SPECIAL COMMITTEE REPORT

As provided under **SR 21,** Senator Field, Chairman, submitted the following Committee Report of the Fish and Game Committee, which was read and adopted upon his motion:

Mr. President:

The purpose of the inquiry into the affairs of the Oklahoma Wildlife Conservation Department was to ascertain whether or not the Department affairs were being handled in the best interest of the people, and particularly the Sportsmen of Oklahoma, and to determine the reason for the low morale purported to exist among the entire personnel of the Department. The committee inquiries disclosed that the morale of the Department's personnel was at an all-time low, and that a state of confusion existed throughout the Department.

It seems to the committee that a lack of leadership from the Executive Department is hindering the development of an

overall State-wide program in the interest of game and fish conservation in the State of Oklahoma.

The committee observed that the employees were not content and were unhappy in their work, and that due to severe actions taken by the Director for minor offenses, there appeared to be an air of uneasiness as well as a lack of confidence in their superiors. The mark of a good administrator is one capable of delegating authority, and getting the maximum efficiency from all employees as well as to inspire confidence in his subordinates. Strong leadership should be developed, delegating authority to subordinates, giving complete authority in administrative affairs in line with Commission policies. The Commission should function only as a policy-making board, and demand that the proper chain of command be observed from top to bottom.

We suggest that the Commission buy insurance for all State vehicles used by the employees of the Wildlife Conservation Department.

We suggest that the Commercial and Fishing Laws of the State be closely checked and enforced by the Commission and the Director. We also suggest to the Commissioner and the Director that the law enforcement division not be graded on the number of arrests they make, but given credit for acts of courtesy and goodwill to the sportsmen they come in contact with. On out-of-state licenses, the ranger should, rather than making arrests, have the out-of-state resident buy an out-of-state license, then make a report to the Director, giving the license number and the state from which he comes. These acts should be given the same credit as though arrests were made. We make this recommendation in order to build up goodwill and encourage sportsmen to come to Oklahoma.

The 29th Legislature recognized the need for an adequate retirement program for all the employees of the Wildlife Conservation Department, consequently H. C. R. No. 531 was passed unanimously by both Houses, and Senate Bill No. 316 became law with the signature of the Governor, creating a retirement fund and setting aside certain funds for such purpose.

This committee believes that the Chairman, the Director, and his administrative staff should begin functioning immediately to set up a good retirement program, comparable to the retirement program of the Highway Patrol, and the Commission should vitalize such a program by Resolution, and filing same with the Secretary of State. This committee believes that if the preceding recommendations are carried out, the morale of the employees will sky rocket to an all-time high, and we will be able to boast of the best Game and Fish Department in the Nation.

* * * * *

Inasmuch as the Department has adequate funds, and needs better quarters, we believe you should build your own building at the site of the present building located at 2222 North Walnut Street. If the foundation structure of the present building is adequate to carry another floor, we would suggest that you build a second story to the present building in order to conserve adequate parking space adjacent to the building.

This committe wishes to make it very clear that we are not attempting to dictate the policies of the Department, but rather, offering our services as a represenatative group of the people of Oklahoma, the Sportsmen, and others in aiding that branch of State Government that this committee represents.

We make the above suggestions, and pass them on to the Commission for their consideration and action.

It is the consensus of this committee that the Department of Wildlife has sufficient number of well-qualified employees to operate the department, and the Commission has shown a lot of interest and

good judgment in conducting the affairs of the department.

Leon B. Field, Chairman.
Bill Haworth, Vice-Chairman.

Senator Romang presiding.

Senator Field asked that the Committee under **SR 21** be discharged, which was the order.

ODE TO A BILL FOR AN ACT

Ah, my sweet proposal,
On which I've worked and slaved,
I fret on thy disposal;
Thy integrity be save.
Ah, the beauty of thy phrases;
How smooth thy logic flows;
All should sing thy praises,
Even unrelenting foes.
But life flows not so sweetly
And based on false contentions,
They will change thee quite completely,
Despite thy good intentions.
Ah, how bitter are the forces,
That tug upon thy form,
They strain like wild horses,
Full startled by the storm.
Thy support is sound and able,
Yet they strive for its division;
Seek to place thee on the table,
And amend thy each provision.
God save thee from destruction,
Though attacked from every side,
Preserve thy sound construction,
And thy sponsor's modest pride.
Do not let them tear asunder,
This statute I have wrought,
Or complicate their blunder,
Amending law that I have sought.

Now they've laid thee on the table,
And they've cut thy logic out,
And even though they're able,
They will not pass thee out.
Ah, my sweet proposal,
For which I've worked in vain,
They've arranged for thy disposal
And it gives me endless pain.

A RESOLUTION COMMENDING AND CONGRATULATING MISS BESS TRUITT FOR HER EXCELLENCE AS AUTHOR, POET LAUREATE, TEACHER, PUBLIC OFFICIAL, COLUMNIST, AND EDITOR; PETITIONING THE GOVERNOR OF THE STATE OF OKLAHOMA TO BESTOW UPON MISS TRUITT THE HONOR AND TITLE OF "POET LAUREATE EMERITUS OF THE STATE OF OKLAHOMA"; DIRECTING THAT A COPY OF THIS RESOLUTION BE PLACED UPON THE PERMANENT JOURNAL OF THE SENATE AS A RECORD OF THE DEEP APPRECIATION OF A GRATEFUL STATE.

WHEREAS, Miss Bess Truitt of Enid is a distinguished and honored author, appointed poet laureate of the State of Okla-

homa by Robert S. Kerr, then Governor, on July 26, 1945; and

WHEREAS, her writings are a permanent record of the hopes, aspirations, trials, and triumphs of our people; and

WHEREAS, every civilization is best known to future generations through the writings of its authors and poets; we pause here to examine how Oklahoma will be known to future generations through the writings of Bess Truitt. In her tribute to a founder of one of our great universities we find such phrases as these; "his faith was dynamic", "sustained by his trust in God's promise", "men of long vision", "scholars . . . denying material comfort," "teachers, lost in concern for each student's well-being," "Builders, shaping raw timbers . . . enduring real hardships," that "those who later bore their yoke have carried on"; and

WHEREAS, we know this to be a true concept of those who founded this state and our institutions; a concept we fervently commend to future generations; and

WHEREAS, as a teacher of Oklahoma children she has been the kind of teacher we all pray for when we send our own children to school, having so movingly expressed her philosophy of teaching when she wrote for the journal of the Poetry Society of Oklahoma;

"Dear Father, hear me as I pray
For every child I teach today:
That each small face may be to me
A cherished photograph of Thee;
With patient sweetness, let me guide
Each precious soul with love and pride.
That when I make their record sheet
No space may be left incomplete.
Then grant me grace, each mind to give
A clear-marked rule by which to live;
And then, dear Father, I beseech
That I may keep the rule I teach."; and

WHEREAS, her words have caught and held the beauty of Oklahoma in its seasons, as she has written in an anthology of Oklahoma poetry;

"Maples flame in dying glory,
Scattering leaves like squandered gold,
Quails call from hidden corners,
Chattering jays in chorus scold.
Golden-rod and yellow sunflower
Courtesy to the sumac's red,
And in orange and crimson riot
Orchard carpets now are spread."; and

WHEREAS, she has not turned aside to criticize or ridicule, but has seen in those who achieve evidence of dedication, sincerity of desire to serve and, through our conflicts, progress; for she has written;

"Forgotten all the strife and struggle of the years,
The tumult and the pangs that rend the heart,
The petty problems that confuse the day,
The pitfalls set to thwart your upward way.
Because of your acceptance of the Master's plan,
You honor God and aid your brother-man.
The native talents given you
Were wisely multiplied and ever grew
Until you towered above the common-crowd
In stature, famed, beloved and proud."

We commend to you Miss Bess Truitt of Enid, Oklahoma, for the honor and recognition we move to bestow on her here today.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE TWENTY-NINTH SESSION OF THE OKLAHOMA STATE LEGISLATURE:

SECTION 1. That Miss Bess Truitt of Enid, Oklahoma, be and she is hereby commended on behalf of an appreciative Oklahoma for the excellence of the service she has rendered.

SECTION 2. That the Governor of the State of Oklahoma bestow upon Miss Truitt the honor of "Poet Laureate Emeritus of the State of Oklahoma" in recognition of her excellent works, and her many contributions to the cultural heritage of the State.

COMMUNICATION—MOTION

The following communication from Senator Ritzhaupt was read and ordered incorporated in the Journal upon his request:

Mr. President:

I notice in the public press that the Pardon and Parole Board has recommended the commutation of two death sentences at the same meeting. Both of these cases have been reviewed on appeal by the State Supreme Court and the conviction was upheld.

It apparently took three votes to commute the sentence; therefore, it appears

to me that there are three members of the Pardon and Parole Board who do not believe in upholding the constitution of the State of Oklahoma which provides for capital punishment.

Therefore, I move the Senate call upon them to resign or to fulfill their oath of office which they took to uphold the laws and the constitution of the State.

The vote occurring upon the Ritzhaupt motion contained in the above communication, it was declared adopted.

MOTION

Senator Williams moved that the Senate Public Health Committee be authorized and directed to investigate the commitment and retention policies and practices, and patient care and treatment, at Western State Hospital, Fort Supply Oklahoma; and that a report of the findings of the Committee be made at an early date to the Senate and a copy of said report be sent to the Governor, which motion was declared adopted.

WHEREAS, the people of the State of Oklahoma have a vital concern in the conservation of our natural resources; and

WHEREAS, the present law relating to conservancy and master conservancy districts, found generally in Title 82, Oklahoma Statutes 1961 as amended, is the result of accretions and amendments accumulated over a period of years; and

WHEREAS, while new laws have been enacted during this period, obsolete and conflicting provisions have sometimes escaped observation and repeal, resulting in a general body of laws on conservancy and master conservancy districts which has become burdensome, obscure, clumsy, and ill-adopted to promote with facility the general purpose underlying such legislation and to insure maximum protection of the property rights of affected landowners; and

WHEREAS, it is a vital part of the legislative function to insure that the laws of this state relating to all valid objects of legislation be so structured as to eliminate conflicts and confusions wherever such may arise, to permit ready references to appropriate statutes, and thereby to render such laws more amenable to the accomplishment of their intended objectives.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE TWENTY-

NINTH OKLAHOMA LEGISLATURE, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN:

SECTION 1. That the Executive Committee of the State Legislative Council be and hereby is requested to direct the appropriate Council standing committee to analyze, study, review, compile and codify the laws of this state pertaining to conservancy and master conservancy districts, found generally in Title 82, Oklahoma Statutes 1961 as amended; and

(c) To bring together, under a logical classification system, those statutes and parts of statutes that, because of similarity of subject matter, properly belong together and, having done so, to eliminate those statutes found to be duplications or repetitions.

(d) To simplify and clarify the remaining statutes by rejecting equivocal and ambiguous wording, unclear phraseology and cumbersome style.

(e) To rectify inconsistencies and gaps and to insert, where deemed advisable, amendments and new provisions of law.

(f) To prepare the proposed code in the most convenient and usable form of logically arranged chapter sequences, numbering, cross references, tables and indexes as will best facilitate locating and understanding every phase of the conservancy and master conservancy laws of this state and as will insure maximum protection of property rights of affected land owners; and

SECTION 4. That the Legislative Council standing committee to which this subject is referred to be authorized to consult with any public or private organizations and groups having specialized knowledge of a type conducive to the accomplishment of its objectives and that all such agencies be and hereby are requested to extend maximum cooperation to such standing committee in the furtherance of its objectives.

MESSAGE FROM THE GOVERNOR

The following VETO Message from the Governor was received and read:

TO THE PRESIDENT AND MEMBERS OF THE HONORABLE SENATE TWENTY-NINTH OKLAHOMA LEGISLATURE

Gentlemen:

I have vetoed ENROLLED SENATE BILL NO. 56 for the following reasons:

The selection of our public officials is

a matter of utmost importance in the operation of government from local, state and federal levels.

I have therefore given serious consideration to Senate Bill No. 56 which provides for special primary, special runoff and special elections to fill vacancies in certain offices.

This bill would require a proclamation or writ of election be issued no later than thirty (30) days after the occurrence of certain vacancies. It also would permit the three elections to be held within a four-week period. Thus it would be entirely possible that such elections could be held within approximately 43 days after the date of vacancy.

In my opinion there would not be sufficient time to allow for an orderly filing period, protest period, withdrawal period, organization of election machinery, recount in primary when necessary, or sufficient public discussion which is essential. Such elections would completely disenfranchise those who must vote by absentee ballot.

At the same time, the time involved in holding the three elections could result in slowing down the judicial processes, thereby endangering the rights of citizens to actions in the courts without delay.

I believe that the costs of such special elections would in some instances prove burdensome on counties and that there would not be sufficient funds for a number of special elections.

Special primaries in other states have brought forth a ridiculously large number of candidates, many with unknown qualifications, who have neither the time nor resources for a thorough campaign, and this has resulted in confusion in the minds of voters.

I am in agreement with the decisions of the House Committee on Elections and Privileges which, after a study of the bill, recommended in a majority report to the House of Representatives that it do not pass.

The present statutes relating to this subject have been the law of this state for more than 50 years. They have worked satisfactorily and are generally accepted by our citizens as being completely fair. No real need has been shown for this change.

For the foregoing reasons, I have vetoed Senate Bill No. 56.

HENRY BELLMON

GOVERNOR OF THE

STATE OF OKLAHOMA

Senator Muldrow moved that **SB 56** become a law notwithstanding the Veto of the Governor.

On the question, "Shall Enrolled **SB 56** become a law, notwithstanding the Veto of the Governor, the roll call resulted as follows:

Aye: Allen, Baldwin, Bartlett, Belvin, Berrong, Boecher, Bohannon, Cobb, Colston, Dacus, Field, Fine, Garvin, Grantham, Graves, Ham, Hamilton, Harris, Haworth, Kerr, Lollar, McClendon, McColgin, McComas, McSpadden, Muldrow, Murphy, Nichols, Payne, Ritzhaupt, Rogers, Schoeb, Stevenson, Stipe, Tipps, Trent, Wilkerson, Williams, Wilson.—39.

Nay: Breeden, Garrison, Pazoureck, Romang.—4.

Excused: Cowden.—1.

The Presiding Officer declared the Muldrow motion had received a two-thirds constitutional majority vote of the members elected to and constituting the Senate, thereby overriding the Veto of the Governor of Enrolled **SB 56.**

Enrolled **SB 56,** together with the Veto Message, were ordered transmitted to the Honorable House for consideration.

GENERAL ORDER

(f) The Commission shall:

(1) Draft and recommend necessary legislation to advance the interests of the State in aeronautics;

(2) Represent the State in aeronautical matters before federal agencies and other state agencies; and

(3) Participate as party plaintiff or defendant or as intervener on behalf of the State or any municipality or citizen thereof in any proceeding which involves the interest of the State in aeronautics.

(g) (1) The Commission may, insofar as is reasonably possible, make available its engineering and other technical services to any municipality or person desiring them in connection with the planning acquisition, construction, improvement, maintenance, or operation of airports or navigation facilities.

(2) The Commission may render financial assistance by grant or loan or both to any municipality or municipalities acting jointly in the planning, acquisition, construction, improvement, maintenance, or operation of an airport owned or controlled, or to be owned or controlled, by such municipality or municipalities, out of appropriations or other moneys made available by the Legislature for such purposes. Such financial assistance may be furnished in connection with federal or other financial aid for the same purposes.

(3) The Commission is authorized to act as an agent of any municipality or municipalities acting jointly, upon the request of such municipality or municipalities, in accepting, recceiving, receipting for, and disbursing federal moneys, and other moneys public or private, made available to finance, in whole or in part, the planning, acquisition, construction, improvement, maintenance, or operation of a municipal airport or air navigation facility; and if requested by such municipality or municipalities may act as its or their agent in contracting for and supervising such planning, acquisition, construction, improvement, maintenance, or operation; and all municipalities are authorized to designate the Commission as their agent for the foregoing purposes. The Commission, as principal on behalf of the State and any municipality, on its own behalf, may enter into any contracts, with each other or with the United States or with any person, which may be required in connection with a grant or loan of federal moneys for municipal airport or air navigation facility purposes. All moneys received by the Commission pursuant to this Section shall be deposited in the Oklahoma Aeronautics Commission Fund in the State Treasury and shall be paid out by the Commission in accordance with the terms and conditions of any agreement entered into under the provisions of this Section.

(h) (i). The Commission is authorized on behalf of and in the name of the State, out of appropriations and other moneys made available for such purposes, to plan, zone, establish, construct, enlarge, improve, maintain, equip, operate, regulate, protect, and police airports and air navigation facilities, either within or without the State, including the construction, installation, equipping, maintenance, and operation at such airports of buildings and other facilities for the servicing of aircraft or for the comfort and accomodation of air travelers, provided, however, that such regulatory authority shall not extend to any airman employed by, nor to any aeronautics facility or aircraft under the

exclusive possession, operation, or control of, a person holding a certificate of public convenience and necessity issued by any agency of the United States to operate as a common carrier by air of persons and/or property in interstate commerce. For such purposes the Commission may, by purchase, gift, devise, lease, acquire property, real or personal, or any interest therein including easements in aeronautical hazards or land outside the boundaries of an airport or airport site, as are necessary to permit safe and efficient operation of the State airports or to permit the removal, elimination, obstruction-marking or obstruction-lighting of airport hazards, or to prevent the establishment of airport hazards. In like manner the Commission may acquire existing airports and air navigation facilities; provided, however, it shall not acquire or take over any airport or air navigation facility owned or controlled by a municipality of this or any other State without the consent of such municipality. The Commission may, by sale, lease, or otherwise, dispose of any such property, airport, air navigation facility, or portion thereof or interest therein. Such disposal, by sale, lease, or otherwise, shall be in accordance with the laws of this State governing the disposition of other property of the State, except that, in the case of disposals to any municipality or state government or the United States for aeronautical purposes incident thereto, the sale, lease, or other disposal may be effected in such manner and upon such terms as the Commission may deem in the best interest of the State.

(2) All airports owned by the State shall be within the primary jurisdiction of the State Aeronautics Commission for purposes of design, development, and operation; provided, that airports owned and operated by the Air National Guard shall be exempt from such provisions during time of a national emergency, and provided further, that any airport owned by the State may be leased by the Commission to a public or private agency as it may deem fit.

(3) Nothing contained in this Act shall be construed to limit any right, power, or authority of the State or a municipality to regulate airport hazards by zoning.

(4) The Commission may exercise any powers granted by this Section jointly with any municipalities or with the United States.

(5) a. In operating an airport or air navigation facility owned or controlled by the State, the Commission may enter into contracts, leases, and other arrangements for a term not exceeding twenty-five (25) years with any persons granting the privilege of using or improving such airport or air navigation facility or any portion or facility thereof or space therein for commercial purposes; conferring the privilege of supplying goods, commodities, things, services, or facilities at such airport or air navigation facility; or making available services to be furnished by the Commission or its agents at such airport or air navigation facility.

In each such case the Commission may establish the terms and conditions and fix the charges, rentals, or fees for the privileges or services, which shall be reasonable and uniform for the same class of privileges or services and shall be established with due regard to the property and improvements used and the expenses of operation to the State; provided, that in no case shall the public be deprived of its rightful, equal, and uniform use of the airport, air navigation facility or portion or facility thereof.

b. The Commission may by contract, lease, or other arrangement, upon a consideration fixed by it, grant to any qualified person for a term not to exceed twenty-five (25) years the privilege of operating, as agent of the State or otherwise, any airport owned or controlled by the State; provided, that no such person shall be granted any authority to operate the airport other than as a public airport

or to enter into any contracts, leases, or other arrangements in connection with the operation of the airport which the Commission might not have undertaken under paragraph a. of this subsection (5).

(6) In accepting federal moneys under this Section, the Commission shall have the same authority to enter into contracts on behalf of the State as is granted to the Commission under Section 5(g) of this Act with respect to federal moneys accepted on behalf of municipalities. All moneys received by the Commission pursuant to this Section shall be deposited in the Oklahoma Aeronautics Commission Fund in the State Treasury and shall be paid out of the Commission in accordance with the terms and conditions of any agreement entered into under the provisions of this Section.

(7) The Commission shall grant no exclusive right for the use of any airport of air navigation facility under its jurisdiction. This shall not be construed to prevent the making of contracts, leases, and other arrangements pursuant to subsection (h) of this Section.

(i) The Commission may enter into any contracts necessary to the execution of the powers granted it by this Act. All contracts made by the Commission, either as the agent of the State or as the agent of any municipality, shall be made pursuant to the laws of the State governing the making of like contracts; provided, however, that where the planning, acquisition, construction, improvement, maintenance, or operation of any airport or air navigation facility is financed wholly or partially with federal moneys, the Commission as agent of the State or of any municipality may let contracts in the manner prescribed by the federal authorities acting under the laws of the United States and any rules or regulations made thereunder.

(j) (1) The Commission, the director, or any officer or employee of the Commission designated by it shall have the power to hold investigations, inquiries, and hearings concerning matters covered by the provisions of this Act and the rules, regulations, and orders of the Commission. Hearings shall be open to the public and shall be held upon such call or notice as the Commission shall deem advisable. Each member of the Commission, the director, and every officer or employee of the Commission designated by it to hold any inquiry, investigation, or hearing shall have the power to administer oaths and affirmations, certify to all official acts, issue subpoenas, and order the attendance and testimony of witnesses and the production of papers, books, and documents. In case of the failure of any person to comply with any subpoena or order issued under the authority of this subsection, or on the refusal of any witness to testify to any matters regarding which he may be lawfully interrogated, it shall be the duty of the district court of any county or of the judge thereof, on application of the Commission or its authorized representative, to compel obedience by proceedings for contempt, as in the case of disobedience of the requirements of a subpeona issued from such court or a refusal to testify therein.

(2) In order to facilitate the making of investigations by the Commission in the interest of public safety and promotion of aeronautics, the public interest requires, and it is therefore provided, that the reports of investigations or hearings, or any part thereof, shall not be admitted in evidence or used for any purpose in any suit, action, or proceeding gorwing out of any matter referred to in said investiga-

tion, hearing, or report thereof, except in case of any suit, action, or proceeding, civil or criminal instituted by or in behalf of the Commission or in the name of the State under the provisions of this Act or other laws of the State relating to aeronautics; nor shall any member of the commission, or the director, or any officer or employee of the Commission be required to testify to any facts ascertained in, or information gained by reason of, his official capacity, or be required to testify as an expert witness in any suit, action, or proceeding involving any aircraft. Subject to the foregoing provisions, the Commission may in its discretion make available to appropriate federal, state and municipal agencies information and material developed in the course of its investigations and hearings.

(k) (1) The Commission is authorized to confer with or to hold joint hearings with any agency of the United States in connection with any matter arising under this Act or relating to the sound development of aeronautics.

(2) The Commission is authorized to avail itself of the cooperation, services, records, and facilities of the agencies of the United States as fully as may be practicable in the administration and enforcement of this Act. The acquisition of any lands or interest therein pursuant to this Act, the planning, acquisition, establishment, construction, improvements, maintenance, equipment, and operation of airports and air navigation facilities, whether by the State separately or jointly with any municipality or municipalities, and the exercise of any other powers herein granted to the Commission are hereby declared to be public and governmental functions, exercised for a public purpose, and matters of public necessity. All lands and other property and privileges acquired and used by or on behalf of the State in the manner and for the purposes enumerated in this Act shall and are hereby declared to be acquired and used for public and governmental purposes and as a matter of public necessity.

SECTION 7. In carrying out the provisions of this Act the Commission may use the facilities, services, and resources of other agencies of the State and of the municipalities of the State, and all other such agencies of the State and municipalities are hereby specifically authorized to cooperate with the Commission by use of their respective equipment, facilities, services, and resources in the furtherance of the purposes of this Act and in the furtherance of the plans and programs of the Commission.

SECTION 8. No provision of this Act is mandatory upon any city or town in Oklahoma, or the governing body thereof, in the acquisition, improvement, construction, operation or maintenance of any municipally owned airport or air navigation facility; nor shall any provision of this Act prevent or take away from any city or town governing board the authority to deal directly with any agency of the federal government in the matching of any funds made available by the federal government for acquisition, improvement, construction, operation, or maintenance of any such municipally owned airport or air navigation facility.

SECTION 9. The powers and duties of the Oklahoma Planning and Resources Board relating to aviation as prescribed by 3 O. S. 1961, § 25, are hereby trans-

Teach us better to know ourselves, that, knowing our weaknesses, we may be on guard. Teach us better to understand other people, that we may view their shortcomings with charity, their virtues with appreciation, and their kindness to us with gratitude.

Be with Thy servants in this place, in all things great and small, so that small things become great and great things become possible. Father of mercies, bless their loved ones and their families, and make their home sanctuaries of love and peace where they may find spiritual resources for the strain and pressure of their duties here.

Give us now Thy Spirit to guide and direct our thinking, that when the day's work is over we may merit Thy "Well done." Through Jesus Christ our Lord, we humbly pray. Amen.

MEMORIAL SERVICE

Posting of the colors by the Honor Guard: Sfc. William E. Nichols, Sfc. Bennie Greenwood, Sfc. Louie Vandiver, and Sgt. Tom Winner.

Presentation of Dr. E. S. Phillips, D.D., Pastor of the First Church of the Nazarene, Bethany, Oklahoma who delivered the following Memorial Address and Prayer:

Senator Rogers, ladies and gentlemen, I sincerely appreciate the honor accorded me on this occasion. I also feel that the members of this body are to be commended for taking this time out of your busy schedule for this special emphasis.

Perhaps the most famous bell in all the world hangs today in the "old State House" in Philadelphia, Pennsylvania. It is known as the Liberty Bell. It has been so-named for two reasons:

1. Because of the inscription written upon it—a verse from the book of Leviticus, 25:10, "Proclaim liberty throughout all the land unto all the inhabitants thereof."

2. Because it was rung on July 8, 1776, to call the citizens together to hear the announcement that the Declaration of Independence had been signed.

It is well-known that the ringing of the bell caused a crack thereon. The proclamation of liberty caused a crack in the bell, but the preservation of that liberty has caused deep wounds and left deep scars in the lives of millions.

Liberty has always been expensive to achieve and costly to maintain. Though the colonial army never exceeded more than 17,000 troops; yet, approximately eight or ten thousand lives were sacrificed to achieve our country's initial victory. To maintain that victory, and our Union, it cost the lives of 525,000 young men in the Civil War.

Then, two hundred years after the Revolutionary War, and approximately one hundred years after the Civil War, the casualties of World War Two numbered over 25,000,000 men and women.

Today we celebrate one of our great national holidays known as Memorial Day.

Today people will gather in city cemeteries, in country graveyards, at national shrines and in legislative halls to hear speeches, to place wreaths and to honor the memory of our heroic dead in all wars.

These men of Lexington and Bunker Hill, of Gettysburg, of Santiago, of Verdun, of Guadalcanal and Normandy beachhead have placed a solemn obligation upon each of us.

Why did they die? I think Francis Scott Key gives a partial answer. As he stood on the deck of the enemy ship in the early hours of dawn, he turned his face toward Ft. McHenry in Baltimore harbor. His heart leaped for joy—for there amidst the red glare of the rockets, and the bursting of enemy bombs still waved the tattered star-spangled banner. From his heart Keys prayed to God, saying,

"Oh, thus be it ever when freemen
shall stand
Between their loved homes and wars
desolation!
Blest with victory and peace,
May the heaven-rescued land
Praise the Power that has made
And preserved us a Nation!"

Why did they die? That our country might be blessed with Victory and Peace.

We honor the memory and the deeds of these heroic and sacrificial men. But this morning we also need to Praise the Power that hath made and preserved us a Nation.

What is that Power?

Some years ago Alexis De Tocqueville, the Frenchman, came to our country to find the source of our success. He visited our great educational institutions. He came away saying, "It is not here."

He visited our industrial centers and financial chambers. He came away saying, "It is not here."

He visited our science laboratories and legislative halls. He came away saying, "It is not here."

On Sunday morning he visited one of our great Christian churches. He heard the people sing about their God. He heard them offer their petitions to their God. He saw them sincerely at the worship of their God. De Tocqueville came away saying, "It is here, the success of America is in the faith of her people in a personal God who enters into the affairs of their personal lives."

This God, gentlemen, is the Power that hath made us a Nation. Our hope of preservation is not in our education, our industry, our finance, our science or our legislation. Though these are all essential to a smooth running economy; yet, our hope of preservation is in a God who still rules and reigns in the affairs of men.

Today, while we honor the memory of those who gave their lives for our country, let us also praise Him who hath made us and will preserve our Nation.

Let us all stand as we close this service with prayer.

Our heavenly Father we come to thee in this special service, seeking thy special blessing and favor.

We beleive that in thy Providences America was brought into being. That in thy plan it was to be a land of many races but of one people.

As we think of our past, we recognize that the biography of our country was written in sweat and tears and in the blood of peoples of many nationalities. People whose courage has been fused together with a burning passion for freedom.

Our ancestors came from different countries, from different cultures, from different classes. Some came to our shores in the luxury liners of their day, others came in cattleboats. But from Plymouth Rock to Ellis Island, from the Mayflower to the great Queens, they all came seeking a land where they might serve God according to the dictates of their conscience.

Bless the memory of all who made the Supreme sacrifice for the cause of liberty. They gave the last full measure of devotion. Grant that in the words of that great American, Abraham Lincoln, may we dedicate ourselves to the task of preserving this to continue to be a country and "government of the people, for the people and by the people."

Bless the men of this Senate, as they deal with the great and complex problems of our State, may they not depend solely upon human wisdom but may they look to the God who giveth wisdom to all men, and to the God who is able to aid us in the proper solution of all problems.

We ask these blessings in thy name. Amen.

IT'S QUITE A SWITCH
SENATE—NOT HOUSE—IS
LEADING REFORM DRIVE

By FROSTY TROY

Tribune Capital Correspondent

OKLAHOMA CITY—There has been a quiet but unusually effective revolution in the Oklahoma Senate during the 29th session.

Still unyielding on reapportionment, still dominated by the old guard and more prone to oratory than action, it has been the Senate that proved to be the catalyst for reform bills.

The Senate did not do more than the public would expect from a legislative body, but traditionally it has been the

House that fought for changes while the Senate backed the status quo.

It has been ironic for the Senate to watch the reform bills it passed this session die in the House. But the House has undergone a revolution too, under iron-fisted J. D. McCarty, who pipes the tune for most members.

It was Sen. Ralph Graves who pushed for the state employes retirement system and it has become law. It was the Senate that passed the first public housing bill to provide low cost housing for 75,000 families but it died in the House.

UNDER SEN. ED BERRONG'S dogged guidance, the Senate approved the public trust reform bill, only to watch it go down the House drain.

The much heralded indeterminate sentence law came from Sen. Gene Stipe and will be a reality next January.

Sen. Walt Allen of Chickasha pushed through the bill to block the exorbitant Creek County judgments by providing for a change of venue in such cases but Rep. Heber Finch, Jr., of Sapulpa killed it in his committee, with Speaker McCarty's blessings.

The bill to license and control child care centers in Oklahoma came from the pen of Sen. Bob Trent of Caney, as did the bill to provide a needy student loan fund for education.

IT WAS SEN. ALLEN, ALONG WITH Sen. Al Nichols, who pushed for correction of abuses in the aid to dependent children program, only to see most of them lost.

The Good Samaritan bill to prevent lawsuits against doctors or laymen who aid accident victims began in the Senate and is now law.

The Senate approved the U.S. constitutional amendment to outlaw poll taxes but the House killed it in a burst of self-styled states rights glory.

It was Sen. G. O. Williams who won approval of the proposed constitutional amendment to cut down long waiting periods for voting in Oklahoma. It will be voted on next year.

The Senate approved the two-term provision for the governor, secretary of state, auditor and treasurer but word is that it will never get out of the House alive.

When Gov. Henry Bellmon asked for legislative approval to launch economies in state government after the session, the Senate unanimously said okay.

IT WAS IN THE HOUSE, NOT THE Senate, that most of Gov. Bellmon's program was clobbered.

Why the sudden change in the Senate?

They didn't buy an oversupply of halos, it's just that the leadership has been extremely effective, mainly due to firm but considerate Roy Boecher, the president pro tem.

Boecher and his sidekicks, floor leader Glen Ham and assistant leader Clem McSpadden, have won the warm support of a Senate majority that was seriously concerned about the Senate image when this session opened.

After the wailing, vindictive, embittered session two years ago, the Senate hit bottom. This time it has been free from wrangling and is extraordinarily industrious.

Even the reapportionment debates were conducted on a high plane. The only scar came this week when several senators squared off but Boecher quickly cooled them off in executive session.

Boecher promised at the beginning of the session to run a tighter ship, and he has delivered.

CONFERENCE COMMITTEES

As provided under Rule 3-d, President Pro Tempore Boecher announced the appointment of the following Senate Conferees under the Bills numbered:

SB 315: McSpadden, Chairman, Breeden and Bartlett.

SENATE CONCURRENT RESOLUTION NO. 46—By Bartlett, Rogers, Allen, Baldwin, Belvin, Berrong, Boecher, Bohannon, Breeden, Cobb, Colston, Cowden, Dacus, Field, Fine, Garrison, Garvin, Grantham, Graves, Ham, Hamilton, Harris, Haworth, Kerr, Lollar, McClendon, McColgin, McComas, McSpadden, Muldrow, Murphy, Nichols, Payne, Pazoureck, Ritzhaupt, Romang, Schoeb, Stevenson, Stipe, Tipps, Trent, Wilkerson, Williams, Wilson of the Senate, and Connor of the House.

A RESOLUTION EXPRESSED PROFOUND SORROW AND REGRET UPON THE PASSING OF POPE JOHN XXIII, SUPREME PONTIFF OF THE ROMAN CATHOLIC CHURCH; COMMENDING THE CONTRIBUTIONS OF POPE JOHN XXIII TO MANKIND; AND DIRECTING DISTRIBUTION OF THIS RESOLUTION.

WHEREAS, on Monday, June 3, 1963 A.D., people of all faiths the world over were deeply grieved upon the sad and solemn announcement of the passing from this earthly life of the Supreme Pontiff of the Roman Catholic Church, Pope John XXIII; and

WHEREAS, few men in history have commanded such universal admiration, reverence and respect in so brief an appearance upon the world stage as has the pontificate of John XXIII; and

WHEREAS, born Angelo Giuseppe Roncalli on November 25, 1881, in Sotto il Monte, Italy, Pope John was the third of thirteen children and the first son of Giovanni Battista Roncalli, a poor farmer, and of Maria Anna Mazzola; and

WHEREAS, ordained a priest on August 10, 1904, his record was one of brilliant accomplishment and progress, as a student, professor, missionary, Vatican diplomat, and spiritual leader of the Patriarchate of Venice, culminating with his election to the Papacy on October 28, 1958; and

WHEREAS, Pope John XXIII will be universally remembered for his efforts on behalf of healing the wounds of a divided Christendom, the promotion of world peace, his great humanitarianism and social consciousness, and his insistence upon the brotherhood of all men; and

WHEREAS, although advanced in years upon his ascendancy to the Papacy, John XXIII proved to be young in heart and spirit and a man of breath-taking action and great compassion. His deep, intuitive understanding of and love for his fellow man perhaps was the underlying basis of his extremely successful pontificate and the universal inspiration generated by his words and deeds; and

WHEREAS, the towering event of the pontificate of John XXIII was his convocation of the Second Vatican Ecumenical Council. Convened primarily to adjust the practices of the Roman Catholic Church to requirements of the Twentieth Century, the Council as well was intended to further cause of Christian unity, and from its deliberations emerged a spirit of mutual good will among Catholics, other Christians, and even other religions, that has seen no parallel in modern times; and

WHEREAS, two other accomplishments helped to place the mantle of greatness upon the reign of the humanitarian John XXIII. His social encyclical, "Mater et Magistra", set forth Christian solutions for the complex political, social and economic problems of the modern age. The encyclical, "Pacem in Terris", addressed to men the world over, embodied a challenging codification of the Church's teachings in the field of international peace and won enthusiastic praise from leaders of all faiths and many nations; and

WHEREAS, in his brief appearance in the spotlight of history, this amazing man never forgot the humble circumstances of his beginnings, marking the deeds of his remarkably useful and productive life with a compassionate understanding and love of his fellow man so that he shall always remain to millions throughout the world, to people of all faiths, as the "Pope of the Common People", and it is both fitting and proper that the Oklahoma Legislature, upon behalf of the people of this great State, pause in this moment of great mourning to dedicate this tribute to the memory of one who has dedicated his life on earth to peace, understanding, and brotherhood among people of all nations, all races, all beliefs and all faiths.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE TWENTY-NINTH OKLAHOMA LEGISLATURE, THE HOUSE OF REPRESENTATIVES CONCURRING THEREIN:

SECTION 1. That the Oklahoma Legislature on behalf of the people of the State of Oklahoma, does hereby express its most profound sorrow and regret upon the passing from this earthly life of the great world statesman and humanitarian Pope John XXIII, Supreme Pontiff of the Roman Catholic Church.

SECTION 2. That the many contributions and services to all mankind of Pope John XXIII be and hereby are officially recognized and commended by the Oklahoma State Legislature.

SECTION 3. BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. The following words and phrases shall mean:

(a) Migrant labor camp; One or more buildings or structures, tents, trailers, or vehicles, contiguous or grouped, together with the land appertaining thereto, established, operated, or used as living quarters for fifteen or more seasonal, temporary or migrant persons, and occupied for more than three days, whether or not rent is paid or reserved in connection with the use or occupancy of such premises.

(b) Person: An individual or group of individuals, association, partnership, or corporation.

(c) Migrant agricultural worker: An individual who is employed in agriculture or performing agricultural labor on a seasonal or temporary basis and residing away from his usual home or residence.

(d) Advisory Board. A board of five members appointed for one-year terms. Each member will be appointed by the President of the Board of Agriculture and shall be an owner or operator of a migrant labor camp.

SECTION 2. No person shall establish, maintain, or operate any migrant labor camp in this State without first obtaining a license therefor from the State Commissioner of Health. Such license shall be posted and kept posted in the migrant labor camp to which it applies at all times during maintenance or operation. Operators of migrant labor camps now in existence shall have ninety days from the date of promulgation of rules and regulations issued under this Act in which to obtain a license; provided, however, the regulations adopted by the State Department of Health under this Act shall not become effective until July 15, 1964.

SECTION 3. Application for a license to establish, operate, or maintain a migrant labor camp shall be made to the State Commissioner of Health on a form and under regulations prescribed by him. The application shall state the location of the existing or proposed migrant labor camp, the approximate number of persons to be accommodated, the probable duration of use, and any other information the State Board of Health may require. The application by any person, as defined in this Act, shall be accompanied by a fee of Two Dollars ($2.00) for each fiscal year or fraction thereof. No such fee shall be refunded.

SECTION 4. After an inspection has been made, if the camp meets the reasonable, minimum standards of construction, sanitation, equipment and operation required by regulations issued under and in accordance with this Act, the State Commissioner of Health shall issue, in the name of the State Department of Health, the necessary license to operate a migrant labor camp. The license, unless sooner revoked, shall expire on June 30 next after the date of issuance unless renewed, and it shall not be transferable. All applications for renewal shall be filed with the State Commissioner of Health thirty days prior to its expiration, on forms furnished by the State Department of Health.

SECTION 5. The State Commissioner of Health is hereby authorized to revoke a license issued in accordance with the provisions of this Act, or violation of any provisions of this Act or the rules and regulations issued pursuant thereto. The duly authorized representative of the State Commissioner of Health shall have the power to issue a complaint to the State Commis-

If the State Commissioner of Health finds that the complaint is true, such license is then revoked as herein provided. A new application, following revocation, shall be considered by the State Commissioner of Health, if when, and after the conditions upon which revocation was based have been corrected and evidence of this fact has been furnished. A new license shall then be granted after proper inspection has been made and it is found that the provisions of this Act have been complied with and the rules and regulations promulgated thereunder have been satisfied. Any licensee against whom complaints are found true two consecutive years shall not be eligible for a license the next subsequent year.

SECTION 6. The State Board of Health shall make, promulgate, and repeal, with the advice and counsel of the Advisory Board such reasonable rules and regulations as may be determined to be necessary to protect the health and safety of persons living in migrant labor camps, prescribing standards for living quarters at such camps, including provisions relative to construction of camps, sanitary conditions, water supply, toilets, sewage disposal, refuse and garbage storage, collection, and disposal, light, air, safety protection from fire hazards, equipment, maintenance and operation of the camp, and such other matters as they may determine to be appropriate or necessary for the protection of the life and health of occupants. Every employee and occupant of a migrant labor camp shall use the sanitary and other facilities furnished for his convenience and shall comply with all applicable rules, regulations and standards promulgated in accordance with the provisions of this Act, that the Board of Health may determine to be necessary to protect the health and safety of all employees and occupants.

SECTION 8. SECTION 9. All decisions of the State Commissioner of Health hereunder may be reviewed in the county court or district court, of the county in which such migrant labor camp is located or contemplated.

SECTION 10. (A) Any person, as defined in this Act, establishing, conducting, maintaining, or operating any migrant labor camp, within the meaning of this Act, without first obtaining a license therefor as provided herein, or without having secured renewal of license as provided by this Act or who shall violate any of the provisions of this Act, or regulations lawfully promulgated thereunder, and

SPECIAL COMMITTEE REPORT

As provided under Rule 3-f, President Pro Tempore Boecher submitted the following Report of the Committee on Research and Investigation and asked that it be shown in the Journal, which was the order:

Oklahoma City, Oklahoma
May 30, 1963

President Pro Tempore
Oklahoma State Senate
Oklahoma City, Oklahoma
Dear Mr. President:

In accordance with the rules of the Senate, the Investigating Committee has made a thorough investigation of the operation of the Oklahoma Ordnance Works Authority since its establishment on December 30, 1960, and of the contract between the Authority and Heat and Power, Inc., for the dismantling and sale of equipment and materials which were surplus to the industrial development of the area. The 1961 Session of the Oklahoma Legislature, **SJR 24** appropriated $1000 from the State Contingency and Emergency Fund to be used for the establishment of the Oklahoma Ordnance Works Authority. This action of the legislature permitted the General Service Administration to consider the Authority a state agency for the purpose of negotiating the sale and transfer of the Ordnance Works to the Authority.

Formation of Trust.—The Oklahoma Ordnance Works Authority was created and established on December 30, 1960 as a public trust under the provisions of Title 60 O S 1961 Sections 176 to 180 inclusive, for the benefit of the State of Oklahoma, and for the purpose of acquiring and developing as an industrial area the Oklahoma Ordnance Works near Pryor in Mayes County, Oklahoma. The duration of the trust is for the duration of the State of Oklahoma. Three Trustees are appointed for life unless removed for cause to be tried in the district court of Oklahoma County. These three were appointed and their successors are to be appointed by the Governor, President Pro-Tempore of the Senate, and Speaker of the House of Representatives respectively. The two other trustees serve by virtue of their office, one as the director of the Department of Commerce and Industry, the other as a member of the Grand River Dam Authority to be designated by the Governor.

Your committee has heard testimony relative to the contract which the Authority entered into with Heat and Power, Inc. Testimony was taken as to the propriety of the contract. One witness, a retired engineer, testified that he felt like that more sales of certain items should have been made prior to entering into the contract with Heat and Power, Inc. however, contrary testimony was presented that the type of contract entered into was usual and customary for the dismantling of installations such as the Ordnance Works. Evidence submitted indicates that the provisions of the contract are very similar to those en-

tered into by Phillips Petroleum, DX Sunray and others for this type of work. Therefore, your committee must conclude that there is no wrong doing on the part of the Trustees or the Manager in entering into the contract with Heat and Power. Conflicts of interest.—Certain evidence was submitted relative to sales by Heat and Power and by Mr. Aaron Siegel to other firms in which Mr. Siegel held a financial interest and particularly the committee found that Mr. Siegel had sold some pipe to an oil field supply firm in which he was a large stockholder. The committee finds further that Mr. Siegel has made certain sales to Alamo Trading Company and to a Mr. Cohen, which might be subject to criticism because of a business relationship between Mr. Cohen and Mr. Siegel in being joint venturers on several projects. Your committee therefore recommends proper action be taken by the Authority to assure that future sales by Heat and Power are not made to any firms or individuals with whom either Heat and Power or Mr. Siegel personally have any business interests or financial relationship.

The schedule of liquidation.—Your committee finds that numerous sales have been made by Heat and Power to foreign countries and large industrial firms all over the United States at substantial prices. However, your committee feels that it must express concern that the liquidation is not proceeding at a more rapid rate and are concerned that the indebtedness by the Authority to the First National Bank and Trust Company in Tulsa is not being retired more rapidly. The size of the indebtedness brings about a substantial increase in the indebtedness by the accrual of interest which leads the committee to recommend that the Authority, the manager, and Heat and Power, Inc., take such action as is necessary to speed up liquidation and retirement of the debt.

Your committee heard lengthy testimony and charges but no direct evidence of any conspiracy or collusion to defraud the State has been offered or found by the committee. The committee notes that more stringent security measures have been instituted by the manager to assure that the property of the Authority is protected against unauthorized removal of property, and compliments the management for taking this action.

Conclusion.—In conclusion, your committee must report that it has not been able to find or substantiate in any wrong doing on the part of the Authority or the manager, or any other person, with the exception of the instances wherein Heat and Power, Inc., sold certain items to firms or persons with whom Mr. Siegel was associated. The committee cannot specifically find that the State was defrauded by these actions but criticises them as against public policy and recommends that no further sales be handled in this manner.

The committee concludes further that the Authority and its manager should step up their efforts to attract industry to the site of the Ordnance Works in order that the economy of the area might be strengthened.

Respectfully submitted,

SPECIAL COMMITTEE REPORT

Senator Ritzhaupt, chairman of the Public Health Committee, submitted the following Committee Report, (being the Minutes of said Committee) attached to which was a transcript of the testimony taken before said Committee at Oklahoma City on May 28, 1963:

MINUTES
PUBLIC HEALTH COMITTEE
TUESDAY, MAY 28, 1963
9:30 A.M. SENATE CHAMBER

THE MEETING WAS called to order by Chairman Ritzhaupt, a quorum being present; viz, Senators Murphy, McColgin, Wilson, Williams, Berrong and Schoeb.

In response to the protests of Judge Park W. Lamerton of Enid which appeared in the press recently with particular reference to the handling of persons committed to Western State Hospital at Fort Supply, Oklahoma, Dr. Harold B. Witten, Superintendent, Western State Hospital, and Dr. T. Glyne Williams, Director of the State Mental Health Department, were invited to appear before the Senate Committee on Public Health at its meeting on May 28th as set out in the foregoing. Certain other persons were also invited to appear before the Committee whose names and testimony appear in the official transcript of the hearing.

It is the judgment of the Committee that some of the criticism of the Medical Superintendent of the Western State Hospital at Fort Supply is justified. However, the Committee being cognizant of the laws governing the admittance and discharge

of patients to such Institutions, it appears that Dr. Witten was acting in accordance with his best judgment and within the rules and regulations promulgated by the State Mental Health Board and in full accord with the Director of Mental Health, Dr. T. Glyne Williams.

There was no complaint against Dr. Witten's ability as a physician and psychiatrist; however, there was criticism in regard to his ability to get along with the employees of the Institution. The Committee recognizes the fact that there is a certain degree of jealousy existing among all members of the human family and certainly is quite prevalent in an Institution where the people in one sense of the word feel they are isolated and living in a world of their own.

After due consideration of the testimony taken and hereto attached, the Senate Committee on Public Health feels that some criticism should be leveled at the State Board of Mental Health and recommends that the Board devote more time and study to the affairs pertaining to the Mental Institutions of the Sate of Oklahoma. That they also consider carefully the appointment of a Mental Health Director and Business Adminstrator, assign to each his duties and follow the action of each of the Superintendents and Business Administrators, and take due notice of results obtained.

This Committee also recommends that the State Mental Health Board, the Department of Mental Health and the Superintendents and Business Managers of the various Institutions develop better public relations with the patients and their relatives, the personnel of the Institutions, the various County Officials, and the members of the State Legislature in order that the purpose of the Institutions may be fulfilled.

THE COMMITTEE was recessed subject to the call of the Chair.

LOUIS H. RITZHAUPT, Chairman,
Public Health Committee

The Transcript of Testimony was ordered filed with the Secretary of the Senate.

As provided under the Ham motion, the Senate was declared adjourned to meet at 10:00 a.m., on tomorrow.

A CONCURRENT RESOLUTION DIRECTING INTERIM STUDY OF THE POSSIBILITY OF CONSOLIDATING THE STATE TUBERCULOSIS HOSPITALS AND ALLOWING VACATED FACILITIES TO BE MADE AVAILABLE FOR GERIATRIC PATIENTS FROM STATE MENTAL HOSPITALS; DIRECTING SUCH STUDY TO INCLUDE RESPONSIBILITIES AND ACTIVITIES OF OKLAHOMA GENERAL HOSPITAL AND DESIRABILITY OF EXPANSION OF FACILITIES AND TREATMENT AVAILABLE AT SUCH HOSPITAL; AND REQUIRING REPORT.

WHEREAS, The welfare of the persons in our State hospitals and institutions is of continuing concern to the people of this State; and

WHEREAS, The co-ordination and consolidation of some of these hospitals and institutions may increase the efficiency of said institutions; and

WHEREAS, If the conditions are found to warrant the consolidation of the State's tuberculosis hospitals, said consolidation would make available additional space and facilities which could be put to a worthwhile purpose; and

WHEREAS, The State mental hospitals have a large number of elderly geriatric patients whose main needs consist primarily of custodial care and said patients prevent said institutions from being fully utilized to treat the mentally ill; and

WHEREAS, An interim study would be beneficial to check into the possibility of consolidating the State tuberculosis hospitals and transferring selected elderly geriatric patients from the State's mental hospitals and such facilities could be made available by said consolidation; and

WHEREAS, A board could be charged with control of welfare and care of such geriatric patients in such facilities which could relieve the State of Oklahoma of the financial responsibility and thereby result in the saving of millions of dollars to the State of Oklahoma over a period of time in addition to providing for a more efficient utilization of our State mental hospitals; and

WHEREAS, It is desirable that the members of the Legislature be informed as to the availability of facilities and treatment at Oklahoma General Hospital; and

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE TWENTY-NINTH SESSION OF THE OKLAHOMA STATE

LEGISLATURE, THE SENATE CONCURRING THEREIN:

SECTION 1. The Executive Committee of the State Legislative Council shall refer to the appropriate standing committee of the Legislative Council the problem of studying the merger of the State Tuberculosis Hospitals and if so, whethere it would be feasible to make the facilities vacated by such consolidation available to geriatric patients from the State mental institutions.

SECTION 2. If the merger and vacating of facilities in Section 1 is found desirable, then the committee shall study the desirability of creating a State Geriatric Authority, such as the plan suggested in House Bill No. 1053 which would be charged with care and control of welfare geriatric patients to be housed in the vacated facilities previously used by the tuberculosis hospitals.

SECTION 3. Such committee shall also investigate and study the facilities and treatment available at Oklahoma General Hospital for indigent patients and determine whether it is advisable that such facilities be expanded in order to provide the proper care and treatment to meet any reasonably expected needs.

SECTION 4. The standing committee assigned the problem of studying the merger and care of geriatric patients and the facilities and treatment offered at Oklahoma General Hospital shall be directed to submit a written report of their study including an estimate of the money which could be saved by any consolidation of State tuberculosis hospitals and improvement of services rendered to indigent patients by expansion of facilities at Oklahoma General Hospital to the Executive Committee of the Legislative Council not later than November 1, 1965.

RESOLUTION

By unanimous consent, Senator Field introduced the following Resolution, which was coauthored by Senator Grantham, Garrison, Ham, Murphy, McComas, McColgin, Graves, Hamilton, Payne, Belvin, Fine, Ritzhaupt and Schoeb. And by unanimous consent the name of Representative Sparks was shown as a coauthor, upon request of Senator Field:

SENATE CONCURRENT RESOLUTION NO. 49—By Field, Grantham, Garrison, Ham, Murphy, McComas, McColgin, Graves, Hamilton, Payne, Belvin, Fine, Ritzhaupt, Schoeb of the Senate and Sparks of the House.

A CONCURRENT RESOLUTION MEMORIALIZING CONGRESS TO REAFFIRM ITS INTENT TO FINANCIALLY SUPPORT AIR SERVICE TO LIGHT-TRAFFIC BUT GROWING, MARKETS ON THE ROUTES OF LOCAL SERVICE AIR LINES, AND TO ENCOURAGE THE DEVELOPMENT OF A SUITABLE SHORT-HAUL AIRCRAFT FOR USE BY SUCH AIR LINES; AND DIRECTING DISTRIBUTION OF COPIES.

WHEREAS, pursuant to the Conggressional mandate to the Civil Aeronautics Board to promote, encourage, and develop a strong and vital air transportation system in the United States, the Board has certificated thirteen local service air lines in various sections of the country to provide a local air service supplementing the long-haul service now rendered by the trunk air lines, which local service air lines include Central Airlines, Inc., providing service to eleven communities in the State of Oklahoma; and

WHEREAS, in order to promote, encourage, and develop a strong and vital air transportation system, Congress has directed the Board to support financially, through subsidy payments, air service in the light traffic, but growing markets, on the routes of these thirteen local service carriers until such time as such markets can generate sufficient traffic so as to no longer require such financial support; and

WHEREAS, such a program of finan-

cial support is in line with a long history of government aid to transportation in its initial years, including the financial support of air service to truck air lines until such air service reached its present subsidy free status; and

WHEREAS, notwithstanding Congressional intent to promote, develop, and encourage a local service air transportation system, and not withstanding the long history of government aid to transportation, there has been continued reference to a "forced" reduction in subsidy available for local air service to be effected through an arbitrary annual reduction in the amount of such subsidy, regardless of the need for the continuation or expansion of local air service; and

WHEREAS, such a proggram of "forced" reduction is subsidy can only result, on the one hand, in a curtailment of air service in the light traffic, but growing markets, on the local air service routes which are currently nonself-supporting, including such markets in the State of Oklahoma, or on the other hand, an erosion in the financial strength which all local service carriers require to adequately perform the specialized air service which they are required to provide; and

WHEREAS, in spite of manny difficulties, including the discouraging attitude toward subsidy mentioned above and the lack of a suitable shorthaul aircraft, the local service air lines have continued to provide service over a vital segment of our country's air transportation system in a commendable manner, furnishing air transportation to over 7,650,000 passengers during 1962.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE TWENTY-NINTH SESSION OF THE OKLAHOMA LEGISLATURE, THE HOUSE OF REPRESENTATIVES CONCURRING THEREIN:

SECTION 1. That Congress reaffirm its existing policy to promote, encourage, and develop a strong local air transportation system through financial support for air service by local service carriers in the light traffic, but growing, markets of the local service air routes in the State of Oklahoma, and in other areas of our country, until such time as these markets can generate sufficient traffic to become self-supporting.

SECTION 2. That Congress declare any program of a "forced" reduction in subsidy through any artificial annual reduction to be completely inconsistent with the aforesaid policy and can only result in a curtailment of needed local air service in the State of Oklahoma, and in other areas of the country, or a diminution in the financial strength of the local service carriers.

SECTION 3. That Congress support legislation designated to authorize the Board, or other appropriate Federal Agency, to promote the development and economic use of an aircraft designed for the short-haul route operations provided by local service air lines.

SECTION 4. That copies of this Resolution be transmitted to the President of the United States to each member of the Oklahoma Congressional Delegation and to the Civil Aeronautics Board.

Section 1. (a) In addition to other methods and causes prescribed by the Constitution and laws, the judges of any court, exercising judicial power under the provisions of Articles VII, or under any other provision, of the Constitution of Oklahoma, shall be subject to removal from office, or to compulsory retirement from office, for causes herein specified, by proceedings in the Court on the Judiciary.

(b) Cause for removal from office shall be: gross neglect of duty; corruption in office; habitual drunkenness; commission while in office of any offense involving moral turpitude; gross partiality in office; oppression in office; conduct tending to bring the judiciary into disrepute.

(c) Cause for compulsory retirement from office, with or without compensation, shall be mental or physical disability preventing the proper performance of official duty, or incompetence to perform the duties of the office.

Section 2. (a) There is created a Court on the Judiciary, hereinafter referred to as the Court, divided into a Trial Division and an Appellate Division. The court is vested, subject to the provisions of this article, with sole and exclusive jurisdction to hear and determine causes arising thereunder.

(b) The Trial Division shall be composed of nine (9) members, eight (8) of whom shall be the district judges senior in service, but under sixty (60) years of age, with no two (2) from the same Supreme Court Judicial District (in case of equal seniority, the eldest in years to serve), and one (1) active member of the Oklahoma Bar Association, chosen by the Supreme Court of the State of Oklahoma.

(c) The Appellate Division shall be composed of two (2) members of the Supreme Court, chosen by that court; one (1) member of the Court of Criminal Appeals, chosen by that court; (1) active member of the Oklahoma Bar Association, chosen by the Supreme Court of the State of Oklahoma; and five (5) district judges, senior in service but under sixty-five (65) years of age; except that no more than one (1) district judge from any Supreme Court Judicial District shall serve. In the event of equal seniority, the eldest in years shall serve. If any district judge is qualified for both divisions, he shall serve on the Appellate Division and the next in qualification shall serve on the Trial Division.

(d) Within thirty (30) days after the adoption of this amendment, and thereafter prior to the first day in February of each odd-numbered year, the Chief Justice of the Supreme Court, the Presiding Judge of the Court of Criminal Appeals, and the President of the Bar Association shall certify to the Secretary of State the names of the judges who are chosen, respectively, by the said courts and by the Oklahoma Bar Association. The Secretary of State shall determine the district judges

who hold membership on the Trial Division and the Appellate Division. Promptly thereafter he shall notify the members of the respective divisions to meet at the State Capitol on a day certain, within thirty (30) days, for purposes of organization and of making or amending rules of procedure.

(e) Members of the courts so designated shall serve until March first of the odd-numbered year next after the year in which they are named. The attainment of the age limit specified shall not terminate their service during the term.

Each division shall meet on call of its presiding judge or three (3) of its members; a majority of the authorized membership of either division of the court shall constitute a quorum for the exercise of any or all of the jurisdiction of that division, regardless of whether or not vacancies exist in the membership of that division.

(b) The Clerk of the Supreme Court shall be the clerk of the court. He shall perform his duties under the direction of the Court or of the presiding judges.

(c) In the exercise of its jurisdiction, the Court is vested with full judicial power and authority, including the power to summon witnesses to appear and testify under oath and to compel the production of books, papers, documents, records, and other evidential objects; to issue all manner of judicial and remedial process and writs, legal or equitable; to provide for discovery procedures in advance of trial; to make rules governing procedure; to grant full immunity from prosecution or punishment when deemed necessary and proper in order to compel the giving of testimony under oath or the production of books, papers, documents, records, or other evidential objects. No judgment shall extend further than: (1) to removal of the respondent from office, with or without disqualification to hold any public office of honor, trust, or profit under this state, or (2) to compulsory retirement from office; but such a proceeding, regardless of result, shall not bar or prejudice any other proceeding, civil or criminal, authorized by law. A judicial officer who is a member of the retirement compensation system as provided by law and is compulsory retired shall receive the retirement compensation to which his term of service entitled him.

Section 6. (a) In all proceedings before the Court the established rules for disqualification of judges for interest, prejudice, or partiality shall apply. No district judge shall sit in a matter in which the respondent is a judge of a court within his district court judicial district. In the event of the disqualification or failure to act of a member of the Court, a judge pro tem to sit in his place shall be named by the authority appointing him; if he is a district judge, the qualified district judge from his Supreme Court judicial district, next in seniority, shall serve as judge pro tem.

SPECIAL COMMITTEE REPORT

Senator Bohannon submitted the following Special Committee Report which was read and is incorporated herein upon his request:

Mr. President:

On March 4, 1963, a Special Investigating Committee was formed under the following motion:

"Mr. President, I move that the President Pro Tempore be authorized to appoint a Committee to consist of 3 members of the Senate, to investigate the affairs of the State Personnel Board for the purpose of determining the manner in which said Board establishes its application, examination and classification procedures; the

Committee to be further authorized to investigate inefficiency and waste in said Department as well as over-employment by said Board.

Bohannon."

This Committee has worked in executive session the greater part of the time, hoping that in no way would the testimony hurt individuals, but would, instead make for more efficient employees, give greater job security to the worthy employees of Oklahoma, find, if any, graft, corruption, or a master political ring that would not be best for employment. We also hoped that this investigation would make for uniform salaries, greater production of labor, finding if human element, error, or domination under such a system has been cut down to a minimum. It has been impossible to cover the full scope of the investigation.

Questionnaires were mailed out to each of the department heads. The results of these have been totaled and tallied and are being co-ordinated with reports of witnesses and personnel conducted by the committee.

It would be premature to issue a concrete statement as to the standards set forth above until further study is made co-ordinating those findings with the findings established as of this day. Therefore, this committee begs leave to request that this committee be continued during the interim and that two additional members be added so that a more nearly uniform study and conclusion of findings may be made.

Respectfully,
Bohannon, Chairman
Romang
Haworth"

MOTION

Senator Bohannon moved that the above Special Committee be authorized to continue functioning and that its membership be increased to Five, which motion was declared adopted.

A RESOLUTION DIRECTING THE EXECUTIVE BRANCH OF GOVERNMENT TO INITIATE AND MAINTAIN SUCH PRACTICES OF ECONOMY NECESSARY TO BRING ABOUT AN ORDERLY DECREASE IN THE COST OF GOVERNMENT.

WHEREAS, it is to the best interest of the people of the State of Oklahoma that the cost of government be reduced to that point where the maximum service is being rendered for the minimum cost; and

WHEREAS, this desired condition can be achieved through the implementation of certain policies and practices by the various boards, commissions, and authorities through the administrative heads of the respective departments and the employees under their jurisdiction; and

WHEREAS, those capable employees of this state who so long have performed devoted service and so willingly given of their time and talents have demonstrated that economy and efficiency are worthy goals *and a reward for such devoted service should not in the event of a reduction in personnel be removed while newly appointed personnel are retained. Whereas the Governor of the State of Oklahoma, as a part of his successful program for election, publicly proclaimed that there was an excess of 1500 employees in the State Service and that a reduction of such number would not effect the efficient operation of State Government, would effect a substantial economy and would take care of the financing of an equitable retirement system.*

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE TWENTY-NINTH LEGISLATURE OF THE STATE OF OKLAHOMA, THE HOUSE OF REPRESENTATIVES CONCURRING THEREIN:

THAT the Governor of the State of Oklahoma and all executive officers take appropriate action to insure the most efficient and economical use of funds entrusted to their use, whether derived from appropriations from the general fund or special funds or from earmarked revenues, either from state or federal sources such action to include the following measures.

b. A continuing evaluation of personnel for the purpose of retaining only the minimum number of qualified employees to provide adequate services, with particular attention to these areas:

1. employment of *only necessary* part-time, seasonal or other temporary workers for only the shortest reasonable periods, *and that the number of part-time seasonal or other temporary workers for each of the succeeding fiscal years do not exceed the number so employed during the fiscal year of 1962-63 except in the event of the most grave, unforseen emergency.*

2 and adjustment of the workload to absorb duties of employees lost through the normal processes of attrition, i.e. by death, resignation, or retirement.

Sub-Paragraph 3. That the Governor of Oklahoma and all executive officers take the appropriate action through the methods outlined in sub-paragraph 2 above or put an orderly reduction in personnel in such manner as not to impair the State operation in order to make a reasonable effort to reduce the number of permanent employees in the state to a figure of 1500 less than the number so employed January 14, 1963, in accordance with the manner hereafter prescribed.

Sub-Paragraph 4: That whenever the Governor of the State of Oklahoma and the executive office thereof feel it desirable and economical to decrease the number of employees or to abolish any position that the employee or employees with the least seniority be terminated and that upon an increase in the number of employees

that the person so terminated hereto shall have first priority of reemployment in order of their seniority to positions to which they have previously qualified.

Sub-Paragraph 5: That whenever any reduction in the number of employees occurs under sub-paragraphs 2, 3, or 4 hereof, that the executive officers of the several state departments are directed to refrain from spending for any purpose such monies so saved and that all such sums so saved be credited to the emergency appropriation fund of the State of Oklahoma for appropriation by the 30th Legislature and that the procedure for such credit shall be prescribed by the State budget Officer.

c. use of prudence in all purchases, including equipment, materials, supplies, insurance and bonds, utilities, and contractual services, recognizing the opportunities for low cost buying through central purchasing and the prison industries program at the state penitentiary.

A JOINT RESOLUTION DIRECTING THE SECRETARY OF STATE TO REFER TO THE PEOPLE AN AMENDMENT TO ARTICLE V OF THE OKLAHOMA CONSTITUTION RELATING TO APPORTIONMENT OF THE STATE LEGISLATURE;

PROVIDING FORMULAE FOR DETERMINATION OF MEMBERSHIP OF LEGISLATURE; ESTABLISHING FOUR-YEAR TERMS FOR SENATORS AND TWO-YEAR TERMS FOR REPRESENTATIVES; DIRECTING LEGISLATURE TO APPORTION THE LEGISLATURE; CREATING AN APPORTIONMENT COMMISSION; DESIGNATING MEMBERS THEREOF; DIRECTING COMMISSION TO APPORTION LEGISLATURE WHEN LEGISLATURE FAILS TO ACT; PROVIDING FOR REVIEW OF LEGISLATIVE OR COMMISSION APPORTIONMENT BY THE OKLAHOMA SUPREME COURT; AUTHORIZING SUPREME COURT TO REQUIRE COMMISSION TO REAPPORTION UNDER THE PROVISIONS OF THE OKLAHOMA CONSTITUTION; REQUIRING COURT TO ISSUE DECISION WITHIN CERTAIN TIME; REPEALING CONFLICTING SECTIONS OF OKLAHOMA CONSTITUTION; PROVIDING FOR BALLOT TITLE; AND ORDERING A SPECIAL ELECTION.

WHEREAS, the history of the United States under a republican form of government, as established by the Constitution, recognizes the value of representative government based on governmental units with like political, social, and economic interests; and

WHEREAS, to properly balance conflicting views and opposite purposes, it is desirable that the Legislature of a democratic government provide for adequate and fair representation of those groups which have similar political, social, and economic interests; and

WHEREAS, the establishment of county units of government by the Constitution of Oklahoma was based upon a consideration of the political, social, and economic similarity of interests of the people included within such governmental units and

WHEREAS, the growth and progress of Oklahoma has encouraged and identified such units of government as representative of groups of people with like and similar political, social, and economic interests; and

WHEREAS, the fair and equitable representation to be provided in the Oklahoma Legislature should include not only population but other major factors such as the federal analogy, history, economics, custom, territory, and similar and related factors, in order that invidious discrimination will not divest segments of the population of their representation.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE TWENTY-NINTH LEGISLATURE OF THE STATE OF OKLAHOMA:

SECTION 1. The Secretary of State shall refer to the people, for their approval or rejection, as and in the manner provided by law, the following proposed amendment to Article V of the Oklahoma Constitution:

Section 1. Article V of the Constitution of Oklahoma is hereby amended by adding thereto the following new sections:

Section 9A. The State shall be apportioned into forty-eight senatorial districts in the following manner: the nineteen most populous counties, as determined by the most recent Federal Decennial Census, shall constitute nineteen senatorial districts with one senator to be nominated and elected from each district; the fifty-eight less populous counties shall be joined into twenty-nine two-county districts with one senator to be nominated and elected from each of the two-county districts. In apportioning the State Senate, consideration shall be given to population, compactness, area, political units, historical precedents, economic and political interests, contiguous territory, and other major factors, to the extent feasible.

Each senatorial district, whether single county or multi-county, shall be entitled to one senator, who shall hold office for four years; provided that any senator, serving at the time of the adoption of this amendment, shall serve the full time for

which he was elected. Vitalization of senatorial districts shall provide for one-half of the senators to be elected at each general election.

Section 10A. The House of Representatives shall consist of the number of Representatives as determined by the formula and procedure set forth herein. The number of members of the House of Representatives to which each county shall be entitled shall be determined according to the following formula:

a. The total population of the State as ascertained by the most recent Federal Decennial Census shall be divided by the number one hundred and the quotient shall be the ratio of representation in the House of Representatives, except as otherwise provided in this Article.

b. Every county having a population less than one full ratio shall be assigned one Representative; every county containing an entire ratio but less than two ratios shall be assigned two Representatives; every county containing a population of two entire ratios but less than three ratios shall be assigned three Representatives; and every county containing a population of three entire ratios but less than four ratios shall be assigned four Representatives.

After the first four Representatives, a county shall qualify for additional representation on the basis of two whole ratios of population for each additional Representative.

Each Representative nominated and elected shall hold office for two years.

Section 11A. The first apportionment of the Legislature shall be accomplished by the Legislature under the formulae contained in Sections 9A and 10A, within sixty days after the first regular session of the Legislature following the adoption of this amendment, and thereafter the apportionment shall be within sixty days after the convening of the first regular session of the Legislature following each Federal Decennial Census. If the Legislature shall fail or refuse to make such apportionment within sixty days after the convening of the Legislature after the adoption of this amendment, or if it should thereafter fail within the time provided herein to make such reapportionment, then such apportionment or reapportionment, as the case may be, shall be accomplished by an Apportionment Commission composed of the Attorney General, Secretary of State, and the State Treasurer of the State of Oklahoma according to the provisions of Sections 9A and 10A of this Article.

Section 11B. Each order of apportionment rendered by the Apportionment Commission shall be in writing and shall be filed with the Secretary of State and shall be signed by at least two members of the Commission.

Section 11C. Any qualified elector may seek a review of any apportionment order of the Commission, or apportionment law of the Legislature, within sixty days from the filing thereof, by filing in the Supreme Court of Oklahoma a petition which must set forth a proposed apportionment more nearly in accordance with this Article. Any apportionment of either the Senate or the House of Representatives, as ordered by the Commission, or apportionment law of the legislature, from which review is not sought within such time, shall become final. The court shall give all cases involving apportionment precedence over all other cases and proceedings; and if said court be not in session, it shall convene promptly for the disposal of the same.

WHEREAS, the history of the United States under a republican form of government, as established by the Constitution, recognizes the value of representative government based on governmental units with like political, social, and economic interests; and

WHEREAS, to properly balance conflicting views and opposite purposes, it is desirable that the Legislature of a democratic government provide for adequate and fair representation of those groups which have similar political, social, and economic interests; and

WHEREAS, the establishment of county units of government by the Constitution of Oklahoma was based upon a consideration of the political, social, and economic similarity of interests of the people included within such governmental units; and

WHEREAS, the growth and progress of Oklahoma has encouraged and identified such units of government as representative of groups of people with like and similar political, social, and economic interests; and

WHEREAS, the fair and equitable representation to be provided in the Oklahoma Legislature should include not only population but other major factors such as the federal analogy, history, economics, custom, territory, and similar and related factors, in order that invidious discrimination will not divest segments of the population of their representation.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE TWENTY-NINTH LEGISLATURE OF THE STATE OF OKLAHOMA:

SECTION 1. The Secretary of State shall refer to the people, for their approval or rejection, as and in the manner provided by law, the following proposed amendment to Article V of the Oklahoma Constitution:

Section 1. Article V of the Constitution of Oklahoma is hereby amended by adding thereto the following new sections:

Section 9A. The State shall be apportioned into forty-eight senatorial districts in the following manner: the nineteen most populous counties, as determined by the most recent Federal Decennial Census, shall constitute nineteen senatorial districts with one senator to be nominated and elected from each district; the fifty-eight less populous counties shall be joined into twenty-nine two-county districts with one senator to be nominated and elected from each of the two-county districts. In apportioning the State Senate, consideration shall be given to population, compactness, area, political units, historical precedents, economic and political interests, contiguous territory, and other major factors, to the extent feasible.

Each senatorial district, whether single county or multi-county, shall be entitled to one senator, who shall hold office for four years; provided that any senator, serving at the time of the adoption of this amendment, shall serve the full time for which he was elected. Vitalization of senatorial districts, shall provide for one-half of the senators to be elected at each general election.

Section 10A. The House of Representatives shall consist of the number of Representatives as determined by the formula

and procedure set forth herein. The number of members of the House of Representatives to which each county shall be entitled shall be determined according to the following formula:

a. The total population of the State as ascertained by the most recent Federal Decennial Census shall be divided by the number one hundred and the quotient shall be the ratio of representation in the House of Representatives, except as otherwise provided in this Article.

b. Every county having a population less than one full ratio shall be assigned one Representative; every county containing an entire ratio but less than two ratios shall be assigned two Representatives; every county containing a population of two entire ratios but less than three ratios shall be assigned three Representatives; and every county containing a population of three entire ratios but less than four ratios shall be assigned four Representatives.

After the first four Representatives, a county shall qualify for additional representation on the basis of two whole ratios of population for each additional Representative.

Each Representative nominated and elected shall hold office for two years.

Section 11A. The first apportionment of the Legislature shall be accomplished by the Legislature under the formulae contained in Sections 9A and 10A, within sixty days after the first regular session of the Legislature following the adoption of this amendment, and thereafter the apportionment shall be within sixty days after the convening of the first regular session of the Legislature following each Federal Decennial Census. If the Legislature shall fail or refuse to make such apportionment within sixty days after the convening of the Legislature after the adoption of this amendment, or if it should thereafter fail within the time provided herein to make such reapportionment, then such apportionment or reapportionment, as the case may be, shall be accomplished by an Apportionment Commission composed of the Attorney General, Secretary of State, and the State Treasurer of the State of Oklahoma according to the provisions of Sections 9A and 10A of this Article.

Section 11B. Each order of apportionment rendered by the Apportionment Commission shall be in writing and shall be filed with the Secretary of State and shall be signed by at least two members of the Commission.

Section 11C. Any qualified elector may seek a review of any apportionment order of the Commission, or apportionment law of the Legislature, within sixty days from the filing thereof, by filing in the Supreme Court of Oklahoma a petition which must set forth a proposed apportionment more nearly in accordance with this Article. Any apportionment of either the Senate or the House of Representatives, as ordered by the Commission, or apportionment law of the legislature, from which review is not sought within such time, shall become final. The court shall give all cases involving apportionment precedence over all other cases and proceedings; and if said court be not in session, it shall convene promptly for the disposal of the same.

Section 11D. Upon review, the Supreme Court shall determine whether or not the apportionment order of the Commission or Act of the Legislature is in compliance with the formula as set forth in this Article and, if so, it shall require the same to be filed or refiled as the case may be with the Secretary of State forthwith, and such apportionment shall become final on the date of said writ. In the event the Supreme Court shall determine that the apportionment order of said Commission or legislative act is not in compliance with the formula for either the Senate or the House of Representatives as set forth in this Article, it will remand the matter to the Commission with directions to modify its order to achieve conformity with the provisions of this Article.

Section 11E. The Supreme Court, upon petition of any qualified elector alleging failure of the Commission to timely act, is hereby vested with original jurisdiction to compel, and shall compel, the Commission to make the apportionment as herein provided. It shall also have exclusive jurisdiction of any review hereunder. If more than one petition be filed, the court shall consolidate such proceedings for hearing and disposition, and shall file its opinion and issue its writ within sixty days from the timely filing of such last petition. In the event any action filed hereunder shall be abandoned or dismissed, any other qualified elector shall be allowed to intervene within ten days thereof.

RESOLUTION OF THE STATE BOARD OF EQUALIZATION

WHEREAS, Acting in accordance with the provisions embodied in Article 10, Section 23 of the Constitution of Oklahoma, as amended in 1941, the State Board of Equalization on September 19, 1962, made its original itemized estimate of the revenues to accrue to the General Revenue Fund and each special fund of the State for the fiscal years ending June 30, 1964 and June 30, 1965, respectively, and filed the same with the Governor, the Presi-

dent of the Senate and the Speaker of the House of Representatives, as required by the State Constitution; and

WHEREAS, Article 10, Section 23, State Constitution, as amended in 1941, provides in part as follows:

" * * * Provided, However, that the Legislature may at any regular session or special session called for that purpose, enact laws to provide for additional revenues, other than ad valorem taxes, or transferring the existing revenues or surpluses from one fund to another, whereupon it shall be the duty of the State Board of Equalization to make an estimate of the revenues that will accrue under such laws and to file the same with the Governor and with the President of the Senate and the Speaker of the House of Representatives, and the amount of any increase or decrease, resulting, for any reason, from such laws shall be added to or deducted from each respective fund, as the case may be. The amount of such adjusted estimate shall be the maximum amount which can be appropriated for all purposes from any fund for each year. * * * and,

WHEREAS, Thereafter, on February 11, 1963, this Board in the exercise of its duty and authority so to do, revised and adjusted its original itemized estimate of the revenues estimated to accrue to the General Revenue Fund and to each special fund of the State for each year of the ensuing biennium, and in compliance with the requirements of the State Constitution, filed the same with the Governor, the President of the Senate and the Speaker of the House of Representatives, taking receipts therefor; and,

WHEREAS, This Board now takes cognizance of the fact that since the aforesaid date of February 11, 1963, the fiscal affairs of Oklahoma have become brighter and improved, resulting in an increase of revenues not heretofore included in its estimate; and in consequence thereof, this Board has caused to be laid before it on this day, June 10, 1963, all the data, facts, figures, relevant and pertinent information concerning the current condition of the General Revenue Fund and each special fund of the State, the same having been submitted with interpretive skill by Mr. Burton Logan, State Budget Director; and after careful diligent study of such information, being fully advised in the premises, and on due consideration thereof, has determined that its original estimate should be further revised and adjusted:

NOW, THEREFORE, BE IT RESOLVED BY THE STATE BOARD OF EQUALIZATION OF OKLAHOMA, That this Board's original itemized estimate of revenues estimated to accrue to the General Revenue Fund and each special fund of the State for each of the fiscal years ending June 30, 1964 and June 30, 1965, be, and the same is hereby further revised and adjusted in words and figures, as follows:

STATE OF OKLAHOMA
EXECUTIVE DEPARTMENT
DIVISION OF THE BUDGET

June 10, 1963

State Board of Equalization
State Capitol Building
Oklahoma City, Oklahoma
Gentlemen:

The Constitution of the State of Oklahoma, Section 23, Article 10, requires the State Board of Equalization to make an itemized estimate of the revenues which will accrue to the General Revenue Fund and each Special Fund of the State for each year of the next biennium, and to file same with the Governor, President of the Senate, and Speaker of the House of Representatives, prior to the convening of each Regular Session of the Legislature, you have complied with this requirement.

The Constitution provides that the amount of the estimate for each fiscal year shall not exceed the average total revenue which accrued to each fund for the three last preceding fiscal years. This Section further provides "that the Legislature may, at any Regular Session **

enact laws to provide for additional revenue other than Ad Valorem Taxes or transferring the existing revenues or surplus from one fund to another whereupon it shall be the duty of the State Board of Equalization to make an estimate of the revenues that will accrue under such laws and to file the same with the Governor, President of the Senate, and the Speaker of the House of Representatives, and the amount of any increase or decrease resulting, for any reason, from such laws, shall be added to or deducted from each respective fund, as the case may be." The amounts apportioned to the General Revenue Fund for each of the three years involved and the maximum amount which may be estimated for each year of the next biennium is shown by the following statement.

The Constitution of the State of Oklahoma further provides that the cash surplus, if any, from the preceding fiscal year, in the hands of the State Treasurer, to the credit of any fund which has not been previously appropriated by the Legislature at the time the estimate is made, may be added to the estimate. In this connection attention is called to the provisions of House Bill No. 30, Regular Session, Twenty-first Legislature, creating the Emergency Appropriation Fund. Said bill provides in part as follows: "Upon the passage of this Act it shall be the duty of the State Board of Equalization to make an estimate of the revenue which will accrue in the Emergency Appropriation Fund during the current biennium, by reason of transfers of revenues and surpluses to said Fund by this Act and any other laws in force at the time such estimate is made."

SPECIAL FUNDS. The Constitution, Section 23, Article 10, provides that "any Department, Institution or Agency of the State, operating on revenues derived from any law or laws which allocate the revenues thereof to such Department, Institution or Agency, shall not incur obligations in excess of the unencumbered balance of surplus cash on hand." This provision eliminates the necessity of making specific appropriations for earmarked revenues appropriated to Special Funds which operate as a continuing appropriation. The Legislature makes appropriations for certain governmental functions out of Special Funds which do not operate as continuing appropriations. The amounts that can be appropriated from these funds are indicated in the following statements.

SPECIAL COMMITTEE REPORT

Senator S t e v e n s o n, Chairman of the Committee on Privileges and Elections, submitted the following Report of the study and research made by his Committee, as to the accuracy of the results of voting machines used in Oklahoma, ordered by the Senate on the 16th Legislative Day, which Report was ordered made a part of the record:

Mr. President:

We, your Committee on Privileges and Elections, having been given the assignment of investigating voting machines in Tulsa and Oklahoma Counties, and after having made individual investigations and holding Public Hearings in each county, do herewith report its findings.

The Committee on Privileges and Elections held a Public Hearing in the County Court House, Tulsa, Oklahoma, on February 3, 1963. Most discrepancies in the past General Election occurred in Tulsa County. Several hundred people's right to vote were disenfranchised by the use of voting machines. This Committee wishes to make known that it is greatly concerned when any person, whether it be one or 300, is disenfranchised. We found from the Public Hearing and further investigation that the reason for these people being thus disenfranchised was due to human errors in some cases and due to poor arrangement of controls on the machines in other instances.

The machines furnished in Tulsa County were manufactured, sold and are maintained by Seiscor, and since this last election they h a v e made several improve-

ments which should alleviate the problems:

1. They have installed a circuit in the machines so that switching cannot change the results of the election.

2. They have installed cover plates over the voting machine buttons to prevent accidental voting.

3. They have placed plastic material in the keys to eliminate the telltale clicking noises.

It is the belief of this Committee that these changes and alterations will remedy the situation in Tulsa to a great extent.

In Tulsa the Committee heard testimony from the following: Tom Summers, Joe Hull, Vice President of Seiscor; W. R. Nash, Ellis Weit, Tom Fraser, H. L. Lawler, Kenneth Clain, Jack Helton, Jack Heston, Mrs. Mabel Shields, Mrs. Pauline Williams, John Rogers, Charles E. Plummer, L. B. Ferguson, Irvin W. Musgrave, Walter B. Hall, Bill Kimmel, John Hess, Russell Hunt, Dan Graham, and Sam Turner.

The Senate Privileges and Elections Committee met for a Public Hearing on voting machines in Oklahoma County on March 6, 1963, at the Capitol.

Appearing at the hearing were:

Ed Kessler and Ralph Adair, County Commissioners.

W. S. (Joe) Jerkins, chairman of the Oklahoma County Election Board.

Warren Morris, vice chairman of the County Election Board.

Joe Maddox, County Clerk of Oklahoma County.

James Posey, Bethany, Oklahoma County Registrar.

Mrs. Mercedes Wheeler.

Mrs. Warren L. Roberts, Judge at Precinct 55.

Mrs. Edith Yeakel, Precinct 24 Committee Woman.

Roy L. Sullivan, Nichols Hills.

Fred Vaughn, Bethany.

Ed Kessler and Ralph Adair, County Commissioners, discussed their opposition to the financing of voting machines in Oklahoma County, which was not within the purview of the study by this Committee.

It was the unanimous opinion of those testifying before the Committee that with voting machines the past four years the ballot is secret; it is simple enough so that the ordinary voter can understand it; the voter can cast an intelligent vote with the machine; the machines do not slow down the voting process; there has been no appreciable malfunction of the machines; finally, that most people using voting machines in Oklahoma County are pleased with them.

CONCLUSIONS:

It is the general consensus of the Committee on Privileges and Elections that voting machines are necessary for the progress of Oklahoma, and even though we are appalled at the injustice to these people whose votes were not counted, feel that to abolish the voting machines at this time without giving an opportunity for these mistakes in design to be corrected, would be digressing rather than progressing in our election system.

Therefore, we wish to report that to the best of our knowledge and belief, the corrections have been made to provide a fair and equitable method for the people to use in exercising their right to vote. At the same time, we reserve the right to closely observe the further use of voting machines and serve notice on the counties and communities presently using these machines that they will be closely watched to prevent a reoccurrence of the disenfranchisement of any citizen's rights in the future.

Senator Garvin presiding.

Senator Garvin asked that the REGULAR ORDER OF BUSINESS be dispensed with, which was ordered, stating he was honored to preside over the Ceremony—IN APPRECIATION—at this session of the Legislature. He spoke of the associations enjoyed and the lasting friendships formed, and praised the demeanor of the Senate, stating in a large respect it was due to the individual membership of the Body, but, in a greater respect, said he thought it was due to the leadership we have had, and the Ceremony was for the purpose of showing appreciation for that leadership.

The presence of the Chief Executive, Governor Henry Bellmon, was proudly recognized and he occupied a seat at the President's desk.

Senator Baldwin, on behalf of the Senate, presented to the Majority Floor Leader, Senator Glen Ham, a leather Brief Case and Mr. Max Stange, Senate Comptroller, on behalf of the Senate employees presented 3 pieces of Luggage to Senator Ham.

Senator Colston, on behalf of the Senate, presented to President Pro Tempore Boecher 3 pieces of Luggage, and in response President Pro Tempore Boecher in substance made the following remarks:

"From the bottom of my heart, it has been a pleasure to work with all of you. You have been a hard-working Senate and have made it easy for me. There have been times during the fifteen years of my tenure here in the Oklahoma State Senate when I have seen the leader of this Senate have his troubles, but I want to say to you Members of this Senate that it was a privilege for me and I consider it one of the greatest honors to have been your leader during this Twenty-ninth Legislative Session.

"I want to pay tribute to the Floor Leader, Senator Ham, who was my right arm; also, I want to pay tribute to the Assistant Floor Leader, Senator McSpadden, who was my left arm. They were the greatest help to me any member could have had. I also want to pay my respects—and this is probably unusual—but I want to say it here, today. I want to express my appreciation to the Speaker of the House of Representatives for the full cooperation he has given me—and I might add, that I have given him my full cooperation, and I feel that our working together has made this Session the success it has been.

I also want to pay my respects to our Governor, Governor Henry Bellmon. There has never been a time when I knocked upon his door that he was not there and ready to receive me and to cooperate with us. There have been times under past administrations when I could not get in down there. Governor Bellmon made this statement to me at one of our first meetings—he said: "This is going to be a Team". I want you to know that it has been just that! I think we have had an outstanding relationship with the Governor's Office and have the respect of the people of this State and I think the stature of the Senate is considerably higher now than it has been in the past."

At the close of the above ceremonies, Senator McSpadden introduced the following Resolution, which was read at length, adopted unanimously by the Senate and ordered referred for enrollment:

SENATE RESOLUTION NO. 66 — By Allen, Baldwin, Bartlett, Belvin, Berrong, Boecher, Bohannon, Breeden, Cobb, Colston, Cowden, Dacus, Field, Fine, Garrison, Garvin, Grantham, Graves, Ham, Hamilton, Harris, Haworth, Kerr, Lollar, McClendon, McColgin, McComas, McSpadden, Muldrow, Murphy, Nichols, Payne, Pazoureck, Rogers, Romang, Schoeb, Stevenson, Stipe, Tipps, Trent, Wilkerson, Williams and Wilson.

A RESOLUTION TENDERING THE HIGHEST ESTEEM OF THE OKLAHOMA STATE SENATE TO ITS BELOVED COLLEAGUE, SENATOR LOUIS H. RITZHAUPT; DIRECTING THE DISTRIBUTION OF THIS RESOLUTION.

WHEREAS, One of our members of this Oklahoma State Senate is especially deserving of respect and homage for long service to this body in a manner that has won respect and admiration of all persons; and

WHEREAS, the Honorable Senator Louis H. Ritzhaupt has served the State of Oklahoma ably and in a most respectable manner for 26 years; and

WHEREAS, through his great legislative ability and tireless effort this Senator has come to serve, and serve he has, as advisor, counselor, and an invaluable source of information and knowledge to his colleagues of the Senate; and

WHEREAS, The compassion and understanding of Senator Ritzhaupt of Logan County has been of great value to the State of Oklahoma and to all members, past and present, of this body who have had the pleasure of serving with Senator Ritzhaupt; and

WHEREAS, Senator Ritzhaupt has

always manifested a deep devotion of the welfare of his fellow man and his conscientious efforts are reflected by the laws enacted by the Legislature of this State during the long and highly commendable tenure of Senator Ritzhaupt.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE TWENTY-NINTH SESSION OF THE OKLAHOMA STATE LEGISLATURE:

SECTION 1. That the members of this body, here assembled, tender their highest and most sincere esteem to the Honorable Senator Ritzhaupt upon the completion of his fourteenth session as a member of the Oklahoma State Senate.

SECTION 2. The Secretary of the Senate shall prepare a copy of this Resolution to be presented to Senator Louis H. Ritzhaupt as a symbol of the sentiment herein expressed.

The Presiding Officer advised the Senate that Governor Bellmon had asked to be made a co-author of **SR 66**, if the Senate Rules permitted.

Senator McSpadden m o v e d that the Rules of the Senate be suspended, and prior to being filed in the Secretary of State's Office, **SR 66** be forwarded to the Governor for such notes as he might wish to make t h e r e o n, which motion was adopted.

At the close of the Ceremonies IN APPRECIATION, Governor Bellmon was invited to address the Senate, which he did and which was as follows:

It is a pleasure for me to have this opportunity to come before you on this occasion and to congratulate you on an excellent record during this session of the legislature.

Looking back to January, I recall that we faced many vexing problems. Most of them have been solved.

You have met the challenges squarely and surmounted many serious obstacles.

This has truly been the "Trailblazing 29th" session.

On many occasions you have risen above partizanship and have acted in the best interests of the citizens you represent.

In writing a budget, you have topped the billion dollar mark for the next biennium in funds from all sources. You have done so without having to raise taxes, and in at least one important area you have allowed some tax relief.

I am proud of my association with each of you. I am proud of our friendship. I will always value the acquaintances I have made with you.

One of the greatest accomplishments of this session has been the restoration of dignity and confidence in government. This has been evidenced in many areas.

This legislature has shown conclusively that it would write an adequate program with existing revenues by making better use of the available funds.

You have reduced the amount of "open end" appropriations. You have written the biggest educational program in state history, and provided the best financed public safety program.

This legislature has authorized increases in assistance payments and has expanded pension benefits for teachers, police and firemen.

You have created an aviation commission, a wheat commission and a human rights commission, and have given cities and towns taxing authority needed to solve their own financial problems.

You have met the federal court deadline for reapportionment.

Reviewing the session, it will be noted that you transferred sales tax revenues for general fund appropriations, placed the mentally retarded program in the welfare department and established a retirement system for state employees.

All these things have been done in the shortest session in six years.

I am not saying this is my program or anybody's program. It does not matter

who gets the credit. The entire state can be proud of this session.

We have tried to run the governor's office to the best of our ability and have kept our doors open to you. I want you to know the doors are still open. We will be glad to help you solve problems you may have in your counties.

I am proud of the leadership in both houses, and the entire membership is to be commended.

You have proven again that our system of government is the best ever devised. Under our system free men can work together to solve their mutual problems. This you have done in the highest tradition.
