at the rate of Ten (10) Cents per mile each way.

MESSAGE

The following Message from the Governor was received and read:

To the Honorable Members
 Of the Senate and of
 The House of Representatives
 Twentieth Oklahoma Legislature

Gentlemen:

Pursuant to Article 6, Section 33 of the Constitution, which provides:

"An account shall be kept by the officers and commissioners of the State of all moneys and choses in action disbursed or otherwise disposed of severally by them, from all sources, and for every service performed; and a report thereof shall be made semi-annually and as often as may be required by law, to the Governor, under oath."

I herewith submit the reports of the several officers and commissions of the State submitted to me at my request for your information and study, and the same are attached hereto.

By the Governor of
The State of Oklahoma,
ROB'T. S. KERR

(Seal)
ATTEST:
F. C. CARTER,
Secretary of State
By Katherine Manton
Ass't. Secretary of State

Upon motion of Senator Finney, the Senate adjourned to meet, as provided under the Rules, at 1:30 p. m., tomorrow.

SECOND LEGISLATIVE DAY

Wednesday, January 3, 1945.

COMMITTEE REPORT

The following Special Committee Report was submitted and adopted, upon motion of Senator Ritzhaupt:

Mr. President: We, your Special Committee to whom was referred the matter of seating arrangements of the State Senate

beg leave to report that we had the same under consideration and herewith return the same with the recommendation that the seats of the members of the Senate be selected in accordance with Rule 6 of the Senate Rules of the 1943 Legislative Session and recommend further that the mem-

bers of the minority party be seated at the six desks in the northwest corner of the Senate Chamber.

PAUL, Chairman
WHEELER, Member
CARRIER, Member

MESSAGE

The following Message from the Honorable House was received and read:

MR. PRESIDENT:

I am directed by the House of Representatives to transmit herewith for your consideration:

ENGROSSED HOUSE CONCURRENT RESOLUTION NO. 1—By McCarty and Weaver of the House and Paul and Jones of the Senate,

A Resolution relating to the enrolling of bills and resolutions referred to in Section 35, Article V of the Constitution of the State of Oklahoma; providing for the filing of such enrolled bills and resolutions in the Office of the Secretary of State and for their preservation therein; and declaring an emergency,

and to advise you, and through you, the Honorable Senate, that the same has been adopted by the House of Representatives and signed by the Speaker in open session.

Respectfully,
H. R. CHRISTOPHER, Chief Clerk.

Upon motion of Senator Finney, the rules of the Senate were suspended for the purpose of immediately considering Engrossed House Concurrent Resolution No. 1.

Engrossed House Concurrent Resolution No. 1 was read at length, as follows, and adopted, upon motion of Senator Finney:

ENGROSSED HOUSE CONCURRENT RESOLUTION NO. 1—By McCARTY and WEAVER, of the House; and PAUL and JONES, of the Senate.

A RESOLUTION RELATING TO THE ENROLLING OF BILLS AND RESOLUTIONS REFERRED TO IN SECTION 35, ARTICLE V OF THE CONSTITUTION OF

THE STATE OF OKLAHOMA; PROVIDING FOR THE FILING OF SUCH ENROLLED BILLS AND RESOLUTIONS IN THE OFFICE OF THE SECRETARY OF STATE AND FOR THEIR PRESERVATION THEREIN; AND DECLARING AN EMERGENCY.

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE TWENTIETH LEGISLATURE OF THE STATE OF OKLAHOMA, THE STATE SENATE CONCURRING THEREIN; THAT:

SECTION 1. Bills and resolutions referred to in Section 35, Article V of the Constitution of the State of Oklahoma, after their passage but before they are signed by the presiding officer of each House of the Legislature as provided in said section, shall be correctly enrolled in permanent ink on one hundred per cent rag content paper having a weight of not less than twenty-four pounds per ream by the use of a typewriter having not smaller than elite type. After said bills and resolutions have been duly signed by the presiding officer of each House of the Legislature, and after same have been either affirmatively or negatively approved by the Governor or passed over his objections as provided in Section 11, Article VI of the Constitution of the State of Oklahoma, they shall be filed in the office of the Secretary of State where they shall be preserved in a permanent book kept for that purpose.

The President, in open session, signed Engrossed House Concurrent Resolution No. 1 and ordered the same returned to the Honorable House.

SECOND READING

The following Bills and Joint Resolution were read for the second time and ordered referred to the Committees indicated:

SENATE BILL NO. 1—By Ritzhaupt—Referred to the Committee on Education.

SENATE BILL NO. 2—By Nichols—Referred to the Committee on Privileges and Elections.

SENATE JOINT RESOLUTION NO. 1—By Rinehart and Cowden—Referred to the Committee on Revenue, Taxation and Constitutional Amendments.

COMMITTEE REPORT

Senator Nance submitted the following Committee Report, which was adopted, upon his motion:

Mr. President: We, your Committee on Committees, to whom was delegated the authority to select the standing Committees of the Senate, beg leave to report that we have completed our work and herewith submit a list of the standing Committees.

This report also includes the following recommendations: We recommend that the Committee on Erosion, Flood Control and Drainage be known as the Committee on Flood Control and Drainage, and that a new Committee be created, to be known as the Committee on Soil Conservation and Post War Planning. We further recommend that the Committee on Roads and Highways be hereafter known as the Committee on Roads, Highways and Aviation.

Senator Paul moved that Senator Gary be designated Assistant Floor Leader of the Senate for the 20th Legislative session, which motion was seconded by Senator Finney.

Senator Braden moved nominations cease for the position of Assistant Floor Leader of the Senate and that Senator Gary be elected by acclamation, which motion prevailed.

The vote occurring on the Paul motion, it was unanimously adopted and Senator Gary was declared the Assistant Floor Leader of the Senate for the present session of the legislature, following which he thanked the Senate for the designation.

As a result of the adoption of the Special Committee Report, having to do with the permanent seating arrangement of the individual members, the Senate proceeded as directed.

By unanimous consent, Senator Jones was recognized and presented Gavels to the Senate, to its President and to President Pro Tempore Paul, made by the Industrial Arts Department of Oklahoma A. & M. College, Stillwater.

President Pro Tempore Paul presiding.

FIRST READING

By unanimous consent, the following Bills and Joint Resolution were introduced and read for the first time:

SENATE BILL NO. 3—By Burns—An Act providing that any person serving in any capacity in a regularly constituted fire department of a city or town of this state who shall become physically or mentally disabled as provided in 11 O. S. 1941 § 365, or be confined to any hospital or to his bed as provided in 11 O. S. 1941 § 367, or shall lose his life as provided in 11 O. S. 1941, § 368, regardless as to whether said disability, confinement, or loss of life was occasioned in fighting and/or preventing fires or in carrying out any order or direction of the chief or acting chief of said department in relation to the saving or preserving of life or property, shall be entitled to all of the benefits authorized by said sections; and declaring an emergency

SENATE BILL NO. 4—By Burns—An Act vitalizing Section 41, Article 5 of the Constitution of the State of Oklahoma; authorizing any city covered by Act to pension meritorious and disabled firemen thereof such as come within the purview of the laws of this state relating to the payment of pensions to said firemen and to make annual

appropriations for that purpose; limiting the amount of such an appropriation and providing that same shall be deposited in a special account in the firemen's relief and pension fund of the city and expended by the board of trustees of said fund solely in paying or assisting in paying pensions to said firemen as set forth in the laws of this state relating to the payment of pensions to meritorious and disabled firemen; providing procedure therefor; and declaring an emergency.

SENATE JOINT RESOLUTION NO. 2—By Nichols—
A Joint Resolution proposing an amendment to the Constitution of Oklahoma relating to the conservation of the top soil, timber, water and grasses of the state as natural resources; designating said amendment as Section 4, Article XVI, Oklahoma Constitution, and providing for the submission of said amendment to a vote of the people.

Upon motion of Senator Finney, the Senate adjourned to meet, as provided under the Rules.

THIRD LEGISLATIVE DAYThursday, January 4, 1945.

Pursuant to adjournment, the Senate met at 1:30 p. m., and was called to order by President Berry.

Upon roll call, the following members were present:

Present: Anderson, Anglin, Braden, Brown, Burns, Carrier, Chapman, Cobb, Counts, Cowden, Dacus, Duffy, Finney, Gary, Ginder, Goodpaster, Grennell, Irby, Jones, Leonard, Nance, Nevins, Nichols, Norton, Paul, Porter, Pruett, Rinehart, Ritzhaupt, Speck, Thornton, Trussel, Wheeler, White, Williams, Worthington.—36.

The Journal for the last legislative day was declared approved.

COMMUNICATION

The following Communication was received and read

January 3, 1945

To The Honorable Senate
Twentieth Oklahoma Legislature
Oklahoma City 5, Oklahoma

Gentlemen:

On behalf of the Oklahoma State Regents for Higher Education, and in compliance with provisions of Oklahoma Statutes 1941, Title 70, Paragraphs 1971-1991, we beg to transmit herewith the Consolidated Budget Recommendations of the State institutions of higher learning of The Oklahoma State System of Higher Education for the biennium 1945-47.

The Oklahoma State Regents for Higher Education respectfully request your consideration of the needs of these institutions as presented for the coming biennium, and the Regents stand ready at your invitation to provide the Legislature and its appropriate committees with any and all substantiating details required by your members at any time.

Respectfully submitted,

(Signed) M. A. NASH, Chancellor, for
the Oklahoma State Regents
for Higher Education.
JOHN H. KANE, Chairman.
JOHN ROGERS, Secretary.

Upon motion of Senator Ritzhaupt, the following Budget Recommendations of the Oklahoma State Regents for Higher Education, were ordered printed in the record and 200 additional copies for the use of the Senate:

OKLAHOMA STATE REGENTS FOR HIGHER
EDUCATION

Budget Recommendations
For the 1945-47 Biennium

TO HIS EXCELLENCY THE HONORABLE
ROBERT S. KERR

Governor of The State of Oklahoma
and to the

TWENTIETH LEGISLATURE OF OKLAHOMA

December 18, 1944

To His Excellency the Governor, and
To the Twentieth Oklahoma Legislature.

In keeping with the provisions of the law, C. O. S., Title 70, Paragraphs 1971-1991, the Oklahoma State Regents for Higher Education beg to present herewith the consolidated budget needs and requests for the constituent institutions of The Oklahoma State System of Higher Edu-

cation, for the biennium beginning July 1, 1945, and ending June 30, 1947.

In the consolidated budget, itemized by institutions and purposes, the Regents have undertaken to indicate not only the amounts requested from State appropriations, but also the total amounts contemplated by the institutions. This plan includes consideration of all funds derived by the institution for educational and general purposes from all sources.

While State appropriated funds constitute a major part of the budget, the total cost of operating an institution necessarily includes all institutional funds derived from all sources such as student fees, revolving funds and Federal supplements. Both State and other funds are shown in the budget breakdown summaries. The Regents feel that this complete information is necessary since total funds available, properly to educate the youth of the State, must be considered in planning education programs at the institutions.

The total operational needs are presented for an educational program for Oklahoma college students which will meet the requirements of accepted practices throughout the Nation, as judged by the institutions, boards of control, and the Regents. These needs are on the basis of pre-war enrollments expected to materialize before the end of the biennium. It is important that these funds be made available if our youth is to have the educational opportunities to which Americans in general believe they are entitled.

It is believed that the bottom has been reached in enrollment over the Nation. The Federal Education Office in Washington has estimated that for the current year an increase upwards to 15 per cent in enrollment is expected over figures of a year ago. In Oklahoma enrollments for October 15, 1944, were 29 per cent over the second semester last year and 20 per cent over October 15th a year ago.

Future needs, within two years and more, include educational facilities for the normal flow of youth coming up each year from the high schools, plus a tremendous backlog of young people returning from active war service and from various kinds of war work. Not all of either group

will attend college. However, the Veterans' Administration reports that out of an estimated 5,000,000 who will be eligible to attend college in the United States under Public Law 346, there will be 100,000 Oklahomans. If one-tenth of these enroll in Oklahoma, the number would be 10,000 additional students. On the basis of one instructor for each 20 students, 500 instructors would be thus involved. Provisions must be made for these veterans in addition to an expected enrollment of regular students which will exceed prewar figures.

One function of the colleges is to prepare teachers for the public schools. In 1941 the State issued 4500 life certificates to teach. In 1944 only 1600 were issued. The supply of well trained public school teachers is not sufficient to meet demands now. The situation is serious. The implications as to the supply for next few years are highly important.

Standards must be maintained for higher education in Oklahoma at least on a level with standards in other and comparable states. Oklahoma must acquire and hold the educational respect of the Nation. To do this competent instruction, efficient administration, adequate libraries and laboratories, and necessary facilities are needed. Salaries of teachers must be adequate. The teacher student ratio of less than 20 to 1 is important. Qualified professors must be induced to remain in Oklahoma. We cannot afford less than accredited institutions. These and many other considerations enter into budget determinations.

The 1945-47 budget for The Oklahoma State System of Higher Education is presented in three separate parts:

1. The Operations Budget: For 1945-46 \$7,760,899; for 1946-47 \$8,016,899.
2. Library Books and Periodicals, Equipment, and Foundation Livestock requests; nonfiscal, totals for the biennium (a) Library Books, etc. \$196,000; (b) Equipment \$482,000; (c) Foundation Livestock \$34,500.
3. Buildings and other special capital items \$5,000,000.
 1. The *Operations Budget* includes those items which are absolutely necessary in all years, in prosperous or other

times, and with normal or abnormal enrollments. The individual items in this part of the budget include: salaries and wages, maintenance, communication, travel, heat-light-power and water, repairs to buildings, and repairs to equipment.

The Regents strongly recommend that salary schedules in our colleges be improved to the extent that they will be more comparable with those of institutions of higher learning in other states. Oklahoma must secure and retain qualified faculty members to teach Oklahoma students.

It will be observed, therefore, that the salaries and wages items account for the major increases in the Operations Budget requests. Furthermore, nearly one million of the total is considered as being in the nature of contingent salaries for each year. It will not be expended until increased enrollments require enlarged instructional staffs.

It will be observed that all other items in the Operations Budget are based on actual past expenditures as shown by seven year averages which are available for study as budgets are considered by the Legislature.

It is also to be noted that almost one-third, or \$2,826,-370 of the Operations Budget for the entire State System would go to the University Medical School, the University Hospital, the Crippled Children's Hospital, the Geological Survey, the A. and M. Experiment Station and Extension Division. Of these six agencies whose budgets are charged against the cost of higher education, only the Medical School is strictly a teaching division, and less than 300 students are served annually in this one institution.

2. Requests for Library Books and Periodicals, Equipment, and Foundation Livestock have been excluded from the Operations Budget for the following reasons:

It is believed that if appropriations are made for Library Books and Periodicals, as requested, and the Regents are authorized to establish adequate Library fees at each institution, there will be little or no further need for State funds for this purpose in future years.

With reference to Foundation Livestock, it is believed that if requests for this item are appropriated those institutions interested will be able to maintain and add to their livestock programs without further help from the State.

In the matter of Equipment for institutions, the Regents believe it would be economical and in the best interests of the State if a nonfiscal appropriation were made early in the session in order that the institutions might participate in the purchase of surplus equipment and materials which are already being disposed of by the Federal government in increasing amounts from day to day.

Such an appropriation for Equipment should be made available as early as possible and should be nonfiscal. It is the opinion of the Regents that appropriations for Library Books and Periodicals, and for Foundation Livestock should also be made available early and on a nonfiscal basis.

3. In recommending a building program at Oklahoma colleges, needs of each institution have been carefully weighed in the light of the present and future functions of each unit of the State System. Great needs exist at the two major institutions, at the four year colleges, and at the two year institutions. They will all undoubtedly bear a burden of great increases in enrollment in the post war period. It will not be possible to care for needs of students at these institutions without a substantial building program. There is little doubt in the minds of all educators that enrollments will expand as the war continues toward its conclusion. While very great needs exist at the major institutions, it is not to be construed that buildings are not needed at the smaller institutions, since improvements on the campuses of all colleges are needed in order for these institutions properly to serve the expected student load.

Two years hence, with enrollments up to expectations on each campus, the needs will be more apparent and clearer than they are even now. In normal prewar years 28,000 college students were enrolled annually in Oklahoma.

No actual construction of buildings appears possible immediately due to war conditions. The actual and the potential needs for buildings, however, are quite clear. We should not delay plans any longer. If Oklahoma retains and operates the institutions the needs must be met in order to maintain educational respect for the State.

The building programs recommended for the coming biennium are moderate in amount compared with projects contemplated in other states as disclosed in reports avail-

able, in published programs, and in studies made. Furthermore, other progressive states have carried on substantial building programs during the last 15 years while Oklahoma has not. As a consequence, our institutions need a larger building program now.

If, in the judgment of the Legislature, it is impossible for the State to meet full building needs at the present time, it is recommended that the Legislature authorize the institutions and the Regents and administrative boards to make use of any Federal funds to be available. In this way the real needs may be met.

The Regents have considered the actual needs of the institutions in the light of their functions, and can only present these needs. The amounts of funds made available to meet these needs will be determined by the Legislature, of course.

It is recommended that unencumbered amounts of the Building appropriations made by the Eighteenth and Nineteenth Legislatures again be extended for another biennium since due to war restrictions it has not been possible to carry out some of these planned programs.

Respectfully submitted,

Oklahoma State Regents for Higher Education.
John Kane, Chairman
John Rogers, Secretary.

Chancellor for the Regents.

BUILDINGS: Building and Special Capital Item needs as judged by the Regents are shown on pages 34 to 37. However, in keeping with expected revenue of the State available for the 1945-47 biennium the Regents recommend that a total building program of only \$5,000,000 for the biennium be provided the Oklahoma State System of Higher Education. This sum when added to the totals indicated above makes a grand total for the biennium of \$21,490,298.

Extension of Certain Unincumbered 1943 Appropriations for Building and Capital Items (HB 74-HCR 9; SB 180-HCR 22; HB 439-HCR 22; SB 86-HCR 22)—(Estimated) \$1,099,325.

REQUESTS FOR LIBRARY BOOKS AND PERIODICALS

Northeastern Oklahoma A. and M. College	4,000
Northern Oklahoma Junior College	3,000
Oklahoma Military Academy	3,000
 Total	 \$196,000

The Regents recommend that libraries in Oklahoma institutions be improved more in keeping with comparable institutions in other states. The above recommendations, in the opinion of the Regents, will accomplish this.

At the same time, the Regents recommend that the Legislature authorize the Regents to adjust library fees in keeping with practices in accredited institutions of other states. This would enable each institution to maintain its library in good standing with little or no additional help from State funds in the future.

REQUESTS FOR EQUIPMENT

Northern Oklahoma Junior College	7,000
Oklahoma Military Academy	7,000
Total	\$482,000

The Regents recommend that an appropriation for Equipment be made as early in the session as possible in order that institutions may participate in the purchase of federal surplus property. Much of this material is being sold for less than half the original cost, thereby offering considerable economy to the State. Increasing quantities of surplus goods are expected to be made available by the government during the biennium.

REQUESTS FOR FOUNDATION LIVESTOCK 1945-47

Oklahoma A. and M. College	\$12,000

Murray State School of Agriculture	3,500
Total	\$34,500

In the past few years emphasis has been placed on livestock quantity production. It is now necessary that improved breeding studies be continued to a greater extent. It is understood that no additional State appropriations will be necessary in future years if the present needs can be met.

MESSAGE

The following message from the Governor was received and read:

To the President Pro Tempore
and Members of the Honorable Senate, and
To the Speaker and Members of the
Honorable House of Representatives
Twentieth Oklahoma Legislature

Gentlemen:

Governor Coke Stevenson of the State of Texas, pursuant to H. C. R. No. 69 of the Forty-Eighth Regular Session of the Legislature of the State of Texas, appointed the Red River Compact Commission of the State of Texas, having for its purpose, inquiring into and considering the problems confronting the people of both the State of Texas and the people of the State of Oklahoma which have arisen from the creation of Lake Texoma by the completion of the Denison Dam Project. In a spirit of neighborliness and cooperation with our sister State and for the purpose of considering the same problems as they affect the people of Oklahoma and Texas, I appointed an unofficial Commission which has collaborated with the Texas Commission and the two Commissions have made a study of the problems arising out of the creation of Lake Texoma, and both Commissions have devoted more than a year's time to the study of such problems. during which period, acting both jointly and separately, they have discussed and considered said problems with various and sundry groups of citizens and others interested in such problems throughout the States of Oklahoma and Texas. The respective Commissions have submitted a joint signed report to me and to the Honorable Members of the 49th Legislature of the State of Texas, a copy of which report is hereto attached, marked "Exhibit A", and made a part of this message.

I am, therefore, transmitting to both of your Honorable Bodies the joint report for such consideration and action as you may deem appropriate. It is my thought, and I so recommend that you give consideration to any action or legislation that you feel is needed to authorize the Governor of Oklahoma to appoint a Red River Compact Commission for the State of Oklahoma to act in cooperation with and work with the similar Commission already appointed by Honorable Coke Stevenson, Governor of Texas,

and define the duties and responsibilities of such Commission.

By the Governor of
The State of Oklahoma
ROB'T S. KERR

ATTEST:

F. C. CARTER, SECRETARY OF STATE

By Katherine Manton
Assistant Secretary of State

The Joint Report, marked "Exhibit A," and referred to in the above Message from the Governor, was ordered printed in the Journal, upon motion of Senator Nance, the Report being as follows:

The Honorable Robert S. Kerr,
Governor of the State of Oklahoma, and
Honorable Members of the Forty-Ninth Legislature
of the State of Texas.

We, the members of the Red River Compact Commission of the State of Oklahoma, appointed by the Honorable Robert S. Kerr, Governor of the State of Oklahoma, and We, the members of the Red River Compact Commission of the State of Texas, appointed by the Honorable Coke Stevenson, Governor of the State of Texas, pursuant to H. C. R. No. 69 of the Forty-Eighth Regular Session of the Legislature of the State of Texas, having been appointed for the purpose of inquiring into and considering the problems confronting the peoples of our States which have arisen from the creation of Lake Texoma by the completion of the Denison Dam project, and

Having devoted more than a year's time to the study of such problems, during which period we, acting both jointly and separately, have discussed and considered said problems with various and sundry citizens, groups of citizens, and others interested in such problems throughout the State of Oklahoma and Texas, and

Recognizing and respecting the rights of full sovereignty of the State of Oklahoma and the State of Texas and the privileges and duties of the citizens of our States, also recognizing the spirit of good neighborliness and friendship which exists between the citizens of the State of Oklahoma and of the State of Texas, and with the pur-

poses of maintaining such sovereignty, good neighborliness, and cooperation and of extending to the citizens of the States of Oklahoma and Texas equal rights and privileges in the benefits arising from the creation of Lake Texoma, insofar as the laws of the State of Oklahoma and the State of Texas will permit:

Your Commissioners do now report that we are in full accord as to the solution of said problems and do hereby respectfully render our full and complete report and submit the following recommendations and suggestions:

I.

We recommend that no compact or agreement be entered into calling for Congressional approval for the following reasons:

a. It would be inadvisable to request or permit the intervention of third parties, which would be the case in a compact ratified by Congress into regulations.

b. Such regulations as are established by agreement between the States should be simple and as flexible as possible since the less restrictive the regulations by the two States the more easily the same could be enforced, and all peoples affected would be more receptive to their enforcement.

II.

We recommend to you that the Legislature of Oklahoma and the Legislature of Texas should authorize and empower, by proper legislation, their Game and Fish Commissions to enter into an agreement, each with the other, to effectively control and manage hunting and fishing in and on Lake Texoma and its shore line. Such agreement should not be inconsistent with the intent of the Game and Fish laws of said States. Such agreement should not become operative until after its formal approval by the Governor of Oklahoma and the Governor of Texas.

III.

We recommend that the agreement contain the following provisions:

FIRST, that all residents of the State of Oklahoma who have fulfilled their State's requirements for resident

fishing and who are possessed of such license or licenses of current date should continue to have the right to fish, without additional fee, in or on that part of Lake Texoma which is within the boundaries of Oklahoma. But, for the right to fish in or on that part of the Lake which is within the boundaries of Texas, they should purchase from the State of Texas a special license to so fish, at a fee which should be no more than that charged by the State of Texas for their regular resident fishing license.

SECOND, that all residents of the State of Texas who have fulfilled their State's requirements for resident fishing and who are possessed of such license or licenses of current date should continue to have the right to fish, without additional fee, in or on that part of Lake Texoma which is within the boundaries of Texas. But, for the right to fish in or on that part of the Lake which is within the boundaries of the State of Oklahoma, they should purchase from the State of Oklahoma a special license to so fish, at a fee which should be no more than that charged by the State of Oklahoma for their regular resident fishing license.

THIRD, that all residents of the State of Oklahoma who are possessed of a resident hunting license of current date should continue to have the right to hunt, without additional fee, on that part of Lake Texoma, and its land, which is within the boundaries of Oklahoma. But, for the right to hunt only migratory waterfowl on that part of Lake Texoma which is within the boundaries of the State of Texas, they should purchase a special license to so hunt, at a fee which should be no more than that charged by the State of Texas for their regular resident hunting license.

FOURTH, that all residents of the State of Texas who are possessed of a resident hunting license of current date should continue to have the right to hunt, without additional fee, on that part of Lake Texoma, and its lands, which is within the boundaries of Texas. But, for the right to hunt only migratory waterfowl on that part of Lake Texoma which is within the boundaries of Oklahoma, they should purchase a special license to so hunt, at a fee which should be no more than that charged by the State of Oklahoma for their regular resident hunting license.

FIFTH, that any person who is not a resident of the State of Oklahoma or of the State of Texas should be per-

mitted to purchase a special non-resident license to fish in or on any part of Lake Texoma for the sum of \$2.50, said license to be issued for the calendar year. The proceeds from the sale of these special \$2.50 non-resident fishing licenses should be divided equally between the States of Oklahoma and Texas.

SIXTH, that any person who is not a resident of the State of Oklahoma or of the State of Texas should be permitted to purchase a special non-resident license to hunt only migratory waterfowl on any part of Lake Texoma for the sum of \$2.50, issued for the migratory waterfowl hunting season applicable to Lake Texoma, as set by the U. S. Fish and Wildlife Service each year. The proceeds from the sale of these special \$2.50 non-resident migratory waterfowl hunting licenses should be divided equally between the States of Oklahoma and Texas.

IV.

We are of the opinion that fishing in Lake Texoma should be under uniform regulations applicable to the entire Lake, irrespective of the boundary line between the two states.

V.

We respectfully call your attention to the differences between the non-resident privileges granted by the respective states and the fees charged therefor. It is our opinion that such privileges, and the fees charged therefor, should be uniform and that Oklahoma and Texas should be the first of the states of the union to correct this out-of-balance system. It is our further opinion that non-resident fees were originally set at such a figure as to be beyond the reach of the average sportsman, which is not in conformity with our democratic form of government.

Respectfully Submitted,

NANCE.

Upon motion of Senator Nance, Senate Resolution No. 3 was ordered withdrawn from the Calendar and referred to the Committee on Military Affairs for further consideration.

Senator Finney asked unanimous consent, which was granted, that the Engrossing and Enrolling Department be authorized to make certain corrections in the spelling of words in SENATE BILLS NOS. 84 and 90.

Senator Nance asked that the CONCLUSION of an opinion of the Attorney General, addressed to the Speaker of the Honorable House, relative to the "correctness of the Ruling of the Federal Highway Department," expressed in the communication from Mr. Thos. H. MacDonald, U. S. Commissioner of Public Roads, to the Chairman of the Oklahoma Highway Commission, be read, which was the order.

Following the reading of the CONCLUSION, above referred to, it was upon motion of Senator Rinehart, that the opinion of the Attorney General was ordered printed in the Journal, which follows:

February 5, 1945.

Honorable Johnson D. Hill, Speaker,
House of Representatives,
State Capitol,
Oklahoma City 5, Oklahoma

Dear Sir:

This is to acknowledge receipt of your letter dated February 1, 1945, which reads as follows:

"I would appreciate your opinion on the following motion, which was presented in the House of Representatives today.

"I move that the Speaker of this House request the Attorney General to give to this House his opinion on the correctness of the Ruling of the Federal Highway Department, expressed in the communication from Mr. McDonald to our Highway Department ruling that the State of Oklahoma has been guilty of diversions of Highway Funds in violation of Section 12 of Hayden-Cartwright Federal Aid Road Act. That such opinion deal with each alleged diversion and be furnished this House by Monday, February 5, 1945.' "

In the communication from Honorable Thos. H. MacDonald, U. S. Commissioner of Public Roads, to the Chairman of the Oklahoma Highway Commission, dated January 26, 1945, Mr. MacDonald stated only his "preliminary views as to whether or not there is diversion of the road user revenues by the State within the meaning of Section 12 of the Act of Congress approved June 18, 1934."

The Federal Aid Highway Act of 1944 relates to post-war construction of highways and bridges. Sec. 6 of said Act reads in part as follows:

"Sec. 6. If the Commissioner of Public Roads shall determine that it is necessary for the expeditious completion of projects undertaken pursuant to this Act, he may advance to any State from funds heretofore or hereafter made available the Federal share of the cost thereof to enable the State Highway Department to make prompt payments for work as it progresses: *Provided, That such State after June 30, 1945, does not divert to other than highway uses road user revenues in violation of Section 12 of the Highway Act of June 18, 1934. * * ** "

Section 12 of the Highway Act of June 18, 1934 (23 U. S. C. A. § 55) reads as follows:

"Since it is unfair and unjust to tax motor-vehicle transportation unless the proceeds of such taxation are applied to the construction, improvement, or maintenance of highways, after June 30, 1935, Federal aid for highway construction shall be extended only to

those States that use *at least the amounts now provided by law* for such purposes in each State from State motor vehicle registration fees, licenses, gasoline taxes, and other special taxes on motor-vehicle owners and operators of all kinds for the construction, improvement, and maintenance of highways and administrative expenses in connection therewith, including the retirement of bonds for the payment of which such revenues have been pledged, and for no other purposes, under such regulations as the Secretary of Agriculture shall promulgate from time to time; Provided, that in no case shall the provisions of this section operate to deprive any State of more than one-third of the amount to which that State would be entitled under any apportionment hereafter made, for the fiscal year for which the apportionment is made."

In an opinion of the Attorney General of the United States to the Secretary of Agriculture, dated April 18, 1938. (39 Op. A. G. 157, 159) it was said:

"Section 12 of the Federal Act is not entirely free from ambiguity. It is my opinion, however, that the Congress by this section intended to provide that if any State after June 30, 1935, should *divert* to uses other than those named any part of the revenues mentioned which *under the laws of the State in effect on the date of the approval of the Act* would have been expendable for the purposes named except for such *diversion*, then the allotment to such State from funds made available by the Congress for Federal aid for highway construction should be reduced by an amount equal to not more than one-third of the amount it otherwise would be entitled to receive."

In an opinion of the Attorney General of the United States to the Secretary of Agriculture dated March 31, 1939 (39 Op. A. G. 269, 273) it was said:

"The evil at which Section 12 of the Federal Act is aimed is the increasing tendency of the States to *divert* revenues derived from the sources mentioned to other than highway purposes. By its penalty feature the Federal statute seeks to limit such *diversions* to those permitted by the laws of the several states as they existed at the time it was enacted, *and it does*

not become operative against a State so long as it uses 'at least the amounts' expendable for the purposes mentioned in the statute under the laws of the State as they existed at the time the Federal statute was enacted—that is, unless after June 30, 1935, the State diverts to other than the purposes mentioned in Section 12 more of such revenues than were so diverted by the statutes of the State as they existed when the Federal statute was enacted.

* * *

“I have not overlooked the opinion of the Attorney General of April 18, 1938 (39 Op. 157) in which certain statutes of the State of Massachusetts were considered. That opinion dealt with State statutes which subsequent to June 30, 1935, *diverted* to purposes not sanctioned by the Federal statute—purposes in no way connected with roads—revenues which the basic *State statute* had not so diverted at the time the Federal statute was enacted. Here the *basic State statute* had so *diverted* the revenues in question prior to the enactment of the Federal statute.”

In consideration of the above it is my opinion as the Attorney General of Oklahoma that no part of the road user taxes (motor vehicle registration fees, licenses, gasoline taxes, and other special taxes on motor-vehicle owners) levied by the laws of this State in effect in 1934 for the construction, improvement and maintenance of highways may be levied and used after June 30, 1945, for other purposes if Oklahoma is to qualify fully for Federal aid under the Federal Aid Highway Act of 1944. However, this does not mean that if the Legislature since 1934 has increased the levy, or made an additional levy of the same kind of tax, for other than said highway purposes, that Oklahoma would lose one-third or any part of its share of Federal aid under said Act.

In other words it is my opinion that so long as the same amounts of the road user taxes levied in 1934 for highway purposes are still levied and used for said highway purposes, Oklahoma should not be penalized by a deduction in Federal aid under said Act of Congress by reason of the fact that since 1934 additional road user taxes have been levied for the general fund, highway patrol, or

purposes other than highway construction, improvement or maintenance.

Considering each alleged diversion, as requested in your letter, we express our views thereon as follows:

GASOLINE EXCISE TAXES

1933 GASOLINE EXCISE TAX.

On June 14, 1934 an excise tax of four cents (4c) per gallon was levied on the sale (etc.) of gasoline by Chapter 126, Oklahoma Session Laws 1933, page 272. Section 2 of the Act apportioned three cents (3c) of said tax from each gallon of gasoline to the State Highway Construction and Maintenance Fund to be expended for the following purposes:

- (a) Repair and maintenance of State Highways,
- (b) Construction of a primary system of State Highways, and

(c) On and after May 1, 1933, 40% of said tax (40% of 3c per gallon) to be deposited in the State Treasury in a special account to be used exclusively for payment of State indebtedness represented by outstanding interest bearing warrants or other securities based upon such warrants, issued in payment of obligations incurred prior to July 1, 1933, until said indebtedness is paid, and thereafter, to be used for purposes of sub-paragraph (a) and (b) above. The State indebtedness referred to had not been paid by June 18, 1934.

Section 3 of said Chapter 126, Oklahoma Session Laws 1933, apportioned one cent (1c) of said tax on each gallon of gasoline to the counties of the State to be used for the following purposes:

(a) Construction and maintenance of county and township highways and permanent bridges in the county.

(b) Where a State or county highway had been laid out over a road already constructed in any county by money raised by county or township bond issue, the county commissioners were authorized to use part of the money in retiring such bonded indebtedness.

By virtue of Chapter 161, Oklahoma Session Laws

1933, page 375, two per cent (2%) of the above gasoline excise taxes collected was credited to the Oklahoma Tax Commission Fund before the above apportionments were made, to cover cost of collections.

Chapter 126, Oklahoma Session Laws 1933 was repealed in 1939. See Section 17, Article 15, Chapter 66, Oklahoma Sessions Laws 1939.

1939 GASOLINE EXCISE TAX.

On February 5, 1945, the date of this opinion, an excise tax of four cents (4c) per gallon is levied on the sale (etc) of gasoline by 68 O. S. 1941 § 659a, enacted in 1939. Section 659b apportions the tax as follows:

(a) 3% credited to the Oklahoma Tax Commission Fund.

(b) 70% credited to the State Highway Construction and Maintenance Fund, to be used for the construction, repair and maintenance of State Highways.

(c) 5% to the treasurers of incorporated cities and towns to be used for the construction, repair and maintenance of streets and alleys, and

(d) 22% to the counties of the State, apportioned 40% on a road mileage basis and 60% on a population and area basis, to be used in constructing and maintaining county or township highways and bridges.

Aircraft fuel, fuel used in farming, fuel used by the Department of Public Welfare, public school buses and fluids used for cleaning purposes are exempted from payment of the gasoline excise tax.

1941 ADDITIONAL GASOLINE EXCISE TAX.

By virtue of 68 O. S. 1941 § 660o, enacted in 1941, an *additional excise tax* of one and one-half cents (1½c) per gallon is levied on the sale (etc) of gasoline. The tax is apportioned on the basis of 1c per gallon to the *General Revenue Fund* of the State and ½c to the counties for the construction and maintenance of county and township roads and bridges, and under certain circumstances for the payment of the salaries of County Commissioners, who supervise County Highway construction and maintenance.

It is my opinion as Attorney General of Oklahoma, that the Gasoline Excise tax laws in effect now do not

divert to other than highway uses road user revenues in violation of Section 12 of the Federal Highway Act of June 18, 1934. A greater amount of gasoline excise taxes are levied and used now for highway purposes than were levied and used in 1934 for highway purposes. Also in 1934, 40% of 3c on each gallon was used to pay State indebtedness. The 1c gasoline excise tax levied in 1939 for the State General Revenue Fund is not a diverted tax but a new additional tax levied for the General Fund. However, in view of the observation of Mr. MacDonald as to the amount credited to the Oklahoma Tax Commission Fund and the fact that under the 1933 4c gasoline excise tax law only 2% was credited to that fund while under the present 4c gasoline excise tax law 3% is being credited to the Oklahoma Tax Commission Fund, I think it advisable to consider amending 68 O. S. 1941 § 659b in that particular.

MOTOR VEHICLE LICENSE TAXES

On June 18, 1934, Section 3 of Chapter 113, Oklahoma Session Laws 1933, page 228, fixed license fees to be paid on all motor vehicles. Section 10 of said Act apportioned 40% of said fees to the State Highway Construction and Maintenance Fund to be expended upon the State road system, and 60% of said fees to the counties with the provision that 15% of the moneys received from vehicles in incorporated cities and towns shall be paid to cities and towns to be credited to the street and alley fund, the remainder to be credited to the County Highway Construction and Maintenance Fund.

By virtue of Chapter 161, Oklahoma Session Laws 1944, page 375, and Section 2, Chapter 200, Oklahoma Session Laws 1933, page 474, it was provided that 5% of the motor vehicle license fees should be credited to the "Highway Collection Fund" to be expended by the Oklahoma Tax Commission, the remaining 95% to be apportioned as provided by existing law (Sec. 10, Ch. 113, Okla. Sess. Laws 1933, page 228). Said "Highway Collection Fund" was to be used for paying the expenses of making collections and any money remaining in the collection fund after December 31, 1933, was to be transferred to the State Highway Construction and Maintenance Fund. In succeeding years the 5% was to be placed in the Oklahoma Tax Commission Fund and at the end of any fiscal year the balance was to be transferred to the General Fund.

Section 3 and 10, Chapter 113, Oklahoma Session Laws 1933, *supra*, are no longer in effect.

On February 5, 1945, the date of this opinion, 47 O. S. 1941 § 22.5, enacted in 1941, fixed license fees for motor vehicles at considerably higher rates than set forth in the 1933 law. Section 1, Chapter 1b, Title 47, Oklahoma Session Laws 1943, page 117, apportions the money derived from said license fees and other taxes levied by the 1941 Act, as follows:

(a) 5% of all money received from the registration of automobiles and farm trucks and 10% of other monies and license fees collected under the Act to the Oklahoma Tax Commission Fund.

(b) The remaining 95% of license fees collected from registration of farm trucks and automobiles to the counties for support of the common schools.

(c) All remaining revenues collected from all other sources under the Act to the Counties of the State; 75% to be used for county and township highway purposes, and (2) 25% to be allocated by county treasurers to city treasurers of towns and incorporated cities on a population basis to be used for streets and alleys.

In Mr. MacDonald's communication to the State Highway Commission it is stated:

"Concerning the motor vehicle registration and license tax it is noted that during the fiscal year which ended June 30, 1943, \$705,334.68 went to the Oklahoma Tax Commission, almost \$3,500,000.00 went to local common schools, \$152,015.39 went to the office of the State Land Commissioner and no part of it went to the State Highway Commission. Our view is that the portion of this fund that goes to common schools, the portion that goes to the office of the State Land Commissioner, and probably a part of the sum that went to the Oklahoma Tax Commission all represent diversion. Relative to the amount that went to the Oklahoma Tax Commission, it does not seem that all of it could have been required for collection purposes."

I know of no authority for any of said moneys to be paid to the Commissioners of the Land Office, except to be apportioned to the common schools.

It is my opinion as Attorney General of Oklahoma, that the Motor Vehicle license tax law in effect now does divert to other than highway uses road user revenues in violation of Section 12 of the Federal Highway Act of June 18, 1934. In 1934 all of the revenues from motor vehicle license taxes were levied for highway purposes except 5% for collection purposes. Under the laws in effect now a major portion of the taxes are levied for the support of the common schools; also 10% of part of the taxes are now credited to the Oklahoma Tax Commission Fund. The Legislature should consider the advisability of amending this Act to meet the requirements of Section 12 of the Federal Highway Act of June 18, 1934.

MOTOR CARRIER TAX.

On June 18, 1934, Chapter 156, Oklahoma Session Laws 1933, page 354, was in effect. Said Act imposed a fee for issuance of permits to Class "A", "B" and "C" Motor Carriers, said fees to be deposited in the State Treasury to the credit of the "Motor Vehicle Act Enforcement Fund." This provision is still in effect.

Section 3 of Chapter 156, Oklahoma Session Laws 1933, page 355, supra, imposed taxes upon Class "A", "B" and "C" Motor Carriers to be collected on seating capacity, weight and mileage basis, the taxes collected to be used for the maintenance and upkeep of the public highways and for the administration and enforcement of all laws of the State relating to motor carriers.

By virtue of Chapter 161, Oklahoma Session Laws 1933, page 375, 5% of said Motor Carrier taxes were credited to the Oklahoma Tax Commission Fund.

Section 3 of said Chapter 156, Oklahoma Session Laws 1933, was repealed by Section 19, Article 9, Chapter 66, Oklahoma Session Laws 1937, page 445. The Motor Vehicle Mileage Tax Law of 1937 was repealed by Section 38, Article 7, Chapter 50, Oklahoma Session Laws 1939, page 306. We have no Motor Carrier Mileage tax now, or any Motor Vehicle Mileage tax, except the *Intercity Motor Bus Tax*. 47 O. S. 1941 § 22.7 enacted first in 1939 and amended in 1941, imposes a tax on intercity buses on a seating capacity and mileage basis. These taxes under Sections 22.2 as amended in 1943, and 22.7 should be ap-

portioned for county highway purposes, and to cities and towns for streets and alleys. See subdivisions (d) and (e), Section 22.2 as amended in 1943.

It is my opinion as Attorney General of Oklahoma, that the repeal of the laws levying a Motor Carrier Tax and Motor Vehicle Mileage Tax for highway purposes does not constitute a violation of Section 12 of the Federal Highway Act of 1934.

OTHER TAXES

SPECIAL FUEL USE TAX.

68 O. S. 1941 § 715, *enacted in 1939*, imposes an excise tax of four cents (4c) per gallon on special motor fuels to be collected by the Oklahoma Tax Commission. Section 714 of said Title apportions said tax 3% to the Oklahoma Tax Commission Fund, 72 3/4% to the State Highway Construction and Maintenance Fund, and 24 1/4% to counties for highway purposes.

ADDITIONAL SPECIAL FUEL USE TAX.

68 O. S. 1941 § 726, *enacted in 1941*, imposes an additional excise tax of one and one-half cents (1 1/2c) on special motor fuels. Section 726a of said Title apportions said tax 1c per gallon to the General Revenue Fund and 1/2c to counties for highway purposes.

DRIVERS LICENSE FEES.

47 O. S. 1941 § 274, *enacted in 1937*, prohibits a person from operating a motor vehicle upon the highways without an operator's or chauffeur's license. Section 312 fixes the fees for such licenses. Section 313 requires all of the fees to be credited to the "Public Safety Fund" to be used for the purpose of protecting the public in general and the motoring public in particular.

It is my opinion as the Attorney General of Oklahoma that the above referred to statutes relating to the Special Fuel Use Tax, the Additional Special Fuel Use Tax, and the Drivers License Fees, do not levy said taxes in violation of Section 12 of the Federal Highway Act of June 18, 1934. They are new additional taxes and therefore there can be no diversion such as said Section 12 intended to discourage. Furthermore, the Special Fuel Use Tax of 4c

per gallon is levied all for highway purposes except 3% for the Oklahoma Tax Commission Fund.

MOTOR VEHICLE TITLE FEES.

47 O. S. 1941 § 23.3, *enacted in 1941*, fixes a fee of \$1.00 for a certificate of title to a motor vehicle. Section 23.2 provides that all such fees shall be paid to the State Treasurer to be credited to the "Public Safety Fund." In 1934 by virtue of Chapter 45, Oklahoma Session Laws 1933, page 83, fees collected for certificates of title were apportioned to the "Auto Theft Fund."

It is my opinion as the Attorney General of Oklahoma that the Motor Vehicle Title Fees now being imposed under existing law are not levied or fixed in violation of the Federal Highway Act of June 18, 1934. In 1934 such fees were not used for the construction, improvement or maintenance of highways.

MOTOR VEHICLE EXCISE TAX.

47 O. S. 1941 § 52b as amended by Title 47, Chapter 2, Oklahoma Session Laws 1943, page 119, levies an excise tax of 2% of the value of each motor vehicle upon the transfer of legal ownership thereof. 47 O. S. 1941 § 52a, *enacted in 1941*, apportions 100% of the revenue derived from said tax to the General Revenue Fund. There was no such tax being levied in 1934.

It is my opinion as the Attorney General of Oklahoma, that the levy of the Motor Vehicle Excise Tax for the General Revenue Fund does not violate Section 12 of the Federal Highway Act of June 18, 1934. We do not believe it is a "road user" tax. It is merely an excise tax on the sale of a motor vehicle in lieu of the regular 2% sales tax on sales of other personal property. See 68 O. S. 1941 § 1251d, subdivision (a). Also no such tax was levied in 1934, so there can be no diversion by its levy for the General Fund.

FUELS EXCISE TAX.

52 O. S. 1941 § 331, *enacted in 1939*, levies an excise tax of 8/100 of one-cent (1c) per gallon on kerosene, naphtha, motor fuel and/or burning oil, and provides that the money derived therefrom shall be deposited in the General Revenue Fund. It is a levy to cover cost of inspec-

tion. An inspection fee was charted in 1934 under Section 11602 O. S. 1931, which did not go for highway improvement purposes but to the Inspectors.

It is my opinion as the Attorney General of Oklahoma, that the Fuels Excise Tax levied by 52 O. S. 1941 § 331, does not violate Section 12 of the Federal Highway Act of June 18, 1934. Said tax was not levied in 1934 and is not a substitute for a tax or fee levied in 1934 for highway purposes.

CONCLUSION

It is my view that the Legislature should consider the advisability of amending the Motor Vehicle License Tax Act to provide that the revenues apportioned for common schools thereunder should be levied and apportioned after June 30, 1945 for highway purposes. To off-set in part the revenues thus taken from the common schools, the Legislature might consider the advisability of amending the 1½c Gasoline Excise Tax law and the 1½c Additional Special Motor Fuel Tax law, to provide that 1c of each of said levies shall be levied and collected for the common schools. The Legislature also should consider the advisability of reducing the percentages apportioned to the Oklahoma Tax Commission under the 4c Gasoline Excise Tax law and the Motor Vehicle License Tax Law to the percentages allowed the Oklahoma Tax Commission Fund from such taxes under Chapter 161, Oklahoma Session Laws 1933.

Attached hereto is a copy of a night letter I wired Honorable Thos. H. MacDonald, U. S. Commissioner of Roads, Washington, D. C. on February 1, 1945. To date I have not received a reply from him.

I also desire to state that Section 12 of the Federal Highway Act of 1934 is not free from ambiguity. Mr. MacDonald, U. S. Commissioner of Public Roads, stated in his letter dated January 26, 1945, only his preliminary views. I am sending him by air mail a copy of this opinion with the request that he advise me if he concurs in the opinion, and if not to point out wherein he disagrees. Of course, it should be borne in mind that apportionments of Federal Aid under the Federal Aid Highway Act of 1944 are to be made by a Federal Agency which will be guided by the advise of their own counsel.

In rendering this opinion I do not desire to be under-

NIGHT LETTER

February 1, 1945

Honorable Thos. H. MacDonald
Commissioner of Public Roads
Federal Works Agency
Public Roads Administration
Washington, D. C.

Referring to your letter to the Chairman of the Oklahoma Highway Commission dated January 26, 1945, the House of Representatives of the Oklahoma Legislature has requested my opinion as to the necessity of making a number of changes in Oklahoma tax laws to fully qualify for Federal Aid under the Federal Aid Highway Act of 1944 without any deductions.

I have considered the proviso in Section 6 of said Act, also Section 12 of the Highway Act of June 18, 1934, and two opinions of the Attorney General of the United States, 39 O. A. G. 157 and 269. It is my view at this time that no part of the amount of road user taxes levied in 1934 for highway purposes may now be levied and used for other purposes if Oklahoma is to qualify fully for Federal Aid. However, this does not mean that if the Legislature since 1934 has increased the levy or made an additional levy of the same kind of tax for other than highway purposes that Oklahoma would lose one-third or any part of its Federal Aid.

For instance in 1934 Oklahoma levied a 4c gasoline excise tax for highway purposes except a portion was used to retire certain State, County and Township indebtedness. Chapter 126 Okla. Sess. Laws 1933. In 1945 Oklahoma levies a 4c gasoline excise tax all of which is for highway

purposes except three per cent is set aside for expense of collection. 68 O. S. 1941 Section 659b enacted in 1939. Oklahoma also now levies an additional one and one-half cent excise tax on gasoline one cent of which goes to the State General Fund and one-half cent of which is for county and township road purposes. 68 O. S. 1941 Section 660c enacted in 1941. It is my view that the 1941 law levying the additional one cent tax on gasoline for the State General Fund would not operate to deprive Oklahoma of any part of the Federal Aid to which it otherwise would be entitled.

It is my view that so long as the same amounts of the road user taxes levied in 1934 for highway purposes are still levied and used for highway purposes that Oklahoma should not be penalized by a deduction in Federal Aid because since 1934 additional road user taxes have been levied for the general fund, common schools or highway patrol.

I will appreciate receiving at the earliest possible time your views or the views of your legal department in regard to this matter together with applicable citations of authority.

LANDELL S. COBB

Attorney General of Oklahoma.

Senator Dacus submitted the following Committee Report:

Not Voting: Goodpaster, Mahan.—2.

Excused: Carrier, Lowery.—2.

Excused on Account of Military Service: Fine, Phillips.—2.

The bill having received the constitutional majority of the votes of all members elected to and constituting the Senate was declared passed.

Upon motion of Senator Nance, the emergency section to Senate Bill No. 106 was ordered stricken and the title amended, by striking the words, "AND DECLARING AN EMERGENCY."

Senate Bill No. 106, as amended, was ordered referred for engrossment.

GENERAL ORDER

HOUSE BILL NO. 148, By Flanagan, was taken up for consideration.

Senator Burns presiding.

Upon motion of Senator Logan, House Bill No. 148 was ordered withdrawn from the Calendar and referred to the Committee on State and County Affairs.

Senator Pruett moved that the vote be reconsidered by which SENATE BILL NO. 87, by Burns and Pruett, of the Senate, and Evans, et al, of the House, failed of passage on the last legislative day, consideration of which motion by unanimous consent was deferred for this legislative day.

By unanimous consent, consideration of SENATE BILL NO. 65, by Carrier, et al, and SENATE BILL NO. 83, by Burns, was deferred for this legislative day.

SENATE BILL NO. 92, by Anderson, Rinehart and Ginder, was considered.

Section 1 was read.

Senator Anderson submitted the following amendment, which was adopted:

Mr. President: I move to amend Senate Bill No. 92, line 5, page 1, by striking after the word, "of", and before the word, "ten," the remainder of line 5, and that part of line 6 to and including the word, "Independent," and inserting the following: "five (.05) cents per name in common school districts with a total minimum of Five (\$5.00) Dollars for each common school district and eight (.08) cents per name in districts including an incorporated town or city."

ANDERSON.

Senator Anderson asked unanimous consent, which was granted, to amend his amendment by striking the word and figures, "five (.05)," and inserting the word and figures, "ten (.10)".

Upon motion of Senator Finney, Section 1, as amended, was adopted.

Upon motion of Senator Anderson, Senate Bill No. 92, as amended, was advanced to engrossment and third reading.

Upon motion of Senator Anderson, the rules of the Senate were suspended and Senate Bill No. 92, as amended, was considered engrossed and placed upon third reading and final passage.

THIRD READING

Senator Nance, as a substitute, moved that Senate Bill No. 29 be referred to a Special Committee of 7, for the purpose of further consideration and amendment, the bill to retain its place on the Calendar, which motion prevailed, the President Pro Tempore appointing Senators Ritzhaupt, Chairman, Counts, Nevins, Dacus, Nichols, Thornton and Nance as such Special Committee.

Senator Nance asked to be relieved from serving on the Special Committee appointed under Senate Bill No. 29, which request was ordered granted, and the President Pro Tempore appointed Senator Anglin in his stead.

Senator Nance moved that the President Pro

Tempore be authorized by the Senate to telegraph a Message of good will and good wishes to the Honorable R. H. Stanley, at Hugo, Oklahoma, a former member of the House of Representatives from Choctaw County, who is, tomorrow, celebrating his seventy-second birth anniversary and his fiftieth anniversary as an active practitioner of the Laws of our land and that a suitable floral offering be sent, which motion prevailed.

GENERAL ORDER

Upon motion of Senator Nichols, SENATE BILL NO. 64, by Nichols, Finney, Braden and Counts, was ordered referred to a Committee of 7, said Committee to be composed of the authors of the bill and three other members of the Senate, the President Pro Tempore appointing as such Committee, Senators Nichols, Finney, Braden, Counts, Duffy, Thornton and Williams.

Upon motion of Senator Nichols, SENATE BILL NO. 78, by Nichols, was set for Special Order at 2:00 o'clock, p. m., Wednesday, February 14, 1945.

Senator Burns raised the question of "no quorum."

The President Pro Tempore ordered the roll of the Senate called, following which he declared a quorum of the Senate was present.

Senator Finney moved that the Senate resolve itself into executive session, which motion prevailed.

* * * *

The Senate reassembled in open session with President Pro Tempore Paul presiding.

Senators Cowden and Ginder asked to be excused for the remainder of this legislative day, which was the order.

COMMITTEE REPORTS

By unanimous consent, the following Committee Reports were submitted, the bills ordered printed and placed upon the Calendar, unless otherwise indicated:

Mr. President: We, your Committee on Fees and Salaries, to whom was referred House Bill No. 67 by Mountcastle, et al, entitled:

An Act entitling regular or part time county court stenographers, etc., to all fees collected by them for transcripts of shorthand notes, and for case-mades and transcripts for appeals made by them, etc.; and declaring an emergency,

beg leave to report that we had the same under consideration and herewith return the same with the recommendation that it do pass.

GOODPASTER, Chairman.

Mr. President: We, your Committee on Judiciary No. 2, to whom was referred House Bill No. 68 by Levergood, entitled:

An Act relating to notices to take depositions; amending 12 O. S. 1941 § 439 to provide for payment of certain expenses and costs incurred by reason of failure to notify opposing party or parties that depositions will not be taken where notice has previously been served; providing that cause shall not be tried until such expenses are paid; and declaring an emergency,

beg leave to report that we had the same under consideration and herewith return the same with the recommendation that it do pass.

BURNS, Chairman.

Mr. President: We, your Committee on School Lands, to whom was referred Senate Bill No. 107 by Speck, Leonard, Nichols, Paul and Cowden, entitled:

An Act amending 64 O. S. 1941 § 215; authorizing and directing the Commissioners of the Land Office to accept delinquent payments due on mortgages, certificates of purchase, and preference right leases without charging interest on interest payments or rentals that have become delinquent on such mortgages, certificates of purchase, or preference right leases; providing that the provisions of said Act shall apply even though a final judgment has been or may hereafter be rendered by a court of competent jurisdiction against the mortgagor, etc.,

beg leave to report that we had the same under consideration and herewith return the same with the recommendation that it do pass.

LEONARD, Chairman.

Twenty-fifth Day, Thursday, February 8, 1945 375

Mr. President: We, your Committee on Education to whom was referred Senate Bill No. 133, by Burns, Neill and Rinehart of the Senate and Weaver, Levergood and Klinglesmith of the House, entitled:

An Act amending Title 70, Section 1921, Oklahoma Statutes, 1941, relating to the granting of Academic and Professional Degrees in the various schools and colleges of the State of Oklahoma; and declaring an emergency,

beg leave to report that we had the same under consideration and herewith return the same with the recommendation that it be referred to the Committee on Legal Advisory, in view of the fact that the Committee on Education has no information as to the curriculum and course of study offered by the Oklahoma City College of Law, in comparison to the Law Department of Oklahoma University or the requirements of law schools which now are qualified to grant such degree.

RITZHAUPT, Chairman.

TO THE PRESIDENT OF THE SENATE:

SIR:

We, your Special Committee, to whom was referred Senate Bill No. 63, by Nichols, entitled:

An Act creating a cause of action on behalf of a landowner whose land is injured by any landowner on the same watershed, by reason of negligence in permitting improper soil practices; providing that non-compliance in soil conservation programs shall be prima facie evidence of negligence; providing for appeals from judgments rendered hereunder; providing that a tenant shall be deemed to be the agent of his landlord and providing that both shall be made parties to the suit; and declaring an emergency,

beg leave to report that we have had the same under consideration and herewith return the same with the following recommendations:

1. We recommend that the emergency section of the bill be stricken.

2. That in line 5, on page 3, the period after the word "land" be changed to a semi-colon and add the following:

"Provided that no defendant under the terms of this Act shall ever be liable for any damages caused by storms, floods, lightning, or by the elements commonly known as the acts of God."

3. We recommend a new section, to be numbered 3, as follows:

"Before the institution of a suit in either the District or Superior Courts of this State, and as a necessary jurisdictional pre-requisite, the complaining party shall notify, by registered mail, the persons or corporations to be sued; and such said persons or corporations shall be given six (6) months, from and after the service of said notice, in which to comply with the terms and conditions set forth in said notice. After the elapse of six (6) months, as aforesaid, then such complaining person may enter suit under the terms of this Act; provided the matters and things complained of in said notice have not been remedied."

4. That a section, to be numbered four, be added as follows:

"The provisions of this Act shall not become effective until the 1st day of January, 1946."

Respectfully submitted,

OUR FATHER WHO ART IN HEAVEN: Thou in whom the generations rise and fall away, in whom none of us can ever be lost since all are equally dear, safeguard the homeless people of this world with Thy loving presence—all refugees, orphans, prisoners of war, those in the armed forces of the nations;

HALLOWED BE THY NAME: O Thou for whom the whole family in heaven and earth is named, we pray for those who so reverence Thy holy name, that rather than deny it before men they now suffer imprisonment and persecution; grant that we too may show forth the praises of Him who called us out of darkness into His marvelous light;

THY KINGDOM COME: quicken us into creating a

Twenty-ninth Day, Thursday, February 15, 1945 447

Beloved Community of new friends from every color, race and creed—that Thy way may be known upon earth, Thy saving health among all people;

THY WILL BE DONE: through the words of our mouth—the meditations of our heart—the work of our hands;

GIVE US THIS DAY OUR DAILY BREAD: and let Thy everlasting pity persuade us to feed and to cherish all who hunger in this Thy bountiful world;

FORGIVE US OUR TRESPASSES: our lack of loving-kindness and tender mercy—even as we forgive;

LEAD US NOT INTO TEMPTATION: Thou Man of Sorrows, acquainted with grief, make clean our hearts within us, that we may be fit dwelling-places for Thy Holy Spirit;

FOR THINE IS THE KINGDOM, THE POWER AND THE GLORY: may the beauty of the Lord, our God be upon us—all through this day! **AMEN.**

MESSAGES

The following Message from the Governor was received and read:

To the President and Members of the Senate,
and to the Speaker and Members of the
House of Representatives, Twentieth Session,
Oklahoma Legislature

Gentlemen:

Inasmuch as the Supreme Court of the United States on June 5, 1944, held in the case of *United States v. Southeastern Underwriters Association*, 322 U. S. 533, 88 L. ed 1082, that an insurance company doing an insurance business in a state other than the state wherein it was domiciled was engaged in Interstate Commerce, which decision is now final, and since:

- (a) States are without authority to regulate Interstate Commerce,
- (b) The levy of discriminatory taxes by a state on Interstate Commerce has been held by the courts to be a burden on and a regulation of Interstate Commerce,
- (c) 36 O. S. 1941 § 104 levies a tax of four per cent on all premiums, less deductions, collected by foreign insurance companies in Oklahoma but does not levy such a tax, or a compensating tax, on competing domestic insurance companies, and
- (d) Said premium tax for the next ensuing license year is payable on or before February 28, 1945,

it is necessary, in order for the State of Oklahoma to avoid losing through tax protest suits the approximately \$2,-300,000 in premium taxes, heretofore collected annually from foreign insurance companies doing business in Oklahoma, for a law to be enacted prior to February 28, 1945, levying a premium tax applying equally to both foreign and domestic insurance companies doing business in Oklahoma.

I, therefore, recommend that you immediately consider enacting a law levying an annual premium tax applying

equally to both foreign and domestic insurance companies doing business in this State.

Respectfully submitted

ROB'T S. KERR,
The Governor of
The State of Oklahoma.

(SEAL)

ATTEST:

F. C. CARTER,
Secretary of State

By Katherine Manton,
Assistant Secretary of State.

The following Message from the Honorable House was received and read:

MR. PRESIDENT:

I am directed by the House of Representatives to transmit herewith for your signature:

ENROLLED HOUSE BILL NO. 68—By Levergood,

An Act relating to notices to take depositions; amending 12 O. S. 1941 § 439 to provide for payment of certain expenses and costs incurred by reason of failure to notify opposing party or parties that depositions will not be taken where notice has previously been served; providing that cause shall not be tried until such expenses are paid; and declaring an emergency; and,

ENROLLED HOUSE BILL NO. 5—By Flanagan and Van Dyck,

An Act fixing the open season for hunting, trapping, or taking fur-bearing animals; amending 29 O. S. Supp. 1943, § 227; and declaring an emergency; and,

ENROLLED HOUSE BILL NO. 130—By Montgomery, Batson, Billingsley, King, Arrington, Huey, Levergood, Long, Sherman, Van Dyck and Weaver,

An Act authorizing the filing and recording in the office of the county clerk of orders or decrees of courts of bankruptcy and making the same constructive notice of their contents; and declaring an emergency,

Thirty-first Day, Monday, February 19, 1945 473

and to advise you, and through you, the Honorable Senate that the same have been read for the fourth time and signed by the Acting Speaker, in open session.

CONFERENCE COMMITTEE SUBSTITUTE FOR EN-GROSSED HOUSE BILL NO. 83—By BILLINGSLEY, SHERMAN, GULLETT, McCARTY, HATHCOAT, HUGHES, MONTGOMERY, CAREY and LEVERGOOD.

AN ACT RELATING TO FOREIGN AND DOMESTIC INSURANCE COMPANIES, CO-PARTNERSHIPS, ASSOCIATIONS, INTER-INSURANCE AGENCIES AND INDIVIDUALS DOING OR ABOUT TO DO AN INSURANCE BUSINESS IN THE STATE OF OKLAHOMA AND TO FEES AND TAXES PAYABLE THEREBY; AMENDING 36 O. S. 1941 § 104 AND 57; PROVIDING FOR ANNUAL LICENSE FEES, ANNUAL PRIVILEGE TAXES AND ANNUAL AGENTS' LICENSE FEES TO BE PAID BY ALL SUCH COMPANIES, ETC.; REQUIRING ANNUAL REPORTS THEREBY; AUTHORIZING CREDITS ON SAID ANNUAL PREMIUM TAXES BASED ON PERCENTAGE OF INVESTMENTS IN DESIGNATED OKLAHOMA SECURITIES UNDER CONDITIONS DEFINED IN ACT, AND THE RECOVERY BY STATE OF AMOUNTS OF SUCH CREDITS UNDER SPECIFIED CIRCUMSTANCES; PROVIDING THAT ACT SHALL NOT APPLY TO CERTAIN ASSOCIATIONS AND UNIONS, AND FOR THE RECOVERY BY STATE OF ANNUAL PREMIUM TAXES THEREFROM UNDER SPECIFIED CIRCUMSTANCES; PROVIDING FOR THE DIS-

TRIBUTION AND APPROPRIATION OF ALL SUCH FEES AND TAXES; MAKING PROVISIONS OF ACT SEVERABLE; REPEALING CONFLICTING LAWS; AND DECLARING AN EMERGENCY.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. 36 O. S. 1941 § 104 is hereby amended to read as follows:

§ 104. Every *domestic and foreign insurance company, co-partnership, association, inter-insurance exchange or individual who is either a resident or a non-resident of the State of Oklahoma, doing business in the State of Oklahoma in the execution of exchange contracts of indemnity, or as an insurance company of any nature or character whatsoever, hereinafter referred to in this Act as an insurance company or company*, shall, annually, on or before the last day of February, report under oath of the president or secretary or other chief officer of such company to the Insurance Commissioner, the total amount of premium received *during the preceding calendar year, or since the last return of such premiums was made by such company, from insurance of every kind upon persons or on the lives of persons resident in this State, or upon real and personal property located within this State, and/or upon any other risks insured within this State*, and shall, at the same time, pay to the Insurance Commissioner

(1) *A license fee of One Hundred Dollars (\$100.00), and*

(2) *An annual tax of four per cent (4%) on all of said premiums, after all cancellations and dividends to policyholders are deducted, for the privilege of writing, continuing and/or servicing insurance on lives, property and/or other risks in this State and of making and servicing investments therein during the succeeding license year, which fee and tax, in addition to an annual tax of Two Dollars (\$2.00) on each agent to be paid to the State Insurance Board, as now provided by 36 O. S. 1941 § 140, shall be in lieu of all other State taxes or fees, and the taxes and fees of any subdivision or municipality of the State, except*

ad valorem taxes. Any company failing to make such returns and payments promptly and correctly shall forfeit and pay to the Insurance Commissioner, in addition to the amount of said taxes *and fees*, the sum of Five Hundred Dollars (\$500.00); and the company so failing or neglecting for sixty days shall thereafter be debarred from transacting any business of insurance in this State until said taxes, *fees* and penalties are fully paid, and the Insurance Commissioner shall revoke the *license or certificate* of authority granted to the agent or agents of that company to transact business in this State.

Provided, that when any such insurance company, co-partnership, association, inter-insurance exchange or individual applies for the first time for a license to do business in Oklahoma, it shall, at the same time, pay a license fee of \$100.00, a tax equal to \$10.00 per month or major part thereof for the remainder of the current license year for the privilege of doing business, as aforesaid, in this State during said license year, and a tax of \$2.00 on each agent it expects to have in Oklahoma during said license year, which fees and taxes shall be in lieu of all other State taxes or fees, and the taxes and fees of any subdivision or municipality of the State, except ad valorem taxes.

SECTION 2. If the annual statement of any insurance company covering any calendar year shows it to have investments at the close of said year in Oklahoma securities, as hereinafter defined, of as much as two (2%) per cent but less than four (4%) per cent of its admitted assets, it will be entitled to a credit on the four (4%) per cent premium tax levied by paragraph 2 of Section 1 of this Act so as to reduce the same to a tax of three and three-fourths (3 3/4%) per cent; if said investments are as much as four (4%) per cent but less than six (6%) per cent of said assets its annual premium tax shall be reduced to a tax of three and one-half (3 1/2%) per cent; if said investments are as much as six (6%) per cent but less than eight (8%) per cent of said assets its annual premium tax shall be reduced to a tax of three and one-fourth (3 1/4%) per cent; if said investments are as much as eight (8%) per cent but less than ten (10%) per cent of said assets its annual premium tax shall be reduced to a tax of three (3%) per cent; if said investments are as much as

ten (10%) per cent but less than twelve (12%) per cent of said assets its annual premium tax shall be reduced to a tax of two and three-fourths ($2\frac{3}{4}$ %) per cent; if said investments are as much as twelve (12%) per cent but less than fourteen (14%) per cent of said assets its annual premium tax shall be reduced to a tax of two and one-half ($2\frac{1}{2}$ %) per cent; if said investments are as much as fourteen (14%) per cent but less than sixteen (16%) per cent of said assets its annual premium tax shall be reduced to a tax of two and one-fourth ($2\frac{1}{4}$ %) per cent; if said investments are as much as sixteen (16%) per cent but less than eighteen (18%) per cent of said assets its annual premium tax shall be reduced to a tax of two (2%) per cent; if said investments are as much as eighteen (18%) per cent but less than twenty (20%) per cent of said assets its annual premium tax shall be reduced to a tax of one and three-fourths ($1\frac{3}{4}$ %) per cent; if said investments are as much as twenty (20%) per cent but less than twenty-two (22%) per cent of said assets its annual premium tax shall be reduced to a tax of one and one-half ($1\frac{1}{2}$ %) per cent; if said investments are as much as twenty-two (22%) per cent but less than twenty-four (24%) per cent of said assets its annual premium tax shall be reduced to a tax of one and one-fourth ($1\frac{1}{4}$ %) per cent; if said investments are as much as twenty-four (24%) per cent but less than twenty-six (26%) per cent of said assets its annual premium tax shall be reduced to a tax of one (1%) per cent; if said investments are as much as twenty-six (26%) per cent but less than twenty-eight (28%) per cent of said assets its annual premium tax shall be reduced to a tax of three-fourths ($\frac{3}{4}$) of one (1%) per cent; if said investments are as much as twenty-eight (28%) per cent but less than thirty (30%) per cent of said assets its annual premium tax shall be reduced to a tax of one-half ($\frac{1}{2}$) of one (1%) per cent; if said investments are as much as thirty (30%) per cent of said assets its annual premium tax shall be reduced to no (0%) per cent.

Oklahoma securities as used in this section shall mean real estate in this State, bonds of the State of Oklahoma, bonds or interest bearing warrants of any county, city, town, school district or municipality or sub-division of the State of Oklahoma, notes or bonds secured by mortgages or other liens on real estate located in the State of Okla-

homa, cash deposits in regularly established National or State banks in this State on the basis of the average monthly deposits throughout the calendar year, policy loans secured by the legal reserve on policies insuring residents of the State of Oklahoma, and any other Oklahoma property or securities in which by the laws of the State of Oklahoma such insurance companies may invest their funds.

Provided, that if the credits, or any part thereof, authorized by the preceding provisions of this section shall be held by a court of final jurisdiction to be unconstitutional and void for any reason or to make the annual premium tax levied by Section 1 of this Act unlawfully discriminatory or otherwise invalid under the Fourteenth Amendment or the Commerce Clause of the Constitution of the United States or under any State or other Federal constitutional provisions, it is hereby expressly declared that such fact shall in no way affect the validity of said Section 1 or of any of the other provisions of this Act or the annual premium tax levied thereby, and that said Section 1 and other provisions would have been enacted even though the Legislature had known this section would be held invalid, as aforesaid, or to have the effect above set forth. Provided further, that if any insurance company, co-partnership, association, inter-insurance exchange or individual secures such a credit prior to such a holding, it shall, within ninety (90) days after the mailing thereto by the Insurance Commissioner of a registered notice of said holding and the amount of said credit, pay said amount to the Insurance Commissioner, and if it fails to do so it shall be the duty of the Attorney General to institute proceedings in the name of the State of Oklahoma on the relation of the Insurance Commissioner in a court of competent jurisdiction to collect said amount.

SECTION 3. The provisions of this Act shall not apply to any association organized under the supervision or by authority of any legally incorporated Grange Order of Patrons of Husbandry, or to the Oklahoma State Union of the Farmers' Educational and Co-Operative Union of America, or to any other union thereof when such association or union is formed for the mutual benefit of the members of such association or union exclusively, and which association and order is exempted from specified insurance laws of Oklahoma by 36 O. S. 1941 § 411.

Provided, that if the provisions of this section, or any part thereof, shall be held by a court of final jurisdiction to be unconstitutional and void for any reason, or to make the annual premium tax levied by Section 1 of this Act unlawfully discriminatory or otherwise invalid under the Fourteenth Amendment or the Commerce Clause of the Constitution of the United States or under any State or other Federal constitutional provision, it is hereby expressly declared that such fact shall in no way affect the validity of said Section 1 or of any of the other provisions of this Act or the annual premium tax levied thereby, and that said Section 1 and other provisions would have been enacted even though the Legislature had known this section would be held invalid, as aforesaid, or to have the effect above set forth. Provided further, that if any association or union, such as is referred to in this section, in the event of such a holding fails to pay the annual premium tax levied by said Section 1, it shall, within ninety (90) days after the mailing thereto by the Insurance Commissioner of a registered notice of said holding, make a report to the Insurance Commissioner of the premiums received thereby, such as is referred to in Section 1 of this Act, and at the same time pay the taxes levied by said section to said Commissioner, and if it fails to do so it shall be the duty of the Attorney General to institute proceedings in the name of the State of Oklahoma on the relation of the Insurance Commissioner in a court of competent jurisdiction to collect said amount.

SECTION 4. 36 O. S. 1941 § 57 is hereby amended to read as follows:

§ 57. The Insurance Commissioner shall report and disburse all of the fees and taxes collected under Section 1 hereof, and the same are hereby appropriated as follows, to-wit:

(a) One-half or fifty (50%) per cent of the four (4%) per cent taxes collected on premiums by fire insurance companies in this State shall be allocated and disbursed for the fireman's relief and pension fund, as provided for in 11 O. S. 1941 § § 372, 373, 374 and 376; provided that if such allocation and disbursement is for any reason invalid, said taxes shall be paid to the State Treasurer to the credit of the General Revenue Fund of the State.

(b) All the balance and remainder of the taxes and

fees provided for in Section 1 hereof shall be paid to the State Treasurer to the credit of the General Fund of the State.

The Insurance Commissioner shall keep an accurate record of all such funds and make an itemized statement and furnish same to the State Auditor, as do all other departments of this State. The report shall be accompanied by an affidavit of the Insurance Commissioner or the chief clerk of his office certifying to the correctness thereof.

SECTION 5. If any section, paragraph, sentence, or phrase of this Act shall be declared unconstitutional or void for any reason by any court of final jurisdiction, such fact shall not in any way affect the remaining sections, paragraphs, sentences, or phrases of this Act, but the same shall continue in full force and effect.

SECTION 6. All Acts or parts of Acts in conflict herewith are hereby repealed.

SECTION 7. It being immediately necessary for the preservation of the public peace, health, and safety, an emergency is hereby declared to exist, by reason whereof this Act shall take effect and be in full force and effect from and after its passage and approval.

Senator Norton moved to amend the Nance motion, by providing an Attendance Record, in which each employee's daily attendance may be recorded, which motion prevailed.

The vote occurring on the Nance motion, as amended, it was declared adopted.

Senator Logan submitted and asked unanimous consent, which was granted, that the following be read and incorporated in the Journal:

MR. PRESIDENT:

I desire to report that a former honorable member of this Senate has distinguished himself as a soldier in this war, and to give a brief summary of his outstanding military exploits.

Former Senator Merton E. Munson of Lawton whom I succeeded in the Senate is a Lieutenant Colonel in command of the 344th Field Artillery Battalion, 90th Infantry Division, Third Army. As such he has been wounded, has been awarded the Silver Star, an Oak Leaf Cluster to the Silver Star, the Purple Heart, an Oak Leaf Cluster to the Purple Heart and the Croix de Guerre. He made the invasion of the continent in June, was at Montebourg, Cherbourg, St. Lo, Puit de Hayes, Falaise Gap and his battalion effected the crossing of the flooded Mozelle River, and was the first battalion in the division to enter Germany.

Major General Ray McLain of Oklahoma City presented Colonel Munson with his first Silver Star with the statement, "From one Okie to another". The citation states, "On July 3, 1944, near ----- France, when his battalion was supporting infantry in the vicinity of -----, wire communications to an important observation post for his battalion were cut. The route between the OP and the fire direction center was under heavy enemy artillery and mortar fire at the time. . . . He quickly organized a small wire crew and went forward with them under the enemy fire to hasten to the breach in the line. He proceeded on to the OP, also under fire, in order to discuss with the forward observer the best means of getting it neutralized. While doing so he was severely wounded and had to be evacuated. Against medical advice he left the hospital and voluntarily went back to his organization for duty." On August 2, the citation continued, the Colonel's battalion was supporting the infantry, having the mission of capturing a town and the bridges over a river, before the bridges could be blown. Going forward to an OP with the leading infantry elements, he remained at the post despite

enemy artillery fire. When the assault was launched and he was asked for artillery support, he delivered the fire that silenced the enemy and drove them from the town.

The Oak Leaf Cluster to the Silver Star has been awarded to him for action when he had two 155 mm. self-propelled guns attached to his battalion and placed one of them on a bank of a river and delivered direct fire across the river and knocked out some German pill boxes which were giving the infantry real trouble. Colonel Munson said in a recent letter, "We were firing at a very short range, just across the river and of course the enemy started to throw everything back at us. That's where I got hit."

The Croix de Guerre was awarded to the Colonel for operations in the Metz area.

Colonel Munson suffered his most serious wound on December 7, 1944, in Germany. He was hospitalized in France and later was removed to a hospital in England where he is now recovering from shrapnel wounds in his left side.

The following is a quotation from a recent newspaper dispatch which was quoting Major General McLain: "He also told of his pleasure of coming across the name of an Oklahoman up for an award." The Sooner was Lt. Col. Merton Munson, former state senator from Lawton, now a battalion commander with the 90th. McLain wrote that Munson has an excellent reputation as a commander, that he had gotten out of bed against doctors' orders to go back into action with his outfit. "These Oklahomans are killers," McLain wrote.

After consideration and by authority of Section 11, Article 6 of the Constitution, I have disapproved and am returning

ENROLLED HOUSE BILL NO. 199—By Tankersley, Levergood and Ownby,

An Act providing for payment of travel and subsistence expenses of district judges in all district court judicial districts of the State composed of two or more counties and having a total population of not less than eighty thousand (80,000) people and not more than eighty-five thousand (85,000) people, according to the last Federal census, and having a total assessed valuation of not less than thirty-five million (\$35,000,000.00) dollars and not more than thirty-six million (\$36,000,000.00) dollars, according to the last official county assessment for taxation purposes, and in which judicial districts there is a resident district judge in each of the counties thereof, from the court funds of the counties into which such justices are required to travel or in which regular judicial duties are performed; repealing all Acts in conflict herewith; and declaring an emergency.

I disapprove of this Bill because it makes an arbitrary and unconstitutional provision for the payment of District

Judges in one District and makes no provision for the District Judges of the State as a whole.

In my opinion, this law violates Section 46 of Article 5 of the Oklahoma Constitution whereby local and special laws on certain subjects are prohibited.

I further disapprove this Bill because it violates Section 59 of Article 5 of the Constitution of Oklahoma, said Section providing that laws of a general nature shall have a uniform operation throughout the State and where a general law can be made applicable, no special law shall be enacted.

The Attorney General has repeatedly held that legislation of this nature is unconstitutional and acting by and through the opinions rendered by the Attorney General on this subject, I respectfully disapprove House Bill 199.

ROB'T S. KERR,
The Governor of
The State of Oklahoma.

MR. PRESIDENT:

I am directed by the House of Representatives to transmit herewith for your consideration:

ENROLLED HOUSE BILL NO. 32, by Klinglesmith,

An Act relating to the State Highway Commission, road projects and county roads, authorizing said commission to purchase from the federal government or any agency thereof equipment and machinery suitable for building and maintaining roads and highways in Oklahoma, authorizing such purchases for the state highway departments own use, and also for sale or lease to the counties of the state, prescribing procedure for such sales and leases; and declaring an emergency,

together with copy of Governor's Message of disapproval of same, and to further advise you that the House, by its action, has sustained the Governor's Veto, as provided for in the Constitution of the State of Oklahoma.

Respectfully,
H. R. CHRISTOPHER, Chief Clerk.

To the Speaker and Members
Of the Honorable House of Representatives
Twentieth Oklahoma Legislature

Gentlemen:

After consideration, and by authority of Section 11, Article 6 of the Constitution, I have disapproved and am returning

ENROLLED HOUSE BILL NO. 32—By Klingsmith,

An Act relating to the State Highway Commission, road projects and county roads, authorizing said commission to purchase from the Federal government or any agency thereof equipment and machinery suitable for building and maintaining roads and highways in Oklahoma, authorizing such purchases for the state highway departments own use, and also for sale or lease to the counties of the State, prescribing procedure for such sales and leases; and declaring an emergency.

I disapprove of this Bill because it adds additional and disproportionate expense and responsibilities to the Oklahoma State Highway Department without providing the revenue with which to meet the expense or discharge the responsibilities.

ROB'T S. KERR,
The Governor of
The State of Oklahoma.

The following Message from the Governor was received and read:

To the President and Members
of the Honorable Senate, and
To the Speaker and Members of
the Honorable House of Representatives
Twentieth Oklahoma Legislature

Gentlemen:

The right to the enjoyment of health is one of the most cherished privileges and rights of human beings. The health of the people is unquestionably an economic asset and a social blessing. The State has a very definite responsibility to promote the general health and provide

certain constructive facilities for the improvement of the health of its citizens.

The quality of medicine in Oklahoma, at its best, is very high. Unfortunately, medicine at its best reaches only a relatively small part of the population, a much smaller proportion than would be reached were our doctors and hospitals more evenly distributed. To illustrate, in Oklahoma and Tulsa Counties there is one doctor for every 850 persons whereas in twenty counties in the State, having no town with a population of 2500 or over, there is only one doctor for every 2850 persons. In Oklahoma and Tulsa Counties there is one hospital bed for every 187 persons, whereas in the twenty counties there is only one hospital bed for every 2300 persons.

Several factors contribute to this unequal distribution of doctors, but in all likelihood, the factor that is most responsible for this situation is the lack of hospitals and diagnostic facilities in the rural areas of the State. I am aware of the essential need of the family physician and his availability for service in all areas of the State. The modern physician should have available to him facilities, service and consultations which are necessary in order for him to practice good medicine. In order that we may appropriately encourage doctors to settle in and practice in rural areas, it is necessary that adequate provisions be made for the availability of those facilities and service on a state-wide basis. Doing this will contribute in a large measure to relieving the scarcity of doctors and health facilities in the rural areas.

Further, I wish to call your attention to the fact that fewer than one-half of the counties in Oklahoma have full-time health service programs. Complete geographic coverage by full-time local health departments is needed to bring about the reduction of venereal infections, tuberculosis, malaria and other preventable diseases.

In order that we may study this matter together—the unequal distribution of doctors and hospitals, and the lack of a state-wide health service program—we have prepared maps showing existing facilities, available doctors and existing health centers. This map is being provided for your study, and I believe that it will indicate clearly the seriousness of this problem in Oklahoma.

In connection with this study and a program looking toward the solution of the helath problem in Oklahoma, I wish to call your attention to United States Senate Bill No. 191 which is now pending in the Congress. This is a bill "to authorize grants to the States for surveying their hospitals and public health centers and for planning construction of additional facilities and to authorize grants to assist in such construction." If enacted, this bill will assist us in providing the facilities that have heretofore been mentioned, and will help to provide the State with an improved health and medical care program.

In order that Oklahoma may qualify and participate in Federal funds, as specified in the first part of this bill, namely, "to authorize grants to States for surveying their hospital and health centers," it will be necessary to do the following:

1. Designate a single State agency as the sole agency for carrying out such purpose.

2. Provide for the designation of a State Agency Council which shall include representatives of non-government organizations and groups of state agencies concerned with the operation, construction or utilization of hospitals, to consult with the State Agency in carrying out such purposes.

3. Provide for carrying out such purposes in accordance with standards prescribed by the Surgeon General with the approval of the Federal Agency Council; and,

4. Provide that the State Agency will make such reports in such form and containing such information as the Surgeon General may, from time to time, require, and comply with such provisions as he may, from time to time, find necessary to assure the correctness and verification of such reports.

There is now pending in the Oklahoma Legislature proposed legislation creating a State Board of Health. I hope it will become a law soon. In many states the Health Department or Board of Health has been given the responsibility as outlined in the requirements set forth

above. I believe this to be a sound policy, and suggest legislation be enacted placing this responsibility in the State Health Department or State Board of Health.

In order to expedite the development of a better Public Health Program in Oklahoma, and to enable Oklahoma to share to the fullest extent in the second provision of Senate Bill 191, which is for the purpose of authorizing grants for construction of health facilities, I suggest in addition to the above, your consideration of the following:

1. Increase substantially the capacity of the University Hospital in Oklahoma City.
2. Increase substantially the facilities for training doctors and nurses and health technicians at the medical department of the University of Oklahoma.
3. Provide facilities for training negro nurses in Oklahoma.
4. Authorize additional hospital facilities in the form of district hospitals. A proportionate amount of any facilities provided should be for Negro patients.

In this connection, I suggest legislation designating the State Board of Health or State Health Department as the administrative agent, providing them with funds and authority to match local funds in one or more cities in Oklahoma and to receive federal funds, if any when available, to match both local and state funds to finance the construction of one or more hospitals, as provided in Section 622 of Senate Bill No. 191.

It should be further provided that faculty and students of the Medical Department of the University of Oklahoma should have free access to these institutions for teaching purposes. There should also be a back and forth referral of patients for diagnostic and teaching purposes.

5. Legislation permitting two or more counties to jointly construct, operate and maintain hospitals and health centers.

I am convinced if these suggestions are enacted into law, we will have gone a long way toward creating the

machinery that will promote better health in Oklahoma.

Respectfully submitted,

ROB'T S. KERR,
The Governor of
The State of Oklahoma.

GENERAL ORDER

Senator Rinehart asked unanimous consent, which was ordered granted, that SENATE BILL NO. 91, by Rinehart, et al, be re-referred to the Committee on Banks and Banking without losing its place on the Calendar.

SENATE BILL NO. 85, by Ritzhaupt, was taken up for consideration.

Senator Nevins submitted the following amendment, which was adopted:

Mr. President: I move to amend Senate Bill No. 85, by inserting in lieu of the bill and title thereof the following:

AN ACT ESTABLISHING A COMPULSORY SCHOOL ATTENDANCE LAW; REQUIRING ATTENDANCE AT SCHOOL OF CERTAIN CHILDREN; SPECIFYING EXEMPTIONS; PROVIDING FOR THE APPOINTMENT OF COUNTY VISITING TEACHERS, ASSISTANTS AND DISTRICT VISITING TEACHERS; PROVIDING FOR SALARIES AND TRAVELING EXPENSES, AND PAYMENT THEREOF; PRESCRIBING QUALIFICATIONS OF VISITING TEACHERS; MAKING VISITING TEACHERS ELIGIBLE FOR TEACHERS' RETIREMENT BENEFITS; PRESCRIBING PENALTIES FOR VIOLATION OF ACT; DECLARING A CHILD VIOLATING THE PROVISIONS OF THIS ACT TO BE A DELINQUENT CHILD; AUTHORIZING THE COUNTY COURT TO DISPOSE OF A DELINQUENT CHILD BY COMMITMENT OR PLACEMENT; PROVIDING FOR APPEALS FROM DECISIONS OF THE COUNTY COURT; MAKING THE PROVISIONS OF THIS ACT SEVERABLE; REPEALING 70 O. S. 1941 § § 401, 402 AND 405 AND ALL LAWS AND PARTS OF LAWS IN CONFLICT HEREWITH; AND DECLARING AN EMERGENCY.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. Every parent, guardian, or other person residing within the State of Oklahoma, having control or charge of any child or children between the ages of seven (7) and seventeen (17) years, both inclusive (i.e., from the seventh to the eighteenth birthday), shall send such child or children to a public or private day school under such penalty for noncompliance herewith as is hereafter provided; provided, further, that any parent, guardian or other person having control of any child or children between the ages of seven (7) and seventeen (17), both inclusive, residing in a school district not providing the

course of study the child or children are entitled to pursue is hereby charged with the duty of making application as now or hereafter provided by law, for transfer of such child or children to a district providing the course of study said child or children are entitled to pursue. The intention of this provision is to provide compulsory education to all children in the State of Oklahoma not exempted as classified in Section 3 hereunder, regardless of whether or not they live in a district providing the course of study said children are entitled to pursue.

SECTION 2. The minimum session of attendance required under this Act shall be one hundred and eighty (180) days, or for the full session of the public school which the child would normally attend.

SECTION 3. The following classes of children between the ages of seven (7) and seventeen (17), both inclusive, shall be exempted from the provisions of this Act, the District School Board to be sole judge in all such cases: (a) Children mentally or physically incapacitated to perform school duties, the determination of such incapacity to be made upon the certificate of the County Health Officer. (b) Children living outside of boundaries of a city, town, or municipality, more than two and one-half ($2\frac{1}{2}$) miles from a school of suitable grade where adequate free transportation is not furnished, and children living more than one and one-half ($1\frac{1}{2}$) miles from a transportation route providing free transportation to a school of suitable grade. (c) Children temporarily excused from attendance in school under rules and regulations promulgated by the State Board of Education.

SECTION 4. To facilitate the enforcement of this Act, each county superintendent of public instruction in the several counties of this state shall appoint a County Visiting Teacher, male or female, which said County Visiting Teacher in the discharge of his or her duties, shall be under the direction and supervision of the State Board of Education and the County Superintendent of Public Instruction in the county wherein the said County Visiting Teacher serves; provided, that in any county in this state having a population of not less than 75,000 persons, as shown by the last federal decennial census, or any succeeding federal decennial census, the County Superintendent shall appoint one Assistant County Visit-

ing Teacher, which said Assistant County Visiting Teacher shall possess like qualification as set forth for said County Visiting Teacher and shall hold office for a like term and shall be subject to removal in the same manner as provided herein for the removal of the County Visiting Teacher; provided, further, that any Independent School District Board in this state shall, when the necessity arises, have the authority to appoint one or more District Visiting Teachers, with like qualifications as set forth for the County Visiting Teacher, to enforce this act in said Independent School District, who shall be paid from the funds of said Independent School District, said District Visiting Teacher to be under the direction and supervision of the State Board of Education and the Superintendent of Schools of said Independent School District and shall be subject to removal by the appointing power in the same manner as provided herein for the removal of the County Visiting Teacher. Nothing in this Act, however, shall be construed as prohibiting the County Visiting Teacher from enforcing the Compulsory Attendance Law of this state in Independent School Districts which do not employ District Visiting Teachers. It shall be the duty of each school district board within the state to administer this act, and to secure its enforcement in cooperation with the other county and state agencies mentioned herein.

SECTION 5. The County Visiting Teacher, as provided for in this act, shall be subject to removal for cause, by the appointing power, and in the event a County Visiting Teacher is removed another shall be appointed as herein set forth. Proof of either of the following shall constitute cause for removal: Negligence of duty, disloyalty, incompetence, immorality, or the oppressive use of the powers of the Office of County Visiting Teacher. In the event the Office of County Visiting Teachers, the Office of the Assistant County Visiting Teacher, or the Office of School District Visiting Teacher becomes vacant by death, resignation, or otherwise, the appointing power, upon determination of such fact, shall thereupon proceed immediately to fill such vacancy by appointing a suitable qualified person to serve for the unexpired term of the person vacating such office.

SECTION 6. The County Visiting Teacher, male or female, as provided for in this act, shall, at the time of

appointment, hold a valid certificate to teach in the schools of Oklahoma, which certificate shall continue in force, by removal or otherwise, during the term for which said County Visiting Teacher is appointed, and shall be filed in the Office of the County Superintendent of Public Instruction at the time said County Visiting Teacher enters upon the duties of the Office of County Visiting Teacher. Said County Visiting Teacher shall hold office co-terminous with that of the County Superintendent in whose county said County Visiting Teacher serves. Upon appointing the County Visiting Teacher, the County Superintendent shall immediately certify the name of such person, and qualifications, to the County Clerk.

SECTION 7. The salaries of such County Visiting Teachers, and Assistant County Visiting Teachers are hereby fixed at a sum equal to that prescribed by the State Aid Law now or hereafter in force for teachers with like qualifications and experience, exclusive of the increment paid superintendents and principals for administrative duties. It is hereby made the duty of the Legislature to include in its biennial state school aid appropriation sufficient funds to pay the salaries of the County Visiting Teachers and Assistant County Visiting Teachers (except those employed in Independent School Districts, designated as School District Visiting Teachers) employed in the several counties of the state, said funds to be apportioned upon application made by the county superintendents of the several counties of the state, governed by rules and regulations of the State Board of Education not inconsistent with the law, said funds to be added to the County General Fund to be disbursed in a like manner with the disbursement of other county general funds.

It is further provided that the Board of County Commissioners of each county of this state shall set up in the annual budget estimate of their respective counties, a minimum of Three Hundred Dollars (\$300.00) for travel expense plus the amount necessary for office equipment and supplies, together with other expenses of administering said office, for the County Visiting Teacher and Assistant County Visiting Teacher, in the discharge of their duties. It is likewise provided that the Excise Board of each county of this state shall make the necessary levy and appropriations to provide a minimum amount of Three Hundred Dollars (\$300.00) for travel expense plus

the amount necessary for office equipment and supplies, together with other expenses of administering said office, for the County Visiting Teacher and Assistant County Visiting Teacher in the discharge of their duties.

It is hereby made the duty of the Board of County Commissioners of each county of this state to provide suitable office space for the use of the said County Visiting Teacher and Assistant County Visiting Teacher in the county courthouse or other convenient building located at the county seat of said county.

SECTION 8. In the discharge of the duties of their office, Visiting Teachers, or duly authorized representatives, shall cooperate fully with the State Department of Public Welfare, Labor, Health, and other State agencies; to make monthly and annual reports on attendance and other problems of child-school adjustments in their respective counties to the County Superintendent of Public Instruction and the State Board of Education; and to comply with the rules and regulations of the district school boards and the State Board of Education. Visiting Teachers shall be authorized to serve such writs and process in law relating to compulsory school attendance as may be necessary for the enforcement of this Act.

SECTION 9. County Visiting Teachers, Assistant County Visiting Teachers, and School District Visiting Teachers employed under the provisions of this Act, shall have the same status with respect to teacher retirement, as set up under House Bill 297, Oklahoma Session Laws 1943, or any amendment thereto, as other persons eligible to participate in the benefits of such act.

SECTION 10. Visiting Teachers shall receive the cooperation and assistance of all teachers and principals in the county within which they are appointed to serve. It shall be the duty of the principals, or head teachers, and of all other teachers in the schools of the county, public, private denominational or parochial, to report, in writing, to the Visiting Teacher the names, ages, and residence of all pupils, together with the name and address of their parents, guardian, or other person having control of said children, failing to comply with the provisions of this Act within ten (10) days after the beginning of the school term, and to make such other reports of attendance in their

schools or classes, as may be required by rule or regulation of the State Board of Education. All schools shall keep daily reports of attendance, verified by the teacher making such record, which shall be open to inspection by the Visiting Teacher, or duly authorized representative, at all reasonable times. Any person violating any provisions of this Section, or the rules and regulations of the State Board of Education shall be deemed guilty of a misdemeanor, and shall be punished in accordance with the provisions of Section 11 of this Act.

SECTION 11. Any parent, guardian, or other person who has control of a child, or children, and who shall violate the provisions of this Act shall be guilty of a misdemeanor and shall be subject to a fine not to exceed Ten Dollars (\$10.00) or imprisonment not exceeding ten (10) days, or both, at the discretion of the court. Each day's unjustifiable absence shall constitute a separate offense. Visiting Teachers, or duly authorized representatives, shall have authority to file proceedings in court to enforce the provisions of this Act. All moneys collected as fines for violation of this Act shall be remitted to the district school board in which the violation occurred, to be placed in the general school fund of the district.

SECTION 12. Visiting Teachers, or duly authorized representatives, after written notice to the parent or guardian of a child delinquent in school attendance, shall file a petition in the nature of a complaint with the county court, setting forth in detail the fact of absence from school and, if the child is under the age of eighteen (18) years, petitioning the court to find the child in violation of the compulsory attendance laws. If the county court finds a child under the age of eighteen (18) years to be violating such laws, the court shall declare such child to be a delinquent child and said child shall be subject to disposition by commitment or placement by the court as are other delinquent children. Children violating this Act shall be deemed "delinquent." Any child violating the provisions of this Act who, by reason of age, is not subject to disposition as a juvenile, shall be deemed guilty of a misdemeanor and shall be punished in the same manner as is provided under Section 11 of this Act. Either the complaining party or the party proceeded against in the county court may take an appeal from the judgment of the county court on the issue of violation to the district court and appeals may

be taken from the district court to the Supreme Court. No costs shall be chargeable in either the county or district courts against either party and the expenses of such proceedings, if any, shall be paid out of the court fund of the county.

SECTION 13. Should any section, subsection, clause, sentence, phrase, or part of this Act, for any reason, be held, deemed or construed to be unconstitutional or invalid, such decision shall not affect the validity of the remaining portions of this Act, and the Legislature hereby declares that it would have passed this Act, each section, subsection, clause, sentence, phrase and part thereof, irrespective of the fact that one or more of the sections, subsections, clauses, sentences, phrases, or parts thereof, be declared unconstitutional or invalid.

SECTION 14. All laws or parts of law in conflict herewith are hereby repealed, and specifically 70 O. S. 1941 § § 401, 402 and 405.

SECTION 15. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this Act shall take effect and be in full force from and after its passage and approval.

NEVINS.

Upon request of Senator Ritzhaupt, further consideration of Senate Bill No. 85, as amended, was deferred, the bill to be printed as amended for further consideration of the Senate.

SENATE BILL NO. 17, by Ritzhaupt, was taken up for consideration.

Section 1 was read.

Senator Ritzhaupt submitted the following amendment:

Mr. President: I move to amend Senate Bill No. 17, line 4, page 1, by striking after the word, "age," and before the word "sex," line 4 and all of line 5 and insert, "cause of incarceration, and when available the sex, race, address, address and domicile of nearest of kin, of all persons committed."

RITZHAUPT.

By unanimous consent, further consideration of Senate Bill No. 17 was deferred temporarily.

Senator Nance asked unanimous consent, that the Committee on Revenue, Taxation and Constitutional Amendments be excused for the purpose of a meeting.

By unanimous consent, the Senate was declared in recess, subject to the Call of the President.

The Senate reassembled, with President Pro Tempore Paul presiding.

MESSAGE

The following Message from the Governor was received and read:

To the President and Members
Of the Honorable Senate, and

To the Speaker and Members
Of the Honorable House of Representatives
Twentieth Oklahoma Legislature

Gentlemen:

I wish to call to your attention the problem of the preservation and restoration of one of Oklahoma's important basic natural resources.

A great part of our forests have been cut over, and with but few exceptions this cutting has been done on a liquidation or destructive basis rather than on the basis of harvesting the annual growth. A constantly declining production of forest products, chronic tax delinquency, sales of tax forfeited forest lands for as little as ten to twenty-five cents per acre and thousands of acres in county title for which there are no offers are indications of the seriousness of the situation.

Oklahoma cannot afford the luxury of idle land.

As a partial solution to the forest problem the Oklahoma Planning and Resources Board has at my suggestion prepared a bill which creates a system of State Forests by acquiring by donation or purchase these depleted lands. The Bill provides for the management and operation of these areas to produce maximum crops of timber as well as other benefits. It also provides for the maintenance of

the present tax base on these lands in the county and allows the county to share in the proceeds from the operation of the forest.

Such forests will, after they have been rehabilitated, pay back the costs of purchase and operation. They will constitute a permanent source of materials for local industry and will also provide a reservoir of worthwhile, self liquidating projects in emergency if needed.

I am having placed on the desk of each member a copy of the report of the Oklahoma Planning and Resources Board covering this subject. The proposed bill is attached to the report.

I recommend that your honorable body consider appropriate legislation looking to the rehabilitation and protection of the forest resource so that it may make its full contribution to the social and economic welfare of our State.

Respectfully submitted,
ROB'T S. KERR,
The Governor of
The State of Oklahoma.

CONFERENCE COMMITTEE REPORT

The following Conference Committee Report on Engrossed House Bill No. 249 was read and adopted, upon motion of Senator Nance:

**TO THE PRESIDENT OF THE SENATE, AND
THE SPEAKER OF THE HOUSE OF
REPRESENTATIVES:**

We, your Conference Committee, to whom was referred House Bill 249 and Senate Amendments thereto and the Conference Committee Amendments heretofore considered, beg leave to report that we have had the same under consideration and herewith return the same with the following recommendations:

(1) That the Title of said Act be amended by inserting the words "And Declaring an Emergency."

(2) That wherever the statute identification 37 O. S. 1941 is contained in the bill that the same be amended to read "Title 37 O. S. 1941."

(3) That wherever the words and figures Ten Dollars (\$10.00) a barrel appear in the bill the same shall be stricken and the words and figures Seven Dollars (\$7.00) a barrel be inserted in lieu thereof.

(4) This Act shall be immediately effective, and shall remain in effect during the fiscal biennium ending June 30, 1947, and shall continue in effect until the close of the biennial period in which hostilities are concluded between the United States of America and the Imperial German Government and/or the Imperial Japanese Government. . . . The above provision shall be included in a new section to be numbered Section No. 5.

(5) That the emergency clause be added.

(6) The Committee most respectfully responds to the instruction directed to the Conference Committee by the House of Representatives on the following points: (a) That the Conference Committee does not feel that it would be wise to recommend any change in the distribution of the revenue authorized hereunder for the reason that the bill under which the revenue would be distributed has not yet been enacted by either House and no known formula has been authorized under which the Committee might propose a new principle of distribution. (b) Under the joint rules of the two Houses governing the proceedings of Conference Committees, neither House is permitted to instruct Conferees upon any point or provision of the measure wherein no disagreement exists between the two houses. (c) The Conferees therefore respectfully request the House to recede from the instruction imposed upon said House Conferees as to the distribution of the revenue authorized under the provisions of this Act.

(7) We recommend that the bill do pass as amended by the Conference Committee.

Respectfully submitted,

BILLINGSLEY
SHERMAN
WALLACE (Carter)
House Conferees

NANCE
JONES
PRUETT
Senate Conferees.

Senator Nance asked unanimous consent, which was granted, that further consideration of Engrossed House Bill No. 249, as amended in the second conference, be deferred temporarily.

COMMITTEE REPORTS

Senator Dacus submitted the following Committee Report:

MESSAGE

The following Message from the Governor was received and read:

To the President and Members
Of the Honorable Senate, and
To the Speaker and Members of the
Honorable House of Representatives
Twentieth Oklahoma Legislature

GENTLEMEN:

Since giving my message to you in Joint Session, January 2, 1945, a condition existing in the School Land Department has been called to my attention, which I believe of such importance to the State as to make it my duty to submit the matter to you for your consideration.

The State of Oklahoma owns 299,287 acres of land in Cimarron County—more than 25% of all the land within this taxing subdivision of the State. As you know, State-owned lands are exempt from taxation. While it is true that much of the State-owned land is of a comparatively low value, yet the total value of exempt lands in the county is great enough to put an unfair burden on the owners of small farms and ranches.

A greater part of this land was granted to Oklahoma by the United States, and more than two hundred thousand acres is practically one solid body, comprising approximately ten townships in the northwest corner of the County. Most of this area is grass land, under five-year grazing leases which are held by a very small number of men engaged in the cattle business.

These leases expire December 31, 1946. The rental paid to the State under these lease contracts is eight cents per acre, the exact amount paid by the Government to those in possession for Soil Conservation practices. It is true this land is situated in the "dust-bowl" area, and was not profitable, for a time, for any purpose, but conditions are much different now and have been favorable for cattle raising for many years, and the outlook for the cattle men is very promising.

This land has not been officially appraised. Yet I am informed by reliable sources that it is worth from seven to twelve dollars per acre. Land rental under the supervision of the Commissioners of Land Office is based on the appraised value of the land. Five per cent of the appraised value is the minimum rental accepted by the Department. Accordingly, land valued at seven dollars per acre should rent for a minimum of thirty-five cents per acre. Privately owned grass lands in Cimarron County are being leased at this time for a rental of twenty cents to one dollar per acre. Much of the State-owned land is now under sublease for a much greater rental than is being paid the State by the lessees.

Gas has been discovered near the east end of Cimarron County in paying quantities. As yet there is no demand for oil and gas leases from the State; nevertheless there is a possibility that some of the State-owned lands have potential oil and gas value and should be held for that purpose. However, in the light of present conditions, I believe

the best interest of the School fund will be served at this time by a sale of all lands in the County not likely to produce oil or gas. Also, I would recommend that one-half of the minerals in and under all lands sold be reserved to the State as now provided by law.

The grazing leases now in existence provide that the lands covered thereby may be OFFERED FOR SALE at any time during the life of the lease. Due to prosperous times and the promising future for the cattle industry in this country, and in view of the small revenue which the State has received since Statehood, and is now receiving, from these lands, I believe these lands should be offered for sale.

There is some question whether the Commissioners of the Land Office have authority under the present law to offer grazing lands for sale. I recommend that you consider enacting a law authorizing and directing the Commissioners of the Land Office to offer for sale all grazing land not likely to produce oil or gas, reserving one-half of the mineral rights to the State. Inasmuch as this land is suitable only for ranch purposes, I believe the land should be offered in as large tracts as the Enabling Act and Constitution will permit.

Respectfully submitted,
ROB'T S. KERR,
The Governor of
The State of Oklahoma.

A RESOLUTION PROVIDING FOR A DECLARATION OF THE FEDERATION OF THE WORLD.

WHEREAS, it is necessary at the present juncture of human affairs to enlarge the bases of organized society by establishing a government for the community of nations, in order to preserve civilization and enable mankind to live in peace and be free, the following principles and objectives are hereby enunciated in

THE DECLARATION OF THE FEDERATION
OF THE WORLD

Man, the source of all political authority, is a manifold political being. He is a citizen of several communities: The city, the state, the nation and the world. To each of these communities he owes inalienable obligations and from each he receives enduring benefits.

Communities may exist for a time without being incorporated but, under the stress of adversity, they disintegrate unless legally organized. Slowly but purposefully through the centuries, civilization has united the world, integrating its diverse local interests and creating an international community that now embraces every region and every person on the globe. This community has no government, and communities without governments perish. Either this community must succumb to anarchy or submit to the restraints of law and order.

Governments can only be established through the deliberate efforts of men. At this hour two elemental forces are struggling to organize the international community: totalitarianism and democracy. The former, a recent version of repudiated militarism and tyranny, is predicated upon the principle of compulsion, rules through dictatorship and enslaves men; the latter, a proved bulwark of the rights of man as a human being and as a citizen, derives its authority from the consent of the governed, embodies the will of free men and renders their collective judgments supreme in human affairs. The corner stone of totalitarianism is the ethnographic state, whose restricted interests define the scope of its favors; the foundation of democracy is man whose integrity is inviolable and whose welfare is its primary concern. The motivating power of the former is violence, of the latter, freedom. One feeds upon unscrup-

ulous ambition; the other upon an enlightened sense of obligation.

One or the other of these forces will now triumph and govern mankind. The present conflict is irrepressible and decisive. It is the challenge of the ages to the generation of today, and represents those spiritually cosmic forces which visit the world at critical periods in human history to shape the destinies of men. This world can not remain half-slave, half-free; half-totalitarian, half-democratic. The laws of civilized society prevent intercourse between slaves and free men from being either congenial or profitable. If totalitarianism wins this conflict, the world will be ruled by tyrants, and individuals will be slaves. If democracy wins, the nations of the earth will be united in a commonwealth of free peoples, and individuals, wherever found, will be the sovereign units of the new world order.

Man has struggled from time immemorial to endow the individual with certain fundamental rights whose very existence is now imperiled. Among those rights is man's freedom to worship, speak, write, assemble and vote without arbitrary interference. To safeguard these liberties as a heritage for the human race, governments were instituted among men, with constitutional guarantees against the despotic exercise of political authority, such as are provided by elected parliaments, trial by jury, habeas corpus and due process of law. Man must now either consolidate his historic rights or lose them for generations to come.

The ceaseless changes wrought in human society by science, industry and economics, as well as by the spiritual, social and intellectual forces which impregnate all cultures, make political and geographical isolation of nations hereafter impossible. The organic life of the human race is at last indissolubly unified and can never be severed, but it must be politically ordained and made subject to law. Only a government capable of discharging all the functions of sovereignty in the executive, legislative and judicial spheres can accomplish such a task. Civilization now requires laws, in the place of treaties, as instruments to regulate commerce between peoples. The intricate conditions of modern life have rendered treaties ineffectual and obsolete, and made laws essential and inevitable. The age of treaties is dead; the age of laws is here.

Governments, limited in their jurisdiction to local geographical areas, can no longer satisfy the needs or fulfill the obligations of the human race. Just as feudalism served its purpose in human history and was superseded by nationalism, so has nationalism reached its apogee in this generation and yielded its hegemony in the body politic to internationalism. The first duty of government is to protect life and property, and when governments cease to perform this function, they capitulate on the fundamental principle of their *raison d'être*. Nationalism, moreover, is no longer able to preserve the political independence or the territorial integrity of nations, as recent history so tragically confirms. Sovereignty is an ideological concept without geographical barriers. It is better for the world to be ruled by an international sovereignty of reason, social justice and peace than by diverse national sovereignties organically incapable of preventing their own dissolution by conquest. Mankind must pool its resources of defense if civilization is to endure.

History has revealed but one principle by which free peoples, inhabiting extensive territories, can unite under one government without impairing their local autonomy. That principle is federation, whose virtue preserves the whole without destroying its parts and strengthens its parts without jeopardizing the whole. Federation vitalizes all nations by endowing them with security and freedom to develop their respective cultures without menace of foreign domination. It regards as sacrosanct man's personality his rights as an individual and as a citizen and his role as a partner with all other men in the common enterprise of building civilization for the benefit of mankind. It suppresses the crime of war by reducing to the ultimate minimum the possibility of its occurrence. It renders unnecessary the further paralyzing expenditure of wealth for belligerent activity, and cancels through the ages the mortgages of war against the fortunes and services of men. It releases the full energies, intelligence and assets of society for creative, ameliorative and redemptive work on behalf of humanity. It recognizes man's morning vision of his destiny as an authentic potentiality. It apprehends the entire human race as one family, human beings everywhere as brothers and all nations as component parts of an indivisible community.

There is no alternative to the federation of all nations

except endless war. No substitute for The Federation of the World can organize the international community on the basis of freedom and permanent peace. Even if continental, regional or ideological federations were attempted, the governments of these federations, in an effort to make impregnable their separate defenses, would be obliged to maintain stupendously competitive armies and navies, thereby condemning humanity indefinitely to exhaustive taxation, compulsory military service and ultimate carnage, which history reveals to be not only criminally futile but positively avoidable through judicious foresight in federating all nations. No nation should be excluded from membership in The Federation of the World that is willing to suppress its military, naval and air forces, retaining only a constabulary sufficient to police its territory and to maintain order within its jurisdiction, provided that the eligible voters of that nation are permitted the free expression of their opinions at the polls.

It Being Our Profound and Irrevocable Conviction:

That man should be forever free and that his historic rights as an individual and as a citizen should be protected by all the safeguards sanctioned by political wisdom and experience.

That governments are essential to the existence of communities and that the absence of government is anarchy.

That there exists an international community, encompassing the entire world, which has no government and which is destined, as a consequence of the present war, either to be ruthlessly dominated and exploited by totalitarianism or to be federated by democracy upon the principle of freedom for all nations and individuals.

That all human beings are citizens of this world community, which requires laws and not treaties for its government.

That the present conflict will determine the survival of free institutions throughout the world, and that it is morally incumbent upon this generation, as one of the declared objectives of the current war, to federate the nations, in order to make secure, and hereafter unchallenged, freedom for all peoples everywhere, and in order

to impart to those who are called to give their lives and fortunes for the triumph of democracy the positive assurance of the incorruptible utility of their sacrifice.

That World Federation is the keystone in the arch of civilization, humanity's charter of liberty for all peoples and the signet authenticating at last the union of the nations in freedom and peace.

That the universal ordeal, through which mankind is now passing, marks the birth of a new epoch that will affirm for all time the indestructible solidarity of civilization and the abiding unity of the human race.

That there are supreme moments in history when nations are summoned, as trustees of civilization, to defend the heritage of the ages and to create institutions essential for human progress. In the Providence of God, such a crisis is this hour, compelling in duty and unprecedented in responsibility—a fateful moment when men meet destiny for the fulfillment of historic tasks.

Now, therefore, Be It Resolved by the Senate of the State of Oklahoma:

SECTION 1. That the Senate of the State of Oklahoma does hereby solemnly declare that all peoples of the earth should now be united in a commonwealth of nations to be known as The Federation of the World, and to that end it hereby endorses The Declaration of the Federation of the World as is specifically set forth in the preamble hereof, and makes said Declaration a part of this Resolution in the same manner as if same were recited herein, and requests the Senators and Members of the House of Representatives in Congress from the State of Oklahoma to support and vote for a Resolution in the Congress of the United States, approving the principle of World Federation and requesting the President of the United States to initiate the procedure necessary to formulate a Constitution for The Federation of the World, which shall be submitted to each nation for its ratification.

SECTION 2. That there be selected a territory for the seat of government for The Federation of the World, and that the nation in which the said territory is located be requested to withdraw its jurisdiction over this area and code it to The Federation of the World for its Capital,

with all the prerogatives and attributes of sovereignty, in order that there might be built in this area a City symbolic of world unity, adequate for the needs of the nations and worthy of the aspirations and destiny of mankind.

SECTION 3. That a copy of this Resolution be sent to each of the Senators and Members of the House of Representatives in Congress from the State of Oklahoma.

SECTION 4. That this Resolution shall be in full force and effect from and after its ratification.

Senate Resolution No. 7 was ordered referred for engrossment.

Senator Logan asked unanimous consent, which was granted, to introduce the following Resolution which, by unanimous consent, was read at length and is herewith incorporated upon request of Senator Paul:

SENATE CONCURRENT RESOLUTION NO. 14—By LOGAN, BRADEN PAUL, LOWERY, JONES and NICHOLS.

A RESOLUTION REQUESTING THE GOVERNOR TO ACCEPT AN INVITATION TO ADDRESS THE JEFFERSON DAY CELEBRATIONS IN CALIFORNIA.

BE IT RESOLVED BY THE STATE SENATE, THE HOUSE OF REPRESENTATIVES CONCURRING THEREIN:

It is with great pride that the members of the Oklahoma Legislature witness the rise of Oklahoma's able and esteemed Governor to a place in the national picture. National recognition comes only to those who earn national recognition. When a man in public life displays ability and achieves success in any particular field of service, a demand for his appearances arises steadily in other states of the union. The Governor of Oklahoma has been in constant demand by groups, organizations, and the Democratic party for public addresses from the time he was elected Governor of this state. He has endeavored to fill such engagements without doing injury to the administration of government in Oklahoma. Many of the invitations have been declined. Wherever he appears, however, he represents the people of Oklahoma in a new portrait of Oklahoma life. The impression that he has made in other states has reflected in favorable publicity for the people of Oklahoma. Oklahomans generally are proud of the honor and attention accorded its governor. It is therefore with the remembrance of the success of the Governor in making national appearance that the legislature presents the following resolution:

WHEREAS, the Democrats of San Francisco, California have invited Governor Robert S. Kerr to be the principal speaker at their annual Jefferson Day celebration at the Palace Hotel, San Francisco, Thursday evening, April 19, 1945, and

WHEREAS, the Democrats of Los Angeles, California have issued a similar invitation for their Jefferson Day ceremonial to be held in Los Angeles on the evening of April 23, 1945, and

WHEREAS, the World Peace Conference will be held in San Francisco beginning April 25, 1945, and

WHEREAS, it is not only probable but certain that many of the delegates to that world peace conference will

be present and will be arriving at San Francisco about the time of the Jefferson Day celebration, and

WHEREAS, the world peace conference will be reviewing and elaborating upon the great principles of Democracy as expounded by that great American statesman, Thomas Jefferson, and

WHEREAS, world attention will be focused upon the proposed Democratic celebrations conducted by California Democrats, and

WHEREAS, Governor Robert S. Kerr may be undecided as to said invitation because of the possibility of the twentieth meeting of the Oklahoma Legislature still being in session on the day of the California engagements, and

WHEREAS, the responsibility of the session rests jointly upon legislators and the Governor, and

WHEREAS, the legislature should render some counsel to the Governor in reaching a decision upon the invitations, and

WHEREAS, the opportunity for such broad and favorable publicity to the State with the appearance of the Governor of Oklahoma at such important celebrations may not come again in our generation,

NOW THEREFORE BE IT RESOLVED BY THE STATE SENATE, WITH THE HOUSE OF REPRESENTATIVES CONCURRING THEREIN,

That the Legislature recommend to Governor Kerr that he immediately accept the invitation to deliver the two addresses in California and that we urge and insist that he spare the time from his duties as Chief Executive for this purpose, and

BE IT FURTHER RESOLVED, that legislators feel it will be time well spent for the Governor to represent this great state upon such memorable occasion, and that the legislature will arrange its business and calendar in a manner that will keep the wheels of the legislature turning without any loss of time or progress during the absence of the Chief Executive.

COMMUNICATION

The following Communication to the Secretary was read:

Mr J Wm. Cordell, Sec'y,
Oklahoma State Senate,
Oklahoma City, Okla.

Dear Mr. Cordell:

Please convey to the members of the Senate on behalf of Mrs. Markin and myself our most sincere thanks for the thoughtfulness of the Senate in adopting its resolution of sympathy following the death of our son, 2nd Lt. Dow Markin. The framed copy of that resolution has been received and is truly a work of art, although its real beauty is its reflection of the sympathetic understanding in the

hearts of the members of the Senate which prompted its adoption.

This resolution is one of our most cherished possessions and shall ever serve us as a reminder of the kindness and compassion of the gentlemen of the Oklahoma State Senate.

Most sincerely yours,
(Signed) ELLIS D. MARKIN

Ironton, Ohio
March 24, 1945.

Upon motion of Senator Anglin, the Secretary was directed to send flowers to former Senator W C. Fidler, who is ill at University Hospital.

SENATE CONCURRENT RESOLUTION NO. 18—By Rinehart of the Senate, and Barnhart of the House.

A Resolution paying tribute to Colonel Charles Clark Kegelman of El Reno, Oklahoma.

WHEREAS, the valor and high courage of the American soldier in this second World War is the admiration of the civilized world and the valor and high courage of men from Oklahoma stands in the front rank of the forces of its nation.

WHEREAS, Colonel Charles Clark Kegelman of El Reno exemplified in his life and service to his country the great traditions of a peerless soldier and a true citizen. Leaving the peaceful pursuits of civilian life to enter the Air Forces, he became the leader of first official American Bombing Mission over German-held territory on July 4, 1942, and when shot down saved his plane and his crew by his superb flying ability, his cool courage and will to fight at any odds.

WHEREAS, after completing innumerable missions in England, Tunisia, Sicily and Italy he was transferred to the South Pacific where he fought at Guadalcanal, Rabaul, Balikpapan, Borneo, Moemfoor, Morotai, Mapia, Ceram, the Celebes, the Halmaheras, and finally the Philippines where on March 9, 1945, he made the supreme sacrifice for the land he loved.

WHEREAS, the State of Oklahoma is grateful to its honored sons and humbly pays homage to its honored dead.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE STATE OF OKLAHOMA, THE HOUSE OF REPRESENTATIVES CONCURRING THEREIN:

1. That the State of Oklahoma respectfully acknowledges his services, and pays just and humble tribute and homage to Colonel Charles Clark Kegelman of El Reno, Oklahoma and through him to Oklahoma's many noble sons who on the battle fields of the world have made the supreme sacrifice, that the democratic way of life shall not perish from the earth.

2. Be it further resolved that we extend to the family of Colonel Kegelman our sincere sympathy in their bereavement.

The emergency having received the constitutional two-thirds majority of the votes of all members elected to and constituting the Senate was declared passed.

Senate Bill No. 269, as amended, was ordered referred for engrossment.

SPECIAL ORDER

SENATE BILL NO. 93, by Wheeler, et al, was taken up for consideration.

Section 1 was read.

Senator Ritzhaupt submitted the following amendment, which was adopted:

Mr. President: I move to amend Senate Bill No. 93, page 9, line 13½, by inserting a new paragraph (k):
“(k) It shall be the mandatory duty of every school board and board of education filing or intending to file applications to participate in the distribution of state aid under this Act or has previously received state aid, first, to set aside and to a reserve account out of appropriations made and approved by the County Excise Board from local revenues and from such of them as is deemed most expedient, a sum equivalent to the net proceeds of a one mill levy on the net valuation of the district and to notify the lawful treasurer thereof of the items and amounts so set aside and reserved, which reserve shall be held in suspense pending any adjustments as a need for minimum program income and it shall be unlawful thereafter, regardless of apportionments and appropriations of state aid, to expend or incumber such reserve or to register any warrant against the same until notice is received from the State Board of Education that all adjustments to the minimum program have been made, after which the same may be redistributed to the accounts from which first set

aside and thereafter expended in the manner provided by law."

RITZHAUPT.

Senator Pruett submitted the following amendment, which was adopted:

Mr. President. I move to amend Senate Bill No. 93, line 11, page 7, by striking the word and figures "eleven (11)" and substituting the word and figures "twelve (12)," and on line 15, striking the word and figures "twelve (12)" and substituting the word and figures "thirteen (13)."

PRUETT

Senator Gary submitted the following amendment, which, by unanimous consent, he withdrew

Mr. President I move to amend Senate Bill No. 93, pages 4 and 5, by striking lines 17 and 18 on page 4 and lines 1 and 2 on page 5 and on lines 3 and 4, change the words and figures "Fifty-four Dollars (\$54.00)" to "Fifty (\$50.00)"

GARY.

Upon motion of Senate Ritzhaupt, Section 1, as amended, was adopted.

Section 2 was read.

Senator Cowden submitted the following amendment, consideration of which was temporarily deferred:

Mr. President: I move to amend Senate Bill No. 93, line 13, page 16, by striking sub-section (a).

COWDEN.

Senator Ritzhaupt submitted the following amendment:

Mr. President I move to amend Senate Bill No. 93, line 9 $\frac{1}{2}$, page 18, by adding a new paragraph "9": There shall be allocated by the State Board of Education out of funds appropriated for carrying out the provisions of this Act, to each county in the State of Oklahoma, an amount equal to the automobile licenses and farm truck tax collections returned to that county by the Oklahoma Tax Commission, for the public schools of said county for the

fiscal year 1941-42, said amount to be apportioned by the County Superintendent to each school district on a per capita average daily attendance basis."

RITZHAUPT.

Senator Gary, as a substitute, submitted the following amendment.

Mr. President: I move to amend Senate Bill No. 93, line 5, page 18, by striking the word "Five" and substituting the word "Twelve" and on line 6, striking the figures "\$5.00" and substituting the figures "\$12.00," and on line 7 strike the words "Average Daily Attendance" and substitute the word "Enumeration."

GARY

Senator Pruett raised a point of order against the Ritzhaupt and Gary amendments for the reason "that we have never voted to take the automobile money away from the schools; it is premature and anticipating something that hasn't happened." The President ruled the Pruett point of order not well taken, stating that the Senate was the judge as to whether or not the amendments should be adopted.

Senator Gary asked unanimous consent, which was granted, to amend his amendment by adding after the word "Enumeration" the following: "Provided that it shall be apportioned on the basis of A.D.A. after it reaches the county."

The vote occurring on the Gary substitute amendment, as amended, it was declared failed of adoption.

The vote occurring on the Ritzhaupt amendment, it was declared adopted.

By unanimous consent, consideration of Senate Bill No. 93 was temporarily deferred.

CONFERENCE COMMITTEE REPORT

By unanimous consent, Senator Nance submitted the following Conference Committee Report, which was adopted upon his motion:

CONFERENCE COMMITTEE SUBSTITUTE FOR
ENGROSSED SENATE BILL NO. 105—By Anglin.

AN ACT RELATING TO AND PROVIDING FOR THE WAIVER AND CANCELLATION OF PENALTIES, INTERESTS, COSTS AND FEES UPON CERTAIN DELINQUENT AD VALOREM TAXES ON REAL PROPERTY, AUTHORIZING SPECIFIED CREDITS ON SUCH TAXES, PROVIDING THAT IN ORDER TO SECURE BENEFITS OF ACT THE TAXES OR BALANCE DUE ON THE PRINCIPAL AMOUNT THEREOF MUST BE PAID IN FULL ON OR BEFORE APRIL 20, 1945; PROVIDING NOTHING IN ACT SHALL AFFECT 1945 RE-SALE OR ADVERTISING THEREFOR; REQUIRING COUNTY TREASURER TO GIVE NOTICE OF THE PROVISIONS OF ACT BY PUBLICATION; PROVIDING THAT ACT SHALL NOT BE A PRECEDENT FOR FUTURE LEGISLATURES, MAKING PROVISIONS OF ACT SEVERABLE, REPEALING CHAPTER 11a, TITLE 68, PAGE 172, SESSION LAWS 1943, AND DECLARING AN EMERGENCY

BE IT ENACTED BY THE PEOPLE OF THE STATE OF
OKLAHOMA

SECTION 1. All penalties, interests, costs and fees which have accrued upon delinquent ad valorem taxes on

real property in this State for years in relation to which the owner of said property attempted in good faith to pay the ad valorem taxes due thereon.

(a) under and by virtue of Article 14, Chapter 66, Oklahoma Session Laws 1937 and/or Article 22, Chapter 66, Oklahoma Session Laws 1939 after the effective dates of said Acts,

(b) under and by virtue of certificates of error issued under authority of Section 12642, O. S. 1931 or any other statute as to the 1933 and/or prior years, the legal effect of this class of certificates having been held questionable or invalid by the Supreme Court or Attorney General of Oklahoma or which are so held prior to the time given for action under this Bill,

are hereby waived and cancelled, provided, that the balance due on the principal amount of said ad valorem taxes for said years is paid in full on or before April 20, 1945; provided further, that in paying such ad valorem taxes the taxpayer will be entitled to a credit of the amount paid thereon under and by virtue of said unconstitutional acts or said invalid certificates.

SECTION 2. All penalties, interests, costs and fees which have accrued upon delinquent ad valorem taxes on real property in this State for 1943 and prior years are hereby waived and cancelled; provided that the consolidated amount of all delinquent taxes due for all years on any such real estate be paid in full on or before April 20, 1945.

SECTION 3. Nothing contained in this Act shall be construed as affecting, delaying or cancelling the holding and conduct of the 1945 resale of real estate for delinquent taxes, or the advertisement of any real estate for resale in 1945.

SECTION 4. Immediately after this Act takes effect the County Treasurer of each county shall publish a notice, in the form prescribed by Section 6 of this Act, once a week for two consecutive weeks in a newspaper having a general circulation in the county to the effect that this Act has been enacted by the Legislature and that the ad valorem taxes for the years referred to in Sections 1 and 2 may be paid on or before April 20, 1945, without the penalties,

interests, costs and fees which have accrued thereon, and that if such payment is made all such penalties, interests, costs and fees which have accrued on said taxes are waived and cancelled.

SECTION 5. This Act shall not be a precedent for any future Legislature, and it is the sense of this Legislature that if the ad valorem taxpayers affected by this Act do not take advantage of the same, that no future Legislature shall enact any law waiving and cancelling such penalties, interests, costs and fees.

SECTION 6. The notice referred to in Section 4 of this Act shall be in the following form:

**NOTICE TO THE TAXPAYERS OF _____
COUNTY, OKLAHOMA.**

You are hereby notified that all penalties, interests, costs and fees which have accrued upon any delinquent ad valorem taxes on any real estate in this State for the year 1943 and all prior years will be waived and cancelled, provided the consolidated amount of all delinquent ad valorem taxes for all years due upon said real estate are paid in full or on before April 20, 1945. This Act makes provisions specifically for the settlement and payment of all taxes without penalties, interests, costs and fees which were involved in the provisions of Article 14, Chapter 66, Oklahoma Session Laws 1937, and/or Article 22, Chapter 26, Oklahoma Session Laws 1939, and under and by virtue of certificate of error issued under authority of Section 12642, O. S. 1931, or any other statute as to the 1933 or prior years, the legal effect of this class of certificates having been held questionable or invalid by the Supreme Court or Attorney General which are so held prior to the time given for action under this bill, provided that said delinquent taxes are paid as provided in this Act on or before April 20, 1945. You are further notified that in providing for the waiving and cancelling of penalties upon delinquent ad valorem taxes that the Legislature expressly states that said law shall not be a precedent for any future Legislature and it is the decision of this Legislature that if the ad valorem taxpayers affected hereby do not take advantage of this concession and pay said taxes as provided herein that no future Legislature shall enact any

law waiving and cancelling such penalties, interests, costs and fees.

Dated this ----- day of -----, 1945.

County Treasurer.

SECTION 7. If any section, subsection, sentence or clause of this Act is for any reason held to be invalid, such holding shall not affect the validity of the remaining portions thereof.

SECTION 8. Chapter 11a, Title 68, page 172, Oklahoma Session Laws 1943 is hereby repealed.

SECTION 9. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this Act shall take effect and be in full force from and after its passage and approval.

MESSAGES

The following Messages from the Honorable House were received and read:

MR. PRESIDENT:

I am directed by the House of Representatives to advise you, and through you, the Honorable Senate, that the House concurs in Senate Amendments to:

ENGROSSED HOUSE BILL NO. 114—By Long, Billingsley, Bailey, Bullard, Foley, Hawthorne and Wright,

An Act appropriating two thousand five hundred (\$2,500.00) Dollars to be used by the State Superintendent

of Public Instruction in compliance with 70 O. S. 1941 § 265, and declaring an emergency,

and the Bill has been passed by the House of Representatives, as amended, by the Senate.

Respectfully,

H. R. CHRISTOPHER, Chief Clerk.

MR. PRESIDENT:

I am directed by the House of Representatives to return herewith:

ENROLLED SENATE BILL NO. 109—By Committee on Privileges and Elections,

An Act relating to elections, amending the Soldiers and Sailors absentee ballot law and the run-off primary election law, amending Sections 1, 2, 3, 6, 7, 8, 9, 11, and 12, Ch. 10, Title 26, Oklahoma Session Laws 1944, and Sec. 4, Ch. 5a, Title 26, Oklahoma Session Laws 1943, providing for the issuance of said ballots by the secretaries of the county election boards, making the soldiers and sailors absentee ballot law applicable to run-off primaries, providing procedure for counting ballots, contests, and other details, repealing Sec. 21 of said Act, and declaring an emergency, and to advise you, and through you, the Honorable Senate, that the same has been read for the fourth time and signed by the Speaker, in open session.

Respectfully,

H. R. CHRISTOPHER, Chief Clerk.

Enrolled Senate Bill No. 109 was ordered transmitted to the Honorable Governor for consideration.

MR. PRESIDENT:

I am directed by the House of Representatives to transmit herewith for your consideration:

ENROLLED HOUSE BILL NO. 327—By Underwood and Parrish of the House, and Irby of the Senate,

An Act authorizing Boards of County Commissioners in counties having a population of thirty-eight thousand (38,000) and not to exceed thirty-eight thousand five hundred (38,500), as shown by the 1940 federal census, to in-

crease by not to exceed twenty (20%) per cent the salaries of deputies in all county offices, as otherwise provided by law,

together with copy of Governor's Message of disapproval of same, and to further advise you that the House, by its action, has sustained the Governor's Veto, as provided for in the Constitution of the State of Oklahoma.

Respectfully,
H. R. CHRISTOPHER, Chief Clerk.

To the Speaker and Members
Of the Honorable House
Of Representatives
Twentieth Oklahoma Legislature

GENTLEMEN:

After consideration, and by authority of Section 11, Article 6 of the Constitution, I have disapproved and am returning

ENROLLED HOUSE BILL NO. 327—By Underwood and Parrish of the House, and Irby of the Senate,

An Act authorizing Boards of County Commissioners in counties having a population of thirty-eight thousand (38,000) and not to exceed thirty-eight thousand five hundred (38,500), as shown by the 1940 Federal census, to increase by not to exceed twenty (20%) per cent the salaries of deputies in all county offices, as otherwise provided by law.

I disapprove of this Bill because I have been advised by the Attorney General it is in violation of Section 59, Article 5 of the Oklahoma Constitution, that where a general law can be made applicable to all Counties in the State, no special law shall be enacted.

I have been further advised that a general law could be enacted applicable to all of the Counties of the State authorizing the Board of County Commissioners of said Counties to increase the salaries of deputy county officers on a percentage basis.

I am further advised by the Attorney General that

House Bill No. 327 also violates Section 46 of Article 5 of the Constitution and is arbitrary and discriminatory.

ROB'T S. KERR,
The Governor of
The State of Oklahoma.

MR. PRESIDENT:

FIRST READING

By unanimous consent, the following Bills and Resolution were introduced and read for the first time:

SENATE BILL NO. 296—By Logan of the Senate and Oerke and Johnson (Comanche) of the House—An Act relating to issue and sale of street improvement bonds; providing for a cushion fund to guarantee payment of bonds coming due the last year; and declaring an emergency

SENATE BILL NO. 297—By Rinehart and Collier—An Act relating to state highway or bridge contracts which have not been carried out or work thereunder has been suspended by virtue of an order or directive of a federal officer or agency during the second World war, authorizing such contracts to be re-negotiated with the original contractor, or cancelled by mutual agreement and relet on advertised bids, and declaring an emergency.

SENATE BILL NO. 298—By Chapman of the Senate and Wallace and Evans of the House—An Act authorizing the Board of Regents of the University of Oklahoma to accept gifts and bequests in regard to the Southern Oklahoma Hospital; directing manner and method of administering and holding same; defining kinds of gifts or bequests; prescribing authority of said Board of Regents in regard to such gifts and bequests; setting effective date hereof and declaring an emergency.

SENATE BILL NO. 299—By Irby—An Act to provide that all appointive officers who are confirmed by the State Senate and whose term of office is not fixed by the Constitution shall be submitted to the Senate and confirmed each two years; providing for date of submission

and confirmation and in the event submission and confirmation fails, the term of office automatically expires; and declaring an emergency.

SENATE JOINT RESOLUTION NO. 11—By Worthington of the Senate and Levergood of the House—A Joint Resolution directing the attorney general of the State of Oklahoma to appear in the Supreme Court of the State of Oklahoma and intervene in Case No. 29,126, in behalf of the State of Oklahoma, and to take such steps as are necessary therein to have said opinion therein recalled, rewritten and amended by the said court in said case in behalf of the state wherein error was committed by the said court in that the court made a declaration based upon a "*presumption*" as to the payment of the mandatory "*mortgage tax*," which declaration of the court does violence to the plain intention of the legislature as expressed in "*Sections 12351-12358 O. S. 1931, (Secs. 1171-1178, 68 O. S. 1941)*, and which declaration in said opinion in said Case No. 29,126 is contrary to the settled doctrine as heretofore determined by said court to be the law. That the said opinion of said court dealing in a presumption as to the payment of a state revenue establishes a *dangerous and unsound "precedent,"* whereby the State of Oklahoma, its schools and taxpayers may be deprived of this revenue by connivance and agreement to defeat said mortgage tax law, which revenue flows to the support of the common schools of the state; that this inadvertence in said opinion may be corrected to the end that the courts over the state may not "*assume*" the legislative functions of government but construe the mortgage tax law as it is written, and enforce the law as intended by the legislative department in accordance with the Constitution for the purpose of giving permanency to the mortgage tax law as heretofore determined to be the law by said court.
