May 15, 1996

To the Honorable President Pro Tempore and Members of the Oklahoma Senate
Second Session,
Forty-fifth Oklahoma Legislature

Enrolled **SB 1017** by Shurden and Campbell of the Senate and Leist and Satterfield of the House.

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED Senate Bill 1017 because it would remove local law enforcement control. This bill would create pockets of the state which would be abandoned by local law enforcement due to lack of authority. The vetoing of this bill is not intended to encourage local governmental entities to act irresponsibly in their annexing practices or in their law enforcement efforts. I am expressing my confidence in responsible local government control.

/s/ Frank Keating

MESSAGE FROM THE GOVERNOR

Advising his approval May 29, 1996, of Enrolled **SBs 804, 820, 821, 826 and 976**, and veto of **SB 694** and line item veto of **SBs 802, 810, 812 and 818**.

The veto messages read as follows:

May 29, 1996

To the Honorable President Pro Tempore and Members of the Oklahoma Senate Second Session,
Forty-fifth Oklahoma Legislature

Enrolled **SB 694** by Easley of the Senate and Hutchison of the House.

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED Senate Bill 694. This exception to the legal prohibition against dual office holding as with the nepotism exceptions would send a wrong message to the citizens of this state. Every effort should be made to instill confidence in the quality and integrity of government employees. Allowing municipal officers and school board members to also sit on county boards and public trust authorities could create potential conflicts to the detriment of local governmental entities. The integrity of local governmental entities must be preserved.

By the Governor of the State of Oklahoma
/s/ Frank Keating

May 29, 1996

To the Honorable President Pro Tempore and Members of the Oklahoma Senate Second Session,
Forty-fifth Oklahoma Legislature

Enrolled **SB 802** by Haney and Hobson of the Senate and Hamilton and Steidley of the House.

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma

Constitution to approve or object to legislation presented to me, I have VETOED two (2) sections of Senate Bill 802 because the appropriations contained in those items exceed the Executive Budget. The excess funds must be preserved for future budgetary needs in order to avoid fiscally irresponsible levels of overall spending.

The items vetoed can be found in Sections 1 and 10 of Senate Bill 802.

By the Governor of the State of Oklahoma
/s/ Frank Keating

May 30, 1996

To the Honorable President Pro Tempore and Members of the Oklahoma Senate Second Session,
Forty-fifth Oklahoma Legislature

Enrolled SB 805 by Haney and Hobson of the Senate and Hamilton and Steidley of the House.

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED Senate Bill 805 because Section 12 of Article XXIII provides: "All the proceeds, assets, and income of any public retirement system administered by an agency of the State of Oklahoma shall be held, invested, or disbursed as provided for by laws as in trust for the exclusive purpose of providing for benefits, refunds, investment management, and administrative expenses of the individual public retirement system, and shall not be encumbered for or diverted to any other purposes."

This bill which directs funds collected for the State Judicial Retirement Fund to be diverted to another revolving fund is violative of that constitutional restriction.

June 7, approval of SB 921;

June 10, approval of SBs 658, 777, 846, 895, 923, 989, 1087, 1122, 1123, 1252 and 1294;

The veto messages read as follows:

June 11, 1996

To the Honorable President Pro Tempore and Members of the Oklahoma Senate Second Session, Forty-fifth Oklahoma Legislature

Enrolled SB 899 by Littlefield et al of the Senate and Fields et al of the House.

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED Senate Bill 899 because the changes mandated

by Senate Bill 899 regarding the levying and collection taxes on charity games would result in an enormous tax reduction or potential tax avoidance for some but not all operators of charity games and thus reduce the amount of funds available to fund the Higher Education Bond issue to which these funds were dedicated.

By the Governor of the State of Oklahoma
/s/ Frank Keating

June 11, 1996

To the Honorable President Pro Tempore
and Members of the Oklahoma Senate
Second Session,
Forty-fifth Oklahoma Legislature

Enrolled **SB 908** by Leftwich et al of the
Senate and Blackburn et al of the House.

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED Senate Bill 908 because it is unfair to the children of Oklahoma taxpayers killed by a criminal act to not receive the same consideration as those of employees of the State of Oklahoma. If the Legislature desires a policy that the children of those employees of the State of Oklahoma killed by criminal act pay tuition to the Oklahoma State System of Higher Education they should apply it to all citizens of Oklahoma.

By the Governor of the State of Oklahoma
/s/ Frank Keating

June 11, 1996

To the Honorable President Pro Tempore
and Members of the Oklahoma Senate
Second Session,
Forty-fifth Oklahoma Legislature

Enrolled **SB 996** by Roberts and Littlefield of the Senate and Stanley et al of the House.

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED Senate Bill 996 because implementation of the provisions of the added requirements of this legislation would cause a time delay to the voters at the time of voting and the accuracy of the information elicited at the time of voting will be diminished. The provisions of Senate Bill 996 do not provide any added safeguards for either voters or candidates.

By the Governor of the State of Oklahoma
/s/ Frank Keating

June 11, 1996

To the Honorable President Pro Tempore
and Members of the Oklahoma Senate
Second Session,
Forty-fifth Oklahoma Legislature

Enrolled **SB 1130** by Dickerson et al of
the Senate and Paulk et al of the House.

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED Senate Bill 1130 because Section 57 of Article V of the Oklahoma Constitution places certain restrictions on legislation. Included in that section is the provision that "Every act of the Legislature shall embrace one subject . . ." . Section 1 of this bill addresses payroll deduction procedures and Section 2 addresses agency internal investigations. Senate Bill 1130 is not in compliance with the requirements of Section 57 of Article V of the Oklahoma Constitution.

By the Governor of the State of Oklahoma
/s/ Frank Keating

June 12, 1996

To the Honorable President Pro Tempore
and Members of the Oklahoma Senate
Second Session,
Forty-fifth Oklahoma Legislature

Enrolled **SB 891** by Monson of the Senate and Roberts of the House.

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED Senate Bill 891 because this legislation would set a bad precedent by authorizing special limited intrusions on the Public Employes Retirement System thereby increasing the unfunded liability of the system.

By the Governor of the State of Oklahoma
/s/ Frank Keating

June 12, 1996

To the Honorable President Pro Tempore
and Members of the Oklahoma Senate
Second Session,
Forty-fifth Oklahoma Legislature

Enrolled **SB 1077** by Long (Ed) of the Senate and Wells and Boyd (Betty) of the House.

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED Senate Bill 1077 because this legislation eliminates requirements which guarantee responsible management of school funds through the elimination of the requirement for affidavits attached to invoices submitted on architect, contractor, engineer, or supplier of material to school boards and the requirement for travel expenses to be itemized and documented.

By the Governor of the State of Oklahoma
/s/ Frank Keating

June 14, 1996

To the Honorable President Pro Tempore
and Members of the Oklahoma Senate
Second Session,
Forty-fifth Oklahoma Legislature

Enrolled **SB 1100** by Williams (Don) et al of the Senate and Anthony et al of the House.

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED Senate Bill 1100 because it dramatically expands early childhood programs. In order for the quality of education in public schools of this state to be improved, we need to work to improve the current system as opposed to expanding early childhood programs. Such expansion would only serve to spread our limited resources even thinner. The veto of this bill still leaves the funding provided for teacher pay increases in SB 800 and I encourage the school districts to use those funds to increase the salaries of experienced teachers. The challenge of educating kindergarten through twelfth grade has yet to be fully met. This expansion of early childhood programs would create a new unfunded liability in our education system in excess of Fifty Million Dollars. The business of educating four year olds should be the responsibility of the parents, not the state.
