Senator Geo. Miskovsky
State Capitol
Oklahoma City, Oklahoma
Dear Senator Miskovsky:

At our 25th annual convention held here in Tulsa, May 1st, 1955, The Oklahoma State Association of Barbers unanimously endorsed Senate Bill 345.

This bill if passed will give our state board the funds they so badly need to carry on the functions of that office. It will in addition add some money to our states treasury.

In this bill we are merely asking that we be permitted to tax ourselves in order to raise enough funds to carry on our affairs more efficiently.

I realize that the barbers of this state have been in the lawmakers hair out there for a long time. With the passage of this bill we feel that we can let them live in peace for a while.

With best wishes, I am,

Sincerely,
O. C. Burris
Secy.-Treas.,

WHEREAS, the Committee on Federal Aid to Agriculture, a subcommittee of the President's Commission on Intergovernmental Relations, has reportedly recommended to the Commission the transfer of the function of soil conservation technical assistance to the various states; and

Miss Young, daughter of Sen. and Mrs. Virgil Young, 818 W. Eufaula St., drew caricatures of various types found in school.

Regional judging was held in Oklahoma City and 100 of the top pieces were sent to the Pittsburgh show.

Extending from May 7 through 31, the exhibition is the climax of the 1955 Scholastic Art Awards school-year program, with preliminary regional exhibitions held in 40 areas earlier this year. Forwarded to Carnegie Institute for national judging by a group of 32 art experts and educators were those pieces which had been awarded gold achievement keys by regional juries.

Students submitted about 170,000 entries this year from all 48 states and U. S. possessions. About 36,000 pieces won places in regional exhibitions. A total of 1,475 entries have won places in the national show, representing 26 different classifications in the fields of pictorial art, graphic arts, commercial art, design, sculpture and ceramics, and crafts.

The deduction allowable under this subsection shall be reduced by an amount which bears the same ratio to the amounts allowed as deductions and exemptions as the amount otherwise deductible under this subsection bears to the value of the decedent's gross estate.

Where the property referred to in this subsection consists of two or more items, the aggregate value of such items shall be used for the purpose of computing the deduction.

Senator Miskovsky asked that the following editorial from the Daily Oklahoman be read and incorporated in the Journal, which was the order.

WEAKENED BY EXCEPTIONS

Speaking in support of the exemption of seed, feed, and fertilizer from the state sales tax a representative of the farm organizations cites the fact that 20 lines of business are already exempt from that tax. The adoption of the present proposal would merely add one more to the 20 that are already exempt. And since the people are making no protest against these 20 exemptions, why should there be any opposition to exempting seed, feed and fertilizer?

That argument is unanswerable if the 20 present exemptions can be justified. But it may be questioned if any exemption at all can be justified. At the time that the sales tax was imposed originally it was advertised as the fairest tax ever levied for the reason that it applied to all people alike. Everybody who purchased was supposed to pay the tax. But the word of praise is no longer in order. There have been 20 exemptions and there is now a persistent demand for one more. Most people pay, but some are excused from paying.

Perhaps it would be impossible to levy any tax that is completely fair. But any tax that grants exemptions is likely to be unfair. A sufficient number of exemptions will render unfair any tax law ever written. And it is from exemptions granted that much of our tax troubles derive. The citizen who suffers from a grievous tax burden is rendered decidedly unhappy when he sees his neighbor paying no tax at all.

There was widespread dissatisfaction in 1917 when congressmen exempted themselves from the selective service law. They voted to draft others but refused to draft themselves. And the unexempt citizen looks with no pleasure upon the action of the recent congress that granted its members a sizeable untaxed expense account. The congress simply refused to take the medicine it prescribed for everybody else.

Perhaps nothing in recent years has disturbed Oklahoma's tax structure more than the exemption of homesteads from taxation. The tax that the exempt homesteader is excused from paying naturally has to be made up by somebody else. And the extra taxed citizen cannot forget the tens of thousands

who pay nothing at all. But notwithstanding its confusing effects, it is doubtful if this homestead exemption ever will be repealed. Those who enjoy its favors constitute a powerful bloc of voters.

For two impressive reasons a legislature should be cautious in the matter of granting tax exemptions. Those exemptions never fail to reduce the volume of revenue that has been expected, and once granted, a tax exemption is almost never repealed.

Senators Fine and Miskovsky moved to amend **HB 767**, line 11, page 10, by adding a new sub-section as follows: "(u) Sale of food, medicine, medical and surgical appliances and equipment of all kinds, types and description, for all sick babies on A.D.C. rolls; sick people on old age assistance rolls; sick persons on aid for the blind rolls and all other persons on the welfare rolls."

Senator Cook presiding.

The President presiding.

The vote occurring on the Fine-Miskovsky amendment, it was declared failed of adoption upon a roll call as follows:

Aye: Cartwright, Chapman, Collins (Seminole), Cowden, Fine, Frazier, Fronterhouse, Hamilton, Herndon, Hope, McClendon, McSpadden, Miskovsky, Nix, Russell, Shoemake, Trent, Walker.—18.

Nay: Allen, Baldwin, Ballinger, Boecher, Carrier, Cook, Coppock, Dacus, Dendy, Easterly, Field, Garvin, Grantham, Jones, Logan, McColgin, Mahan, Maltsberger, Morgan, Price, Wilson (Greer), Young (Cleveland), Young (Haskell).—23.

Excused: Rinehart, Wilson (Beckham).—2.

Not Voting: Collins (Creek).—1.

Senator Boecher moved that **HB 767** be advanced to engrossment and third reading, which motion he withdrew, to permit further amendments to be considered.

Senator Hamilton moved to amend **HB 767**, line 14, page 6, by striking sub-section (n) and renumbering succeeding sections accordingly, which amendment was declared failed of adoption.

Senator McClendon moved to amend **HB 767**, line 11, page 10, by adding a new section to be identified as Section 2. "Section 2. Before any exemption is allowed any person, firm or corporation he must sign a written affidavit that he is not financially able to pay the consumers' excise tax herein levied," which amendment was declared failed of adoption.

Senator Boecher moved that **HB 767** be advanced to engrossment and third reading.

Senator Cartwright asked to be recognized to discuss **HB 767**.

Senator Nix was recognized and read from a Dictionary the definition of a "fillibuster", following which he proceeded to debate the Boecher motion.

Senator Fine asked unanimous consent, which was granted, that Senator Walker, Chairman of the Education Committee, be permitted to submit a Conference Committee Report on **HB 964**, following which the floor would be returned to Senator Nix.

Provided, *that* children who have not reached *such* age of six (6) years may be admitted to nursery and kindergarten classes approved by the State Board of Education at public expense. Provided, further, *that* children who do not reside in a school district and who have not been transferred thereto, or children who are underage not in attendance in a kindergarten or nursery class approved by the State Board of Education, may be admitted to the schools of such district on a tuition *basis only, and no such non-resident and non-transferred pupil, or any such underage pupil, shall be allowed to attend school in any school district unless there shall have been paid in advance yearly or by semester as determined by the local board of education to such district, before such attendance during any period, a tuition fee equal to the per capita cost of education for a similar period in such district during the preceding year. The State Board of Education shall prescribe regulations for making grants of aid from, and for otherwise administering, such Fund, and may employ and fix the duties and compensation of technicians, aides, clerks, stenographers, attorneys and other personnel deemed necessary to perform its duties; and the cost of administering such Fund shall be paid from funds currently available for the operation of the State Department of Education. It shall be the mandatory duty of the State Board of Education, the Commissioners of the Land Office and all other public agencies, officers and employees to observe and comply with the provisions of this paragraph, in all respects; and they shall not be held liable for any amount, penalty or punishment for having done so, unless and until they are directed to do otherwise by a court of competent jurisdiction.

§ 3-1. The term of any person elected to such office shall be two (2) years and until his successor is elected and qualified and shall begin on the first Monday in July after his election. No person shall be eligible to nomination, appointment or election to the office of County Superintendent of Schools unless (1) he is a qualified elector of the county; (2) has a standard bachelor's degree from a college recognized by the

State Board of Education; (3) is the holder of an appropriate administrator's certificate issued by the State Board of Education; and (4) shall have been actively engaged in *continuous* teaching in the public schools *of the State* of Oklahoma for a period of not less than thirty-six (36) school months during the *four (4)* years immediately preceding the time of his filing *for* office. No person shall be allowed to file as a candidate for nomination or election to the office of county superintendent of schools nor shall the name of any person appear on any election ballot as a candidate for such office unless he then has the qualifications herein prescribed.

SECTION 5. 70 O. S. 1951 § 4-2 is hereby amended to read as follows:

§ 4-2. * * * All independent school districts in Oklahoma shall be those so designated by the State Board of Education and meeting the following requirements:

a. Shall have maintained during the previous year a four (4) year high school fully accredited by the State Board of Education.

b. Shall have a school plant, equipment, and faculty which meet minimum standards prescribed by the State Board of Education. Such standards shall be in keeping with those usually required by a first class high school and comparable to those required by recognized accrediting agencies.

c. Shall be in good financial condition and shall give to the State Board of Education sufficient evidence of being able to administer the fiscal affairs of the district in a proper manner.

A reasonable deviation from any of the requirements enumerated herein shall not operate to prohibit the State Board of Education from designating any district as independent if the other requirements are sufficiently superior to the minimum standards required herein, but standards therefor shall be reduced to writing and a copy thereof sent to all districts maintaining high schools in Oklahoma at least one (1) year prior to the time the requirements become effective. Until the effective date thereof, the requirements hereinabove enumerated shall remain in full force and effect.

As a basis for attaining the status of independent school district, high schools shall be inspected by a member of the Division of Secondary Education of the State Board of Education or such other representative as the State Board of Education shall designate, and all of the standards prescribed by the State Board of Education shall be carefully checked in the presence of the district superintendent of schools or board of education of the district. A written report shall be made and mailed to the district superintendent of schools and board of education within thirty (30) days after the time of such inspection. Such report shall indicate if the high school meets the requirements and, if not, a statement shall be made as to what must be done in order to comply therewith.

After any school district has become independent, it shall remain so *until removed from independent status by the State Board of Education, which, however shall not remove any school district from independent status until it is satisfied that the minimum standards for independent school districts are not being maintained. Any order of the State Board of Education removing a school district from independent status shall not become effective until the close of the fiscal year in which such order is made, and any order removing a school district from independent status which*

has heretofore been made by the State Board of Education, regardless of notice or effective date thereof, is hereby validated. A reasonable variation from year to year in the minimum number of teachers required shall not affect the status of any independent school district.

SECTION 6. 70 O. S. 1951 § 4-7 is hereby amended to read as follows:

§ 4-7. *(a)* The board of education of an independent school district *and of a dependent school district maintaining a high school* shall consist of five (5) members serving in offices numbered one (1) to five (5), inclusive. (c) Persons now serving on the board of education of an independent school district in which members of the board of education are elected biennially and having terms expiring in 1953, shall be members of and shall continue to serve on such board of education until the fourth (4th) Tuesday in March, 1953, at which time there shall be elected one (1) member to serve in Office No. 1 for a term of three (3) years, and one (1) member to serve in Office No. 2 for a term of four (4) years, and those having terms expiring in 1955 shall be members of and shall continue to serve on such board of education until the fourth (4th) Tuesday in March, 1955, at which time there shall be elected one (1) member for Office No. 3 for a term of three (3) years, and one (1) member for Office No. 4 for a term of four (4) years, and one (1) member for Office No. 5 for a term of five (5) years.

(d) Persons serving on the board of education of a dependent school district maintaining a high school on July 1, 1955, shall be members of and shall continue to serve on such board of education for the terms for which they were originally elected or appointed, and on the fourth (4th) Tuesday in March of the years in which their respective terms expire, their successors shall be elected for terms of five (5) years; provided,

that the board of education shall appoint qualified persons to fill the other two (2) positions hereby created; and, provided, further that the positions held by members having terms expiring in 1956, 1957 and 1958 shall be Office No. 1, Office No. 2 and Office No. 3, respectively, of such board of education and the two additional members appointed hereunder shall be appointed to Office No. 4 and Office No. 5, with terms expiring in 1959 and 1960, respectively.

(f) If because of a failure to comply with the law or for any other reason the board of education of any school district actually has on July 1, 1955, more members than the number hereinbefore specified, such board of education shall continue to have the same number of members, serving for the same terms and elected at the same time as before, until such board of education, by resolution shown in its official minutes, signifies an acceptance of the foregoing provisions of this Section.

SECTION 7. 70 O. S. 1951, § 4-9, is hereby amended to read as follows:

§ 4-9. The board of education of a dependent school district *not maintaining a high school* shall consist of three (3) members elected by the school district electors of the district at large. (b) In accordance with the provisions of Section 9(c), Article X, Oklahoma Constitution, as amended on April 5, 1955, an additional tax of not to exceed fifteen (15) mills on the dollar valuation of all taxable property in the district shall be levied, upon certification of a need therefor by the board of education.

(c) An amount equal to the district's proportionate part of the ninety per cent (90%) of the amount obtained by multiplying the total net assessed valuation of the school districts of the county by four (4) mills may be estimated as probable revenue from the four (4) mills county-wide levy made under the provisions of Section 9 (b), Article X, Oklahoma Constitution as amended on April 5, 1955, and the amount so estimated may be used to finance the appropriations of the district.

The provisions of said Section 9 (b) relating to school districts lying in more than one county shall not affect the status of any such school district; and, for the purposes of apportionments under said Section 9 (b), any such district shall be deemed a school district of the county of which it is now considered a school district, unless the State Board of Education, upon written petition by the board of education of such district, decrees that such district shall be deemed

a school district of another county in which any of its territory lies, and unless the District Court of Oklahoma County in an action filed for such purpose reverses such decree; and revenue from the tax levied under said Section 9 (b) in other counties shall, when collected, be transmitted to the County Treasurer of that county of which such district is deemed a school district, and be apportioned as provided for the proceeds of such tax on the assessed valuation of such county.

SECTION 14. 70 O. S. 1951 § 4-40 is hereby amended to read as follows:

§ 4-40. No later than *March 10th* of each year the board of education of each school district *of the State* shall prepare *on a form prescribed by the State Board of Education a preliminary* estimate of the amount *or amounts* of money *and tax rate or rates which it then believes will be required for the district for the ensuing fiscal year; and if such preliminary estimate shows an estimated need for a levy requiring the approval of the school district electors of the district under Section 9 or Section 10 of Article X, Oklahoma Constitution, as amended on April 5, 1955, such preliminary estimate shall contain a call for an election to be held on the Fourth (4th) Tuesday of such month of March, or on such other date as may be provided for the election of the members of the board of education, to vote on the question of making such levy or levies. In determining the eligibility of the school district to make an emergency levy under the provisions of Section 9 (d) of Article X, Oklahoma Constitution, as amended, the legal current expense of the district shall be all expenditures from the General Fund of the district during the preceding year, except (1) expenditures for transportation of pupils; (2) capital outlay; (3) debt service; and (4) the amount appropriated from any previous emergency levy; and the per capita cost index for the fiscal year ending June 30, 1956, shall be Two Hundred Fifty ($250.00) Dollars, and thereafter shall be increased or decreased by the State Board of Education in proportion to the increase or decrease in the per capita income of Oklahoma citizens.* Such *preliminary* estimate shall be published in one (1) issue of a newspaper *having* general circulation in the district *or shall be posted in five (5) public places in the district, at least ten (10) days before such election.* Provided, that the County Excise Board or the board of education of *any* school district may call a special election *for any date* for the purpose of voting upon a * * * levy *authorized by Section 9 or Section 10 of Article X, Oklahoma Constitution, as amended. Provided, further, that an election to vote on the question of making such emergency levy for the fiscal year beginning July 1, 1955, may be held at any time before July 1, 1955, in any school district upon call by the board of education; and not withstanding an election held under the provisions of Section 10, Article X, Oklahoma Constitution, prior to the amendment thereof on April 5, 1955 an election to vote on the question of making a levy for a building fund as authorized by said Section 10, as amended, for the fiscal year beginning July 1, 1955, may be held at any time before July 1, 1955, in any school district upon call by the board of education, and if approved by a majority of the school district electors voting on the question, the levy thus approved shall supersede and replace a levy previously approved for such fiscal year under said Section 10 prior to the amendment thereof; nothing herein, however, shall affect the validity of an election that shall have heretofore been called or held for either or both of such purposes. Notice of any election called under the provisions of this Section shall be given by publication in one (1) issue of a newspaper having general circulation in the school district,*

or by posting in five (5) public places in the district, at least ten (10) days before such election.

Provided, *that* the County Superintendent of Schools * * * shall have authority to designate what school or schools in *the* school district shall be the separate school or schools and which class of children, either white or colored, shall have the privilege of attending such separate school or schools in said school district. Members of the district school board shall be of the same race as the children who are entitled to attend the school of the district not the separate school.

SECTION 16. 70 O. S. 1951 § 5-8 is hereby amended to read as follows:

§ 5-8. *The annual budget of each school district maintaining separate schools for white and colored children shall provide for the support and maintenance of both the school or schools for the white children and the school or schools for the colored children.*

§ 5-9. *(a) All property and unobligated funds being used or held, or that shall have been acquired, for county separate school purposes in any independent school district are hereby transferred to and shall be owned by such independent school district, and may be used or disposed of as other property and funds of such independent school district; and the county shall not have any claim thereto or interest therein.*

(b) All property and unobligated funds being used or held, or that shall have been acquired, for county separate school purposes outside independent school districts shall be apportioned by the County Superintendent of Schools, with the approval of the Board of County Commissioners, among such dependent school districts of the county as he determines may be in need thereof, and in making such apportionments the County Superintendent of Schools shall give due consideration to the location of such property and the purposes for which such property and funds were acquired or may be used. If not needed by any of the dependent school districts, any such property shall be apportioned among such independent school districts of the county as he determines may be in need thereof; otherwise, such unneeded property shall be sold by the Board of County Commissioners and the proceeds shall be apportioned among the dependent school districts of the county on an equitable basis. Necessary conveyances to the districts receiving such property and funds shall be made by the Board of County Commissioners. Provided, that if the County Superintendent of Schools and the Board of County Commissioners are unable to agree as to the apportionment or disposition of any such property or funds, or if such apportionment is not made, by August 15, 1955, such apportionment and disposition shall be made by the State Board of Education and its decision and action shall be final. Provided, further, that any school district or taxpayer feeling aggrieved by any action of the County Superintendent of Schools or the Board of County Commissioners hereunder may appeal in writing, within ten (10) days after such action is taken, to the State Board of Education which shall finally determine the matter.

(c) Any surplus now or hereafter existing in a sinking fund that shall have been created to pay an indebtedness incurred for county separate school purposes shall be used to retire other bonded indebtedness of the county, and if the county has no such other indebtedness, shall be deposited in the general fund

of the county. However, nothing herein shall affect the obligation of the county to pay, or the manner of paying, any indebtedness that shall have heretofore been incurred for county separate school purposes.

(d) The provisions of this Section shall not affect the continued operation of any of the separate schools of a county for the remainder of the fiscal year ending June 30, 1955, and all obligations incurred for such purposes shall be paid as provided before the effective date of this Section.

SECTION 18. 70 O. S. 1951 § 5-11 is hereby amended to read as follows:

Until such teacher has been thus discharged or released, he shall not have authority to enter into a contract with any other board of education in Oklahoma for the same time covered by his original contract. If upon written complaint by the board of education in a district any teacher is reported to have failed to obey the terms of his contract previously made and to have entered into a contract with another board of education without having been released from his former contract, such teacher, upon being found guilty of said charge at a hearing held before the State Board of Education, shall have his certificate suspended for the remainder of the term for which said contract was made.

No transfer shall be granted for any reason not hereinbefore specified.* If the grade the pupil is entitled to pursue is not offered in the school district where the pupil resides, he may be transferred by the County Superintendent of Schools to a school or district in another State, *upon approval of the State Board of Education, if he lives more than twenty (20) miles by commonly traveled road from a school in Oklahoma that can furnish transportation for the pupil.* * * * No child shall be transferred under the provisions of this Article to a school district other than the one designated in the application for his transfer.

Provided, that if any child changes residence from a district offering the grade which such child is entitled to pursue, to another district during the school year for which he was transferred, he shall be entitled to attend school in either district for the remainder of the current year. Provided, further that when the transfer of a child has been finally approved or becomes final under the provisions of this Article, such child shall not be entitled to attend school in the district from which he was transferred, even though

Provided, that no State funds shall be paid for the transportation of a child whose residence is within one and one-half ($1\frac{1}{2}$) miles from the school attended by such child, or whose residence is located within the corporate limits of a city or town in which the school is located, except upon specific ruling by the State Board of Education permitting such expenditure to be made because of unusual conditions; and provided, further, *that* in each case where transportation of school children would be impracticable, the board of education of the district is authorized to take such other steps for making available educational facilities as are authorized by law, and as, in the opinion of the board of education, are practicable. Section 26, Article X, Oklahoma Constitution, as amended on April 5, 1955, shall hereafter be in full force and effect. Provided, that any bond election that shall have heretofore been called or held in accordance with the provisions of Section 26, Article X, Oklahoma Constitution, as amended on April 5, 1955, is hereby validated if the bonds so authorized at such election have not yet been sold and delivered.*

The publisher shall* stipulate in the contract that the price for which the textbook is to be furnished *will be* the lowest at which the same textbook *will be* sold or offered for sale for the purpose of securing a State or local selection or adoption elsewhere in the United States during the six (6) months *prior to the date of the execution of the contract;* that he will reduce the contract price of the textbook, if the price of the same textbook is reduced below such contract price elsewhere in the United States, and that he will file with the secretary of the Committee a sworn statement of such reduction made elsewhere; that if he prepares any supplementary or abridged or special editions of any of the textbooks, and shall sell such editions elsewhere at a lower price than that stipulated in the contract, he will file copies of any and all such editions, together with the prices thereof, with the secretary of the Committee; that he has not entered into any understanding, agreement or combination to control the prices or restrict competition in the sale of textbooks; that he will furnish the textbooks to the State of Oklahoma during the term of the contract in such amounts as may be required, and that he will furnish for a like period in lieu of the corresponding textbooks under contract any other books listed in any annual statement subsequently filed by him during the term of the contract to any school district at the lowest new prices contained in such statement, and that he will maintain said prices uniformly through the State.

Provided, further, that any advance examination copies in new condition remaining on hand with the State Board of Education at the end of the first year of the adoption shall be returned to the proper publisher for credit.*

(e) *On or before a date to be fixed by the State Board of Education, the* superintendent of schools of each independent school district and *the* County Superintendent of Schools *of each county,* shall submit to the State Board of Education a requisition for all of the textbooks adopted by the local textbooks committee that will be needed for the ensuing year in the school or schools for which such adoptions were made, and immediately upon receipt of such requisitions *it shall be the duty of the State Board of Education to make requisitions* on the proper depository or depositories for such textbooks. Provided, that the State Board of Education may, for good cause, permit supplemental requisitions to be submitted, and may fill such requisitions after the date specified. *Any local adopting unit may requisition any textbooks placed on the official multiple textbook list, if such requisition does not exceed the allocation for each school district as provided herein.*

SECTION 35. 70 O. S. 1951 § 16-18 is hereby amended to read as follows:

§ 16-18. All *advance* or sample *copies* of textbooks *or any edition thereof* furnished to any *member of the State Textbook Committee, or to any individual for the* purpose of *obtaining a selection of the textbook by the State Textbook Committee, shall not be sold by the recipient thereof, but shall be disposed of as may be prescribed by the rules and regulations of the State Board of Education. Any advance or sample textbook or any edition thereof furnished to a member of a local textbook committee, or to any school official or individual for the purpose of obtaining a local adoption of the textbook, and not purchased from State funds shall be retained for the use of the school district involved, unless the same is not adopted or not needed by such district.* All publishers *having contracts to furnish textbooks to the State of Oklahoma shall be required to file with* the State Board of Education, *not later than the 1st day of January and the 1st day of July of each year following the dates of their respective contracts, a sworn statement showing the names and addresses of all persons to whom they have furnished, during the preceding six (6) months, any advance or sample copies of such textbooks, or any edition thereof, together with the numbers and titles of such textbooks furnished to each such recipient, and a failure to do so, or to give accurate and complete information concerning the same, shall authorize the State Board of Education to cancel the contract of such publisher. The State Board of Education shall annually advise district superintendents of schools and County Superintendents of schools to notify teachers and personnel under their supervision that any books given free by publishers are the property of the State, and that publishers are required to furnish the State with list and names given free books. The State Board of Education shall instruct annually all district Superintendents of Schools and County Superintendents of schools to collect free sample books reported given to teachers and other personnel, and give instructions where to ship such books so they may be used in the free textbook system. Credit for the value thereof, if selected, shall thereupon be given to the school district returning said free sample books in new condition and the State Board of Education shall use such books to fill requisitions from other school districts ordering said books which school districts shall be charged with the value thereof in the same manner as advance examination copies are returned for credit.*

SECTION 36. 70 O. S. 1051 § 16-20 is hereby amended to read as follows:

§ 16-20. All textbooks adopted, purchased and distributed to school districts shall be furnished free of cost to the school children of *such districts and shall be owned by such districts and each district shall mark each textbook with an appropriate number or other identification as deemed necessary to maintain proper records thereof. Every child shall be issued a complete set of textbooks for his grade, for his personal use, and the State Board of Education shall maintain a replacement program so that each child shall have, at all times, textbooks that are in a satisfactory condition, and so that worn-out textbooks or textbooks that are in an unsanitary condition will not be used.* All such textbooks shall be requisitioned, and no money *allocated* for the purchase of such textbooks shall be sent directly to a school district. *The State Board of Education shall issue purchase orders for books to the Oklahoma depository of the publisher of the books, immediately upon receipt of requisitions therefor which are not in excess of the allocations for the district for the current or ensuing fiscal year.* Nothing herein shall prevent the purchase, from local school district funds, of any adopted textbook or any additional and supplementary textbooks if the board of education of any school district deems it necessary to make such purchases in order to establish and maintain the highest standards of excellence of its schools. *Provided, that the Chairman and Secretary of the State Textbook Committee, on the advice and approval of the Attorney General, are hereby authorized and directed, with the consent of any holders of state textbook contracts, to change said contracts to conform to the provisions of this Article. Provided, further, that all officially selected textbooks bearing the State stamp as previously required by law may be purchased by the State Board of Education even though the said* stamp has not been removed. Provided, further, that all officially selected textbooks which have been purchased by the State Board of Education are hereby made the property of the school district now in possession of said textbooks.

SECTION 37. Article 16 of the Oklahoma School Code is hereby amended by adding thereto a new Section, to be inserted after Section 20 and before Section 21 of said Article 16, and to be codified as 70 O. S. 1951 § 16-20a and to read as follows:

§ 20a. (a) Not later than the 30th day of November of each year, the State Board of Education shall select an Official List of Library Books which shall include not more than 2,500 titles for grades 1 to 8, inclusive, and not more than 1500 titles for grades 9 to 12, inclusive, and which shall not include any textbooks adopted or submitted for adoption as such by the State of Oklahoma. In preparing such Official List of Library Books, the State Board of Education shall notify publishers in such manner as it may deem best and publishers desiring to have books considered for listing shall furnish the State Board of Education with a sample copy of each book, stating the price thereof, with guaranty against increase thereof for one (1) year, which shall include cost of delivery to a school district. Trade library books shall be in a satisfactory binding. All publishers submitting books for consideration shall agree to keep stocks of their books at a joint depository in Oklahoma in sufficient quantities to supply all immediate demands, where books of different publishers may be packaged and shipped in single orders.

(b) At the beginning of each fiscal year the State Board of Education shall allocate from any appropriation that shall have been made for such fiscal year for the payment of State Aid to school districts, and shall place in a school library account, one-half cent (½c) per pupil per day in attendance during the next preceding year of the

amount allowed for maintenance to a school district, or an amount equivalent to one-half cent (½c) per day per child per day in attendance during the preceding year of the amount allowed to a school district as basic aid, for the purpose of providing library books and pre-binding thereof to such district, *and shall thereupon notify each school district, either directly or through the County Superintendent of Schools, of the amount so allocated to such district. The amount so allocated to each district shall be used to purchase library books and to pay for pre-binding thereof for the district, upon proper requisition therefor, and shall not be used to purchase any book not appearing on the current Official List of Library Books. Such amount shall not be used for any other purpose, nor shall it be charged or considered as Minimum Program Income of the district for State Aid purposes. If a school district does not use all of the amount so allocated from State funds by the 30th day of June following such allocation, the portion thereof that is not so used shall be reallocated to other school districts in the same category, as a supplementary allocation, in the same manner as original allocations.*

(b) If the State Board of Education should ascertain that any of the factors on which the apportionment or allocation of State Aid to any school district has so changed as to disqualify such district or to reduce the difference between the cost of the *Minimum Program and the* Minimum Program Income, then the State Board of Education shall forthwith notify the county superintendent of schools, the district superintendent, the clerk of the board of education, and the treasurer thereof, as to the amount of reduction in the allocation of State Aid, and the board of education of such district shall immediately request the county clerk to adjust the items of appropriation in accordance with such reduction as to effect a total reduction in the appropriation by the amount which the State Aid allocation was reduced; and if there has been an overpayment the same shall be returned to the State Treasurer and credited to a refund account which shall be available for further payment of State Aid.

SECTION 44. 70 O. S. 1951 § 18-3 is hereby amended to read as follows:

Senator Walker asked unanimous consent, to which objection was voiced, to consider the Conference Committee Report on **HB 964.**

Senator Nix resumed his discussion of **HB 767.**

Senator Walker presiding.

Senator McClendon presiding.

Senator Wilson (Beckham) asked to be recorded present, which was the order.

Senator Nix, in his discussion opposing **HB 767,** suggested that the President Pro Tempore appoint a Special Committee and Senator Boecher, Chairman of the Agriculture Committee appoint a Special Committee, the two Committees to attempt to work out a compromise bill, suggesting the reference of **HB 767** as it is now to a vote of the people would be agreeable to him.

Senator Nix, by unanimous consent, yielded the floor for the appointment of Committees as suggested by him, the floor to be resumed by him thereafter.

FOR THE OPPONENTS of **HB767,** President Pro Tempore Fine appointed Senators Cartwright, McClendon and Hamilton.

FOR THE PROPONENTS of **HB 767,** Senator Boecher appointed Senators Cook, Baldwin and Mahan.

The Special Committee met in the Senate Lounge, Senator Nix resuming the floor and continuing his discussion of the bill.

Senator Collins (Creek) presiding.

At 9:35 p. m., President Pro Tempore

Fine reported progress by the Special Committee, relative to **HB 767.**

Senator Nix asked unanimous consent, which was granted, to yield the floor to Senators McSpadden and Frazier who were invited to entertain the Senate and guests with numbers on the Guitar and Violin, he to resume the floor immediately thereafter.

By unanimous consent, with the understanding that Senator Nix would resume the floor, Senator Cartwright, Chairman of the Social Welfare Committee and member of the Special Committee, gave an estimate of revenue as follows:

After conferring with the Tax Commission and Welfare Department, it is estimated that the beer tax will raise a net of $800,000.00; that the cigarette tax bill will raise a net of $800,000.00; that the tax on bill boards will raise a net tax of $50,000.00, making a total of $1,650,000.00; that the periodical tax will raise $328,000.00, making a net deficit according to the original figures from the Tax Commission of $404,000.00, however, it is the feeling of the Committee that the original figures showing the tax collected from grocery stores and meat markets is approximately one-third too high. The original figure of the Tax Commission for these type stores was $1,201,284.51, whereas this would be approximately $460,000.00 plus higher than it actually is. Wherefore there would be an actual gain, if estimates are correct, of $56,000.00 to the Welfare Fund.

Senator Cook asked unanimous consent, which was granted, to submit the following Report of the Special Committee, appointed under **HB 767,** with the understanding Senator Nix would immediately resume the floor:

Mr. President: The Special Committee appointed for the purpose of attempting to arrive at a compromise on **HB 767** beg leave to report the following recommendations:

That a bill be presented to the Senate by your Special Committee for consideration subject to the following amendments:

A 2% tax on beer be included in the bill.

A 2% tax on bill boards be included in the bill.

A 2% tax on cigarettes be included in the bill, and

on lines 12 and 13, page 5, of **HB 767,** the words and figures "twenty (.20) cents" be stricken and the words and figures "six (.06) cents" be substituted therefor.

It is further agreed by members of the Committee that Senators Cook and Shoemake be designated to re-write the tax statutes on cigarettes and beer to conform to this Report.

Senator Nix resumed his discussion, pointing out he would agree to referring **HB 767** to a vote of the people, or would agree to the submission of the recommendation of the Special Committee to a vote of the people.

President Pro Tempore Fine asked unanimous consent, which was granted, with the understanding Senator Nix would immediately resume the floor thereafter, to read the following Proposals made by the Special Committee:

PROPOSAL NO. 1: Submitting to a vote of the people the proposition of exemption from sales tax on feed and seed.

PROPOSAL NO. 2: Submission of the repeal on all present exemptions of 2% sales tax, enumerated in Section 1251-d, Title 68, 1951 Oklahoma Statutes.

At 12 o'clock midnight, by unanimous consent, Senator Collins (Creek), the acting President, introduced to the Senate the Governor, Honorable Raymond Gary.

Senator Nix resumed the floor and

suggested the Special Committee again meet and attempt to work out a compromise bill, to be submitted to a vote of the people, suggesting if the tax on feed and seed is exempted then another tax must be supplied.

The Special Committee repaired to the Senate Lounge, in an attempt to work out a compromise bill.

Senator Nix yielded the floor to Senator Cook for the purpose of submitting the following Report of the Special Committee, the floor to be returned to Senator Nix:

Mr. President: It is the recommendation of the Committee that a 2% tax be placed on beer; that a 1 cent per package tax be placed on cigarettes; that a 2% tax be placed on bill board advertising.

Amend **HB 767**, page 5, lines 12 and 13, by striking the words and figures "twenty (.20) cents" and substituting the words and figures "six (.06) cents."

It is further agreed by members of the Committee that Senators Cook and Shoemake be designated to re-write the tax statutes on cigarettes and beer where necessary.

It is estimated by the Committee that the proposed beer tax will raise $800,000.00; that the proposed Cigarette tax will raise $1,600,000.00; that the proposed bill board advertising tax will raise $50,000.00; that the proposed change in tax on the periodicals will raise $328,000.00, making a total tax from all sources in the sum of $2,778,000.00.

It has been estimated by the Committee that there will be a loss of $2,382,000.00 because of the exemption of feed and seed tax. Wherefore there will be a gain to the Welfare Fund, if this proposal is adopted, of $396,000.00.

In resuming the floor, Senator Nix asked for a showing as to the adoption of the Special Committee Report, following which he yielded the floor to Senator Trent for the purpose of reading from the School bill.

Senator Logan raised a point of order against Senator Trent's reading from the school bill, which was sustained, stating the matter not germane to the bill under discussion.

Senator Cartwright presiding.

Senator Baldwin presiding.

Senator Cowden presiding.

Senator Nix moved that the order of the Senate, giving unlimited time to debate be ended and the Senate proceed under regular rules.

Following discussion, Senator Cook moved that the previous question be now put, which motion was declared adopted.

The vote occurring on the Nix motion, it was declared adopted.

Senator Nix moved the adoption of the Report of the Special Committee, appointed to attempt to work out a compromise bill for **HB 767**, which motion was declared adopted.

Senator Nix moved that **HB 767** be advanced to engrossment and third reading, which motion prevailed.

Senator Miskovsky raised a point of order against consideration of **HB 767**, which was sustained, stating amendments had not been prepared and presented to the Senate for consideration, as provided by the Rules.

Senator Miskovsky moved that the Senate adjourn to meet at 1:30 p. m., on tomorrow, which motion failed of adoption.

Upon motion of Senator Miskovsky, the vote was reconsidered by which **HB 767** was advanced to engrossment and third reading.

In order to prepare and present amendments to **HB 767**, further consideration was temporarily deferred.

The Senate was declared at ease.

The Senate re-assembled with Senator Cowden presiding.

The Board having submitted its original itemized estimate of revenues to the Governor, the President of the Senate and the Speaker of the House of Representatives on December 17, 1954, and the Legislature subsequently enacting legislation requiring a review and reconsideration of the same, considered the preparation of a Revised and Adjusted Estimate of the Revenues to accrue to the General Fund, each special fund of the State and transfers of revenues or surpluses in accordance with constitutional provision. At the suggestion of the Chairman, Mr. Burton Logan, Director of the Budget, analyzed from a statement prepared and provided each member the various legislative measures affecting the original estimate.

Whereupon, Mr. Williamson introduced and moved the adoption of the following Resolution. The motion was duly seconded by Mr. Conner. The Resolution is as follows:

RESOLUTION OF THE STATE BOARD OF EQUALIZATION

WHEREAS, Pursuant to the provisions of the Amendment to Section 23, Article 10, Oklahoma Constitution, adopted March 11, 1941, the State Board of Equalization on December 17, 1954, made its original estimate of the revenues to accrue to the General Revenue Fund and each special fund of the State, for the fiscal years ending June 30, 1956 and June 30, 1957; and

WHEREAS, The Amendment to Section 23, Article 10, Oklahoma Constitution, provides in part as follows:

"* * * Provided, However, that the Legislature may at any regular session or special session called for that purpose, enact laws to provide for additional revenues other than ad valorem taxes, or transferring the existing revenues or surpluses from one fund to another, whereupon it shall be the duty of the State Board of Equalization to make an estimate of the revenues that will accrue under such laws and to file the same with the Governor and with the President of the Senate and the Speaker of the House of Representatives, and the amount of any increase or decrease, resulting, for any reason, from such laws shall be added to or deducted from each respective fund, as the case may be. The amount of such adjusted estimate shall be the maximum amount which can be appropriated for all purposes from any fund for each year. * * * and

WHEREAS, Since the date of said original estimate made by this Board, the Legislature has enacted laws providing additional revenue for the General Revenue Fund; and,

WHEREAS, It appears that the Twenty-fifth Legislature (now nearing its close) has enacted a measure deducting revenues previously estimated by this Board to accrue to the State Health Department, or State Board of Health; and

WHEREAS, This Board acting in pursuance of the duty and authority conferred upon it has caused to be presented to it all of the data, figures and relevant information concerning the revenue to accrue under the additional revenue measures adopted by the Twenty-fifth Legislature, and, after careful study of such information has determined that the original estimates of this Board should be revised and adjusted:

NOW, THEREFORE, BE IT RESOLVED, By the State Board of Equalization of the State of Oklahoma that the original estimates of this Board of the revenues reasonably estimated to accure to the General Revenue Fund and to the several special funds of the State for and during the fiscal years ending June 30, 1956 and June 30, 1957, be revised and adjusted as follows:

EXECUTIVE DEPARTMENT
DIVISION OF THE BUDGET
May 25, 1955

State Board of Equalization
Capitol Building
Oklahoma City, Oklahoma
Gentlemen:

The Constitution of the State of Oklahoma, Section 23, Article 10, requires the State Board of Equalization to make an itemized estimate of the revenue which will accrue to the General Revenue Fund and each special fund of the State for each year of the biennium and to file same with the Governor, President of the Senate and the Speaker of the House of Representatives prior to the convening of each regular session of the Legislature. You have complied with this requirement.

This Section further provides "that the Legislature may, at any regular session * * * enact laws to provide for additional revenue other than Ad Valorem taxes or transferring the existing revenues or surplus from one fund to another wherefore it shall be the duty of the State Board of Equalization to make an estimate of the revenues that will accrue under such laws and to file the same with the Governor, President of the Senate and the Speaker of the House of Representatives and the amount of any increase or decrease resulting, for any reason, from such laws, shall be added to or deducted from each respective fund, as the case may be. The amount of such adjusted estimate shall be the maximum amount which can be appropriated for all purposes from any fund for each year."

The Constitution of the State of Oklahoma further provides that the cash surplus, if any, from the preceding fiscal year, in the hands of the State Treasurer, to the credit of any fund which has not been previously appropriated by the Legislature at the time the estimate is made, may be added to the estimate. In this connection attention is called to the provisions of House Bill No. 30, Regular Session, Twenty-First Legislature, creating the Emergency Appropriation Fund. Said Bill provides in part as follows: "Upon passage of this Act it shall be the duty of the State Board of Equalization to make an estimate of the revenue which will accrue in the Emergency Appropriation Fund during the current biennium, by reason of transfers of revenues and surpluses to said fund by this Act and any other laws in force at the time such estimate is made."

Your attention is respectfully directed to Senate Bill No. 43, Section 7, S. L. 1953, which reads as follows:

"Any money accumulated to the Emergency Appropriation Fund in excess of the appropriations heretofore made, including the appropriation made by Senate Bill No. 15, Regular Session Twenty-Fourth Legislature, is hereby appropriated to the State Department of Highways. The State Treasurer shall transfer such amounts which accumulate in excess of said appropriations to the Highway Construction and Maintenance Fund to be contracted and expended as other moneys accumulating to said fund."

It might appear, therefore, that it is unnecessary to make an estimate of revenue to accrue to the Emergency Appropriation Fund since the present legislation would ear-mark the revenue for highway purposes.

SPECIAL FUNDS

The Constitution, Section 23, Article 10, provides that "any department, institution or agency of the State, operating on revenues derived from any law or laws which allocate the revenues thereof to such department, institution or agency, shall not incur obligations in excess of the unencumbered balance of surplus cash on hand." This provision eliminates the necessity of making specific appropriations for ear-marked revenues appropriated to special funds which operate as a continuing appropriation. The Legislature makes appropriations for certain governmental functions out of special funds which do not operate as continuing appropriations. The amount that can be appropriated from these funds is indicated in the following statements.

AN ACT VITALIZING SECTION 33 OF ARTICLE 10 OF THE CONSTITUTION OF THE STATE OF OKLAHOMA, ADOPTED APRIL 5, 1955; PROVIDING FOR THE ISSUANCE, SALE, DELIVERY, RESALE, REFUNDING, AND PAYMENT OF GENERAL OBLIGATION BONDS OF THE STATE, IN A TOTAL PRINCIPAL AMOUNT OF NOT TO EXCEED FIFTEEN MILLION DOLLARS ($15,000,000.00) FOR THE PURPOSE OF CONSTRUCTING NEW BUILDINGS AND OTHER CAPITAL IMPROVEMENTS, AND FOR EQUIPPING, REMODELING, MODERNIZING AND REPAIRING ANY AND ALL EXISTING BUILDINGS AND CAPITAL IMPROVEMENTS, AT THE CONSTITUENT INSTITUTIONS OF THE OKLAHOMA STATE SYSTEM OF HIGHER EDUCATION AND OTHER STATE INSTITUTIONS, AS AUTHORIZED BY SECTION 33 OF ARTICLE 10 OF THE CONSTITUTION OF THE STATE OF OKLAHOMA; PLEDGING THE PAYMENT OF THE INTEREST ON, AND THE PRINCIPAL OF, SUCH BONDS; PROVIDING FOR THE ISSUANCE OF ONE OR MORE INTERIM BONDS; PROVIDING FOR THE APPROVAL OF THE PROCEEDINGS IN CONNECTION WITH THE ISSUANCE OF SUCH BONDS AND REFUNDING BONDS BY THE ATTORNEY GENERAL, AND FOR THE APPROVAL OF SUCH BONDS BY THE SUPREME COURT OF THE STATE OF OKLAHOMA; DECLARING THE INTENT OF THE LEGISLATURE IN ADOPTING THIS ACT; PROVIDING THAT THE PROVISIONS OF THIS ACT ARE SEVERABLE AND THAT IF ANY OF

THE PROVISIONS HEREOF ARE ADJUDGED TO BE INVALID, SUCH ADJUDICATION SHALL NOT AFFECT THE VALIDITY OF ANY OF THE OTHER PROVISIONS OF THE ACT; AND DECLARING AN EMERGENCY.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. It is the intent and purpose of this Act to vitalize Section 33 of Article 10 of the Constitution of the State of Oklahoma, adopted at the special election held for such purpose on the 5th day of April, 1955, and to invoke and exercise the powers conferred upon the Legislature thereby.

SECTION 2. The State of Oklahoma Building Bonds Commission, created by Section 1 of House Bill No. 4 of the Extraordinary Session of the Twenty-second (1949) Oklahoma Legislature (Chapter 4 of the Session Laws of said session), acting for and on behalf of the State of Oklahoma, shall be the agency by and through which the State of Oklahoma may incur indebtedness to the extent of, but not to exceed the sum of Fifteen Million Dollars ($15,000,000.00) as principal, for the purpose of constructing new buildings and other capital improvements, and for equipping, remodeling, modernizing, and repairing any and all existing buildings and capital improvements, at the constituent institutions of the Oklahoma State System of Higher Education and other State institutions, pursuant to, and under authority of, Section 33 of Article 10 of the Constitution of the State of Oklahoma, and this Act.

SECTION 3. The Commission, acting for and on behalf of the State of Oklahoma, is hereby authorized and empowered to issue, sell and deliver to the State Treasurer, or to the Commissioners of the Land Office of the State of Oklahoma, or to other purchasers, as hereinafter provided for, "State of Oklahoma Building Bonds of 1955," in a total principal amount not to exceed Fifteen Million Dollars ($15,000,000.00). It is hereby expressly provided and pledged for the benefit of the purchasers, owners and holders of said bonds that any remainder available from the two cents (2c) of the tax on each package of cigarettes authorized and levied by 68 O. S. 1941 § § 536 to 586p, as amended and supplemented to the effective date of Section 31 of Article 10 of the Constitution of the State of Oklahoma, after the annual requirements for the payment of the interest on, and principal of, the Thirty-six Million Dollars ($36,000,000.00) of "State of Oklahoma Building Bonds" authorized by Section 31 of Article 10 of the Constitution of the State of Oklahoma and Chapter 4 of House Bill No. 4 of the Extraordinary Session of the Twenty-second (1949) Oklahoma Legislature have been fully met and said Thirty-six Million Dollars ($36,000,000.00) bond issue fully retired as to both principal and interest or so much of said remainder as shall be necessary, and, thereafter, the full amount of said two cents (2c) of said tax on each package of cigarettes, or so much thereof as may be necessary, and if, at any time, said remainder of said two cents (2c) of the tax on each package of cigarettes, or said two cents (2c) of the tax on each package of cigarettes, as the case might be, shall not be sufficient for said purpose, three cents (3c) of the tax now imposed, or which may hereafter be imposed, on each package of cigarettes containing more than twenty (20) cigarettes, or so much of said three cents (3c) of said tax as may be necessary, shall be devoted irrevocably to the payment and discharge of the interest on, and the principal of, the bonds issued hereunder as the same become due, and to create an adequate reserve to assure such payments when due; and said revenues shall be, and hereby are, irrevocably pledged for such purposes. There is

hereby created, in the State Treasury, a fund to be known as the "State of Oklahoma Building Bonds of 1955 Sinking Fund," which sinking fund is hereby irrevocably pledged to the payment of the interest on, and principal of, the bonds issued hereunder; and moneys to the credit thereof shall be paid out only in the manner and at the time and places provided for in the resolution or resolutions of the Commission authorizing the issuance of the bonds. Beginning July 1, 1955, the Oklahoma Tax Commission, when transmitting to the State Treasurer the monthly collection of the tax on cigarettes, hereinabove mentioned, shall also transmit to the State Treasurer a schedule showing the net proceeds of two cents (2c) of the tax on each package of twenty (20) cigarettes or less, and the net proceeds of three cents (3c) of the tax on each package of more than twenty (20) cigarettes. It shall be the duty of the State Treasurer, upon receiving said taxes and schedules from the Oklahoma Tax Commission, to deposit in said sinking fund, such portions of the cigarette tax or taxes hereinabove pledged to the payment of the bonds issued hereunder as may be necessary to assure prompt payment of the interest on, and the principal of, said bonds as the same falls due and to comply with the covenants hereof with respect to reserve requirements. The cigarette tax moneys hereinabove pledged to the retirement of said bonds shall constitute the primary revenue dedicated to the payment of the interest on, and the principal of, the bonds issued hereunder, but it is further pledged, for the purchasers, owners and holders of said bonds, that the State of Oklahoma will, if and when it shall appear to be necessary, devote, irrevocably, to the payment of the interest on, and principal of, said bonds, any funds available in any fund or funds of the State not created or realized from ad valorem tax sources or so much thereof as may be necessary for such purpose, and, if the funds hereinabove mentioned are not sufficient for such purpose, will impose and collect a tax, other than an ad valorem tax, and devote the same, or so much thereof as may be necessary, to the payment of the interest on, and principal of, the bonds issued hereunder. The bonds issued hereunder, and the interest thereon, shall be general obligations of the State of Oklahoma, and the full faith, credit and resources of the State of Oklahoma are pledged to their payment. The Commission is authorized to incorporate in the face of each of the bonds issued under this Act, pledges the same or substantially the same as those made herein. The pledges and covenants so made by the Commission shall constitute the commitment of the State of Oklahoma, made in full good faith, in its sovereign capacity, and shall be binding upon said State and the Legislature, officers, instrumentalities and agents thereof, so long as any of the interest on, or principal of, said bonds shall remain outstanding and unpaid. The Commission is authorized to make such other equally-binding covenants and agreements, not inconsistent with this Act or Section 33 of Article 10 of the Constitution of the State of Oklahoma, as it deems to be needful and appropriate to the general purpose of effectuating this Act.

SECTION 4. Bonds issued under this Act shall be serial coupon bonds and shall be issued to mature One Million Five Hundred Dollars ($1,500,000.00) in each of the calendar years 1973 through 1982, both inclusive, or if issued in series in proportionate amount thereof. Said bonds and the interest thereon shall be payable at the office of the State Treasurer of the State of Oklahoma, and, if the bonds shall be sold to private purchasers, at a fiscal agency in Oklahoma and or New York City to be designated by the State of Okla-

homa Building Bonds Commission. Said bonds may be executed in such manner, may be issued in one or more series, may bear such date or dates, may be in such denomination or denominations, may provide for a reserve to assure prompt payment of the principal and interest of the bonds, may be in such form either coupon or registered, may be payable in such medium of payment at such times, as may be provided by resolution or resolutions to be adopted by the State of Oklahoma Building Bonds Commission. Provided, that all such bonds maturing after ten (10) years from their dates may be subject to call and redemption, in inverse order of bond numbers, at par and accrued interest, with the detailed provisions for such calling and redemption thereof to be fixed by the Commission in the resolution or resolutions for the issuance of such bonds. Until such time as the State of Oklahoma Building Bonds of 1955 Sniking Fund shall be sufficient to retire all outstanding bonds and interest coupons, there shall be paid into said sinking fund during each fiscal year, from the sources hereinabove pledged such amounts as may be necessary to pay the interest and principal payable during the next succeeding fiscal year, and an amount sufficient to satisfy the reserve requirements as fixed and provided by the State of Oklahoma Building Bonds Commission in its resolution authorizing the issuance of said bonds. In the event the bonds herein authorized to be issued and sold are sold to the State Treasurer or to the Commissioners of the Land Office of the State of Oklahoma, then, and in that event, all money in the State of Oklahoma Building Bonds of 1955 Sinking Fund at the close of any fiscal year, in excess of a sum equal to all principal and interest coming due on said bonds in the next succeeding fiscal year, shall be transferred by the State Treasurer to the General Revenue Fund of the State to be used as other monies accruing to said fund. All bonds issued pursuant to this Act shall have all the qualities and incidents of negotiable paper, and neither said bonds nor the interest earned thereon shall be subject to taxation by the State of Oklahoma or any county, municipality or political subdivision thereof.

SECTION 5. (a) The State Treasurer of the State of Oklahoma, by and with the approval and direction of the State Depository Board, is hereby authorized and required to purchase from the Commission at private sale, all or any part of said bonds, or interim bonds, as an investment of the public monies in his possession. It shall be the responsibility of the State Depository Board, in approving such investment, to limit its approval to the investment of only that portion of such public monies as it deems to be more than sufficient to meet current expenditures payable from public monies. The State Treasurer is authorized and required to buy, and the Commission is authorized and required to sell to the State Treasurer at private sale as provided in this Section so many of the bonds authorized by this Act, as the State Depository Board will certify in writing to the Commission, may be safely purchased for investment of public monies by the State Treasurer, without handicapping the State of Oklahoma in promptly meeting its obligations. In event of such sale or sales, the Commission shall determine and fix the rate of interest the bonds so sold shall bear, such rate of interest not to exceed two and one-half per cent per annum. All interest earned by such bonds as are held by the State Treasurer pursuant to such investment shall, as collected, be paid into the State of Oklahoma Building Bonds of 1955 Sinking Fund.

(b) If the State Treasurer is unable to purchase all of the bonds at the original sale thereof as provided in sub-

section (a) hereof, then it shall be the mandatory duty of the Commissioners of the Land Office to purchase, at private sale, the bonds which the State Treasurer is unable to purchase. In such event, the Commissioners of the Land Office shall, to the extent necessary to carry out the provisions of this Subsection, sell and liquidate such of their investments as they may constitutionally sell and liquidate, and shall purchase such bonds with the proceeds thereof. All State of Oklahoma Building Bonds of 1955 purchased by the Commissioners of the Land Office under the provisions of this sub-section shall provide for a rate of interest equal to the average interest yield of the securities sold and liquidated to make such purchase, but in no event more than two and one-half per cent (2½%) per annum.

(c) In the event any or all of the bonds are sold to the State Treasurer under the provisions of sub-section (a) hereof and thereafter the uninvested cash on hand and in solvent banks should fall short of demand orders on the State Treasury, it shall be the duty of the State Treasurer to so report to the State Budget Director for confirmation and to the State Depository Board for authority to sell such part or all of the bonds as are necessary to be converted into cash to meet such demands, and, if confirmed and authorized as aforesaid, such bonds shall be sold to the Commissioners of the Land Office at par and accrued interest for either permanent or temporary investment. It shall be the mandatory duty of the Commissioners of the Land Office to purchase such of said bonds as it is necessary for the State Treasurer to sell and, to the extent necessary to carry out the provisions of this subsection, the Commissioners of the Land Office shall sell and liquidate such of their investments as they may constitutionally sell and liquidate and shall purchase such bonds with the proceeds thereof.

(d) If the Commissioners of the Land Office cannot purchase said bonds as offered by the State Treasurer as provided in sub-section (c) hereof, it shall be the further duty of the State Treasurer to publish, advertise and, on the date given in the notice, sell at not less than par and accrued interest, to the highest and best bidder for cash, only so many of the bonds as will enable the State to meet such demand orders, provided, however, in lieu of so selling such bonds at the market, the State Treasurer and the Commission, with the approval of the State Depository Board may agree to the refunding of part or all of such bonds, in accordance with the method and procedure for refunding provided in this Act.

SECTION 6. In the event said bonds, or some portion thereof, are not sold to the State Treasurer or the Commissioners of the Land Office, as authorized in Section 5 hereof, then the Commission is authorized to advertise said bonds or the unsold portion thereof, for sale to other bidders and to sell said bonds, or the unsold portion thereof, in the manner hereinafter provided. Notice of such sale shall be published at least thirty (30) days prior to the date fixed for such sale. Such notice shall be published for at least two (2) consecutive weeks in a newspaper having general circulation in the State of Oklahoma, and at least once in a financial periodical or newspaper known to have general circulation among bond dealers and bond purchasers. Such notice shall state the time and place when and where the Commission will receive written bids for the purchase of the bonds so offered for sale and shall also state that the bonds will be sold to the bidder bidding the lowest interest rate to the State of Oklahoma stating also, however, that the Commission may, in

its discretion, reject all bids submitted and readvertise the bonds for sale. Such notice may contain such other conditions, information and details as the Commission deems appropriate and desirable to secure understanding of the offer and to assure maximum competition between bidders. Upon acceptance of the low bid (which shall not exceed an average rate of interest exceeding three per cent per annum), the bonds shall be issued in accordance therewith and shall be delivered to said purchaser upon payment of the purchase price thereof, which shall be not less than par plus accrued interest to date of delivery. Provided, however, no tender of the bonds shall be valid until after the expiration of the period of contestability, provided for herein. All bidders shall be required to submit with their bids, such good faith deposit as may to the Commission seem appropriate. Upon the acceptance of a bid, the Commission shall return to all of the unsuccessful bidders the deposits so made by them. All such deposits shall become the property of the State of Oklahoma, and shall be credited upon the purchase price of the bonds so sold and with the further agreement that if the purchaser shall fail for five (5) days after the tender of the bonds, to pay the balance of the purchase price, said sale shall be thereby annulled and the deposit shall in such event be retained by the State of Oklahoma and credited to the general revenue fund of the State.

SECTION 7. The Commission is authorized to issue one or more interim bonds, representative of the bonds so sold, which said interim bonds may be in any denomination, shall have all the qualities and be secured by all of the covenants and pledges made to secure the bonds so sold, but said interim bonds shall represent the bonded debt only until such time as the definitive bonds are printed, executed and delivered to the purchaser thereof. No tender of any such interim bonds shall be valid until the expiration of the period of contestability provided in this Act. Simultaneously with delivery of the definitive bonds, any such interim bonds shall be surrendered for cancellation and cancelled by the State Treasurer of Oklahoma.

SECTION 8. Any bank, trust or insurance company organized under the laws of Oklahoma may invest its capital, surplus and reserve funds and other funds under its control in bonds issued under the provisions of this Act. The officers having charge of any fund of the State of Oklahoma, or any department, agency, or institution thereof or any sinking fund of any county, city, town, township, Board of Education or school district may invest such funds in bonds issued under the provisions hereof. Such bonds shall also be approved as collateral security for the deposit of any public funds and for the investment of trust funds.

SECTION 9. Within ten (10) days after the sale or sales of said bonds, the Attorney General of the State of Oklahoma shall examine all of the proceedings of the Commission and all resolutions passed and actions taken by it in connection with the authorization, issuance and sale of such bonds and shall, if he finds such bond proceedings and sale to be constitutional and lawful, execute his certificate and file the same of record in the office of the Secretary of State of the State of Oklahoma, which said certificate shall read substantially as follows: "I have examined all proceedings had in connection with the issuance of the State of Oklahoma Building Bonds of 1955 in the aggregate principal amount of $ dated , authorized and sold pursuant to Section 33, Article X, Constitution of Oklahoma, and laws of the State of Oklahoma enacted pursuant thereto, and find said proceedings and sale to be constitutional, lawful and

regular in all particulars and that said bonds will be valid legal general obligations of the State of Oklahoma. Unless suit thereon shall be brought in the Supreme Court of the State of Oklahoma within thirty (30) days from the date of this certificate, said bonds shall be incontestable for all purposes. Date

Attorney General of the State of Oklahoma". Upon the filing of such certificate, bonds issued pursuant to proceedings so examined by the Attorney General, shall be incontestable for all purposes upon the expiration of thirty (30) days from the date of such certificate, unless suit be brought in the Supreme Court of Oklahoma prior to the expiration of said period as provided herein.

A facsimile of such Attorney General's certificate shall appear on each bond so issued. The Supreme Court of Oklahoma is hereby vested with exclusive jurisdiction over any litigation involving the validity of any bonds issued under this Act. All bonds shall bear the signature of the Governor and of the Secretary of State and shall bear the certificate required by Section 29, Article X, of the Constitution of Oklahoma. Such bonds shall also be registered by the Treasurer of the State of Oklahoma and a statement of such registration shall appear on the back of each bond. The Commission may, by resolution, prescribe that the seal of the State of Oklahoma, or the seals of any of the officers thereof, and any or all signatures required to appear on the bonds or coupons, with the exception of the Governor's signature on the bonds, may be facsimile seals and signatures.

SECTION 10. The bonds and interest coupons attached thereto shall be delivered to the purchaser thereof only upon payment of par and accrued interest to the date of delivery thereof, together with any premium bid, if any. The proceeds of the sale of said bonds shall be deposited in the State Treasury of the State of Oklahoma, in a fund which is hereby created and designated the "1955 Building Bond Fund," where they shall remain subject to disposition to be provided for by Legislature of Oklahoma, provided that the State Treasurer of the State of Oklahoma, when so directed by the State Depository Board, shall invest said monies in interest bearing direct obligations of the United States of America, or of the State of Oklahoma, and provided further that, all such investments of said monies must be so made that the same may be liquidated in time to enable the State of Oklahoma to pay, in due course, the valid indebtedness incurred for the purpose for which said bonds are issued, when the said indebtedness has been incurred pursuant to legislative authority.

SECTION 11. The Commission may issue bonds hereunder for the purpose of refunding any obligations issued under the provisions of this Act. Such bonds may either be sold or delivered in exchange for outstanding obligations. If sold, the proceeds may be either applied to the payment of the obligations refunded or deposited in escrow for the retirement thereof. Nothing herein shall be construed to authorize the refunding of any outstanding obligations which are not either maturing, or callable for redemption under their terms, or voluntarily surrendered by their holders for cancellation, unless the Commission covenants that sufficient funds to pay all remaining interest and principal payments of outstanding obligations when due will be placed in escrow for such purpose in the State Treasury at the time of delivery of and payment for the new bonds issued hereunder. All bonds issued under this section shall in all respects be authorized, issued and secured in the manner provided for other bonds issued under this Act, and shall have all the attributes of such bonds. The Commission may provide that any such re-

funding bonds shall have the same priority of payment and be paid from the same revenues in the manner enjoyed by the obligations refunded thereby.

SECTION 12. The Commission is authorized in its discretion to file an application with the Supreme Court of Oklahoma for the approval of any series of bonds to be issued hereunder, and exclusive original jurisdiction is hereby conferred upon the Supreme Court to hear and determine each such application. It shall be the duty of the court to give such applications precedence over the other business of the court and to consider and pass upon such applications and any protests which may be filed thereto as speedily as possible. Notice of the hearing on each application shall be given by notice published in a newspaper of general circulation in the State that on a day named the Commission will ask the court to hear its application and approve the bonds. Such notice shall inform all persons interested that they may file protests against the issuance of the bonds and be present at the hearing and contest the legality thereof. Such notice shall be published one time not less than ten (10) days prior to the date named for the hearing and the hearing may be adjourned from time to time in the discretion of the court. If the court shall be satisfied that the bonds have been properly authorized in accordance with this Act and Section 33, Article X, of the Constitution of Oklahoma, and that when issued they will constitute valid obligations in accordance with their terms, the court shall render its written opinion approving the bonds and shall fix the time within which a petition for rehearing may be filed. The decision of the court shall be a judicial determination of the validity of the bonds, shall be conclusive as to the State of Oklahoma, its officers, agents and instrumentalities, and thereafter the bonds so approved and the revenues pledged to their payment shall be incontestable in any court in the State of Oklahoma.

SECTION 13. It is hereby declared to be the intent of the Legislature of Oklahoma, in adopting this Act, that the State of Oklahoma Building Bonds of 1955 authorized by this Act be financed and purchased with resources possessed by the State of Oklahoma, in the custody of the State Treasurer of the State of Oklahoma and of the Commissioners of the Land Office; and that the resources in the custody of the State Treasurer be used for said purpose to the maximum extent possible before the resources of the Commissioners of the Land Office are used for said purpose.

SECTION 14. The provisions of this Act are severable and if any of the provisions of this Act shall be adjudged to be invalid or unconstitutional, such adjudication shall not affect the validity or constitutionality of any of the other provisions.

SECTION 15. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this Act shall take effect and be in full force from and after its passage and approval, which amendment was declared adopted.

Upon motion of Senator Hope, **HB 937**, as amended, was advanced to engrossment and third reading.
