A RESOLUTION MEMORIALIZING CONGRESS TO REFRAIN FROM REDUCING APPROPRIATIONS FOR THE FFA AND FHA PROGRAM.

WHEREAS, it has been reported in the public press that Congress is contemplating the reduction of proposed appropriations for the support of FFA and FHA programs throughout the nation to effect a superficial "economy" of approximately $5,000,000 in the billions of the Federal Budget; and

WHEREAS, this proposal, if adopted, would result in the discontinuance of every FFA and FHA Chapter of less than 25 members; and

WHEREAS, these programs, training the rural youth of the country have, and will continue to have, the positive effect of adding many millions to the annual national income, and immeasurably to the national security, in improved food production; and

WHEREAS, any such relatively minor reduction in national expenditures, resulting in such damage to the advancement of agronomy, is a false economy induced only by a provincial lack of understanding of the agricultural problems of the Middle West and of the Nation:

BE IT RESOLVED BY THE STATE SENATE OF THE TWENTY-FOURTH LEGISLATURE OF THE STATE OF OKLAHOMA:

THAT, the Congress of the United States be memorialized to refrain, in any manner, from reducing the already inadequate amount of funds requested to be assigned to promotion of FFA and FHA programs throughout agricultural sections of the country.

THAT copies of this Resolution be transmitted to the Speaker of the House of Representatives and the President of the Senate of the Congress, and also to each member of the Oklahoma delegation to the Congress.

SPECIAL COMMITTEE REPORT

The following Special Committee Report was submitted, read and adopted upon motion of Senator Collins:

REPORT OF THE SPECIAL SENATE COMMITTEE TO INVESTIGATE MATTERS RELATING TO CONFIRMATION OF APPOINTEE AS DIRECTOR STATE GAME & FISH DEPARTMENT.

* * * * *

MR. PRESIDENT:

We, your Committee appointed pursuant to Senate Resolution No. 14, adopted April 15, 1953, beg leave to submit the following report:

SCOPE OF COMMITTEE ACTION

At the time of the appointment of this Committee, some public misunderstanding was evidenced as to its purpose. That misunderstanding should be eliminated in no uncertain terms.

On March 2, 1953, the State Game and Fish Commission, pursuant to law, submitted for Senate confirmation the appointment of E. W. Dahlgren, as Director of the Department. Mr. Dahlgren had been acting as Director since April 19, 1951, under an interim appointment.

Certain charges having come to the attention of the Senate regarding the management of the Game and Fish Department, a number of them being of a most serious nature, this Committee was created to investigate whether or not the facts involved were of a nature to affect the confirmation of Mr. Dahlgren's appointment.

Your Committee has restricted its inquiry solely to matter directly before the Senate—the fitness of Mr. Dahlgren for confirmation as Director of the State Game and Fish Commission. It has investigated the facts relating to charges concerning administration of the Game and Fish Department only insofar as such facts occurred *subsequent* to Mr. Dahlgren's interim appointment.

It also might be here stated that every one of the present members of the State Game and Fish Commission, excepting Reverend C. C. Morgan and George Schultz—the Commission which submitted Mr. Dahlgren's appointment for Senate confirmation—have been appointed since the date of Mr. Dahlgren's initial appointment.

MEETINGS OF YOUR COMMITTEE

Your Committee held its first meeting on April 16, 1953, at which time it was determined that a public hearing should be held on April 20th.

The Director, Assistant Director, all of the present members of the Game and Fish Commission, and the general public were invited to appear and present information on the subject of the inquiry.

The public hearing was held, as scheduled, on April 20th, commencing at 9:00 o'clock A. M.

The following persons either testified or made statements to the Committee: Mr. Dahlgren, Mr. A. D. Aldrich (the Assistant Director), Mr. James W. McMahan (Chairman of the Commission), Mr. Louis M. Burtschi (Member of the Commission) and Mr. Paul Cooke, Legislative Auditor.

A full transcript of the hearing was made and transcribed.

At the close of the hearing, a further opportunity was given to anyone desiring to offer any other information to the Committee if the same be furnished by April 29th, 1953. No other such information has been offered.

FINDINGS

Your Committee finds:

FIRST. That all charges of mismanagement, corruption and embezzlement in the administration of the Game and Fish Department, excepting only those hereinafter discussed, relate to matters that transpired prior to the appointment of Mr. Dahlgren as Director, and have no relevancy to his confirmation.

SECOND. One of the charges investigated related to the fact that employees of the Department, at Department expense, attended the funeral of a former Assistant Director who was killed in an automobile accident.

This Assistant Director's death and funeral occurred less than two weeks after Mr. Dahlgren's appointment. The deceased had been an employee of the Department for more than 20 years; and he was, at that time, the principal head of the Department, next to Mr. Dahlgren, having held that position under Mr. Dahlgren's predecessor. The entire personnel of the Department, as well as a large number of State Capitol officers and employees and sportsmen throughout the State, was greatly shaken by the sad occurrence.

Mr. Dahlgren had not previously held public office; and, at that time, he was less conversant with the more stringent legal restrictions on public expenditures relating to personnel morale than customarily are applicable in private industry.

The composite of these circumstances, as they existed at that time, do not appear to your Committee to warrant a present condemnation of Mr. Dahlgren.

SECOND. It had come to the attention of your Committee that Mr. Dahlgren had refused to furnish certain information requested by Mr. Paul Cooke, the Legislative Auditor. Any such attitude, on the part of any State officer, naturally would be intolerable.

However, Mr. Cooke admitted to your Committee that the incident was somewhat exaggerated. It appears that Mr. Cooke had directed some of the clerks in the Department to discontinue certain work they were doing, in preparation of information for a State Senator, and to prepare the information he

desired. Mr. Dahlgren merely informed Cooke that any requests for information should be made to the head of the Department instead of Cooke assuming to direct operations of the office help.

This attitude, by a Department head, does not appear to be unreasonable or improper.

THIRD. The facts relating to all other charges that came to the attention of your Committee were carefully checked and investigated. Upon the basis of that inquiry, your Committee has received no information that derogates from Mr. Dahlgren's fitness as Director of the Game and Fish Department, under the Commission as presently constituted.

CONCLUSION

Having fully performed its duties under Senate Resolution No. 14, and having herewith tendered its Report, your Committee requests that it be discharged.

A CONCURRENT RESOLUTION MEMORIALIZING THE CONGRESS TO ENACT LEGISLATION TO PROTECT AND PROMOTE THE PETROLEUM INDUSTRY OF THE UNITED STATES.

WHEREAS, it is necessary to have certain quantities of crude petroleum for the daily operation of industry and businesses in the United States of America; and,

WHEREAS, quantities of oil produced in foreign countries by cheap labor are being imported into the United States of America and placed upon the market in competition with the oil being produced in this country; and,

WHEREAS, the oil industry within the United States of America is unable, at some times, to produce sufficient quantities of crude petroleum to meet the demands of the users of petroleum products in the United States of America; and,

WHEREAS, the amounts of foreign oil imported into the United States should, at all times, be restricted to the crude oil petroleum needs in the United States of America, over and above the amount of crude petroleum that is produced in this country.

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES AND THE STATE SENATE OF THE TWENTY-FOURTH LEGISLATURE OF THE STATE OF OKLAHOMA:

That in order to protect the economy, the industry, the labor and the citizens of Our Country, the Congress of the United States of America pass such legislation as is necessary to restrict the importation of crude petroleum produced in foreign countries to that amount that is necessary to meet the needs of the economy, the industries and the citizens of the United States of America, only in that amount over and above the amount of crude petroleum that is produced in the United States of America.

ENROLLED HOUSE CONCURRENT RESOLUTION NO. 536—By Arrington.

A CONCURRENT RESOLUTION MEMORIALIZING THE CONGRESS OF THE UNITED STATES TO ESTABLISH A QUANTITATIVE LIMITATION UPON THE IMPORTATION OF CRUDE PETROLEUM AND PETROLEUM PRODUCTS INTO THE UNITED STATES IN ORDER TO ASSURE THE DEVELOPMENT OF DOMESTIC PETROLEUM RESOURCES SO VITAL TO THE WELFARE AND NATIONAL SECURITY OF THE UNITED STATES.

WHEREAS, there has been a rapid and large increase in the importation of crude petroleum and petroleum products into the United States, and

WHEREAS, increasing imports have been taking a larger and larger share of the domestic market for petroleum normally supplied by Oklahoma and other oil-producing states, and

WHEREAS, great harm is now being suffered by the oil-producing industry of the State of Oklahoma and other producing states as a result of excessive importation of crude petroleum and petroleum products, and

WHEREAS, the excessive current rates of imports have caused the State

of Oklahoma to decrease its allowable production approximately twenty-thousand (20,000) barrels daily, and

WHEREAS, further injurious effects and cutbacks in production in the State of Oklahoma are threatened unless excessive imports are curtailed, and

WHEREAS, the State of Oklahoma has through its enacted laws established a program of conservation which program is now being disrupted and further threatened with demoralization by excessive imports of foreign oil that is not being produced under comparable conservation practices, and

WHEREAS, the production rate of the domestic petroleum industry must fluctuate with the market demand for petroleum, it is only fair and proper that the imports of foreign oil be restricted so that they may not be increased while domestic producers are being cut back in their production, which is the present situation, and

WHEREAS, the tax revenues of the State of Oklahoma and local governments for the support of schools, roads and other public activities and the general welfare and economy of the State of Oklahoma is to a substantial extent dependent upon an active and vigorous petroleum industry, and

WHEREAS, petroleum is an essential element in modern military effort, and is vital to the Nation's security, and

WHEREAS, the excessive current rate of imports is depriving oil producers of a market outlet for their production which restrict their income and ability to explore and develop petroleum reserves so vitally needed for the defense preparedness program, and

WHEREAS, as a result of the destructive and retarding effects of excessive imports the fullest development of petroleum resources within the United States, the surest source of supply in time of war, is not being accomplished and is thereby dangerously threatening the defense preparedness program, and

NOW, THEREFORE, BE IT RESOLVED by the Senate and House of Representatives of the Oklahoma Legislature that the Congress of the United States meet the problem of increasing imports which are endangering the Nation's welfare and Security by establishing a quantitative limitation restricting the total amount of crude petroleum and petroleum products that may enter the United States; that a copy of this Resolution be forwarded by the Secretary of the Senate to the President of the United States and each member of the Congressional delegation from Oklahoma.

SECTION 1. It is hereby declared to be the public policy of the State of Oklahoma that all persons who have been paroled from a State training school following their commitment there by a county or juvenile court should be given every opportunity and encouragement to lead a normal life in a wholesome environment so that they may become useful citizens. It is also declared to be the public policy of the State of Oklahoma that all minors who receive sentences in a county or juvenile court and whose sentences are suspended during good behavior should have every opportunity to realize the full purpose of their suspension of sentence, and that they should not be permitted to return to the same condition that led to their original conviction.

To carry out the purposes expressed in Section 1, there are hereby created four (4) positions of Youth Supervisors, Grade Nine (9), in the office of the Commissioner of Charities and Corrections. It shall be the duty of these Youth Supervisors to assist all persons in this State who have been committed to State training institutions in this State, and all minors who have received suspended sentences in the courts of this State to live up to the full letter and spirit of the order, judgment, probation or sentence whereby they are not incarcerated. SECTION 3. The Youth Supervisors shall cooperate with the Department of Public Welfare, the Department of Public Safety, all public school officials and any and all agencies of this State, both public and private, which can be of assistance in seeing that juvenile delinquency is prevented, and that those young men and women of this State who have been delinquent are aided and assisted in correcting their attitudes and habits, and improving any associations which might have contributed to their delinquency.

MESSAGES FROM GOVERNOR

Advising disapproval by him, May 19, 1953, of Enrolled **SB 411** for the following reasons:

This bill has for its purpose the authorization of the use of $4,000 from the County Court Fund in Rogers County, when approved by the County Judge, by the District Judge or Judges, and by the County Attorney, for use in free fairs.

In such an authorization it is to be noted that a fund having been created for one purpose would be diverted to a purpose completely foreign to the function for which it was originally established.

It is with full knowledge of the tremendous value by way of encouragement for a better Oklahoma that County fairs offer; however, fairs of all kinds should be the result of pride and interest on the part of the people for which such fairs are conducted.

Due to the fact that there is such a broad difference in the purpose of County Courts and County Fairs, it is inconceivable to me that a diversion of funds from the Court Fund to the purpose intended in **SB 411** should be allowed. I therefore feel it my duty to disapprove this measure.

BY THE GOVERNOR OF THE
STATE OF OKLAHOMA:
Johnston Murray

al, or money. Provided, however, that when funds available are insufficient to meet the needs of a recipient as determined by the Department, such recipient may earn or receive the difference between his assistance grant and his budgetary needs. The Department may bring an action in a court of competent jurisdiction for the amount paid an ineligible recipient or the amount of the overpayment, as the case may be, unless the recipient voluntarily acknowledges the indebtedness, voluntarily gives a lien upon his property or voluntarily makes repayment. Providing, however, that the Department of Public Welfare shall credit any recipient who has received assistance while ineligible by reason of such fraud, misrepresentation and concealment of facts for the time he has been held off the rolls according to the budgetary requirements in effect during the time he has remained off the rolls and such amount shall be deducted from the amount found to have been received ineligibly, by means of such fraud and misrepresentation. After the fact and amount of indebtedness has been established by a court of competent jurisdiction, the Department shall proceed to collect said judgment as other judgments for money are collected and all sums recovered under such judgments shall be paid into the State Treasury to the credit of the State Assistance Fund; *provided, however, that an action to establish the fact and amount of overpayment under the provisions of this Act must be brought within one (1) year from the date of the discovery of the overpayment, misrepresentation or concealment of material facts* by the recipient. *Such judgment* shall be a lien upon all assets, *except the homestead and except personal property of such recipient, while the same are exempt from execution under the laws of the State of Oklahoma. Any funds received through the voluntary action of the recipient shall be paid into the State Treasury to the credit of the State Assistance Fund.*

"Any recipient hereunder who sells, conveys or encumbers any real property belonging to him, or any interest therein, shall immediately notify the Department of same, giving the legal description of said property and nature and amount of consideration. A RESOLUTION IN MEMORIAL TO HON. M. O. COUNTS (1895-1953).

WHEREAS, in his infinite wisdom, the Great Maker has called to his side the Honorable M. O. Counts; and

WHEREAS, M. O. Counts, in his full life has exemplified the true pioneer of the great State of Oklahoma, in this:

Coming to Mangum as a small boy with his parents in 1905, he witnessed the birth of this great State;

He attended Central State and Northeastern State Colleges and the University of Oklahoma;

He was admitted to the Bar and opened offices in Mangum, but heard the call of his nation in World War I and served on a submarine patrol of the United States Navy;

Returning after that war, he established his law offices in Hartshorn, Pittsburg County, later opening offices also at McAlester;

He was a Member of the State Senate of Oklahoma for two terms, 1942-1950, the second term being wholly unopposed for reelection by the people he served so well;

He was a founder and President of the McAlester Booster Club, a past Commander of the American Legion and the originator of the McAlester Hospital Foundation.

THEREFORE, BE IT RESOLVED BY THE SENATE OF THE TWENTY-FOURTH OKLAHOMA LEGISLATURE:

THAT the name and deeds of Honorable M. O. Counts should be inscribed upon the undying pages of Oklahoma history as a great leader, an inspired builder, an exemplary statesman and an outstanding example of pioneer Oklahoma citizenship;

THAT the loss occasioned by his passing from our midst cannot be adequately and entirely mitigated; and

THAT a copy of this Resolution, duly authenticated, be transmitted to his widow, Mrs. Ruth Counts, in expression of the appreciation of the State that M. O. Counts did live and strive for it, and in condolence to her for her personal loss.

MESSAGES FROM GOVERNOR

Advising disapproval by him, May 25, 1953, of Enrolled **SB 388** entitled:

Enrolled Senate Bill No. 388—By Jones of the Senate and Horton of the House—An Act amending Section 111, Title 82, Oklahoma Statutes annotated, providing the method of organizing an irrigation district and providing for the qualifications of an elector before the organization of an irrigation district, and the qualifications of an elector after the organization of an irrigation district,
for the following reasons:

This Act would amend the law with reference to the qualifications of "electors" who may vote for or against the establishment of irrigation districts, and upon matters pertaining thereto.

In addition to the qualifications now prescribed by law, this Bill would require that all land owners, in order to vote in these elections, be at least twenty-one years of age, and no provision whatsoever is made for voting by any person on behalf of persons

under twenty-one years of age who might own land which would be affected by such elections. In addition, this amendment would not permit any person, either the lessee or the owner, to vote in such an election where the land is owned by a non-resident of the State of Oklahoma, even though leased by a resident of the State.

The ownership of land which would be affected by these elections and served by the Districts when created, should be the paramount factor in determining the eligibility of any person to vote in such elections. To determine eligibility upon any other basis, it appears to me, would tend to discourage ownership of land and to deprive the owner of rights in his property without due process of law.

BY THE GOVERNOR OF THE STATE OF OKLAHOMA:
Johnston Murray

Suit may be commenced against the Commission by the service of summons upon the State Highway Director in the same manner as other summons are issued and served in civil cases in the district courts. In any such action the court shall first determine, as a condition precedent to further proceedings in the case, whether insurance as authorized by this Act was in force at the time of the occurrence for which

Neither the Commission nor the insuring company shall plead governmental immunity as a defense, and may make only such defenses as could be made if the insured was a private person. The Commission shall be liable for the negligence hereinabove described while said policy is in force, but in no case in an amount exceeding the limits of the coverage of any such policy. AN ACT RELATING TO THE FISCAL AFFAIRS OF THE STATE; CREATING POSITIONS AND FIXING THE SALARIES OF CERTAIN STATE OFFICIALS AND EMPLOYEES PAYABLE FROM THE GENERAL REVENUE FUND AND SPECIAL FUNDS OF THE STATE; DESIGNATING SPECIAL FUNDS FROM WHICH CERTAIN SALARIES ARE TO BE PAID; LIMITING THE NUMBER OF FULL TIME EMPLOYEES TO BE EMPLOYED AT ANY ONE TIME BY EACH STATE AGENCY LISTED HEREIN; PROVIDING FOR TRAVELING EXPENSES OF THE GOVERNOR; FIXING THE EFFECTIVE DATE OF THIS ACT; MAKING THE PROVISIONS OF THIS ACT SEVERABLE; REPEALING ALL ACTS OR PARTS OF ACTS INSOFAR AS THEY CONFLICT WITH THE PROVISIONS OF THIS ACT, AND DECLARING AN EMERGENCY.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. It is hereby declared to be the policy of the Legislature, subject to § 56, Article V, of the Oklahoma Constitution, and the limitations of this Act, to provide the appointing authority of each State agency a means of adjusting the rates of pay for positions for which the appropriations are made in the General Appropriation Act, and to provide incentive for employees holding said positions to become more efficient in the execution of their duties.

SECTION 2. This Act shall be known as the "Statutory Salary Act of 1953."

SECTION 3. For the purposes of this Act the term "State Agency" shall include each State department, board, commission, and each of the several courts of the State, set forth as separate sections of this Act.

The term "Appointing Authority," for the purposes of this Act shall mean the Administrative Head of a State agency or its Controlling Board, Commission or Court.

SECTION 4. This Act shall be effective for each fiscal year of the biennium beginning July 1, 1953 and ending June 30, 1955.

SECTION 5. The "Appointing Authority" of each State agency shall employ necessary personnel and appoint them to the positions authorized by this Act for each State agency, at annual salaries, payable monthly, which shall not exceed the amount designated as the maximum annual salary for each respective classification of positions set forth in the following sections. The appointing authority shall fix the current monthly salary within the minimum and maximum range for each position title based upon qualifications, experience and efficiency of the employee holding said position and may provide for increment raises from the minimum to the maximum by regulations of each State agency. The titles set forth for each position are for administrative guidance and are intended to set forth a title which was indicative of the original duties assigned to each position and in most cases the principal duty assigned to employees holding said position. However, it is not intended to restrict the appointing authority in such a manner that other duties could not be assigned to any position title. The salaries authorized to be paid for each position shall be payable from the General Revenue Fund of the State unless otherwise indicated. Where more than one (1) employee is authorized for a position title the minimum and maximum amounts shown for the position title shall constitute the annual amount authorized for each position under that title. The number of positions authorized herein for each State agency, and the minimum and maximum salaries set forth for each position title, shall be effective only within the limits of the total appropriation in the general appropriation bill for each State agency for each fiscal year. In the event the total appropriation in the general appropriation bill for any fiscal year to any State agency is insufficient to pay the annual salary of all positions herein authorized, the appointing authority shall adjust the personnel requirements within the positions authorized and the rates of pay of positions filled in such a manner that the total amount appropriated will not be exceeded during any fiscal year. Regardless of the provisions of any prior act of the legislature, the positions for each state agency set forth in this Act shall constitute all of the positions authorized for the two (2) fiscal years of the biennium beginning July 1, 1953 and ending June 30, 1955. Salaries may be paid from lump sum appropriations for extra help, in addition to the positions herein authorized when such appropriations are made by an Act other than the General Appropriation Act.

May 23, 1953

Honorable Jim A Rinehart, Chairman
Revenue and Taxation Committee
State Senate
Capitol Building
Oklahoma City, Oklahoma

Dear Mr. Chairman:

In accordance with your request for information concerning Senate Bill No. 423, the following is respectfully presented for your consideration:

Section 22.9, Title 47, O. S. 1951, all of said section being amended by Section 1 of Senate Bill No. 423, now reads as follows:

"Any person using any vehicle licensed for farm use for any purpose other than exclusively in farm use, as herein defined, shall be fined not more than Fifty Dollars ($50.00), and in addition thereto shall be required to register such vehicle in accordance with the requirement of the section applicable to vehicles not used exclusively in farm use as herein defined.

"In the event any person operates or permits to be operated in this State any vehicle having a greater laden weight or seating capacity than that on which the license fee assessed by this Act has been paid, he shall be required to pay in addition to the additional license fees due, the following penalty, in accordance with the amount of the greater laden weight than that on which the license fee has been paid as follows:

"(a) From two thousand one (2,001) pounds to three thousand (3,000) pounds, a penalty equal to one hundred per cent (100%) of the difference between the license fee actually due and the license fee paid on such vehicle.

"(b) In excess of three thousand (3,000) pounds, a penalty equal to one hundred per cent (100%) of the license fee actually due, without allowance in determining said penalty for the license fee theretofore paid on such vehicle."

The above and existing law amended Section 3, House Bill No. 430, Page 315, S. L. 1949, which also provided penalties for operating a vehicle weighing in excess of the weight for which it was registered. Enrolled House Resolution No. 16, a copy of which is attached for your information, sets forth the intention of the Legislature in the enactment of House Bill No. 430 of the 1949 Session

and provides that the agencies charged with the enforcement of such Act should use their sound discretion in the administration thereof.

Therefore, it appears that the existing enactment supersedes the 1949 enactment and said House Resolution No. 16.

Paragraph (a) of the existing law provides for a penalty of 100% of the **difference** between the license fee actually **due** and the license fee that has been paid on the vehicle. The collection of 100% of the additional license fee due has not presented many administrative difficulties.

Paragraph (b) provides that the excess of 3,000 pounds shall be subject to a penalty equal to **100% of the entire fee actually due without allowance of the fee theretofore paid.** For example, a vehicle registered under Section 22.5 for a laden weight of some 40,001 to 42,000 pounds must pay an annual fee of $420. This vehicle, if a 1940 model and found to be carrying in excess of 3,000 pounds more than it is licensed for, is subject to a $25 additional license tax and a penalty of the entire fee paid of $420, plus the additonal $25, making a penalty due of $445. In relationship to the amount of additional tax assessed, the $445 would represent a penalty of 1780%. Many protests have been filed to the assessment of such a penalty, some operators claiming that the assessment is in excess of the value of the vehicle.

House Bill No. 19, also enacted by the 1951 Session, provides for the issuance of a short term commercial license for farm trucks when such trucks may be needed during grain harvest or other seasonal farm activities for hauling farm products other than the operators or for hauling gravel, shale or other road material for rural roads.

Section 1 of Senate Bill No. 423, eliminates Paragraph (b) of the existing law and provides a penalty in all cases equal to 100% of the additional license fees found due. Operators of vehicles are permitted to operate under a laden weight not to exceed 2,000 pounds more than that for which license is issued under the existing provisions of the Motor Vehicle License and Registration Laws.

Section 2 of Senate Bill No. 423, amends Section **116.13**, Title 47, O. S. 1951.

Section 116.11, Title 47, O. S. 1951, follows for your information:

"The Commissioner of Public Safety is hereby authorized to employ nine (9) additional members of the Oklahoma Highway Patrol, and one (1) Lieutenant, and shall assign Nine (9) members of the Oklahoma Highway Patrol, and one (1) Lieutenant, to the primary duty of the enforcement of the provisions of this Act.

"Said Commissioner shall further be authorized to purchase and maintain the necessary motor vehicle equipment, portable scales and other items of equipment and supplies necessary for the enforcement of the provisions of this Act."

Section 116.13, which is amended by Section 2, follows:

"It shall be the duty of the Oklahoma Tax Commission to assign ten (10) revenue enforcement officers to work with said ten (10) members of the Oklahoma Highway Patrol in the enforcement of this Act and other acts regulating the usage of the highways of the State and in the enforcement of the Motor Vehicle License and Registration Laws of the State."

Under the present provision it is considered mandatory that 10 revenue enforcement officers of the Tax Commission be assigned to travel with the Highway Patrol at all times. At times the Patrol Units are called on regular patrol assignments and it is believed that the services of the Tax Commission representatives could be utilized during such intervals, resulting in an improve-

ment in the enforcement of the Motor Vehicle License and Registration Laws. It is understood that the representatives of the Highway Patrol agree on this viewpoint. The amendments under Senate Bill 423 do not operate to relieve the obligations of the Highway Patrol and the Tax Commission in the enforcement of the provisions of the law provided for in the quoted Section 116.11 and 116.13.

It is sincerely hoped that the information presented will be of assistance in considering the effect of House Bill No. 423.

Respectfully submitted,
Oklahoma Tax Commission.
By: L. L. Leininger,
Vice-Chairman.

SECTION 6. There is hereby created the office of "Director of the Oklahoma Veterans Loan Authority," such office to be filled by appointment of the Authority, herein created, with the approval of the Governor. The Director of the Oklahoma Veterans Loan Authority, referred to in this Act as the "Director", shall be an honorably discharged or separated veteran, chosen on the basis of his executive and administrative ability and shall be paid the sum of Seventy-five Hundred ($7,500.00) Dollars per annum for his services, payable monthly.

SECTION 7. The Director shall, before entering into his duties, take or subscribe to the oath or oaths of officers prescribed by the Constitution and statutes of the State of Oklahoma, and execute a surety company bond in the penal sum of Twenty-five Thousand ($25,000.00) Dollars with a surety company authorized to do business in the State of Oklahoma to be conditioned upon the faithful performance of his duties. The powers, functions and duties of the Authority shall be vested in and may be exercised by the Director or his duly authorized Deputy Director, subject to the approval of the Authority, and he shall organize and coordinate the administration of this Act. The Director is hereby given authority to employ with the consent of the Authority, and to fix, the salary of such personnel as may be necessary to carry into effect the purposes of this Act, and to prescribe the duties and responsibilities of all such employees. The Director is authorized and directed to utilize the services and facilities of any State Department or agency in the course of the Administration of this Act. Provided that Deputy Directors shall have the same qualifications as the Director, and shall be paid as compensation for their services a sum to be fixed by the Authority, and shall post a like bond. Said bond premium to be paid from funds of the Authority.

SECTION 8. The Authority is hereby authorized to provide by resolution, at one time or from time to time, for the issuance of "Oklahoma Veterans Loan Authority Bonds" of the Authority for the purpose of paying all or any part of the cost of carrying out the provisions of this Act and of making loans to veterans, but each issue shall be covered by a separate resolution and separate bond issue or issues. The principal of and the interest on such bonds shall be payable solely from the funds herein provided for such payment. The bonds of each issue shall be dated, shall bear interest at a rate not to exceed three and one-half per cent (3½%) and shall mature in annual installments at such time or times not exceeding twenty-five (25) years after their date as may be determined by the Authority for home loans nor not exceeding thirty-five (35) years after their date as may be determined by the Authority for farm loans. The Authority may cause the bonds of any installment thereof to be made redeemable before maturity, at the option of the Authority, at such price or prices, and under such terms and conditions as may be fixed by the Authority prior

to the issue of the bonds. The Authority shall determine the form of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. The bonds shall be signed by the chairman of the Authority, and the official seal of the Authority shall be affixed thereto and attested by the Secretary of the Authority, and any coupons attached thereto shall bear the facsimile signature of the Chairman of the Authority. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. All bonds issued under the provisions of this Act shall have and are hereby declared to have all the qualities and incidents of negotiable instruments under the negotiable instruments law of the State. The bonds may be issued in coupon or in registered form, or both, as the Authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The Authority shall sell such bonds at public sale. Notice of sale shall be published in a Thursday issue for two (2) successive weeks in a daily newspaper of general circulation in the State of Oklahoma. The date mentioned in the notice for the sale of the bonds shall not be less than ten (10) days after the first publication thereof. All bonds shall be sold to the bidder who will bid therefor par and accrued interest, and who shall stipulate in his bid the lowest rate of interest which such bonds shall bear. It is the intent of this Act that the bonds shall be awarded to the bidder bidding the rate or rates of interest which will be the lowest interest cost during the life of the bonds. Any premium bid shall not be considered in figuring such interest cost but shall be considered only in case two (2) or more bidders bid the same interest cost. Upon the acceptance of such bid, the bonds shall be issued in accordance therewith and shall be delivered to the purchaser upon payment of the purchase price. Each bidder shall submit with his bid such sum in cash or its equivalent as may be determined by the Authority, and upon the acceptance of any bid such deposit shall become the property of the Authority and shall be credited on the purchase price of the bonds, upon the understanding that if the purchaser shall fail five (5) days after the tender of the bonds, to pay the balance of the purchase price, said sale shall thereby be annulled and said deposit shall in such event be retained by the Authority. All other deposits shall be returned. The Authority shall have the right to reject all bids and readvertise the bonds for sale. The bonds need not be issued and sold in series. In no event shall the bonds be sold at a price so low as to require the payment of interest on the money received therefor at more than three and one-half per cent (3½%), computed with relation to the absolute maturity of the bonds in accordance with the standard tables of bond values, excluding, however, from such computation the amount of any premium to be paid on the redemption of any bonds prior to maturity.

The proceeds of the bonds of each issue shall be deposited with the State Treasurer to the credit of the Oklahoma Veterans Loan Fund, hereby created, and may be used only for the purpose of carrying out the provisions of this

Act, in making loans to veterans, and in paying the actual and necessary cost of administering this Act. If at any time it be deemed to be proper by the Authority, monies to the credit of the Oklahoma Veterans Loan Fund may be transferred and credited to the sinking fund for such bonds.

Prior to the preparation of definitive bonds, the Authority may, under like restriction, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Authority may also provide for the replacement of any bonds which shall become mutilated or shall be destroyed or lost. Bonds may be issued under the provisions of this Act without obtaining the consent of any other department, division, commission, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions, or things which are specifically required by this Act. Provided further, that any department, subdivision, commission, board, bureau or agency of the State of Oklahoma is hereby authorized to bid upon, purchase and invest in any bonds issued under this Act.

SECTION 9. In the discretion of the Authority any bonds issued under the provisions of this Act may be secured by a trust agreement by and between the Authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the State. Such trust agreement may pledge or assign all principal payments made on loans to veterans as herein authorized, together with not to exceed seventy-five per cent (75%) of the interest collected on said loans and any other moneys received by the Authority, except legislative appropriations. Such trust agreement or resolution providing for the issuance of such bonds may contain such provision for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Authority in relation to administering this Act. It shall be lawful for any bank or trust company incorporated under the laws of this State which may act as depository of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the Authority. Any such trust agreement may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual right of action by bondholders as is customary in trust agreements or trust indentures securing bonds and debentures of corporations. In addition to the foregoing any such trust agreement may contain such other provisions as the Authority may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the provisions of such trust agreement may be treated as a part of the cost of the administration of this Act.

SECTION 10. There is hereby created a sinking fund to be designated "Oklahoma Veterans Loan Authority Bonds Sinking Fund", to provide for the payment of the principal and interest on bonds authorized by this Act to be sold. Such sinking shall consist of all monies received as payments on principal together with seventy-five per cent (75%) of the interest collected on loans made under this Act, all monies received as accrued interest on bonds sold, all monies that may be received from the sale, rental, or administration of property acquired all money received as interest upon investment of monies in the sinking fund, and any and all of other money accru-

ing under this Act except legislative appropriations. The Authority may, if at any time there are applications for loans aggregating a total in excess of the money available therefor in the Oklahoma Veterans Loan Fund, transfer to said funds any monies in the sinking fund in excess of the aggregate amount necessary to meet current installments and anticipated installments of principal and interest due on bonds issued under this Act, if anticipated receipts of said sinking fund are reasonably sufficient to meet future installments due for principal and interest on said bonds. When sufficient funds are available in the Oklahoma Veterans Loan Fund, the Director may transfer back to the sinking fund an amount not exceeding the total amount transferred out of said sinking fund. Disbursements from said sinking fund shall be only as approved by the Director for payment of principal and interest upon said bonds issued under this Act, except for the above authorized transfers. Said sinking fund shall be deposited with the State Treasurer of the State of Oklahoma. Provided that nothing in this Section shall be construed to limit any provisions of a trust agreement for the benefit of bondholders entered into under this Act.

SECTION 11. The Authority shall make and submit to the Governor, on or before January 15, of each year, a full report showing financial condition of the Authority, the sinking fund and/or the trust funds as well as any other information the Governor shall require, which report shall show the financial condition as of December 31 of the next preceding year. The Governor is authorized to require said Authority to make such other reports as he may deem proper and necessary. Copies of said reports shall be delivered to the Speaker of the House of Representatives and the President Pro Tempore of the Senate.

SECTION 12. Any holder of bonds issued under this Act may either by suit at law or in equity, by injunction, mandamus or other action, protect and enforce any and all rights under the laws of this State or granted in this Act or by any trust agreement or the resolution authorizing the issue of said bonds, including the fixing, charging and collecting of interest and other fees and revenue as authorized by this Act, and to prevent the impairing of the sinking fund.

SECTION 13. The exercise of the powers granted by this Act shall in all respects be treated as and shall constitute the performance of necessary Governmental functions, said powers being for the benefit of the people of the State of Oklahoma for the increase of their commerce and prosperity and for the improvement of their living conditions. The Authority shall not be required to pay mortgage tax upon mortgages held under this Act, nor shall it be required to pay personal or intangible tax upon its property including notes held as security of loans made under this Act. Bonds issued under the provisions of this Act, their transfer and the income therefrom (including any profit made on the sale thereof) shall at all times be free from taxation within the State. Provided that ad valorem taxes upon real estate acquired under this Act shall be due and payable the same as if said lands were owned by an individual.

SECTION 14. Oklahoma Veterans Loan Authority Revenue Bonds issued under the provisions of this Act shall not at any time on or after the passage of this Act be deemed to constitute a debt of the State or of any political subdivision thereof or a pledge of the faith and credit of the State or of any such political subdivision, but such bonds shall be payable solely from the funds herein provided therefor from revenues. Such Oklahoma Veterans Loan Authori-

ty Revenue Bonds shall contain on the face thereof a statement to the effect that neither the State nor the Authority shall be obligated to pay the same or the interest thereon except from the revenues provided for in this Act and that neither the faith and credit nor the taxing power of the State or any political subdivision thereof is pledged, or may hereafter be pledged, to the payment of the principal of or the interest on such bonds.

SECTION 15. Bonds issued under the provisions of this Act are hereby made securities in which all Banks, Trust Companies, Trust and Loan Associations, Investment Companies and others carrying on a banking business, all Insurance Companies and Insurance Associations, and others carrying on an insurance business, may legally and properly, invest funds including capital in their control or belonging to them. Provided that such bonds shall not be used by any depository in securing county or State funds.

SECTION 16. The Authority is authorized in its discretion to file an application with the Supreme Court of Oklahoma for the approval of any bonds to be issued hereunder, and exclusive original jurisdiction is hereby conferred upon the Supreme Court to hear and determine each such application. It shall be the duty of the court to give such applications precedence over the other business of the court and to consider and pass upon the applications and any protests which may be filed thereto as speedily as possible. Notice of the hearing on each application shall be given by a notice published in a newspaper of general circulation in the State that on a day named the Authority will ask the court to hear its application and approve the bonds. Such notice shall inform all persons interested that they may file protests against the issuance of the bonds and be present at the hearing and contest the legality thereof. Such notice shall be published one (1) time and not less than ten (10) days prior to the date named for the hearing and the hearing may be adjourned from time to time in the discretion of the court. If the court shall be satisfied that the bonds have been properly authorized in accordance with this Act and that when issued, they will constitute valid obligations in accordance with their terms, the court shall render its written opinion approving the bonds and shall fix the time within which a petition for rehearing may be filed. The decision of the court shall be a judicial determination of the validity of the bonds, shall be conclusive as to the Authority, its officers and agents, and thereafter the bonds so approved and the revenues pledged to their payment shall be incontestable in any court of the State of Oklahoma.

SECTION 17. The foregoing sections of this Act shall be deemed to provide an additional and alternative method for the doing of the things authorized thereby and shall be construed as supplemental and additional to powers conferred by other laws, or powers now existing; provided that the issue of Oklahoma Veterans Loan Authority Revenue Bonds need not comply with the provisions of any other law applicable to the issuance of Bonds.

SECTION 18. There is hereby appropriated out of any money of the General Revenue Fund for the fiscal year ending June 30, 1954, in the State Treasury, not otherwise appropriated, the sum of Seventy-five Thousand ($75,000.00) Dollars to be placed to the credit of the Oklahoma Veterans Loan Fund. The Authority is hereby authorized to expend amounts appropriated and placed to the credit of this fund for the purpose of deferring the cost and expense of administration including the employment of the Director and other necessary personnel in order to carry out the provisions of this Act; provided that no

portion of this appropriation may be used or expended as a loan as authorized in this Act, nor may it be used to pay any part of the principal or interest on bonds issued under this Act, provided, however, that the expended portion of the foregoing shall be repaid to the State General Fund for any sale of bonds. Provided further that not more than the necessary amount of this appropriation shall be spent until it is definitely determined that bonds issued under this Act can be sold and when said bonds have been sold the unexpended balance of this appropriation shall revert to the General Revenue Fund of the State of Oklahoma.

SECTION 19. The provisions of this Act shall be severable and if any section, subsection, sentence or clause of this Act is for any reason, held to be invalid, such holding shall not affect the validity of the remaining portions thereof.

SECTION 20. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this Act shall take effect and be in full force from and after its passage and approval.

MESSAGE FROM THE GOVERNOR

The following Message from the Governor was read:

TO THE PRESIDENT AND MEMBERS OF THE HONORABLE SENATE TWENTY-FOURTH OKLAHOMA LEGISLATURE

GENTLEMEN:

Oklahoma's hog raisers find themselves confronted with the very serious possibility of a statewide quarantine due to the outbreak of vesicular exanthema in a few localities.

As you know, there is in effect a law requiring the cooking of garbage which is to be fed to commercial hogs. This law, which I believe is fair to all our citizens, was indeed a forward step against the disease, however, the problem of the liquidation of infected hogs still remains. So long as these hogs remain unprocessed the danger of contamination or infection of all other hogs and the subsequent loss in price to their raisers confronts our people.

The Oklahoma Department of Agriculture, through its Veterinarian Division, stands ready to lift the quarantine which it has imposed on all infected animals for the singular purpose of allowing processing through Federal inspected meat plants. The raisers, however, find themselves confronted with the necessity of selling these hogs at a greatly reduced price. By investigation it has been revealed that the price they may expect to receive is from 6c to 10c a pound, whereas the market of uninfected animals stands fairly steady at from 21c to 25c.

It has been estimated that an indemnity fund of $85,000 from our General Revenue, matched by the Federal Government will partially indemnify from loss and bankruptcy the unfortunate few whose animals are at this time under quarantine.

A bill for this purpose was, as you know, passed by the Senate and subsequently killed in the House, although the sanction of this office had been given to the measure. It is now apparent the seriousness was not explained or understood by those who opposed the measure.

As a principle, I am opposed to the thought that any division of our government shall be called upon to absorb the business loss of any individual or individuals. The present situation, however, involves still another prin-

ciple, i.e., the possibility and even probability of a complete destruction of the hog industry of the State. Further, the industry is of such magnitude that the impact on the general economy would result in a situation near disaster.

Because of the foregoing I call on you to resurrect the bill that has met defeat in the House, if it is legally possible to do so. If under the law such action cannot be accomplished, then, in that event I recommend and strongly urge that the amount of funds required be placed at the disposal of the Department of Agriculture for the limited purpose of indemnifying in part, those who, through no fault of theirs, stand to suffer the losses as cited above.

Since the Governor's Contingency fund cannot be used for any purpose while the Legislature is in session, my financial hands are tied and for this reason I now call on you.

BY THE GOVERNOR OF THE STATE OF OKLAHOMA:

Johnston Murray.

Referring further to **HB 1091:**

The vote occurring on the Fronterhouse motion, it was declared adopted.

President Berry presiding.

MESSAGE FROM GOVERNOR

Advising disapproval by him, June 2, 1953, of Enrolled **SB 458** for the following reasons:

The bill has for its purpose the authorization of the use of $8,000.00 from the Court Fund for the purpose of constructing and equipping buildings for the county free fair.

In such an authorization it is to be noted that a fund having been created for one purpose would be diverted to a purpose completely foreign to the function for which it was originally established.

It is with full knowledge of the tremendous value by way of encouragement for a better Oklahoma that county fairs offer; however, fairs of all kinds should be the result of pride and interest on the part of the people for which such fairs are conducted.

Due to the fact that there is such a broad difference in the purpose of County Courts and County Fairs, it is inconceivable to me that a diversion of funds from the Court Fund to the purpose intended in **SB 458** should be allowed. I therefore feel it my duty to disapprove this measure.

BY THE GOVERNOR OF THE STATE OF OKLAHOMA:
Johnston Murray.

Senator Cook moved that Enrolled **SB 458** become a law notwithstanding the veto of the Governor.

On the question, "Shall Enrolled **SB 458** become a law notwithstanding the veto of the Governor, the roll call resulted as follows:

Nay: Jones.—1.

Not Voting: Garvin, Logan.—2.

The Bill, having received the constitutional two-thirds majority of the votes of all members elected to and constituting the Senate, was declared passed.

On the question of passage of Enrolled **SB 458** as an emergency measure,

notwithstanding the veto of the Governor, the roll call resulted as follows:

Aye: Allen, Baldwin, Ballinger, Boecher, Carrier, Cartwright, Chapman, Cobb, Collins, Cook, Cooper, Coppock, Cowden, Dacus, Field, Fine, Gary, Grantham, Hamilton, Hope, Irwin, Kight, Logan, McClendon, Mahan, Maltsberger, Medlock, Miskovsky, Morgan (Craig), Morgan (Logan), Nix, Price, Rinehart, Russell, Shoemake, Smalley, Walker, Wilson (Beckham), Wilson (Greer), Young.—40.

MESSAGES FROM THE HOUSE

Advising adoption of and transmitting for consideration:

ENROLLED **HCR 542**—By Dale of the House and Field of the Senate—A Concurrent Resolution memorializing the United States Congress to pass Legislation which will prevent the classification of a gas production company as a utility company because of the fact that said gas production company delivers gas to freeholders in the area of gas wells at a rate equal to the amount received by one-eighth (1/8) interest royalty owners.

Senator Field asked unanimous consent, which was granted, that **HCR 542** be taken up for immediate consideration, the Resolution being read at length as follows and adopted upon his motion:

ENROLLED HOUSE CONCURRENT RESOLUTION NO. 542—By Dale of the House and Field of the Senate.

A CONCURRENT RESOLUTION MEMORIALIZING THE UNITED STATES CONGRESS TO PASS LEGISLATION WHICH WILL PREVENT THE CLASSIFICATION OF A GAS PRODUCTION COMPANY AS A UTILITY COMPANY BECAUSE OF THE FACT THAT SAID GAS PRODUCTION COMPANY DELIVERS GAS TO FREEHOLDERS IN THE AREA OF GAS WELLS AT A RATE EQUAL TO THE AMOUNT RECEIVED BY ONE-EIGHTH (1/8) INTEREST ROYALTY OWNERS.

WHEREAS, Texas County is located in a semi-arid region of Oklahoma; and

WHEREAS, Texas County and adjacent area is now in the second year of severe drouth and the farmers face the prospect of total crop failure; and

WHEREAS, to mitigate the effects of drouth the farmers of this area have increasingly turned to deep well irrigation where water production is proven; and

WHEREAS, the depth of these wells and the unusual water lift involved makes the use of natural gas mandatory because the cost of other available fuels is prohibitive; and

WHEREAS, the largest gas production company within this area has served notice on farmers that it cannot continue to deliver gas for the irrigation motors because such action might possibly place said production company in the classification of a utility company and thus restrict their operation:

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE STATE OF OKLAHOMA AND THE HONORABLE SENATE CONCURRING THEREIN:

That it is the will of the Oklahoma Legislature that gas production companies in the Guymon-Hugoton field be empowered to deliver natural gas to the farmers in the area of said field

without being classified as a utility company.

That the price paid be the same as the rate that the gas production companies pay the royalty owners in that area.

That such reciprocity agreements which create no profit to the gas production companies shall not be used as evidence to classify a gas production company as a utility by Goverment regulations when said company would not otherwise be classified as a utility company.

That each member of the Oklahoma Congressional delegation in Washington be forwarded a duly authenticated copy of this Resolution.

Enrolled **HCR 542** was properly signed and ordered returned to the Honorable House.

SECTION 11. Every Local Registrar

of Vital Statistics of each county in the State subject to the provisions of this Act shall furnish, free of charge, to the County Registrar of such county at the end of each month a copy of his or her report of deaths that have occurred within such county during the month reported, and shall further permit said County Registrar to procure such information as said County Registrar may deem to be necessary to keep the registration books in a proper up-to-date condition. Immediately upon receipt of the list of deaths from any local Registrar of Vital Statistics the County Registrar shall remove, or cause to be removed, from the active file and from the Precinct Register, the permanent registration forms of the deceased persons; said forms shall then be inscribed with the notation that such electors died on the date the death occurred, and said forms shall then be placed in the inactive division of the General Register, and shall be carried in the inactive division in a sub-division marked "deceased" and shall there remain.

SECTION 12. Every person who shall possess all the qualifications of an elector, as defined in Section 1 of Article III of the State Constitution, shall be entitled to register under the provisions of this Act as an elector of the precinct in which he is entitled to vote, and upon so registering shall receive an identification card or slip certifying such registration. In addition, any person who will become a qualified elector in any precinct, before the next ensuing election to be held in said precinct, shall be entitled to be registered under the provisions of this Act. From and after February 1, 1954, no person shall be permitted to vote at any election unless he shall have been registered under the provisions of this Act; provided, that the provisions of this Act shall not apply to school district elections or require electors to be registered to vote in any school district elections. It is the purpose and intention of this Act that all persons now registered as electors under the present law shall re-register under the provisions of this Act. No elector registered hereunder shall be required to register again, for any election while he continues to reside in the same precinct, unless his registration is placed in the inactive file for failure to vote in three (3) consecutive State-wide elections as in this Act provided; in the event the precinct in which a registered elector resides is abolished or has its boundaries altered, the County Registrar shall change said Elector's registration form to show him to be registered in the proper precinct without any request from such elector. Provided, however, any qualified elector heretofore duly registered under the laws of this State in force immediately prior to the passage of this Act shall be entitled to re-register under the provisions of Section 8 of this Act on election day and vote at any State-wide election in the year 1954, anything in this Act to the contrary notwithstanding. Such qualified elector shall surrender his or her old registration certificate or make affidavit subscribed before the precinct registrar under pain or perjury that he was previously so registered, and stating his or her address or precinct number when last registering, together with an affidavit subscribed before the precinct registrar by a qualified elector of said precinct that the applicant for re-registration is a qualified elector of said precinct.

It shall be the duty of each precinct registrar to be at the polling place in his or her precinct during the hours of voting on each day of a State-wide election in the year 1954, and to register electors hereby authorized to be registered.

SECTION 13. If any qualified elector has registered in a county subject to the provisions of this Act, and shall thereafter change his residence to and

become a qualified elector of another precinct in such county, he shall be entitled to a transfer upon making application to the registrar of the precinct in which he is then a qualified elector, or to the County Registrar. Said application, if made to the Precinct Registrar, shall then be delivered by the Precinct Registrar to the County Registrar. The County Registrar shall examine the said application, and if it be in proper form the County Registrar shall transfer the original permanent registration form of such elector to the proper Precinct Register; and shall note the transfer on both the original and duplicate permanent registration forms. The form of said application shall be prescribed by the County Registrar. Any elector who has registered under this Act who shall change his residence to and become a qualified elector in another county shall apply for registration under the laws applicable to such other county.

SECTION 14. (a) Any person applying for registration may be challenged by any qualified elector of the County. Any person so challenged shall answer the questions of the challenge affidavit, as herein specified, and, after his answers have been recorded, he shall subscribe to them by his signature or mark, and swear to their truth.

(b) The challenge affidavit shall be in form prescribed by the County Registrar, and shall contain space for the following information: (1) serial number; (2) place and date of execution; (3) full name of challenged applicant; (4) whether he is married or single; (5) if married, where his family resides; (6) if single, where his parents reside; (7) where applicant actually resided immediately before he took up his present residence; (8) his residences for the four (4) months immediately preceding date of execution; (9) the name of his present employer; (10) the city, street and number of his place of business; (11) sex of the applicant; (12) his color; (13) the date of his birth; and (14) such distinguishing marks, peculiarities, and further information for identification as the County Registrar shall prescribe.

(c) If such challenged applicant shall establish his right to be registered as required by this Act, to the satisfaction of the registrar, he shall be permitted to be registered.

(d) Any person making application to be enrolled as a member of a political party for the purpose of voting at primaries may be challenged by any qualified elector of the county. Any person so challenged shall be enrolled as a member of such party if he shall make and subscribe an affidavit that, at the last election at which he voted, he voted for a majority of the candidates of such party; but if he is unable or unwilling to make such an affidavit, he shall be denied enrollment as a member of such party, but he shall not be deemed to be guilty of any violation or attempted violation of any law by reason thereof.

(e) The affidavit of any applicant for registration, made pursuant to any of the provisions of this Section, shall be attached to and considered a part of the duplicate permanent registration form of such applicant.

SECTION 15. The Precinct Registers of each precinct shall contain only the names of the persons eligible to vote in the next election and shall be delivered by the County Registrar to the Secretary of the County Election Board not later than five (5) days next preceding any election or primary election. The County Election Board shall deliver the Precinct Register to the proper election officers of each precinct for use at the election. The precinct Registers shall be returned to the Secretary of the County Election Board,

and returned by the Secretary of the County Election Board to the County Registrar, not later than five (5) days after each election and primary election. The Secretary of the County Election Board, the County Election Board, and the precinct election officials shall have responsibility for the custody and safekeeping of the Precinct Registers after said registers have been delivered to the Secretary of the County Election Board by the County Registrar and before their return to the County Registrar.

SECTION 16. (a) The County Election Board shall have authority to prescribe reasonable rules and regulations in order to determine whether persons who appear to vote are in fact registered voters of the precinct.

(b) The County Election Board in all counties covered by this Act, shall formulate and adopt suitable rules and regulations providing that as each voter draws his ballot he shall sign his name and address in ink in a permanently bound signature book provided for that purpose and such signature shall be the best evidence of the fact of such voter having voted at such election. No person shall sign for any other person except that the inspector of such precinct in the presence of the judge of such precinct may sign the name of any voter after the mark of any voter who is incapable of signing his own name. The signature book provided for herein shall be returned to the County Election Board with, but outside of, the ballot box and shall be retained by the County Election Board as a public record for a period of not less than three (3) years. Violation of this Section shall constitute the offense of forgery of public records.

(c) It shall be the mandatory duty of the County Registrar to search the voter list of the county for all duplications of registrations and make personal determination that no elector is registered more than once in any precinct nor in more than one (1) precinct of the county.

SECTION 17. The County Election Board shall have authority to employ such clerks as are necessary to assist in carrying out the duties imposed upon the County Registrar by this Act, not to exceed four (4) in number. Said clerks shall also assist the County Election Board in performing its duties. The salaries of such clerks shall be fixed by the County Election Board.

SECTION 18. It shall be the duty of the Board of County Commissioners to provide an office for the County Registrar and his clerks, which office shall be either in or near the office of the County Election Board.

SECTION 19. When the re-registration herein provided for is complete, the old certificate and books of registration in use before said re-registration are hereby invalidated and cancelled; and the records herein provided for shall be the sole evidence of the registration of the electors of the county.

SECTION 20. Except as provided in Section 8 (f) (2) of this Act, each city, town or precinct registrar in each county subject to the provisions of this Act shall receive ten cents ($0.10) prior to February 1st, 1954, and on any Statewide election day in 1954, and shall receive twenty-five cents ($0.25) from and after February 1st, 1954, except as provided above.

(1) For each elector who he registers in his precinct;

(2) For each elector who he transfers as provided in Section 13 of this Act;

(3) For each application he receives for transfer of an elector's permanent registration form from the inactive to the active file, as provided by Section 10 of this Act;

(4) For each person who applies to him for registration and whose application is successfully challenged or otherwise properly rejected.

(5) If the fees of such city, town or precinct registrar during any fiscal year are less than Twenty-five ($25.00) Dollars, the Precinct Registrar shall be paid by the county, an additional compensation sufficient with said fees to equal said sum.

SECTION 21. It shall be the mandatory duty of the Board of County Commissioners and of the County Excise Board, upon an estimate submitted by the County Election Board, to include in the county estimate, and to make an appropriation in the county budget, for each fiscal year following the effective date of this Act, the amount necessary to pay the compensation of the County Registrar, the precinct, city and town registrars, the clerical employees of the County Election Board and the expenses of the forms, supplies, and records necessary for compliance with this Act.

SECTION 22. 26 O. S. 1951 Section 24a, as amended by Section 1 of Senate Bill No. 139 of the Twenty-fourth Legislature of the State of Oklahoma is hereby amended to read as follows:

Provided, however, that in no event shall they be allowed pay for more than thirty (30) days in one (1) fiscal year, and the Secretary of the Board shall, in addition to said per diem, be allowed Four Hundred Twenty ($420.00) Dollars per annum compensation for keeping the records in counties with Fifteen Thousand (15,000) population or less, and in counties with greater population the Secretary of the Board shall receive an additional Fifty ($50.00) Dollars per annum for every Five Thousand (5,000) additional population or major fraction thereof. Provided, however, in counties having a population of Sixty-two Thousand (62,000) or more according to the Federal Decennial Census of 1950, or any subsequent Federal Census, the Secretary of the County Election Board shall receive as compensation for his services the sum of Three Thousand Six Hundred ($3,600.00) Dollars per annum, payable monthly. Whenever it shall become necessary for the Secretary of the State Election Board to perform official duties away from the State Capitol, he shall be entitled to receive his actual and necessary traveling expenses. All salaries, per diem, fees and expenses under this Section except as otherwise specifically provided herein, shall be an obligation of the State of Oklahoma, and shall be paid by the State Auditor upon proper vouchers approved by the Secretary of the State Election Board.

SECTION 23. All acts or parts of acts, insofar as they are in conflict with this Act, are hereby repealed.

Grant that every privilege shall be matched by a loyalty to duty, every right by a conscience and sense of responsibility.

We thank Thee, our Father, for these who have served in this session of the legislature. Accept their service of achievement and their deep concern for the welfare of those people whom they serve, as having been given unto Thee.

In the closing hours of this session may Thy wisdom direct the members of this Senate; give them an understanding like Thine; make Thy will to be theirs, and their decisions to aid the coming of Thy Kingdom in men's lives and hearts.

Through Jesus Christ, our Lord. Amen."

COMMUNICATION

By unanimous consent, upon request of Senator Rinehart, the following Communication from Otis Sullivant, veteran statehouse reporter of the Daily Oklahoman, was ordered incorporated in the Journal:

State Senate
Attention: Senator Raymond Gary
President Pro Tempore
State Capitol
Oklahoma City, Oklahoma

Gentlemen:

I thank you for the flowers and I am grateful for the resolutions delivered to me in the hospital by your committee.

It was most kind of you to express sympathy for me for injuries received when a horse fell on me, and it was very thoughtful and considerate of you to commend the horse, Ginger, for breaking my leg. I know Ginger will appreciate it, too. I assure you the resolutions were received in the same good spirit with which the Senate adopted them.

I regret that I cannot be on hand for the closing of the session. It is some consolation, however, not to have to try to find out what is in every conference committee report adopted in the last rush. I will not have to get

in the way of the floor leaders, Bill Cordell, Bill Shipley and Katherine Manton and other members of the Senate Staff to get this last information which the public should have.

Sine die adjournment will come. It always has in the past, although sometimes it looked as if it couldn't be accomplished. The state can withstand it all. It has before. Things probably won't be as bad as they seem after it is all over and you Senators are back home.

I will be confined to a chair, a wheel chair and a bed in my home at 2121 Gatewood for nearly three more weeks. It will be that long before I can swing my foot down. Despite differences of opinion over various matters, I have always regarded each member of the Senate and its staff as my friend. If any of you gentlemen are in my neighborhood before the session ends, drop in for a visit. The front door is open and I certainly am not going anywhere.

Respectfully,

Otis Sullivant

AN ACT RELATING TO THE FISCAL AFFAIRS OF THE STATE; CREATING POSITIONS AND FIXING THE SALARIES OF CERTAIN STATE OFFICIALS AND EMPLOYEES PAYABLE FROM THE GENERAL REVENUE FUND AND SPECIAL FUNDS OF THE STATE; DESIGNATING SPECIAL FUNDS FROM WHICH CERTAIN SALARIES ARE TO BE PAID; LIMITING THE NUMBER OF FULL TIME EMPLOYEES TO BE EMPLOYED AT ANY ONE TIME BY EACH STATE AGENCY LISTED HEREIN; PROVIDING FOR TRAVELING EXPENSES OF THE GOVERNOR; FIXING THE EFFECTIVE DATE OF THIS ACT; MAKING THE PROVISIONS OF THIS ACT SEVERABLE; REPEALING ALL ACTS OR PARTS OF ACTS INSOFAR AS THEY CONFLICT WITH THE PROVISIONS OF THIS ACT; AND DECLARING AN EMERGENCY.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. It is hereby declared to be the policy of the Legislature, subject

to § 56, Article V, of the Oklahoma Constitution, and the limitations of this Act, to provide the appointing authority of each State agency a means of adjusting the rates of pay for positions for which the appropriations are made in the General Appropriation Act, and to provide incentive for employees holding said positions to become more efficient in the execution of their duties.

SECTION 2. This Act shall be known as the "Statutory Salary Act of 1953."

SECTION 3. For the purposes of this Act the term "State Agency" shall include each State department, board, commission, and each of the several courts of the State, set forth as separate sections of this Act.

The term "Appointing Authority", for the purposes of this Act shall mean the Administrative Head of a State agency or its Controlling Board, Commission or Court.

SECTION 4. This Act shall be effective for each fiscal year of the biennium beginning July 1, 1953 and ending June 30, 1955.

SECTION 5. The "Appointing Authority" of each State agency shall employ necessary personnel and appoint them to the positions authorized by this Act for each State agency, at annual salaries, payable monthly, which shall not exceed the amount designated as the maximum annual salary for each respective classification of positions set forth in the following sections. The appointing authority shall fix the current monthly salary within the minimum and maximum range for each position title based upon qualifications, experience and efficiency of the employee holding said position and may provide for increment raises from the minimum to the maximum by regulations of each State agency. The titles set forth for each position are for administrative guidance and are intended to set forth a title which was indicative of the original duties assigned to each position and in most cases the principal duty assigned to employees holding said position. However, it is not intended to restrict the appointing authority in such manner that other duties could not be assigned to any position title. The salaries authorized to be paid for each position shall be payable from the General Revenue Fund of the State unless otherwise indicated. Where more than one (1) employee is authorized for a position title the minimum and maximum amounts shown for the position title shall constitute the annual amount authorized for each position under that title. The number of positions authorized herein for each State agency, and the minimum and maximum salaries set forth for each position title, shall be effective only within the limits of the total appropriation in the general appropriation bill for each State agency for each fiscal year. In the event the total appropriation in the general appropriation bill for any fiscal year to any State agency is insufficient to pay the annual salary of all positions herein authorized, the appointing authority shall adjust the personnel requirements within the positions authorized and the rates of pay of positions filled in such a manner that the total amount appropriated will not be exceeded during any fiscal year, Regardless of the provisions of any prior act of the legislature, the positions for each state agency set forth in this Act shall constitute all of the positions authorized for the two (2) fiscal years of the biennium beginning July 1, 1953 and ending June 30, 1955. Salaries may be paid from lump sum appropriations for extra help, in addition to the positions herein authorized when such appropriations are made by an Act other than the General Appropriation Act.

526—By Sandlin, Kelly, Bradley, Haning, Collins (Seminole), Miller and Harkey (Oklahoma).

A JOINT RESOLUTION PROPOSING AN AMENDMENT TO SECTION 53, ARTICLE 5, OKLAHOMA CONSTITUTION, AUTHORIZING THE OKLAHOMA LEGISLATURE TO ABSOLVE REAL PROPERTIES OF TAX AND ASSESSMENT CHARGES UNPAID FOR ANY PERIOD EQUAL TO OR GREATER THAN THE PERIOD FIXED BY LAW AUTHORIZING THE TAKING OF TITLE TO REAL PROPERTY BY PRESCRIPTION, AND DIRECTING THE SECRETARY OF STATE TO SUBMIT THE SAME AT THE NEXT GENERAL OR SPECIAL STATE-WIDE ELECTION.

WHEREAS, the State of Oklahoma has reached such maturity that the expense to conveyors of real property to canvass ancient and dilapidated tax rolls back to the beginning to ascertain if all tax charges thereto have been paid, is out of all proportion to the public revenues recoverable; and

WHEREAS, on the other hand, the expense of rebinding the ancient, worn-out, oft-handled, and tattered tax rolls of the earlier years in the several counties of this State would be unconscionably and excessively disproportionate to the very few, isolated, and ordinarily unnoticed items of unpaid tax obligations of such earlier years;

THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES AND THE SENATE OF THE TWENTY-FOURTH SESSION OF THE LEGISLATURE OF THE STATE OF OKLAHOMA:

SECTION 1. That the Secretary of State shall refer to the people of the State of Oklahoma for their approval or rejection, as in the manner provided by law, at the first Special or General election, the following proposed amendment to Section 53 of Article 5, Oklahoma Constitution:

Section 53. Except as to tax and assessment charges against real property remaining delinquent and unpaid for a period of time as long or longer than that provided by law to authorize the taking title to real property by prescription, the Legislature shall have no power to release or extinguish, or to authorize the releasing or extinguishing, in whole or in part, the indebtedness, liabilities, or obligations of any corporation or individual, to this State, or any county or other municipal corporation thereof.

SECTION 2. The ballot title for said proposed amendment shall be in the following form:

THE GIST OF THE PROPOSITION IS AS FOLLOWS:

Shall a Constitutional Amendment, amending Section 53 of Article 5, Oklahoma Constitution, so as to provide that the Legislature may authorize that tax and assessment charges against real property may be abated and the property absolved thereof after the running of a period of time as long or longer than that provided by law authorizing the taking title to real property by prescription, be approved by the people?

STATE OF OKLAHOMA
EXECUTIVE DEPARTMENT
DIVISION OF THE BUDGET
June 1, 1953

State Board of Equalization
Capitol Building
Oklahoma City, Oklahoma
Gentlemen:

The Constitution of the State of Oklahoma, Section 23, Article 10, requires the State Board of Equalization to make an itemized estimate of the revenue which will accrue to the General Revenue Fund and each special fund of the State

for each year of the biennium and to file same with the Governor, President of the Senate and the Speaker of the House of Representatives prior to the convening of each regular session of the Legislature. You have complied with this requirement.

This Section further provides "that the Legislature may, at any regular session * * * enact laws to provide for additional revenue other than Ad Valorem taxes or transferring the existing revenues or surplus from one fund to another where upon it shall be the duty of the State Board of Equalization to make an estimate of the revenues that will accrue under such laws and to file the same with the Governor, President of the Senate and the Speaker of the House of Representatives and the amount of any increase or decrease resulting, for any reason, from such laws, shall be added to or deducted from each respective fund, as the case may be. The amount of such adjusted estimate shall be the maximum amount which can be appropriated for all purposes from any fund for each year.

The Constitution of the State of Oklahoma further provides that the cash surplus if any, from the preceding fiscal year, in the hands of the State Treasurer, to the credit of any fund which has not been previously appropriated by the Legislature at the time the estimate is made, may be added to the estimate. In this connection attention is called to the provisions of House Bill No. 30, Regular Session, Twenty-First Legislature, creating the Emergency Appropriation Fund.

Special Funds. The Constitution, Section 23, Article 10, provides that " any department, institution, or agency of the State, operating on revenues derived from any law or laws which allocate the revenues thereof to such department, institution or agency, shall not incur obligations in excess of the unencumbered balance of surplus cash on hand." This provision eliminates the necessity of making specific appropriations for earmarked revenues appropriated to special funds which operate as a continuing appropriation. The Legislature makes appropriations for certain governmental functions out of special funds which do not operate as continuing appropriations. The amount that can be appropriated from these funds is indicated in the following statements.

OKLAHOMA TAX COMMISSION FUND

	1950	1951	1952

THREE YEAR AVERAGE			22,891,458.58

Your attention is called to the Public Building Fund, which as of June 1, 1953, has an unappropriated balance of $89,286.61. The collections to this fund fluctuate to such an extent that it would not be safe to estimate the full amount of the three-year average for the biennium. In view of the amount of above stated unappropriated balance, the Budget Office is of the opinion that conservative estimate would be $300,000.00 for the fiscal year ending June 30, 1954 and $200,000.00 for the fiscal year ending June 30, 1955.

There exists in the 1952 General Revenue Fund a cash balance of $543,225.13. This balance, if not appropriated, will be transferred June 30, 1953 to the Emergency Appropriation Fund for the fiscal year ending 30, 1953. Since the Legislature has been making appropriations from this fund, you may desire to include this balance of $543,225.13 in your estimate for appropriations.

The statement on the following pages are detailed analysis of the funds for the fiscal years 1950, 1951, and 1952, which are actual amounts, and for the years 1953, 1954, and 1955, which are estimated amounts. These statements are submitted for your consideration in making your estimate for the biennium.

Respectfully,
JAMES K. SMITH
State Budget Director.

MESSAGE FROM THE GOVERNOR

To the President and Members
Of the Honorable Senate
Twenty-fourth Oklahoma Legislature

Gentlemen:

I am herewith returning:

ENROLLED SENATE BILL NO. 198 —By Miskovsky and Price of the Senate and Alexander et al of the House— An Act relating to elections; authorizing on approval of State Election Board, voting machines in holding elections in counties having a population in excess of 250,000 * * * and declaring an emergency.

I regret to inform you that I am unable to concur in certain of the vital provisions of this Bill, and have, therefore, been compelled in good conscience and through a sense of duty to exercise the constitutional power of disapproval. I return this bill at this time, by agreement with its authors, although its final due date is Monday, June 8th, in order to afford an opportunity to override this veto, if that is the wish of your Honorable Body.

Let me say at the outset that I have no inherent prejudices against the use of voting machines. It is true that they afford a convenience and expeditious way of casting the vote. If our State and municipal economy was sound and we had money to spare that was not needed for other and more vital necessities, I would not hesitate to make this convenience available to the electorate. Due, however, to the hazardous condition of the financial structure of the whole State and all of the municipalities, I feel that this is no time for luxuries, or even what might be termed dispensable necessities.

It has been argued with much force that the use of voting machines will eliminate to some degree the temptations to commit fraud. This may be true but, on the other hand, another age-old method of preventing fraud is the selection of men and women of high personal integrity to conduct our elections. As you are aware, the election machinery is largely in the hands of and controlled through the patronage of the Honorable Body whom I now have the privilege of addressing. It is urgently recommended that you give immediate attention to a complete inventory of the conditions in your respective districts with a view to raising the standards of moral integrity, if such is needed in any district, remembering, at the same time, machines also can be tampered with.

A great deal of progress has been made in the enactment of new laws, general and special, having to do with elections in Oklahoma, and I feel that the recent publicity concerning the conduct of elections in Oklahoma County will have a most salutary effect throughout the State for a long period henceforth. By that time, perhaps, we can afford to indulge ourselves in the luxury of voting machines. It is my understanding that some 400 of these machines are anticipated at a cost of $1200.00 each, or a total of $480,000.00.

Aside from the general situation to which I have made reference, I find certain other very grave specific objections to this Bill. They follow:

(a) Section 3 of this Bill, most adroitly written, undertakes to authorize municipalities (counties) to purchase voting machines on a so-called rental basis, the title of the machines to vest in the municipality when a rental equal to the aggregate amount of the cost shall have been paid, plus interest to be charged thereon. Provision is made for the renewal of the contract from year to year. No fixed rental period is mentioned. It may be two years, it could be twenty. But when this Section is stripped of its adroit phraseology and examined in the clear light of its true meaning, we find that it's nothing more than a subterfuge to evade the terms and provisions of the Constitution of the State of Oklahoma concerning the fiscal affairs of the counties and to authorize such counties to enter into an orgy of installment buying. Yearly renewal of the contracts is no cure. It

simply amounts to the pyramiding of void contract upon void contract on the theory that, if enough void contracts are carried out, the county will ultimately owns the property. This question has heretofore been determined and I think definitely settled in the case of Boardman vs. Board of Commissioners of Pontotoc County, Oklahoma. Circuit Court of Appeals, Tenth District, 116 Fed. Rep. 2249. If there is any part of the Constitution of the State of Oklahoma that deserves to be given preference over any other part, I contend that the portion relating to the collection and expenditure of public monies should be observed and enforced with fervent rigidity. Our Constitution contemplates that the State and all of its subdivisions shall be operated on a "pay as you go" basis, and I cannot now and never will be able to bring myself into the position of believing that installment buying, under any guise, comports with this requirement or represents a sound public policy under any circumstances.

(b) This Bill attempts to vest in the Election Board the power to purchase and make contracts rather than in the County Commissioners where the power should and ought to be by reason of their position as the fiscal agents and business managers of the respective counties.

(c) Section 4 of the Bill and other subsequent sections have the effect of prescribing rigid specifications for the kind and type of machines to be used leaving little, if any, discretion for the writing of specifications such as will invite fair competition in the open market so that the best machines at the lowest possible cost can be procured. It is my considered judgment that this is unwise and should not be tolerated.

For the reasons above stated, I have been compelled to disapprove this Bill, and am herewith returning it as by law required.

BY THE GOVERNOR OF THE STATE OF OKLAHOMA:
Johnston Murray.

Senator Miskovsky moved that Enrolled **SB 198** become a law notwithstanding the veto of the Governor.

The Committee appointed to invite the Governor to the Chamber was recognized and escorted the Chief Executive, Honorable Johnston Murray, to the President's desk.

The President asked that Mrs. Murray, also a guest in the Chamber, be escorted to his desk, which was done.

The Governor, in appreciation for their cooperation and services, presented President Pro Tempore Gary, Majority Floor Leader, Senator Cowden and Assistant Floor Leader, Senator Nix, with bill folds made in Mexico with their names inscribed thereon. Following these presentations, Governor Murray delivered the following statement:

In these closing moments of the 24th regular session of the Oklahoma Legislature, I come before you Honorable members of the House and Senate with mixed feelings. It would be untrue if I were to say that everything which has transpired here has been completely to my liking. By the same token, no doubt there have been times when my desires and beliefs ran contrary to what the majority of you elected representatives of the people considered the logical course to follow. Such conflicts are bound to occur. They are the heart and soul of our democratic process. I'm sure not a man here would willingly give up his right to agree or disagree, as his conscience tells him. It is understandable that people, at times, become discouraged by what seems endless debate and maneuvering. But when the debate rages at its highest fever pitch, with all groups speaking out passionately for their particular belief, that is democracy's proudest hour. Here in these halls we have no one master with his serf followers. Here all representatives of the people are free to speak out with equal force. True, our deliberations could be ever so much shorter and less bombastic if we all adhered to the same belief in every instance. But that kind of efficiency is found only where a few men rule through coercion and the mailed-fist. So long as there is breath in those of us here assembled, I'm confident such efficiency by dictatorship will never come to Oklahoma.

Like most of you, I have had my disappointments during this session of the Legislature, just as I'm sure every Governor before has had his disappointments. But during the past several months of your deliberations, I have also been greatly pleased by your actions many times. The legislative process is not a one-way street, even though some have the mistaken notion that is what it should be. Instead, it is more like a four-lane superhighway, complete with overpasses and underpasses, and with traffic moving in and out from all directions. To the casual observer, all the hustle and bustle of heavy traffic may seem like hopeless confusion, just as the long-winded deliberations of a legislative body may also appear confusing. Now that we are near the moment of sine die adjournment, however, I can say in all truthfulness that from the chaos and clutter of a few weeks ago has developed a program for the citizens of Oklahoma for which they should be, in the main, grateful.

In retrospect, I can recall the passage of much legislation through your deliberations which I deem of great benefit to our state. Also of special importance to me personally are the many new friendships I have made among you individually. From closer association has come a better understanding, I feel, on the part of both of us, than seemed possible during the earlier days of my administration. There are many

among you I could name who have grown tremendously in stature during this session. You have demonstrated those qualities of spiritual and moral integrity which are assets every man in political life must possess if he is to continue his career successfully. I thank God at this moment for such pleasant memories of this legislature, and for the new and old friendships which I shall cherish forever.

But every rose has its thorns, and I would not try to pretend all has been sweetness and light. I am also forced to recall unwarranted personal attacks, which I have chosen to leave unanswered. It is not my nature to engage in bitter tirades against those whose opinions may differ from my own. They undoubtedly have reasons for their beliefs, just as I have what I consider good reasons for disagreeing. It is my feeling such differences only become more pronounced when we engage in the ancient political sport of name-calling. It is the people who lose when men in public life stoop to such tactics instead of busying themselves with the real duties for which they were elected.

It is discouraging, to say the least, when we witness a public official failing to recognize the true needs of the inarticulate average citizen, and turning instead to frivolities in order to hide his own shortcomings. Worse still is to watch those who bow and scrape before the very articulate pressure groups stalking these halls, offering everything from dire threats to under-the-table riches. There will be elections again in 1954, as we all know. Whether or not I am a candidate myself, I feel I would be derelict in my duty if I failed to continue telling the citizens of Oklahoma what I have seen and what I know. That holds true for things both good and bad. People of this state are entitled to know about all those things which will affect them, beneficially or adversely, for many, many years to come.

I have the greatest admiration and praise for many men here who have fought hard and long to correct evils emanating from bad legislation and weak administration. They have demonstrated great strength and fortitude, and have several times overcome strong odds against them to win an important point for the cause of improved government. All our hopes for a better, stronger, cleaner government in Oklahoma depend on continuing these men in office or elevating them to even higher posts. Meantime, for those who fail to grow, the few who seek self-aggrandizement through tactics of obstruction and destruction, a special fate also waits them. They will be visited, sooner or later, by the political oblivion they deserve, and which they well know they deserve.

Overall, however, a great deal of lasting benefit has come from this 24th Oklahoma Legislature. Many long-standing evils have been ferreted out and the light of public scrutiny shone on them. We have made important progress in the fields of mental health, traffic in narcotics, election frauds, certain weaknesses in our educational system. These and many other shortcomings have been pulled out from mouldy corners, given a good scrubbing, and left in the open to be purified by fresh air.

Those who are most critical of our deliberations here cry that there are many other things we could have done. True enough. But as the saying goes, Rome wasn't built in a day. Evils which we still have with us have become monsters through the slow process of evolution. They must be destroyed by the same slow process. The important thing, it seems to me, is that we have at last taken a few steps in the right direction. We did not correct every evil

now existing, but we have removed several of them. At the same time, a careful watch has been kept to prevent new legislative evils from creeping in. I will be the first to admit this is not perfection. It does represent progress, however, and for that progress we should all be grateful.

Now, this final word. I have had my differences with some of you here. It may well be that we will disagree at other times in the future on certain issues. Such differences are inevitable, since none of us is all-wise or all-seeing. I can assure you, though, that there is not a man among you for whom I carry any real hatred in my heart. It is my hope that each of you can reciprocate in this feeling. We have worked hard and long, and now we come to the close of our deliberations. It has been a memorable session. God bless you all.

President Pro Tempore Gary presiding.
