WHEREAS, the economy of this State is in large manner dependent upon agriculture, including the production of cattle or beef; and

WHEREAS, sixty-five percent (65%) of the cattle owners in this State are possessed of herds smaller than fifty (50) head of cattle, it appears inequitable that the demand for their product be depressed as a result of imports.

Pursuant to adjournment, the Senate was called to order by President Pro Tempore McSpadden.

Upon roll call, the following members were present:

Present: Atkinson, Berrong, Berry, Boecher, Dacus, Ferrell, Field, Garrett, Garrison, Gee, Grantham, Graves, Ham, Hamilton, Holden, Howard, Keels, Luton, McGraw, McSpadden, Martin, Massad, Massey, Miller, Murphy, Nichols, Payne, Porter, Romang, Selman, Smalley, Stansberry, Stipe, Taliaferro, Williams, Young.—36.

The following prayer was offered by the Chaplain, and is incorporated herein, by unanimous consent, upon request of Senator Field:

O God, whom we humbly acknowledge to be our Father and our Lord over all things, we pray that Thou wilt direct our common life. Give us strength for this day. We know we are unworthy to come before Thee, but we come in our desperation because Thou hast invited us. We are weak. We pray not for strength, but for nerve to face the tasks which make us strong. We are selfish. We pray that we may get beyond our own little needs that we may see the needs of others. We are lonely. We pray today for the openness and sensitivity to others that will re-create us into community with one another. O

God, whom we cannot love unless we love our brother, forgive us our using others as things, as means to our own selfish ends. Give us the courage to prove our love for Thee by loving our fellow man. Direct this honorable body in its deliberations today. Honor their faithful service and dedication by strengthening our state and national life and bringing us closer to our best hopes and aspirations. Amen.

The Journal for the last legislative day was declared approved.

CITATION

O God, we pray for strength for this day. We acknowledge our need of Thee. Help us to a right understanding of our own abilities, but deliver us from the despair of seeing how weak, how selfish, how bound up within ourselves we are. Forgive us our arrogant assumption that we have no need of Thee, and deliver us from the despair of feeling we have not strength outside ourselves. We ask no miracles except the ability to be our own best selves today. Give us the courage to be radical in defense of those rights that are our spiritual birth-right, and the love not to impugn the motives of those who differ.

We thank Thee for men whose passionate concern for liberty and justice have made our nation great. Bless all who seek to defend our liberty. Give wisdom to all who seek to distribute our justice, strengthen this honorable body as they seek to do that which is right. Give them the will to be faithful to that task to which they have been called, for the good of our people. Through Jesus Christ, Our Lord. Amen.

The Journal for the last legislative day was declared approved.

MESSAGE FROM THE GOVERNOR

The following Veto Message was read, and consideration deferred for this legislative day:

To The President and Members of the Honorable Senate Second Session,
Thirty-first Oklahoma Legislature

Gentlemen:

I have on this date vetoed Senate Bill No. 599 for the following reasons:

I have vetoed Senate Bill No. 599 because I do not believe this measure is in the public interest. To compel a special election each time there is a vacancy in a county elected office would place an unconscionable burden on the taxpayers and the electorate. I believe the existing law is sufficient to meet the needs of county government in this regard, particularly because county officers are elected for only two year terms.

By The Governor of Oklahoma,
DEWEY F. BARTLETT,

MESSAGE FROM HOUSE

Returning following Bill, together with Conference Committee Report thereon, advising adoption of Conference Committee Report and passage of Measure as amended: Engrossed SB 351.

The above numbered Bill as amended in Conference was referred for enrollment.

BILLS RELEASED

As provided under Rule 20-c, HBs 714, 983, 1015, 1182, 1199 and 1326 were properly signed and ordered returned to the Honorable House.

As provided under the Boecher motion, the Senate was declared adjourned until 9:00 a.m., tomorrow.

Sixty-third Legislative Day

Thursday, April 18, 1968

Pursuant to adjournment, the Senate was called to order by President Pro Tempore McSpadden.

Upon roll call, the following members were present:

Present: Baggett, Baldwin, Berry, Boecher, Breckinridge, Dacus, Ferrell, Field, Findeiss, Garrison, Gee, Grantham, Graves, Hamilton, Hargrave, Holden, Keels, Luton, McGraw, McSpadden, Martin, Mas-sad, Massey, Miller, Murphy, Nichols, Romang, Selman, Short, Smalley, Smith, Taliaferro, Williams, Young.—34.

Excused: Atkinson, Berrong, Birdsong, Bradley, Garrett, Ham, Horn, Howard, McClendon, Payne, Porter, Stansberry, Stipe, Terrill.—14.

The President Pro Tempore declared a quorum present.

The following remarks and the following prayer were offered by the Chaplain, and are incorporated herein, by unanimous consent, upon request of Senator Baggett:
GENTLEMEN OF THE SENATE:

Most ministers come to offer prayer at a non-religious gathering with a certain uneasiness of conscience. I share Paul Tillich's feeling that there are times when one ought to be embarrassed to speak of God. If I came with that fear last year, I certainly did not this year. You have impressed me as a group who take this opening prayer not as a meaningless ritual, but as a meaningful part of the day. You have shown me a hard-working and dedicated group of men who recognize the need of a strength beyond yourselves. It is hard to work to do good for people who really don't care if good is done for

them or not. It is easy to despair at the apathy and indifference of so many about government. In spite of these obstacles you seek to do the job well. It has been a real joy and privilege to fellowship with you and to pray with and for you. In Jake Reinhardt and myself, the Oklahoma Senate has two real boosters in Tulsa.

Let us pray.

Our Father, we thank You for calling us to live together in freedom and in community. We thank You that we are free men. Give us the grace to accept our responsibilities as free men, who cannot escape the consequences of our acts. Help us not to avoid responsibility or to blame others for the outcome of our own deeds. Grant us the assurance that we can have the grace of forgiveness for our sins, our errors, our failures. Give us the strength for this day that we may be effective in our tasks. In the spirit of Him who gave His life in service, Jesus Christ our Lord, help us today to serve one another in love. Amen.

Senator Smith asked that the Chaplain, Joe A. Dickens be made Honorary Chaplain of the Senate for the year, 1968, and asked unanimous consent that such request be incorporated in the Journal, which was the order.

The Journal for the last legislative day was declared approved.

COMMUNICATION

Senator Ferrell asked unanimous consent, which was granted, to have read and

incorporated in the Journal the following communication:

Senator Donald F. Ferrell
Oklahoma State Senate
State Capitol
Oklahoma City, Oklahoma 73105

Dear Senator Ferrell:

Please express to the members of the Senate of the State of Oklahoma the deep gratitude of myself and the members of the family of our beloved husband and father, Joe D. Dunn, Resolution No. 58 commemorating his life and expressing the appreciation of the Legislature for his faithful and creative service to the State of Oklahoma and the Oklahoma Tax Commission.

I think no public servant could hold a higher regard for the legislative process than he, and it seems most fitting that the Legislature has given him this magnificent tribute.

I must add, too, Senator, that I know you are aware of the great affection and esteem he held for you and other members of the Senate, and I know that you grieve in the loss of a friend as we do in the loss of our beloved one.

Sincerely,

Mrs. Joe D. Dunn

(f) Call and conduct such meetings and elections as may be necessary in carrying out the provisions of this Act.

SECTION 9. There is hereby assessed a fee of ten cents (.10c) per head upon all hogs produced in the State of Oklahoma beginning ninety (90) days after this Act shall become effective. The fee is assessed and imposed on the producer at the time of sale or delivery, and shall be collected and remitted by the final purchaser to the commission. Under the provisions of this Act, no hog shall be subject to a fee more than once.

SECTION 10. Producers may petition for a referendum to determine if the assessment is to be continued, at any time after five (5) years following the effective date of this act. The President of the State Board of Agriculture shall call and conduct a referendum if said petitions bear signatures of ten per cent (10%) of the pork producers as defined herein. No more than one such referendum shall be conducted in any one thirty-six (36) month period. The State Board of Agriculture shall determine if the petition bears the required number of valid signatures. The President shall announce the referendum at least thirty (30) days prior to the day of voting. At least thirty (30) days before the referendum the President shall mail a notice of said referendum to all known pork producers in the State of Oklahoma who market pork. The notice shall specify the dates, times, and places for holding the referendum, and shall include a sample ballot with the following wording:

YES -----

-----NO

Places within each county for conducting said referendum shall be designated by the Agricultural Extension Division of

The commission shall insure sufficient ballots and supplies necessary for the conduct of the voting and tabulation of returns. Certified results of the referendum in each county shall be transmitted within twenty-four (24) hours after voting ends to the President of the State Board of Agriculture and the ballots themselves shall be transmitted to the President within forty-eight (48) hours. Ballots shall be preserved by the President for a period of at least three (3) months.

The results of the referendum shall be determined by the President and the results certified to the Governor, who shall issue a proclamation declaring the results.

The commission shall bear expenses of advertising and conducting the referendum.

Whenever the question of levying the assessments is disapproved, by failure of sixty per cent (60%) of the producers voting in the referendum to favor continuation of the assessments, the proclamation declaring the result shall provide for the termination of the assessments on April 30, following the date of said referendum.

Thirty (30) days after termination of the assessment, all remaining funds of the commission shall be transferred to the Experiment Stations of Oklahoma State University, to be used for continued research on pork.

It is further provided that the Commission shall call and cause to be held a referendum of pork producers during the calendar year of 1972, to allow growers to decide if they desire to continue the assessment. Date of said referendum is to be set by the commission at a time in 1972 they deem to be most convenient for producers. Provisions for notice, ballots

and other necessary consideration of this referendum shall be the same as stated in this section for a referendum resulting from petition of producers.

SECTION 11. (a) The purchasers shall render and have on file a report with the commission by the fifteenth (15th) day of each calendar quarter following any calendar quarter in which such a purchaser has purchased five hundred or more hogs for slaughter. If less than five hundred have been purchased, in any calendar quarter, the fee may be reported and remitted with the following quarter's return, except that all fees collected must be remitted at least once every six (6) months.

(b) In case any person, business or entity, public or private, subject to the fee hereunder, fails to make a report and remittance when and as herein required, the commission shall determine the amount of such fee according to his best judgment and information, which amount so fixed shall be prima facie correct, and such person so having failed to make such report shall, within ten (10) days after notice of the amount of the fee so fixed and computed by the commission is mailed to such person, pay said fee, together with a penalty of five per cent (5%) on the amount of the fee or he may dispute the fee as fixed by the commission and request the commission to hold a hearing to determine the amount of the fee and penalty to be imposed. No payment shall be made until the commission enters its order determining the amount of such payment, but such shall be paid within ten (10) days of notice of such decision.

SECTION 12. (a) The Chairman of the commission shall make an annual report to the Governor, within thirty (30) days after January 1 of each year, showing in detail all income and expenditures and any other facts relevant to this Act. Such annual report shall include a list of all officers and employees of the commission and shall indicate the official positions of such officers and employees and salaries paid thereto.

(b) The report shall be available to the public.

(c) All records of the commission shall be kept at least three (3) years.

(d) The commission shall submit a report of its income, expenditures and a brief survey of its work annually to the Chairman of the House and Senate Agriculture Committees.

SECTION 13. Any person, firm or corporation subject to the fee provided in this Act that objects to the collection of the fee may, within sixty (60) days following such collection, make application to the commission for a refund of such fee and upon receipt of said application such refund shall be made within one hundred twenty (120) days. Application forms for refund purposes shall be furnished by the commission and shall be made available at all places where the fee provided in this Act is required to be collected.

SECTION 14. All monies received by the commission from the fees hereinbefore assessed shall be deposited in such banks as the commission may designate, and shall be disbursed by order of the commission. The books, records and accounts of the commission, in respect to the funds allocated to it under the provisions of this Act, shall be audited annually by the State Examiner and Inspector, with the cost of the respective audits to be paid from the funds of the commission. The Treasurer and such other persons as are designated by the commission to collect remittances and expend funds each shall file with the commission a fidelity bond executed by a surety company authorized to do business in this state, in favor of the commission, conditioned for the faithful performance of their duties and the strict accounting of all funds to the commission, in the penal sum of Ten Thousand Dollars (\$10,000.00) or in such additional amount as the commission may designate.

SECTION 15. The commission may cooperate with and enter into contracts with

proper local, state or national organizations, public or private, in carrying out the purposes of this Act.

SECTION 16. Any person violating any of the provisions of this Act shall be guilty of a misdemeanor.

SECTION 17. The provisions of this Act are severable and if any part or provision hereof shall be held void the decision of the court so holding shall not affect or impair any of the remaining parts or provisions of this Act.

SECTION 18. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this Act shall take effect and be in full force from and after its passage and approval.

Service rendered for a regular school year shall be equivalent to one (1) year's service.

(a) Prior service credit shall be granted to any teacher who shall become a

member when he has completed one (1) year of membership service credit.

(1) Subject to the above restrictions and to such other rules and regulations as the Board of Trustees may adopt, the Board of Trustees shall verify, as soon as practicable, after the filing of such statements of service, the service therein claimed.

c. Any member with twenty (20) or more years of creditable service and whose accumulated contributions during

such period have not been withdrawn shall be given an indefinite extension of membership beginning with the sixth year following his last contributing membership and shall become eligible to apply for retirement and be retired upon attaining age sixty (60).

After July 1, 1968, a member shall continue to contribute to the Teachers' Retirement System of Oklahoma as long as the member is in covered employment. If the individual is a retired member employed on a substitute basis or employed under contract on a full-time basis or an individual who continues employment after the close of the school year in which he attains age sixty-five (65), the member would not accrue any additional retirement benefits from such employment.

2. Upon retirement a member shall receive a service retirement allowance for life which shall consist of:

a. An annuity which shall be the actuarial equivalent of his accumulated contributions at the time of his retirement.

b. A state pension, less the member's annuity, in the amount necessary to provide one per cent (1%) for the fiscal years 1968-69 and 1969-70 and one and one-half per cent (1½%) for fiscal year 1970-71 and each year thereafter of the average of the salaries for the five (5) highest years on which the member paid contributions to the Teachers' Retirement System of Oklahoma multiplied by the number of creditable years of service or Four Dollars and ninety cents (\$4.90) multiplied by the number of creditable years of service whichever is greater subject to adjustment to those members retiring before age sixty-two (62). All members retiring after July 1, 1970 shall have their retirement calculated at one and one half per cent (1½%) of their average salary for the five highest years on which contributions have been made to the Teachers' Retirement System multiplied by the number of years of creditable service and shall not qualify for a minimum retirement allowance, except as provided for in § 7a.

3. Beginning July 1, 1967, upon application of a member who is actively engaged in teaching in Oklahoma or his employer, any member who has been a contributing member for ten (10) years may be retired by the Board of Trustees not less than thirty (30) days nor more than ninety (90) days subsequent to the execution and filing thereof, on a disability retirement allowance, provided the Medical Board after medical examination of such member by a duly qualified physician shall certify that such member is mentally or physically incapacitated for further performance of duty, that such incapacity is likely to be permanent, and that such member should be retired.

4. Upon retirement for disability, the member shall receive a disability retirement allowance which shall consist of:

a. An annuity which shall be the actuarial equivalent of his accumulated contributions at the time of retirement.

b. A state pension, less the member's annuity, which shall be an amount necessary to provide one per cent (1%) for the fiscal years 1968-69 and 1969-70 and one and one half per cent (1½%) for fiscal year 1970-71 and each year thereafter of the average of the salaries for the five (5) highest years on which the member paid contributions to the Teachers' Retirement System of Oklahoma multiplied by the number of creditable years of service or Four Dollars and ninety cents (\$4.90) and multiplied by the number of creditable years of service whichever is greater. All members retiring after July 1, 1970 shall have their retirement calculated at one and one-half per cent (1½%) of their average salary for the five highest years on which contributions have been made to the Teachers' Retirement System multiplied by the number of years of creditable service and shall not qualify for a minimum retirement allowance.

c. A member who at the time of retirement is in the judgment of the Medical Board of the Teachers' Retirement System permanently physically or mentally

incapacitated to teach school shall receive a minimum monthly retirement payment for life or until such time as the member may be found to be recovered to the point where he may return to teaching. The Board of Trustees is empowered to make such rules and regulations as it considers proper to conserve equity in retirements under this provision.

d. A member who has qualified for retirement benefits under disability retirement shall have the total monthly payments deducted from his accumulated contributions and any money remaining in the member's account after the above deductions at the death of the member shall be paid in a lump sum to the beneficiary or to the estate of the member.

5. Once each year, the Board of Trustees may require any disabled annuitant who has not yet attained the age of sixty (60) years to undergo a medical examination. Such examination to be made at the place of residence for said disabled annuitant or at such place as designated by the Board of Trustees. Should any disabled annuitant who has not yet attained the age of sixty (60) years refuse to submit to at least one medical examination in any such year by a physician or physicians designated by the Board of Trustees, his allowance may be discontinued until he submits to such examination.

a. Should the Medical Board report and certify to the Board of Trustees that such disabled annuitant is engaged in, or is able to engage in, a gainful occupation paying more than the difference between his retirement allowance and the average final compensation, and should the Board of Trustees concur in such report then the amount of his pension shall be reduced to an amount which, together with his retirement allowance, and that amount earnable by him, shall equal the amount of his average final compensation. Should his earning capacity be later increased, the amount of his pension may be further modified provided the new pension shall not exceed that amount of the pension or-

iginally granted nor an amount, which, when added to the amount earnable by the retired member, together with his annuity equals the amount of his average final compensation.

b. Should a disabled annuitant be restored to active service, his disability retirement allowance shall cease and he shall again become a member of the retirement system and shall make regular contributions as required under this Article. The unused portion of his accumulated contributions shall be re-established to his credit in the Teacher Savings Fund. Any such prior service certificate on the basis of which his service was computed at the time of his retirement shall be restored to full force and effect.

6. Should a member, before retirement under this Article make application for withdrawal duly filed with the Board of Trustees and approved by it not earlier than four (4) months after the date of termination of such service as a teacher, the contributions standing to the credit of his individual account in the Teacher Savings Fund shall be paid to him, or, in the event of his death before retirement, his accumulated contributions plus interest at such rate as the Board of Trustees shall determine, but shall not exceed the rate of interest earned on investments shall be paid to such person or persons as he shall have nominated by written designation duly executed and filed with the Board of Trustees, provided, however, if there be no designated beneficiary surviving upon such death, such contributions shall be paid to his administrator, executors or assigns, without interest. In lieu of a lump sum settlement at the death of the member, the amount the member has on deposit plus interest earned and the money the member has on deposit in the Teacher Deposit Fund plus interest may be paid in monthly payments to a designated beneficiary, who must be the spouse, under the Maximum or Option 1 Plan of Retirement providing the monthly payment shall not be less than Twenty-

five Dollars (\$25.00) per month. The monthly payment shall be the actuarial equivalent of the amount becoming due at the member's death based on the sex of the spouse and the age the spouse has attained at the last birthday at the date of the member's death. Provided, further, if there be no designated beneficiary surviving upon such death, and the contributions standing to the credit of such member do not exceed Two Hundred Dollars (\$200.-00) no part of such contributions shall be subject to the payment of any expense of the last illness or funeral of the deceased member or any expense of administration of the estate of such person, and the Board of Trustees, upon satisfactory proof of the death of such member and of the name, or names of the person, or persons, who would be entitled to receive such contributions under the laws of descent and distribution of the State of Oklahoma, may authorize the payment of such accumulated contributions to such person, or persons. In the event of termination of membership except by retirement or death, only the accumulated contributions shall be returned to the member.

7. a. In lieu of a maximum retirement allowance payable throughout life for such an amount as determined by multiplying one per cent (1%) for the fiscal years 1968-69 and 1969-70 and one and one half per cent (1½%) for the fiscal year 1970-71 and each year thereafter of the average of the salaries for the five (5) highest years on which the member paid contributions to the Teachers' Retirement System of Oklahoma multiplied by the number of creditable years of service or Four Dollars and ninety cents (\$4.90) multiplied by the number of creditable years of service whichever is greater, the member may select a retirement allowance for a reduced amount payable under any of the following options, the present value of which is the actuarial equivalent thereof. All members retiring after July 1, 1970 shall have their retirement calculated at one and one half per cent (1½%) of their

average salary for the five highest years on which contributions have been made to the Teachers' Retirement System multiplied by the number of years of creditable service and shall not qualify for a minimum retirement allowance. Provided further that no member under the system prior to July 1, 1970 shall receive less upon retirement than he would have received under the formulas existing prior to July 1, 1970.

b. A member may select the option under which he desires to retire at the end of the school year in which he attains age sixty-five (65) and said option shall be binding and cannot be changed. Provided further, that if a member retires before age sixty-five (65) no election of an option shall be effective in case an annuitant dies before the first payment due under such option has been received.

c. The first payment of any benefit selected shall be made on the first day of the month following approval of the retirement by the Board of Trustees.

Option 1. If he dies before he has received in annuity payments the present value of his annuity as it was at the time of his retirement, the balance shall be paid to his legal representative or to such person as he shall nominate by written designation duly acknowledged and filed with the Board of Trustees at the time of his retirement; or

The Board of Trustees of the Teachers' Retirement System of Oklahoma may adopt rules, regulations, percentage tables or actuarial tables to provide equity in the Options 2, 3 and 4.

8. The governing board of any "public school" as that term is defined in this Article is hereby authorized and empowered to pay additional retirement allowances or compensation to any "teacher", as that term is defined in this Article, who was in the employ of such public school for not less than ten (10) school years preceding the date of his retirement. Payments so made shall be a proper charge against the current appropriation or appropriations of any such public school for teaching salaries for the fiscal year in which such payments are made. Such payments shall be made on regular monthly installments in such amounts as the governing board of any such public school, in its judgment, shall determine to be reasonable and appropriate in view of the length and type of service rendered by any such person to such public school by which such teacher was employed at the time of retirement. All such additional payments shall be uniform, based upon the length of tenure and the type of services performed, to teachers formerly employed by such public school who have retired or been retired in accordance with the provisions of this Article.

A member retiring before age fifty-nine (59) shall receive the actuarial equivalent of the amount he would have received at age sixty-two (62) and the age shall be calculated at the last birth date before retirement.

Such bonds shall be rated at the time of purchase in any of the three highest classifications established by at least one standard rating service recognized by the Comptroller of the Currency in determining the eligibility of investment securities for purchase by national banks.

e. The obligor corporation shall be one which is incorporated under the laws of the United States or any state thereof, or of the District of Columbia and said obligations shall be rated at the time of the purchase in any of the highest three classifications established by at least two standard rating services recognized by the Comptroller of the Currency in determining the eligibility of investment securities for purchase by national banks.

The retirement system shall also be authorized to hold nonpayable school district warrants received in payment of teachers' contributions and membership fees as an investment. The Board of Trustees shall have full power by proper resolution to hold, purchase, sell, assign, transfer, exchange and dispose of any of the securities and investments in which any of the funds created herein shall have been invested as well as the proceeds of said investments and any monies belonging to said fund.

The Board of Trustees shall cause, not to exceed one-half ($\frac{1}{2}$) of one per centum (1%) of the annual interest earnings, to be deposited in a fund to be known as the "Reserve for Investment Fluctuations Fund" each year, until an amount equal to one per centum (1%) of the total investments has been accumulated in this fund.

f. Certificates of deposits in Oklahoma banks when such certificates of deposit are secured by acceptable collateral as in the deposit by other public monies, when such deposits exceed the sum guaranteed by FDIC.

b. One-half ($\frac{1}{2}$) of one per cent (1%) of the annual interest earned on investments would be credited to the Investment Fluctuations Fund, not to exceed one per cent (1%) of the total investments.

The interest income for 1968-69 and each succeeding year thereafter shall be distributed to the various funds each month as the interest is collected.

3. The State Treasurer shall be the custodian of the several funds. All payments from funds shall be made by him only upon vouchers signed by two persons designated by the Board of Trustees. A duly attested copy of a resolution of the Board of Trustees designating such persons and bearing on its face specimen signatures of such persons shall be filed with the State Treasurer as his authority for making payments upon such vouchers. No voucher shall be drawn unless it has previously been authorized by resolution of the Board of Trustees, or included in the budget adopted by the Board.

4. It is the intent of this Act that a substantial portion of the future investments of this fund be made in securities which result in the growth of the State of Oklahoma, taking into account the yield and security of the investment, and the Board is directed to follow such policy. However, said investments shall not be invested in operations or functions of the State of Oklahoma and it is not intended by this section that any investments must

be made in Oklahoma companies if the yield or security would not be equal to that available on other investments.

SECTION 8. CONTRIBUTIONS OF TEACHER — MATCHING — FUNDS: The amount contributed by each teacher to the retirement system shall be five per cent (5%) of the regular compensation paid each member up to an annual salary of Twelve Thousand Dollars (\$12,000.00), the amount not to exceed Six Hundred Dollars (\$600.00) per annum. Each local school district or state college or university or State Board of Education or State Board of Vocational Education or other state agencies whose employees are members of the Teachers' Retirement System shall match the five per cent (5%) contributions of their teachers and other employees whose salaries are paid by federal funds. The matching funds shall be remitted at the same time as the regular contributions of the teachers and other employees to the Teachers' Retirement System of Oklahoma. The matching money shall be placed in the Retirement Benefit Fund.

All of the assets of the retirement system shall be credited according to the purpose for which they are held to one of nine funds, namely: The Teacher Savings Fund, the Retirement Benefit Fund, the Teacher Deposit Fund, Expense Fund, Suspense Fund, Permanent Retirement Fund, Interest Fund, Reserve for Investment Fluctuations Fund and Membership Annuity Reserve Fund.

1. The Teacher Savings Fund:

a. The Teacher Savings Fund shall be a fund in which shall be accumulated the regular contributions from the compensation of members. Contributions to and payments from the Teacher Savings Fund shall be made as follows:

b. Each employer shall cause to be deducted from the salary of each member on each and every payroll of such employer for each and every payroll period, five per cent (5%) of his earnable com-

pensation, provided the sum of the deductions made for a member shall not exceed Six Hundred Dollars (\$600.00) during any one year. Deductions shall begin with the first payroll period of the school year 1943-44. In determining the amount earnable by a member, the Board of Trustees will consider the actual amount paid the employee during each payroll period, and to facilitate the making of deductions, it may modify the deduction required of any member by such an amount as shall not exceed one-tenth (1/10) of one per cent (1%) of the annual compensation upon the basis of which such deduction is to be made. It is further provided that a teacher who became a member of the Teachers' Retirement System may pay his contributions and membership fees to the Retirement System for years of teaching in Oklahoma from the date of establishment of the System to the date of his membership in a lump sum payment, or in individual payments each equal to one (1) year of regular contributions, with interest at five per cent (5%) per annum from the date the contributions would have been due to the date of payment. Years for which contributions are paid shall count as membership service. A member may receive credit for not more than five (5) years of teaching service rendered in the public schools, state colleges, or state universities outside this State subsequent to July 1, 1943, by paying his contributions and membership fees to the Retirement System, subject to the regulations of the Board of Trustees providing he is not receiving and is not eligible to receive retirement credit or benefits from this service in any other teachers' retirement system subject to the following provisions:

(1) The member is required to have two (2) years of creditable service teaching earned in Oklahoma for each year of out-of-state or military membership credit granted.

(2) The payment will be five per cent (5%) on the basis of what his annual sal-

ary would have been in Oklahoma had he been employed as a teacher, with interest at five per cent (5%) per annum from the date the contributions would have been due to the date of payment.

(3) Any out-of-state prior service granted shall be deducted from the five (5) years membership service provided in this section.

In addition to the deductions hereinabove provided for, any teacher who becomes a member of the armed forces of the United States of America during any period of national emergency, including World War II, the Korean conflict, Peace Corps or others as may be determined by the Board of Trustees, or whose entrance into or training for the teaching profession was interrupted by his entrance into said armed forces, and who was or shall have become a member of the Teachers' Retirement System shall be granted the privilege of making up his contributions and membership fees for not to exceed eight (8) years of service in the armed forces of the United States subsequent to July 1, 1943, by electing to pay said contributions and membership fees by the time he reaches the age of sixty-five (65), on the basis of the rate of pay in his contract as a teacher at the time his service in the armed forces commenced, or, in the case of a teacher who was not teaching prior to entering the armed forces, on the basis of the salary of the first year of teaching after being honorably discharged from the armed forces. Such contributions shall be credited in the regular manner, and the period for which said contributions are paid shall be credited as teaching service.

c. The deductions provided for herein shall be made notwithstanding that the minimum compensation provided for by law for any member shall be reduced thereby. Every member shall be deemed to consent and agree to the deductions made and provided for herein and shall receipt for his full salary or compensation, and payment of salary or compensation less said deduction, shall be a full

and complete discharge and acquittance of all claims and demands whatsoever for the services rendered by such person during the period covered by such payment, except as to the benefits provided under this Article. The employer shall certify to the Board of Trustees on each and every payroll, or in such other manner as said board may prescribe, the amounts to be deducted and each of said amounts shall be deducted and when deducted shall be paid into said Teacher Savings Fund and shall be credited to the individual account of the member from whose compensation said deduction was made.

d. Following the termination of membership in the retirement system for any member who has been absent from service for five (5) years in any period of six (6) consecutive years, the Teacher Savings Fund Account of such member shall be closed and the amount due the member sent to him upon the filing of formal application. At the time such membership is terminated the amount due the member shall be transferred to the Suspense Fund, provided formal application for payment of same has not been received.

e. Upon the retirement of a member an amount sufficient to pay his annuity benefits for a two-year period shall be transferred from the Teacher Savings Fund to the Retirement Benefit Fund and for each succeeding year thereafter. Should a member who has retired under Option 1 die during the two-year period or each succeeding year thereafter, the balance of money he had in Teacher Savings Fund shall be transferred to the Retirement Benefit Fund and paid to the beneficiary or the estate of the deceased.

2. Retirement Benefit Fund:

a. After the effective date of this Act there shall be transferred from the Teacher Savings Fund and the Membership Annuity Reserve Fund for those members drawing retirement benefits from the Teachers' Retirement System of Oklahoma an amount necessary to provide the

monthly annuity payments and pension payments for a period of two (2) years and for each succeeding year thereafter. In addition the Fund shall consist of monies received from state dedicated revenue, monies received from state appropriations, monies received from federal matching funds, and the residue of the interest on investments after the requirements of Section 7-2 have been fully met. The Retirement Benefit Fund shall consist of an amount of money necessary for the making of retirement payments to retirees for a two year period and for each succeeding year thereafter.

Should a member have deposits in the Teacher Deposit Fund or the Tax-Sheltered Annuity Fund and wish to receive monthly retirement benefits on such deposits, the actuarial equivalent of a two year period and each succeeding year thereafter shall be transferred to the Retirement Benefit Fund. The member may choose any of the plans available in the Teacher Retirement Law as a method of receiving monthly retirement benefits on the money he has on deposit in the Teacher Deposit Fund or the Tax-Sheltered Annuity Fund. The monthly retirement benefits paid from the Teacher Deposit Fund or the Tax-Sheltered Annuity Fund shall be in addition to the regular retirement benefits and the money transferred from the Teacher Deposit Fund or Tax-Sheltered Annuity Fund shall not be matched by the State of Oklahoma.

b. From the Retirement Benefit Fund shall be paid all monthly retirement benefits.

c. At the death of a retired member who has retired under the Maximum Plan of Retirement, Option 1 or Option 4a, the balance of money the member has in the Teacher Savings Fund shall be transferred to the Retirement Benefit Fund and the amount due the beneficiary or the estate under Option 1 or Option 4a shall be paid from the Retirement Benefit Fund.

d. At the death of both the retired member and the retired member's spouse, who

had retired under Option 2 or 3, the balance in the Teacher Savings Fund shall be transferred from the Teacher Savings Fund to the Retirement Benefit Fund.

e. At the death of the retired member who had retired under Option 5, the balance, if any, the member had in the Teacher Savings Fund shall be transferred to the Retirement Benefit Fund for the purpose of making a lump sum settlement to the beneficiary or the estate. Providing further that if the surviving spouse elects to receive the balance under the Maximum Plan of Retirement or Option 1 of the member's money, if any, on a monthly basis, the actuarial equivalent of two (2) years' payments shall be transferred from the Teacher Savings Fund and recurring each year thereafter for the purpose of paying monthly retirement benefits to the spouse under this option.

3. Interest Fund:

The Interest Fund is hereby created to facilitate the crediting of interest to the various other funds to which interest is to be credited. All income, interest and dividends derived from the deposits and investments authorized by this Article shall be paid into the Interest Fund. Once each year on June 30, interest shall be allowed and transferred to the other funds as hereinbefore provided.

4. Permanent Retirement Fund:

The Permanent Retirement Fund shall consist of the accumulated gifts, awards and bequests made to the retirement system and transfers from the Suspense Fund, the principal of which is hereby held and dedicated as a perpetual endowment to the retirement system and shall not be diverted or appropriated to any other cause or purpose unless specifically provided for in such gifts, awards or bequests.

(1) Appropriation by the legislature of the State of Oklahoma or monies received from dedicated revenue.

(2) The Interest Fund.

c. A suitable office, with suitable furniture and office supplies shall be provided by the State, through the proper officer, for the use of said board and its secretary.

6. The Suspense Fund:

The Suspense Fund shall be comprised of amounts transferred from the Teacher Savings Fund following termination of membership in Teachers' Retirement of any member who has been absent from service five (5) years of any six (6) consecutive years, and other obligations of the retirement system to any member or person which cannot be legally discharged.

7. Reserve for Investment Fluctuations Fund:

The Reserve for Investment Fluctuations Fund shall be the fund in which one-half ($\frac{1}{2}$) of the one per centum (1%) of the interest earnings shall be deposited each year until an amount equal to one per centum (1%) of the total investments shall be accumulated, and such fund shall thereafter be maintained at such level. Transfers shall be made from this fund, upon proper resolution by the Board of Trustees, to reimburse the investment account of other funds wherein a deficit shall accrue due to the failure of investments to return the book value when the Board of Trustees in its judgment shall deem it wise to dispose of the same.

8. Teacher Deposit Fund:

In addition to the deposits required under the first paragraph of this section, any member may make additional direct deposits, or request prior to first pay period of the current school year, that his employer make additional deposits for him, provided the amount deposited does not exceed the employees "Exclusion Allowance" the employee is permitted by the Federal Internal Revenue Code, which shall be credited to the member's account in the Teacher Deposit Fund for the purchase of a tax-sheltered annuity. The amount thus accumulated, or any portion thereof, with interest at a rate fixed by the Board of Trustees, not to exceed the rate of interest earned, may be used as a deposit in the Retirement Benefit Fund for the purpose of providing an annuity in addition to his regular service retirement allowance at the time of his retirement. Provided, that any teacher who has been a member of a retirement system of another state, upon becoming a member of the Teachers' Retirement System of Oklahoma, may deposit in this fund all or part of the accumulated contributions received by him upon his withdrawal from the said retirement system. The additional annuity provided from said deposits shall not be matched by the employer. Such deposits, together with interest, may be refunded to the member at retirement or to his beneficiary or estate in the event of death of the member prior to retirement. Such deposit shall also be refunded in the event of the withdrawal of the accumulated contributions of the member prior to retirement.

9. Membership Annuity Reserve Fund:

The Membership Annuity Reserve Fund is composed of teachers' contributions and state matching funds for those members who retired before the effective date of this Act. From this fund there shall be transferred an amount equal to pay the annuity and pension benefits for a period of two (2) years and for each succeeding year thereafter.

If on any valuation date the amount in the Membership Annuity Reserve Fund be more than required by actuarial solvency, such excess shall be transferred to the Retirement Benefit Fund. If on any valuation date the amount in the Membership Annuity Reserve Fund be less than that required for actuarial solvency, the Board of Trustees shall transfer from the Retirement Benefit Fund the amount required to maintain actuarial solvency of the Membership Annuity Reserve Fund.

10. Collection of Contributions.

a. The collection of members' contributions shall be as follows:

(2) The treasurer or disbursing officer upon delivery of the warrants and a true copy of the payroll or claims as provided above shall register said warrants as provided for the registration of other school warrants, and shall deliver to the employer warrants issued in favor of the employees, and shall deliver warrants issued in favor of the Teachers' Retirement System and the copy of the payroll or claims, to the county or city superintendent, as designated by the Board of Trustees. For the purpose of collecting contributions of teachers in the public schools the county superintendent or superintendent of an independent district is hereby designated to receive the Teachers' Retirement warrants from the treasurer or proper disbursing officer of the several school districts for the purpose of transmitting such

warrants and payroll or claims to the executive secretary of the Teachers' Retirement System of the State of Oklahoma. Any college or university or other educational institution or agency operated in whole or in part by the state shall have the amount retained or deducted from the funds regularly appropriated by the state for the current maintenance for such educational departments and institutions.

(3) For the purpose of enabling the collection of the contributions of the members of the retirement system to be made as simple as possible, the Board of Trustees shall require the secretary or other officer of each employer-board or agency, within thirty (30) days after the beginning of each school year, to make up a list of all teachers in its employ, who are members of the retirement system, set out their salaries by the month and by the year, make an affidavit to the correctness of this statement, and file the same with the executive secretary of the Board of Trustees of the Teachers' Retirement System. If addition to or deduction from this list should be made during the year, such addition or deduction shall likewise be certified under oath to the Board of Trustees of the Teachers' Retirement System.

(4) The State Treasurer shall furnish annually to the Board of Trustees a sworn statement of the amount of the funds in his custody belonging to the retirement system. The records of the Board of Trustees shall be open to public inspection and any member of the retirement system shall be furnished with a statement of the amount of the credit to his individual account upon written request by such member, provided the Board of Trustees shall not be required to answer more than one such request of a member in any one (1) year.

(5) Failure of any superintendent, officer, or other person to discharge the duties imposed upon him by this Article shall render him or his bondsmen liable for any loss occasioned thereby to the

Teachers' Retirement System or the employees of the school district, or both.

(6) On a showing by the Teachers' Retirement System that a warrant, voucher or check issued to it has, for any reason, been lost or never received, after ninety (90) days from the date of issue or from transmittal for payment, it shall be the duty of the issuing authority forthwith, without any indemnifying board or other requirement, to issue a duplicate thereof in lieu of that which was lost, to the Teachers' Retirement System, and the Teachers' Retirement System shall save harmless any school district or agency of State government making payment under the provisions hereof to the Teachers' Retirement System if the original warrant, voucher, or check is later presented for payment and same is paid after a duplicate warrant, voucher or check has been issued and paid to the Teachers' Retirement System, and any loss sustained therefrom shall be charged to the Interest Fund.

SECTION 9. EXEMPTION FROM TAXES: The right of a person to an annuity or a retirement allowance, to the return of contributions, annuity, or retirement allowance itself, any optional benefit, or any other right accrued or accruing to any person under the provisions of this Article, and the monies in the various funds created by this Article, are hereby exempt from any State or municipal tax, and exempt from levy and sale, garnishment, attachment or any other process whatsoever, and shall be unassignable except as in this Article specifically provided.

SECTION 10. FALSE STATEMENTS: Any person who shall knowingly make any false statement or shall falsify or permit to be falsified, any record or records of this retirement system in any attempt to defraud such system as a result of such act shall be guilty of a felony, and shall be punished as provided for under the laws of Oklahoma. (4) Such annual retirement benefits shall be paid in equal monthly installments, except that the board may provide for the payment of retirement benefits which total less than Two Hundred Forty Dollars (\$240.00) a year on other than a monthly basis.

(5) In the event that an application in such form as may be prescribed by the board for any amount due under the provisions of this act is not filed with the office of the retirement system by the person entitled to same within one (1) year of the date such amount became due and payable, an amount equal to same shall be transferred to the retirement benefit accumulation reserve and such

amount shall no longer be due and payable; however, if any such person shall present evidence satisfactory to the board that his failure to file such application within said time period was due to lack of knowledge or incapacity on his part, the amount equal to the amount originally due shall be transferred from the retirement benefit accumulation reserve to the reserve or reserves from which such transfer was initially made and the amount originally due shall be paid to such person.

Such deductions shall be credited to the members' individual accounts.

SECTION 2. The legislature recognizes that special circumstances exist as regards college campuses and public school facilities, including the fact that a large number of people are confined to a small area, and certain acts committed in such places would have a more detrimental effect as regards the health and safety of those involved, than if the same act were committed at some other place, and in keeping with these facts, any person, on the campuses or school grounds of any public State supported institutions of higher learning or public school facilities, who, by word of mouth or writings, advocates, affirmatively suggests or teaches the duty, necessity, propriety or expediency of crime, criminal syndicalism, or sabotage, or who shall advocate, affirmatively suggest or teach the duty, necessity, propriety or expediency of doing any act of violence, the destruction of or damage to any property, the bodily injury to any person or persons, or the commission of any crime or unlawful act as a means of accomplishing or effecting any industrial or political ends, change, or revolution, or for profit; or who prints, publishes, edits, issues, or knowingly circulates, sells, distributes, or publicly displays any books, pamphlets, paper, handbill, poster, document, or written or printed matter in any form whatsoever, containing matter advocating, advising, affirmatively suggesting, or teaching crime, criminal syndicalism, sabotage, the doing of any act of physical

Provided, that none of the provisions of this act shall be construed to modify or affect Section 3764, Chapter 42 of the Revised Laws of Oklahoma, 1910.

Any person, on the campuses or school grounds of any public State supported institutions of higher learning or public school facilities, above the age of eighteen (18) years who advocates revolution, teaches or justifies a program of sabotage, force and violation, sedition or treason against the government of the United

States or of this State, or who directly or indirectly advocates or teaches by any means the overthrow of the government of the United States or of this State by force or any unlawful means shall be guilty of a felony and upon conviction shall be punished by imprisonment in the State Penitentiary from ten (10) years to life.

SECTION 4. The provisions of this Act are severable and if any part or provision hereof shall be held void, the decision of the court so holding shall not affect or impair any of the remaining parts or provisions of this Act.

SECTION 5. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this Act shall take effect and be in full force from and after its passage and approval.

If a claim, a counterclaim, or a setoff is filed for an amount in excess of Four Hundred Dollars (\$400.00), the action shall be transferred to another docket of the District Court unless both parties agree in writing and file said agreement with the papers in the action that said claim, counterclaim or setoff shall be tried under the small claims procedure. If such an agreement has not been filed, a judgment in excess of Four Hundred Dollars (\$400.00) may not be enforced for the part that exceeds Four Hundred Dollars (\$400.00). If the action is transferred to another docket of the District Court, the person whose claim exceeded Four Hundred Dollars (\$400.00) shall deposit with the clerk the court costs that are charged in other cases, less any sums that have been already paid to the clerk, or his claim shall be dismissed and the remaining claims, if any, shall proceed under the small claims procedure.

SECTION 10. No attachment or garnishment, except in aid or execution, which is hereby authorized, shall issue under the small claims procedure. No new parties shall be brought into the action, and no party shall be allowed to intervene in the action.

SECTION 11. If either party wishes a reporter or jury at the hearing, he must notify the court at least forty-eight (48) hours before the time set for the defendant's appearance and must deposit with the clerk Five Dollars (\$5.00) for reporter fee, and Ten Dollars (\$10.00) for jury fee, where the case is tried to a jury. The judge shall instruct the jury as to the law, but the jury shall be the ultimate judge of the facts and of the law. The plaintiff and the defendant shall have the right to offer evidence in their behalf by witnesses appearing at such hearing, and the judge may call such witnesses and order the production of such documents as he may deem appropriate. The hearing and disposition of such actions shall be informal with the sole object of dispersing speedy justice between the parties.

SECTION 12. If a jury be demanded by either party, and no jury is available from the general panel, the judge shall immediately direct that an open venire be issued to the sheriff of the county, or one of his deputies, for such number of jurors as may be deemed necessary, to be selected from the body of the county without resorting to the jury wheel. The persons selected shall have the qualifications of jurors.

SECTION 13. If judgment be rendered against either party for the payment of money, said party shall pay the same forthwith, provided, however, the judge may make such order as to time of payment or otherwise as may, by him, be deemed to be right and just if such order is agreed upon by both plaintiff and defendant.

SECTION 14. Appeals may be taken from the judgment rendered under small

claims procedure to the Supreme Court of the State in the same manner as appeals are taken in other civil actions.

SECTION 15. A fee of Three Dollars (\$3.00) shall be charged and collected for the filing of the affidavit for the commencement of any action, or for the filing of any counterclaim or setoff, a fee of seventy-five cents (\$0.75) shall be charged and collected for the mailing of the copy of the affidavit and seventy-five cents (\$0.75) for each notice mailed, and no other fee or charge shall be collected by any officer for any service rendered under this Act, or for the taking of affidavits for use in connection with any action tried under this Act. If the affidavit and order are served by the sheriff, the clerk shall collect the usual sheriff's fee, which shall be taxed as costs in the case. Provided, however, after judgment, the clerk shall issue such process and shall be entitled to collect such fees and charges as are allowed by law for like services in other actions and no others. All fees collected hereunder shall be deposited with other fees that are collected by the District Court.

SECTION 16. The prevailing party in an action is entitled to costs of the action, including the costs of service of the order for the appearance of the defendant and the costs of enforcing any judgment rendered therein.

SECTION 17. This Act shall be known as "The Small Claims Procedure Act", and shall be incorporated in Title 12, Oklahoma Statutes.

SECTION 18. 39 O.S. 1961, § § 651 through 667, are hereby repealed.

SECTION 19. This Act shall become effective January 13, 1969.

EDITORIAL

Senator Smith asked unanimous consent, which was granted, that the following editorial appearing in the Tulsa Tribune on April 25, 1968, be read and incorporated in the Journal:

THANK YOU, SENATOR

The 1968 Legislature will end within a few days, marking the third and final session of the Senate to be presided over by Chelsea's Clem McSpadden. This is an appropriate time to thank McSpadden for his handling of a difficult assignment.

Those were grim days in 1964 when a federal court reapportioned the Legisla-

ture. This was followed by the election of a phalanx of city greenhorns facing the frightening prospect of a hostile rural majority.

McSpadden, whose rural credentials are as authentic as any in the Legislature, went to work and put together the rural-urban coalition which resulted in his election as president pro tempore. It marked the first time the Senate recognized Oklahoma's larger cities as honest-to-God entities with needs as compelling, if not more so, than rural communities.

The 1965 session was at best uneven, with House Speaker J. D. McCarty's feud with Gov. Bellmon dominating the scene. It did, however, mark the beginning of rural-urban consensus politics in the Senate. McSpadden kept his pledge to his big city supporters and metropolitan problems began to get serious attention.

McSpadden, in his leadership of an unprecedented three consecutive sessions, was the driving force behind the new school code. He authored annual sessions. His consistent support of Welfare Director Lloyd Rader's rehabilitative programs has helped make Oklahoma a leader in this field. No legislative leader worked harder for court reform.

The Tribune has not always agreed with McSpadden, and he has probably gritted his teeth over more than one Tribune editorial. But the fact is that he took over in a crucial, transitional period and kept the chaos at a minimum while securing some substantial reform legislation.

Upon motion of Senator Garrison, joined

by Senators McGraw and Breckinridge, pursuant to Rule 9-b, a citation of Congratulations was ordered issued to Tom Grant, Jr.

SJR 71—By Baggett.

A JOINT RESOLUTION DIRECTING THE SECRETARY OF STATE TO REFER TO THE PEOPLE FOR THEIR APPROVAL OR REJECTION A PROPOSED CONSTITUTIONAL AMENDMENT TO SECTION 23 OF ARTICLE 10, OF THE OKLAHOMA CONSTITUTION; REQUIRING STATE BOARD OF EQUALIZATION TO MAKE ITEMIZED ESTIMATE OF REVENUES TO BE RECEIVED BY THE STATE DURING NEXT ENSUING FISCAL YEAR; PROVIDING THAT ESTIMATE NOT EXCEED TOTAL REVENUE ACCRUED TO ANY FUND FOR PRECEDING FISCAL YEAR PLUS OR MINUS AN AMOUNT EQUAL TO THE PERCENTAGE RATE OF INCREASE OR DECREASE IN THE REVENUES WHICH ACCRUED TO EACH SUCH FUND DURING THE THREE LAST PRECEDING YEARS PLUS ANY CASH SURPLUS FOR PRECEDING FISCAL YEAR; PROHIBITING LEGISLATURE FROM MAKING APPROPRIATIONS UNTIL ESTIMATE IS MADE; MAKING NULL AND VOID APPROPRIATIONS IN EXCESS OF ESTIMATE; PROVIDING FOR ALLOCATION OF REVENUE TO APPROPRIATIONS; PROVIDING LIMITATIONS UPON DEFICIENCY CERTIFICATES; PROVIDING LIMITATIONS AGAINST CREATION OF INDEBTEDNESS FOR PAYMENT OF DEFICIENCY; PROVIDING BALLOT TITLE; AND ORDERING SPECIAL ELECTION.

BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE SECOND SESSION OF THE THIRTY-FIRST OKLAHOMA LEGISLATURE:

SECTION 1. The Secretary of State shall refer to the people for their approval or rejection, as and in the manner provided by law, the following proposed amendment of Section 23, Article X of the Constitution of the State of Oklahoma, to read as follows:

Section 23. Within twenty-one days after the adoption of this amendment and thereafter prior to the convening of each regular session of the Legislature, the State Board of Equalization shall make an itemized estimate of the revenues to be received by the State under the laws in effect at the time such estimate is made for the next ensuing fiscal year showing separately the revenues to accrue to the credit of the General Revenue Fund and each special fund of the State, and the total amount of such estimate for such fiscal year shall **[not exceed]** BE the total revenue which accrued to each such fund for the last preceding fiscal year, TO WHICH AMOUNT SHALL BE ADDED OR SUBTRACTED AN AMOUNT DETERMINED BY TAKING THE AVERAGE PERCENTAGE RATE OF INCREASE OR DECREASE IN THE REVENUES WHICH ACCRUED TO EACH SUCH FUND FOR THE THREE LAST PRECEDING YEARS, to which amount shall be added the cash surplus, if any, from such preceding fiscal year in the hands of the State Treasurer to the credit of any such fund and not previously appropriated by the State Legislature at the time such estimate is made. Such estimate shall be filed with the Governor, the President of the Senate and the Speaker of the House of Representatives. The Legislature shall not pass or enact any bill, act or measure making an appropriation of money for any purpose until such estimate is made and filed, unless the State Board of Equalization has

failed to file said estimate at the time of convening of said Legislature, then, in such event, it shall be the duty of the Legislature to make such estimate pursuant to the provisions of this amendment, and all appropriations made in excess of such estimate shall be null and void; provided, however, that the Legislature may at any regular session or special session called for that purpose, enact laws to provide for additional revenues, other than ad valorem taxes, or transferring the existing revenues or surpluses from one fund to another, whereupon it shall be the duty of the State Board of Equalization to make an estimate of the revenues that will accrue under such laws and to file the same with the Governor and with the President of the Senate and the Speaker of the House of Representatives, and the amount of any increase or decrease, resulting, for any reason, from such laws shall be added to or deducted from each respective fund, as the case may be. The amount of such adjusted estimate shall be the maximum amount which can be appropriated for all purposes from any fund for the fiscal year estimated.

After June 30, 1941, that portion of every appropriation at the end of each fiscal year, in excess of actual revenues collected and allocated thereto as hereinafter provided, shall be null and void. Revenues deposited in the State Treasury to the credit of the General Revenue Fund or of any special fund (which derives its revenue in whole or in part from state taxes or fees) shall, except as to principal and interest on the public debt, be allocated monthly to each department, institution, board, commission or special appropriation on a percentage basis, in that ratio that the total appropriation for such department, institution, board, commission or special appropriation from each fund for that fiscal year bears to the total of all appropriations from each fund for that fiscal year, and no warrant shall be issued in excess of said allocation. Any department, institution or agency of the

State operating on revenues derived from any law or laws which allocate the revenues thereof to such department, institution or agency, shall not incur obligations in excess of the unencumbered balance of surplus cash on hand. The Legislature shall provide a method whereby appropriations shall be divided and set up on a monthly, quarterly or semi-annual basis within each fiscal year to prevent obligations being incurred in excess of the revenue to be collected, and notwithstanding other provisions of this Constitution, the Legislature shall provide that all appropriations shall be reduced to bring them within revenues actually collected, but all such reductions shall apply to each department, institution, board, commission or special appropriation made by the State Legislature in the ratio that its total appropriation for that fiscal year bears to the total of all appropriations for that fiscal year; provided, however, that the Governor may in his discretion issue a deficiency certificate or certificates to the State Auditor for the benefit of any department, institution, or agency of the State, if the amount of such deficiency certificate or certificates be within the limit of the current appropriation for that department, institution, or agency, whereupon the State Auditor shall issue warrants to the extent of such certificate or certificates for the payment of such claims as may be authorized by the Governor, and such warrants shall become a part of the public debt and shall be paid out of any money appropriated by the Legislature and made lawfully available therefor; provided further, that in no event shall said deficiency certificate or certificates exceed in the aggregate the sum of Five Hundred Thousand Dollars (\$500,000.-00) in any fiscal year.

The State shall never create or authorize the creation of any debt or obligation, or fund or pay any deficit, against the State, or any department, institution or agency thereof, regardless of its form or the source of money from which it is to

be paid, except as provided in this amendment and in Sections Twenty-four (24) and Twenty-five (25) of Article Ten (X) of the Constitution of the State of Oklahoma.

SECTION 2. The Ballot Title for the proposed amendment shall be in the following form:

The State Board of Education shall instruct annually all district superintendents of schools and county superintendents of schools to collect free sample books reported given to teachers and other personnel, and give instructions where to ship such books so they may be used in the free textbook system. CCS for 1161—By Willis and Miskelly of the House and Baldwin and Miller of the Senate.

An Act relating to the Oklahoma State Regents for Higher Education and making an appropriation thereto; providing legislative intent with respect to special allocations; providing for studies and information for use by the legislature and other higher education policy-making bodies; making provisions of Act severable; and declaring an emergency.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. There is hereby appropriated to the Oklahoma State Regents for Higher Education from any monies in the General Revenue Fund of the State Treasury, not otherwise appropriated, the sum of Fifty-Two Million Eight Hundred Fifty Eight Thousand Dollars (\$52,858,000.00) for the fiscal year ending June 30, 1969. The amount herein appropriated is to be used for allocation pursuant to Article XIII-A of the Oklahoma Constitution to and among the institutions of higher learning, comprising the Oklahoma State System of Higher Education, for education and general operating budgets of constituent institutions, according to the needs and function of each of said institutions.

SECTION 2. It is the intent of the Legislature that Two Hundred Thousand Dollars (\$200,000.00) of the appropriation made in Section 1 of this Act shall be allocated to the Student Educational Assistance Fund provided for in Sections 1 and 2, Chapter 482, Oklahoma Session Laws 1965, as amended by Section 2, Chapter 3, Oklahoma Session Laws 1967 (70 O. S. Supp. 1967, § § 622-623), and be utilized in carrying out the provisions of this Act as amended. It is the further intent of the Legislature that the State Regents allocate, hold, maintain and administer funds appropriated herein under the same regulations and procedures as are followed in administering the federally-guaranteed Student Loan Program.

SECTION 3. It is the intent of the Legislature that, as funds appropriated in Section 1 of this Act are allocated to the various institutions of the State System, the State Regents give first priority to meeting the needs of faculty salaries and employment of additional faculty members to relieve overcrowded conditions at institutions where they exist.

SECTION 4. The State Regents shall continue to make studies and maintain current information for use by the Legislature and other higher education policy-making bodies regarding student enrollments, finances, faculties, programs and other types of information essential for policy-making and planning in Oklahoma Higher Education. The cost of carrying out the provisions of this section shall be paid from assessments made pro rata against the institutions and agencies comprising the Oklahoma State System of Higher Education. The amounts so assessed shall be paid from any funds available and said funds shall be deposited in the Oklahoma State Regents for Higher Education Revolving Fund of the State Treasury and be disbursed by state warrants.

SECTION 5. It is the intent of the Legislature that in allocating funds appropriated in Section 1 of this Act the State Regents take into consideration all revenues collected by institutions from student fees, sales and services of educational departments, federal funds and all other income of an educational and general budget nature, as provided in the state budget law; and that all such revenues be deposited in the State Treasury and be made a part of the educational and general budget of institutions as provided by law. It is further the intent of the Legislature that the State Regents develop appropriate rules and regulations for accomplishing this and that it be done before any consideration is given to increasing resident student fees at any institutions in the Oklahoma State System of Higher Education.

SECTION 6. It is the intent of the Leg-

islature that the State Regents allocate to the Oklahoma State University Department of Entomology, from funds appropriated in Section 1 of this Act, the sum of Twenty-Seven Thousand Five Hundred Dollars (\$27,500.00) for the purpose of tick research.

SECTION 7. It is the intent of the Legislature that the State Regents allocate to the University of Oklahoma, from funds appropriated in Section 1 of this Act, the sum of Ten Thousand Dollars (\$10,000.00) for the purpose of operating a State Bureau of Standards.

SECTION 8. It is the intent of the Legislature that the State Regents shall allocate to the Oklahoma College of Liberal Arts, from funds appropriated in Section 1 of this Act, the sum of Twenty-Five Thousand Dollars (\$25,000.00) to be used for reimbursements in connection with operation of the Jane Brooks School for the Deaf as a laboratory for the training of special education teachers at this institution.

SECTION 9. It is the intent of the Legislature that the State Regents allocate to the University of Oklahoma Medical Center, from funds appropriated in Section 1 of this Act, the sum of Twenty-Five Thousand Dollars (\$25,000.00) as special support, in lieu of tuition for the School for the Deaf operated as a laboratory for the Speech and Hearing Clinic of the Medical Center; providing that no tuition shall be charged.

SECTION 10. It is the intent of the Legislature that the State Regents allocate from the funds appropriated in Section 1 of this Act, the sum of Fifty Thousand Dollars (\$50,000.00) for the purpose of planning for the establishment of new community junior colleges at Midwest City and other locations in the State meeting the standards and criteria adopted by the State Regents in connection with administration of Senate Bill No. 2, Oklahoma Session Laws 1967; said funds to be expended by the State Regents under their

rules and regulations formulated for this purpose.

SECTION 11. It is the intent of the Legislature that the State Regents give particular attention to the needs of existing community junior colleges, when allocating funds appropriated in Section 1 of this Act, in order to carry out the spirit of Sections 1402 and 1408 of Senate Bill No. 2, Oklahoma Session Laws 1967, to the fullest extent practicable.

SECTION 12. It is the intent of the Legislature that the State Regents cooperate and enter into contracts with the Southern Regional Education Board in providing regional education opportunities in the professional, technical, scientific and other educational fields, and particularly the field of dental education. It is further the intent of the Legislature that an alternate plan of assisting citizens of Oklahoma studying dentistry outside the State be and is hereby authorized for administration by the Oklahoma State Regents for Higher Education if, in their judgment, it seems more feasible than the Southern Regional Education Compact cooperative arrangement for the study of dentistry. The State Regents are authorized, if deemed feasible, to provide direct assistance to bona fide citizens of Oklahoma pursuing the study of dentistry at accredited dental schools, and making satisfactory progress in their study, in an amount not to exceed the equivalent of the non-resident tuition charged at state-supported schools of dentistry, to be administered under rules and regulations formulated by the State Regents for this purpose. The allocation for this purpose shall be Eighty-Five Thousand Dollars (\$85,000.00) for the fiscal year ending June 30, 1968, and this sum may be expended in whole or in part through Southern Regional Education Board agreements or the alternate plan of providing assistance for dental students as provided herein.

SECTION 13. The appropriation made by this Act shall be subject to fiscal year

limitations and may be encumbered through June 30, 1969. Any funds remaining after November 15, 1969, shall lapse and be transferred to the credit of the General Revenue Fund for the then current year.

SECTION 14. The provisions of this Act are severable and if any part or provision hereof shall be held void the decision of the court so holding shall not affect or impair any of the remaining parts or provisions of this Act.

SECTION 15. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this Act shall take effect and be in full force from and after its passage and approval.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. 69 O. S. 1961 § 686, as amended by Section 12, Chapter 407, O. S. L. 1965, is amended to read as follows:

§ 686. No turnpikes or state highways shall ever be constructed or financed under the terms of 60 O. S. 1961 § § 176-180, inclusive, EXCEPT TOLL URBAN OR RURAL EXPRESSWAYS AS HEREINAFTER DEFINED.

SECTION 2.

(a) The trustees of any public charitable trust created under 60 O. S. 1961, § § 176-180, inclusive, which shall have as its trust beneficiary or beneficiaries one (1) or more cities or counties, may have the power and authority to establish, lay out, acquire, construct, operate and maintain a toll urban or rural expressway or expressways. Each city or county in which a part of such toll urban or rural expressway will be located may be a trust beneficiary to the extent of the portion of such expressway which is to be located within such city or county. Where such expressway is to be located entirely within the boundaries of a city, either such city or the county within which such expressway is located, or both such city and county, may be beneficiary of such trust. Where the trust beneficiaries shall have adopted a resolution determining that such expressway is needed to supplement the existing network of state, county or city highways or streets within the counties, the trustees may proceed with such project and, in such event, it shall not be necessary for said trustees to obtain the consent of any subdivision of government, of less than one thousand (1,000) population, according to the latest Federal Decennial Census, or the governing bodies thereof, provided however, that in those instances of a trust involving two

or more counties the trustees shall first obtain the consent of the board of county commissioners of any county in which such expressway or any part thereof may be located, and the consent of the governing body of any city having a population of more than one hundred thousand (100,000) persons, according to the latest Federal Decennial Census, in which such expressway or any part thereof may be located.

(b) In counties having a population of four hundred thousand (400,000) or more according to the latest Federal Decennial Census, a toll urban expressway may be constructed within the corporate limits of any city only by a public charitable trust created with the approval of the governing bodies of both such city and of the county within which such expressway is to be located. The instrument creating such trust shall provide for appointment of three (3) trustees by the governing body of such city and for appointment of three (3) trustees by the board of county commissioners of such county and shall further provide for one (1) additional trustee to be designated by such six (6) trustees. Vacancies in the office of any trustee of such public trust shall be filled in the same manner as the original appointment. Members of the governing bodies of such city or county shall be eligible to serve as trustees and any such trustee shall receive no compensation for services as a trustee. The beneficial interest in the title to the expressway located within such city shall be vested in the city. The surplus revenues of the trust, as defined in any bond indenture entered into by such trustees shall be divided equally between such city and the county to be used for constructing, maintaining, repairing and improving bridges, roads, highways and streets.

SECTION 3. No city, county or state agency shall be obligated to maintain, police or pay any costs of construction or maintenance of such expressway, includ-

ing the cost of approaches and traffic control and safety devices, unless such obligation shall be expressly assumed in writing by the governing body of the city, county or state agency. No municipality within the boundaries of which such expressway may be located shall be liable for personal injury or property damage resulting from the operation of such expressway or the failure to properly maintain or repair such expressway unless the duty to maintain or repair has been expressly assumed as herein provided.

SECTION 4. The terms of trustees shall be fixed at a period not to exceed five (5) years, except that such limitation of terms shall not apply to any trustee who serves by virtue of being an elected public official and who, under the terms of the instrument creating the trust, shall be replaced by his successor in such public office.

SECTION 5. Contracts for construction of any toll urban or rural expressway shall be based upon detailed plans and specifications; provided, however, that if it is determined by the trustees that it is not feasible or prudent to expend trust or other funds for preparation of such plans and specifications and purchase of right-of-way for the project, the trustees may enter into a contract based upon a proposal submitted for the designing, engineering, financing, acquisition of right-of-way and construction of such project.

No contract for the construction of any portion of such toll urban or rural expressway shall be entered into by the trustee of such authority until after notice and advertisement for proposals has been published for at least fourteen (14) days by the trustees or by the trust beneficiary in at least one issue of a newspaper or periodical of general circulation in Oklahoma and the United States in construction industry. The notice to bidders shall contain a general description of the route of such proposed expressway or of the traffic corridor or corridors to be served

by such facility, and shall set out sufficient details to assure that all bidders are bidding on the same project. All bids shall be opened at a public meeting of the trustees or of the governing board of the beneficiary, as the case may be.

The contract shall be awarded to the person (individual, corporation, partnership or joint venture) who is determined by the trustees to be the lowest and best bidder. If the trustees shall determine that it is not feasible or prudent to expend trust or other funds to obtain plans and specifications and purchase right-of-way prior to advertisement for bids they may, by negotiation with the lowest and best bidder, agree upon the terms of a definitive contract providing for the designing, engineering, financing, acquisition of right-of-way and construction of the project by such bidder.

The design and specifications for any such toll urban or rural expressway shall meet the minimum standards for construction of state highways established by the State Highway Department or the Oklahoma Turnpike Authority.

SECTION 6. The trustees of any public charitable trust constructing a toll urban or rural expressway shall have authority to make any necessary connections with, or crossing of any existing state or county highway or city street and to temporarily occupy or close public rights-of-way as may be necessary for the public safety during construction of any such toll urban or rural expressway. Necessary easements and rights-of-way over, under and across public or private property may be acquired by a beneficiary of such trust by the exercise of its power of eminent domain in the manner now or hereafter provided by law for condemnation of lands by a county or city, as the case may be, for highway or street purposes, and any interest so acquired may be leased to the trustees by the beneficiary as provided by 60 O. S. § 176.

No existing improved street or highway

shall be closed by reason of the construction and operation of such toll urban or rural expressway, except such temporary closing as may be required for the safety of the public during construction, maintenance or repair, without the express consent of the governing body of any city, county or state agency having jurisdiction over such street or highway. All connections with streets or highways shall meet the normal safety requirements established by the city, county or state agency having jurisdiction and control over such connecting street or highway.

SECTION 7. Prior to entering into a contract for construction and acquisition of any such toll urban or rural expressway a reputable traffic engineer and consultant shall be employed to make a traffic survey and feasibility study and report on the proposed project and a qualified independent engineer shall be employed to review plans, specifications and bidder's proposals, to act in an advisory capacity, and to make reports and recommendations to the trustees on all phases of construction of such project.

SECTION 8. The provisions of 47 O. S. 1961, § § 11-1401 to 11-1405, inclusive, are hereby made applicable to and enforceable on any toll urban or rural expressway as provided for in this Act and the words "Oklahoma Turnpike Authority" whenever they appear in said § § 11-1401 to 11-1405, inclusive, (for the purposes of this Act only) shall be construed to mean the trustees of the public trust operating any such toll urban or rural expressway; provided, that where a toll urban or rural expressway is located wholly within the corporate limits of a city, the said trustees may contract with the governing body of such city for the policing of said expressways and if such contract is entered into, the traffic ordinances and regulations of such city shall be applicable to and enforceable on such expressway.

SECTION 9. For the purpose of this Act, the term "Toll Urban or Rural Ex-

pressway" is defined to mean any toll expressway or expressways which may consist of separate sections or segments separated by intervening highway or street connections, and which may be laid out wholly or partially within the corporate limits of any incorporated city.

SECTION 10. The provisions of 69 O.S. 1961, § 668 are hereby made applicable to this Act and the trustees of any public trust proposing to lay out, construct, operate and maintain any such toll urban or rural expressway shall be entitled to have a judicial determination of the validity of the bonds and other questions relating to the proceedings for such toll urban or rural expressway in the same manner as provided in such Act for the Oklahoma Turnpike Authority.

SECTION 11. The District Court shall have original jurisdiction to require accounting by trustees, to surcharge trustees, to supervise the administration of the trust where necessary because of mismanagement by trustees, and such further jurisdiction as may be provided by the Oklahoma Trust Act (60 O. S. 1961 § 175-23).

SECTION 12. No trustee or employee of any public charitable trust shall have a direct or indirect financial interest in any contract, subcontract, purchase, sale or other transaction in connection with any toll urban or rural expressway project undertaken by such trust. Violation of this section shall be deemed cause for removal from office or employment of such trustee or employee.

SECTION 13. All Acts or parts of Acts, insofar as they are in conflict with this Act, are hereby repealed except that this Act shall not be construed as repealing any Act relating to the powers and duties of the Oklahoma Turnpike Authority.

SECTION 14. If any section, clause, paragraph or part of this Act is for any reason held invalid, such decision shall not affect the validity of the remaining

portions of this Act, or of this Act as a whole.

SECTION 15. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this Act shall take effect and be in full force from and after its passage and approval.

306. (a) The Administrator may issue a stop order denying effectiveness to, or suspending or revoking the effectiveness of, any registration statement if he finds (1) that the order is in the public interest and (2) that

(A) the registration statement as of its

effective date or as of any earlier date in the case of an order denying effectiveness, or any amendment under Section 305(k) as of its effective date, or any report under Section 305(j) is incomplete in any material respect or contains any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

(B) any provision of this Act or any rule, order, or condition lawfully imposed under this Act has been willfully violated, in connection with the offering, by (i) the person filing the registration statement, (ii) the issuer, any partner, officer, or director of the issuer, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling or controlled by the issuer, but only if the person filing the registration statement is directly or indirectly controlled by or acting for the issuer, or (iii) any underwriter.

(C) the security registered or sought to be registered is the subject of any administrative stop order or similar order or a permanent or temporary injunction of any court of competent jurisdiction entered under any other federal or state act applicable to the offering; but (i) the Administrator may not institute a proceeding against an effective registration statement under Clause (C) more than one (1) year from the date of the order or injunction relied on, and (ii) he may not enter an order under Clause (C) on the basis of an order or injunction entered under any other state act unless that order or injunction was based on facts which would currently constitute a ground for a stop order under this section;

(D) the issuer's enterprise or method of business includes or would include activities which are illegal where performed;

(E) the offering has worked or tended to work a fraud upon purchasers or would so operate;

(F) the offering has been or would be made or is being made with unreasonable amounts of underwriters' and sellers' discounts, commissions, or other compensation, or promoters' profits or participation, or unreasonable amounts or kinds of options, profits, **[or any]** compensation **[.]** or remuneration paid directly or indirectly to any officer, director, employee, contractor or agent;

The Administrator may not institute a stop order proceeding against an effective registration statement on the basis of a fact or transaction known to him when the registration statement became effective unless the proceeding is instituted within the next thirty (30) days.

(b) The Administrator may by order summarily postpone or suspend the effectiveness of the registration statement pending final determination of any proceeding under this Section. Upon the entry of the order, the Administrator shall promptly notify each person specified in subsection (c) that it has been entered and of the reasons therefor and that within fifteen (15) days after the receipt of a written request the matter will be set down for hearing. If no hearing is re-

quested and none is ordered by the Administrator, the order will remain in effect until it is modified or vacated by the Administrator. If a hearing is requested or ordered, the Administrator, after notice of and opportunity for hearing to each person specified in subsection (c), may modify or vacate the order or extend it until final determination.

(c) No stop order may be entered under any part of this section except the first sentence of subsection (b) without (1) appropriate prior notice to the applicant or registrant, the issuer, and the person on whose behalf the securities are to be or have been offered, (2) opportunity for hearing, and (3) written findings of fact and conclusions of law.

(d) The Administrator may vacate or modify a stop order if he finds that the conditions which prompted its entry have changed or that it is otherwise in the public interest to do so.

(6) has transferred or attempted to

transfer substantially its entire property or business, to the detriment of its stockholders; or

(7) has willfully violated its charter or any law of this State.

The Conservator may, if all reasonable efforts to rehabilitate the issuer fail, apply to the court for any order directing liquidation and dissolution of any such insurer.

SECTION 2. 71 O. S. 1961, § 202, subsection (e), is amended to read as follows:

(e) The Administrator shall by rule require registered broker-dealers, agents and investment advisers to post AND CONTINUE IN EFFECT DURING EACH PERIOD OF REGISTRATION surety bonds in an amount not more than TWENTY-FIVE THOUSAND DOLLARS (\$25,000.00) IN THE CASE OF BROKER-DEALERS, AND NOT MORE THAN Ten Thousand Dollars (\$10,000.00) IN THE CASE OF AGENTS AND INVESTMENT ADVISERS. THE ADMINISTRATOR MAY BY RULE CLASSIFY PERSONS REQUIRED TO POST BONDS AND PRESCRIBE DIFFERENT AMOUNTS OF BONDS FOR DIFFERENT CLASSES. EACH SUCH BOND SHALL BE conditioned that the registrant will comply with the provisions of this Act. Such bonds may be so drawn as to cover the original registration and any renewal thereof, BUT FOR PURPOSES OF DETERMINING LIABILITY OF THE SURETY UNDER ANY SUCH BOND, THE DATE OF EACH RENEWAL OF REGISTRATION SHALL BE DEEMED TO BEGIN A NEW BOND PERIOD. At any time in its discretion but not later than one (1) year from the date of a conciliation agreement, the Commission shall investigate whether the terms of the agreement are being complied with by the respondent, the Commission shall take appropriate action as authorized by this Act to assure compliance.

(b) If the Commission is unable to eliminate the discriminatory practice by conference, conciliation, or persuasion, it shall issue an order requiring the respondent to cease and desist from the discriminatory practice and to take such affirmative action as in the judgment of the Commission will carry out the purposes of this Act. Unless the Commission's finding of a discriminatory practice is upheld in the course of judicial review under Section 506, the finding of discrimination is not binding on the contracting agency.

SECTION 506. JUDICIAL REVIEW; ENFORCEMENT.

(a) The Commission may petition for an order of the District Court for enforcement of an order issued by the Commission under Section 505, in a proceeding brought in the District Court of the county in which the alleged discriminatory practice which is the subject of the order occurs or in which a respondent resides or transacts business.

(b) The proceeding for an enforcement order shall be a de novo proceeding and shall follow the procedures of the courts of this state applicable to civil action. To protect the public from improper use of authority and to protect public officials and employees from unwarranted assaults on their integrity, the following code of ethics for state government is hereby adopted.

SECTION 3. For the purposes of this Act, unless the context otherwise requires:

(a) "State agency" means any office, department, commission, board, or other entity created by the Constitution or statutes of this State;

(b) "State employee" means an elected or appointed officer or employee of the executive, judicial, or legislative branch of government except state legislators.

House of Representatives during his term of office.

SECTION 4. No state employee shall:

(c) Disclose confidential information acquired by reason of his official position to any person, group, or others not entitled to receive such confidential information, nor shall he use such information for his personal gain or benefit;

(d) Sell or cause to be sold, either as an individual or through any business enterprise in which he holds a substantial financial interest, goods or services to any state agency or to any business entity licensed by or regulated by the state agency, except as provided in Section 5 (a) of this act;

SECTION 6. The failure of any state employee to comply with Section 4 and Section 5 hereof shall constitute a wilful neglect of duty and grounds for private or public reprimand, censoring, expulsion, removal from office, or discharge, whichever is applicable.

SECTION 7. When any officer or employee of the state is in doubt as to the application of this act as to himself or to any employee under his supervision, he may submit to the Attorney General a full written statement of the facts and questions he may have. The Attorney General shall then render an opinion to such person and may publish these opinions, or abstracts thereof, with the use of the name of the person advised unless such person requests otherwise in writing.

AN ACT RELATING TO COURT COSTS AND FILING FEES; ESTABLISHING FLAT FEE SCHEDULES AND REQUIRING COURT CLERKS TO CHARGE AND COLLECT THE SAME; MAKING PROVISIONS OF ACT SEVERABLE; PROVIDING FOR AN EFFECTIVE DATE; AND DECLARING AN EMERGENCY,

An Act relating to court costs and filing fees; establishing flat fee schedules and requiring court clerks to charge and collect the same; terminating the litigation fee and court reporter's fee; making provisions of act severable; repealing 12 O. S. 1961, § 921; providing for an effective date; and declaring an emergency.

BE IT ENACTED BY THE PEOPLE
OF THE STATE OF OKLAHOMA:

SECTION 1. From and after the effective date of this Act, it shall be the duty of the clerks of the District Court and other trial courts of record of this State to charge and collect the fees as herein provided, and none others, in all cases, except those wherein the defendant is charged with a misdemeanor or traffic violation, and except cases coming within the purview of the Small Claims Act.

SECTION 2. In any civil action filed in District Court after the effective date of this Act, the court clerk shall be required to collect, at the time of filing, the following flat fees, none of which shall ever be refundable, and which shall be the only charge for court costs up to and including the entry of judgment, except as herein otherwise specifically provided:

Actions for divorce, alimony without divorce, separate maintenance, custody or support		\$ 15.00
Probate and guardianship		25.00
Judicial Determination of Death		20.00
Adoption		15.00
Civil Actions		20.00
All others, including actions for forcible entry and detainer ..		10.00

except that in any case where the litigant claims he has a just cause of action, and that, by reason of poverty, he is unable to pay the fees and costs provided for in this Act, upon the filing of an affidavit in forma pauperis executed before any officer authorized by law to administer oaths by such litigant in such action to that effect no fees or costs shall be required; however, the opposing party or parties may in any event file with the court clerk of the court having jurisdiction of the cause an affidavit similarly executed contradicting the allegation of such poverty, and, upon the filing of such counter affidavit, the judge of such court shall promptly set

for hearing the determination of the eligibility of the original affiant to litigate without payment of fees or costs, but until a final order determining the ineligibility of such affiant has been entered, the clerk shall permit such affiant to litigate without payment for fees or costs. Any litigant executing a false affidavit or counter affidavit hereunder shall be guilty of perjury; and provided further that the appeal bonds required by 39 O. S., § 242, and 58 O. S., § 726, shall stand in lieu of the fees and costs specified in this Act, and the court clerk shall not require either cost bond or cost deposit in such appeal cases.

SECTION 3. The clerks of the courts shall collect as costs in all criminal cases in which the defendant is convicted of a felony a flat charge of Twenty Dollars (\$20.00) and no more, except for the District Attorney's fee as presently provided by law, and except for the charges hereinafter specifically set out, and further provided that, prior to conviction, parties in criminal cases shall not be required to pay, advance or post security for the issuance or service of process to obtain compulsory attendance of witnesses.

SECTION 4. The flat fees herein provided for shall be in lieu of the charges enumerated in 28 O. S. 1961, § 31, as amended by Section 6, Chapter 122, O. S. SECTION 5. In addition to the flat fees herein provided for, the clerk shall require an additional deposit of Five Dollars (\$5.00) in all cases wherein personal service is requested on one or more parties and shall require such additional deposits from time to time as might be needed to pay witness fees, appraisers' fees, mileage fees, or other authorized expenses.

SECTION 6. In all cases or proceedings in the District Courts or other courts of record, in which notice by publication is required or requested, there must be deposited with the court clerk at the time of the filing of the petition therein the sum of Ten Dollars (\$10.00). Said sum shall be in addition to the flat fees herein established and shall be used only for the purpose of paying the publisher's fee for publishing such notice or notices. In the event it cannot be ascertained at the time the petition is filed that notice by publication will be required or requested and the required deposit for publication is not paid at that time then when an affidavit for service by publication or verified petition or pleading is filed for the first time the court clerk shall collect the said sum of Ten Dollars (\$10.00) to be used only to pay the publisher's fee for publishing such notice or notices. Prior to accepting any final decree or dismissal for filing in any case in which notice by publication is required or requested, the court clerk shall collect for transmittal to the publisher such fees as are necessary to pay for all costs of publication or have on file a statement or receipt from the publisher that the same have been paid and, provided further, that proof of publication shall be held by the court clerk but not filed until such time as such publication fees have been collected in full or such statement or receipt from the publisher that the same have been paid has been filed.

SECTION 7. The charges for filing mechanics' and materialmen's liens, notary public bonds, statutory bonds, licensing fees, transmittal of funds other than attorneys' fees (poundage) shall not be affected by this Act, and in those counties where newspaper fees and library fees are presently authorized by law, the clerk shall be entitled to deduct from the flat fee herein established whatever charges for the same as are presently authorized by law.

SECTION 8. The litigation fee and

court reporter's fee as provided in 74 O.S. 1961, § 288, and Section 3, Chapter 180, O. S. L. 1965, are discontinued and the special revolving funds therein established terminated as of the effective date of this Act, and any monies remaining in said funds as of that date are to be transferred to the State Judicial Fund of the State of Oklahoma.

SECTION 9. 12 O. S. 1961, § 921, as amended, is hereby repealed.

SECTION 10. The provisions of the Act are severable and if any part or provision hereof shall be held void the decision of the court so holding shall not affect or impair any of the remaining parts or provisions of this Act.

SECTION 11. The effective date of this Act shall be July 1, 1968.

Section 12. It being immediately necessary for the preservation of the public peace, health, and safety, an emergency is hereby declared to exist by reason whereof this Act shall take effect and be in full force from and after its passage and approval.

To the Speaker and Members of the Honorable House of Representatives
Second Session, Thirty-first
Oklahoma Legislature
Gentlemen:

I have this date vetoed and herewith return to you

ENROLLED HOUSE BILL NO. 1267—By Spearman of the House and Young, Gee, Garrett, Smith, Howard and Short of the Senate.

This bill is designed to eliminate straight party voting in Oklahoma and Tulsa counties.

However, it does not eliminate straight voting in the other 75 counties. I do not believe it is in the best interests of the electorate to attempt to create two standards of voting. Geography should not determine the rights of the electorate.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. 69 O. S. 1961 § 686, as amended by Section 12, Chapter 407, O. S. L. 1965, is amended to read as follows:

§ 686. No turnpikes or state highways shall ever be constructed or financed under the terms of 60 O. S. 1961 §§ 176-180, inclusive, EXCEPT TOLL URBAN OR RURAL EXPRESSWAYS AS HEREINAFTER DEFINED.

SECTION 2.

(a) The trustees of any public charitable trust created under 60 O. S. 1961, § 176-180, inclusive, which shall have as its trust beneficiary or beneficiaries one (1) or more cities or counties, shall have the power and authority to establish, lay out, acquire, construct, operate and maintain a toll urban or rural expressway or expressways. Each city or county in which

a part of such toll urban or rural expressway will be located may be a trust beneficiary to the extent of the portion of such expressway which is to be located within such city or county. Where such expressway is to be located entirely within the boundaries of a city, either such city or the county within which such expressway is located, or both such city and county, may be beneficiary of such trust. Where the trust beneficiaries shall have adopted a resolution determining that such expressway is needed to supplement the existing network of state, county or city highways or streets within the counties, the trustees may proceed with such project and, in such event, it shall not be necessary for said trustees to obtain the consent of any subdivision of government, of less than one thousand (1,000) population, according to the latest Federal Decennial Census, or the governing bodies thereof, provided however, that in those instances of a trust involving two or more counties the trustees shall first obtain the consent of the board of county commissioners of any county in which such expressway or any part thereof may be located, and the consent of the governing body of any city having a population of more than one hundred thousand (100,000) persons, according to the latest Federal Decennial Census, in which such expressway or any part thereof may be located.

(b) In counties having a population of four hundred thousand (400,000) or more according to the latest Federal Decennial Census, a toll urban expressway may be constructed within the corporate limits of any city only by a public charitable trust created with the approval of the governing bodies of both such city and of the county within which such expressway is to be located. The instrument creating such trust shall provide for appointment of three (3) trustees by the governing body of such city and for appointment of three (3) trustees by the board of county

commissioners of such county and shall further provide for one (1) additional trustee to be designated by such six (6) trustees. Vacancies in the office of any trustee of such public trust shall be filled in the same manner as the original appointment. Members of the governing bodies of such city or county shall be eligible to serve as trustees and any such trustee shall receive no compensation for services as a trustee. The beneficial interest in the title to the expressway located within such city shall be vested in the city. The surplus revenues of the trust, as defined in any bond indenture entered into by such trustees shall be divided equally between such city and the county to be used for constructing, maintaining, repairing and improving bridges, roads, highways and streets.

SECTION 3. No city, county or state agency shall be obligated to maintain, police or pay any costs of construction or maintenance of such expressway, including the cost of approaches and traffic control and safety devices, unless such obligation shall be expressly assumed in writing by the governing body of the city, county or state agency. No municipality within the boundaries of which such expressway may be located shall be liable for personal injury or property damage resulting from the operation of such expressway or the failure to properly maintain or repair such expressway unless the duty to maintain or repair has been expressly assumed as herein provided.

SECTION 4. The terms of trustees shall be fixed at a period not to exceed five (5) years, except that such limitation of terms shall not apply to any trustee who serves by virtue of being an elected public official and who, under the terms of the instrument creating the trust, shall be replaced by his successor in such public office.

SECTION 5. Contracts for construction of any toll urban or rural expressway shall be based upon detailed plans and

specifications; provided, however, that if it is determined by the trustees that it is not feasible or prudent to expend trust or other funds for preparation of such plans and specifications and purchase of right-of-way for the project, the trustees may enter into a contract based upon a proposal submitted for the designing, engineering, financing, acquisition of right-of-way and construction of such project.

No contract for the construction of any portion of such toll urban or rural expressway shall be entered into by the trustees of such authority until after notice and advertisement for proposals has been published for at least fourteen (14) days by the trustees or by the trust beneficiary in at least one issue of a newspaper or periodical of general circulation in Oklahoma and the United States in construction industry. The notice to bidders shall contain a general description of the route of such proposed expressway or of the traffic corridor or corridors to be served by such facility, and shall set out sufficient details to assure that all bidders are bidding on the same project. All bids shall be opened at a public meeting of the trustees or of the governing board of the beneficiary, as the case may be.

The contract shall be awarded to the person (individual, corporation, partnership or joint venture) who is determined by the trustees to be the lowest and best bidder. If the trustees shall determine that it is not feasible or prudent to expend trust or other funds to obtain plans and specifications and purchase right-of-way prior to advertisement for bids they may, by negotiation with the lowest and best bidder, agree upon the terms of a definitive contract providing for the designing, engineering, financing, acquisition of right-of-way and construction of the project by such bidder.

The design and specifications for any such toll urban or rural expressway shall meet the minimum standards for construction of state highways established by the

State Highway Department or the Oklahoma Turnpike Authority.

SECTION 6. The trustees of any public charitable trust constructing a toll urban or rural expressway shall have authority to make any necessary connections with, or crossing of any existing state or county highway or city street and to temporarily occupy or close public rights-of-way as may be necessary for the public safety during construction of any such toll urban or rural expressway. Necessary easements and rights-of-way over, under and across public or private property may be acquired by a beneficiary of such trust by the exercise of its power of eminent domain in the manner now or hereafter provided by law for condemnation of lands by a county or city, as the case may be, for highway or street purposes, and any interest so acquired may be leased to the trustees by the beneficiary as provided by 60 O. S. § 176.

No existing improved street or highway shall be closed by reason of the construction and operation of such toll urban or rural expressway, except such temporary closing as may be required for the safety of the public during construction, maintenance or repair, without the express consent of the governing body of any city, county or state agency having jurisdiction over such street or highway. All connections with streets or highways shall meet the normal safety requirements established by the city, county or state agency having jurisdiction and control over such connecting street or highway.

SECTION 7. Prior to entering into a contract for construction and acquisition of any such toll urban or rural expressway a reputable traffic engineer and consultant shall be employed to make a traffic survey and feasibility study and report on the proposed project and a qualified independent engineer shall be employed to review plans, specifications and bidder's proposals, to act in an advisory capacity, and to make reports and recommendations

to the trustees on all phases of construction of such project.

SECTION 8. The provisions of 47 O. S. 1961, § § 11-1401 to 11-1405, inclusive, are hereby made applicable to and enforceable on any toll urban or rural expressway as provided for in this Act and the words "Oklahoma Turnpike Authority" whenever they appear in said § § 11-1401 to 11-1405, inclusive, (for the purposes of this Act only) shall be construed to mean the trustees of the public trust operating any such toll urban or rural expressway; provided, that where a toll urban or rural expressway is located wholly within the corporate limits of a city, the said trustees may contract with the governing body of such city for the policing of said expressway and if such contract is entered into, the traffic ordinances and regulations of such city shall be applicable to and enforceable on such expressway.

SECTION 9. For the purpose of this Act, the term "Toll Urban or Rural Expressway" is defined to mean any toll expressway or expressways which may consist of separate sections or segments separated by intervening highway or street connections, and which may be laid out wholly or partially within the corporate limits of any incorporated city.

SECTION 10. The provisions of 69 O.S. 1961, § 668 are hereby made applicable to this Act and the trustees of any public trust proposing to lay out, construct, operate and maintain any such toll urban or rural expressway shall be entitled to have a judicial determination of the validity of the bonds and other questions relating to the proceedings for such toll urban or rural expressway in the same manner as provided in such Act for the Oklahoma Turnpike Authority.

SECTION 11. The District Court shall have original jurisdiction to require accounting by trustees, to surcharge trustees, to supervise the administration of the trust where necessary because of mismanagement by trustees, and such further

jurisdiction as may be provided by the Oklahoma Trust Act (60 O. S. 1961 § 175.-23).

SECTION 12. No trustee or employee of any public charitable trust shall have a direct or indirect financial interest in any contract, subcontract, purchase, sale or other transaction in connection with any toll urban or rural expressway project undertaken by such trust. Violation of this section shall be deemed cause for removal from office or employment of such trustee or employee.

SECTION 13. All Acts or parts of Acts, insofar as they are in conflict with this Act, are hereby repealed except that this Act shall not be construed as repealing any Act relating to the powers and duties of the Oklahoma Turnpike Authority.

SECTION 14. If any section, clause, paragraph or part of this Act is for any reason held invalid, such decision shall not affect the validity of the remaining portions of this Act, or of this Act as a whole.

SECTION 15. It being immediately necessary for the preservation of the public peace, health and safety, an emergency is hereby declared to exist, by reason whereof this Act shall take effect and be in full force from and after its passage and approval.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. 26 O. S. 1961, § 226, is amended to read as follows:

§ 226. At the top of the column shall appear the name of the party, as "Democratic," "Republican," and without any line between shall next appear the device, and further, without any dividing line, shall next appear a circle, at least one-half ($\frac{1}{2}$) inch in diameter. Underneath these circles shall be a line, extending entirely across the ticket. The name of the office entitled to the first place in the column, preceded by the word "for" shall next appear in bold type, like this, "For Governor." Immediately after this shall be the name of that party's nominee for such office, preceded by a square one-fourth ($\frac{1}{4}$) of an inch in size. The initial of the first letter of a name of a candidate shall have only the space of an "em" between it and this square, and there shall be no line between the name of an office and that of such

candidate; but there shall be a line following the name of a candidate and the name of the next office in order down the column. In this manner, naming the officers in the order in which they are set out by the Constitution and statute, the list shall be continued down each column until all the nominees are given space. No party's list of candidates shall occupy more than one (1) column, and the columns shall be set off with well defined lines. CANDIDATES FOR JUDICIAL OFFICES SHALL BE LISTED ON SEPARATE BALLOTS SO AS TO BE UNASSOCIATED WITH ANY POLITICAL PARTY.

SECTION 2. The name of each candidate for any judicial office shall appear on the elective office panel on each voting machine but shall not be prefixed by any political party emblem nor within any list of political party candidates. The arrangement of the order in which names of opposing candidates for judicial office shall be shown on the elective office panel of voting machines shall be determined by the method provided by 26 O. S. 1961, § 277 (b), insofar as possible.

SECTION 3. 26 O. S. 1961, § 227.1, is amended to read as follows:

§ 227.1. At any general election, the following categories of candidates shall be placed on separate ballots: (1) Candidates for county offices; (2) Candidates for State Offices, EXCEPT CANDIDATES FOR JUDICIAL OFFICE; (3) CANDIDATES FOR JUSTICE OF THE SUPREME COURT AND JUDGE OF THE COURT OF CRIMINAL APPEALS; (4) CANDIDATES FOR JUDGES OF THE DISTRICT COURT; and (5) Candidates for seats in the House of Representatives and the Senate of the United States. Provided, however, the provisions of this Act shall not be construed to repeal Section 512, Title 26, Oklahoma Statutes, [1941] 1961.

SECTION 4. (a) A Justice of the Supreme Court or a Judge of the Court of Criminal Appeals whose term of office expires the second Monday in January following a general election and who seeks

retention in office, must file with the Secretary of State not less than sixty (60) days before the date of such general election a declaration of candidacy to succeed himself.

(b) A Justice of the Supreme Court or a Judge of the Court of Criminal Appeals who has been appointed and who will have served twelve (12) months in office before the next general election and who seeks to be retained in office, must file a declaration of his candidacy to be retained in office with the Secretary of State not less than sixty (60) days before the date of such election. If such judicial officer has not served twelve (12) months on or before the next general election following his appointment, he shall continue in office, and he shall file a declaration of his candidacy to be retained in office with the Secretary of State not less than sixty (60) days before the date of the second general election following his appointment.

If the term of the office to which the judicial officer was appointed expires on the second Monday in January following the election, the election shall be for a term of six (6) years beginning on the second Monday in January following the election. If the term for such office does not expire on the second Monday in January following the election, the election shall be for the unexpired term of the office to which he was appointed. If the term of office to which the judicial officer was appointed expires before such office must file a declaration of candidacy to be retained in office, the election shall be for the remainder of the six (6) year term which follows the term during which he was appointed.

(c) No fee shall be charged by the Secretary of State for the filing of a declaration of candidacy. If such a declaration is filed by one of the above judicial officers, the Secretary of State shall immediately notify the Secretary of the State Election Board of the name and office of the officer who filed the declaration, and the

State Election Board shall cause the necessary ballots to be prepared.

(d) If no declaration of candidacy is filed by such judicial officer, the Secretary of State shall immediately notify the Governor and the Chairman of the Judicial Nominating Commission that no declaration of candidacy was filed by the judicial officer, stating his name and office, and that a vacancy has occurred or is certain to occur, as is appropriate.

(e) If a declaration of candidacy is filed, an election held, and no contest thereto is filed, the State Election Board shall certify the result to the Secretary of State by Saturday noon next following the general election. If a contest is filed, the result shall be certified to the Secretary of State either when the contest is determined or when it has been abandoned. If a decision by a majority of those voting thereon is that the officer shall not be retained in office, the Secretary of State shall immediately notify the Governor and the Chairman of the Judicial Nominating Commission of the decision, stating the name and office of the officer, and that a vacancy has occurred or is certain to occur, as is appropriate.

(f) If a judicial officer, who was elected to a six (6) year term that expires the second Monday in January following the election or who was appointed to fill a vacancy that expires the second Monday in January following the election and who was retained in office by the voters at a prior general election, fails to file a declaration of candidacy to be retained in office to succeed himself, or files such a declaration but is not retained in office at the election, the vacancy in office occurs on the second Monday in January following the election. If a judicial officer who was appointed to fill a vacancy but who has not yet been retained in office by the voters fails to file a declaration of candidacy, the vacancy in office occurs when the time to file such declaration has expired. If such judicial officer files a declaration of candidacy but is

not retained in office by the voters, the vacancy in office occurs when the result of the election is certified to the Secretary of State. In any of the above cases, the judicial officer may continue in office after the vacancy occurs until his successor has been appointed and has qualified for office.

SECTION 5. The ballot for candidates for the Supreme Court and Court of Criminal Appeals shall be without party designation. For the purpose of preparing such ballot, each Justice of the Supreme Court and each Judge of the Court of Criminal Appeals shall be deemed to hold a numbered office which shall be the same as the number of the district from which the justice or judge is selected. This number shall appear on the ballot. The following notice shall appear at the top of the ballot:

MESSAGE FROM THE HOUSE

Advising that the House has adopted the Amendment to Conference Committee Report on Engrossed SB 513.

Senator Boecher moved that the President Pro Tempore appoint a Committee of three (3) to invite and escort the Chief Executive, the Honorable Dewey F. Bartlett, to the Chamber for the purpose of addressing the Senate, which motion was declared adopted, President Pro Tempore McSpadden appointing as such Committee: Senators Garrison, Grantham and Dacus.

The Sergeant-at Arms was recognized and advised the President of the presence of the Governor, the Honorable Dewey F. Bartlett, accompanied by the Committee appointed to escort him to the Senate Chamber.

Governor Bartlett was escorted to the President's Desk and addressed the Senate as follows:

Mr. President

and

Members of the Senate:

You came here almost four months to the day ago.

You came with the knowledge this session would be a difficult one.

You came with the knowledge that you would challenge, and be challenged.

You came with the knowledge, as I did, that you or I alone could do little, but together could accomplish much.

I think we have accomplished much.

While there remain areas of disagreement, we have moved forward, particu-

larly in the areas of economy in government, judicial reform, governmental reform and education.

While we debated in the hallways, in committee meetings, on the floors of both houses and in my office, we did so with respect for each other and with the knowledge that from compromise would come the most lasting achievements of the Second Session of the 31st Legislature.

Your greatest achievement was in writing the most comprehensive and far-reaching educational improvement program in Oklahoma's history.

You granted Oklahoma teachers pay raises of \$1,300 over the next three years which will result in total pay increases of approximately \$1,800 over the period 1967-71.

You increased teacher retirement benefits and enacted into law other improvements in Oklahoma's educational programs, including increased appropriations to common education and higher education.

Common education received \$83.5 Million Dollars—40 per cent of all monies available for appropriation—and higher education received \$52.8 Million Dollars, an increase of \$6 Million over last year.

Among other achievements were creation of a separate board for Vocational-Technical education, a State Motor Pool and a Central Data Processing center for state government.

You also placed, with my support, employees of the State Corporation Commission and Department of Education under the merit system.

You also acted to make some licensing and inspection bureaus pay their own way, either in part or in full, by increasing license and inspection fees which had remained unchanged in their inequity for many years.

You also raised the interest rate on turnpike bonds from five to six percent, which I believe will prove beneficial to Oklahoma's turnpike program.

You also supported the recent important change in the budget balancing section of the Constitution.

The demands upon your time, talents and energy have been great. The demands placed upon you by your service have at times, I know, seemed more than you should have to bear.

Regardless, however, you pressed forward with foresight, dedication and devotion.

In many instances, we did not—and do not—agree. In many instances, we will continue to disagree.

It is my belief, and my hope, that the people of Oklahoma will come to recognize the burdens of your service, and the extraordinary excellence of your performance in this session.

Before closing, I want to say I am thankful.

I am thankful for your consideration of my program.

I am thankful that we were able to work together for the future of our great state.

I am thankful that most of our disagreements have been arbitrated by discussion and compromise.

But I'm thankful, most of all, and I'm sure you will share my thankfulness, that you are going home.

I look forward to seeing each of you during the interim.
