A. For taxable years beginning after December 31, 2004, there shall be allowed a credit against the tax imposed pursuant to Section 2355 or Section 2370 of Title 68 of the Oklahoma Statutes or against the tax imposed pursuant to Section 624 or 628 of Title 36 of the Oklahoma Statutes or against the tax imposed pursuant to Section 1001 of Title 68 of the Oklahoma Statutes for tax credits originally issued to a qualified housing component manufacturing facility located in Oklahoma. The credit may be used in the payment of estimated tax payments for the tax imposed by Section 624 or 628 of Title 36 of the Oklahoma Statutes.

B. The amount of the credit shall be freely transferable to subsequent Oklahoma transferees. The credit authorized by this section shall be in the amount of Two Thousand Five Hundred Dollars (\$2,500.00) for each residence for which the initial recipient has provided components. The owner of any credit claimed shall present with each credit an affidavit or certificate, in such form as may be prescribed for such purpose by the Oklahoma Tax Commission, indicating that the credit is based upon providing components from the facility. The credits authorized by this section may be claimed by any taxpayer on a quarterly basis for any tax as provided by subsection A of this section that is paid on a quarterly basis.

C. The total amount of credits authorized to be claimed pursuant to this section shall not exceed Four Million Dollars (\$4,000,000.00). Credits in the amount of Four Million Dollars (\$4,000,000.00) shall be issued directly to a qualified housing component manufacturing facility upon certification by the Oklahoma Tax Commission that the applicant for such credits is a qualified initial recipient.

D. As used in this section:

As used in this paragraph, “qualified housing component manufacturing facility” does not mean a facility engaged in the production of manufactured homes as defined by 42 U.S.C., Section 5401 et seq., and rules promulgated pursuant thereto; and

2. “Qualified initial recipient” means a person, firm, partnership, corporation, limited liability company or other legal entity organized pursuant to the laws of the State of Oklahoma that has as its principal business purpose and activity the manufacture of components, assemblies, structures or systems for the incorporation in the final structure consisting of a residential dwelling and which, after the sale of the credits authorized by this section, will own real property in the state to be used for the manufacture of such components, assemblies, structures or systems.

E. For purposes of this section, the qualified housing component manufacturing facility may receive the tax credits authorized by subsection A of this section prior to the date as of which actual manufacturing activity at a qualified facility begins. In order for the

Oklahoma Tax Commission to issue credits to a qualified initial recipient, the applicant shall be required to demonstrate that it is a legally recognized business entity authorized to do business in the state and that its principal business purpose meets the requirements of paragraph 1 of subsection D of this section.

F. In order to be eligible for receipt of any tax credits authorized by this section, the entity making application shall present to the Oklahoma Tax Commission, in the form of an affidavit executed by a principal representing the applicant, whether a member of the board of directors or officer of a corporation, or a manager or member of a limited liability company, stating that the person executing the affidavit is either a member of the board of directors or an officer of the applicant or both, in the case of a corporation, or a manager or member or both, in the case of a limited liability company, and that the affiant is an individual who has at least ten (10) years of experience in the business of producing, within the State of Oklahoma, wall panels, plumbing assemblies and electrical wiring components, or any such combination of subassembly components that will be manufactured by the applicant. The presentation of a duly executed affidavit pursuant to this subsection shall be sufficient documentation of the requirements for the principal acting on behalf of the applicant for receipt of the tax credits and no further documentation related to the factual recitations of the affidavit shall be required.

G. The credits authorized by this section shall not be sold for less than eighty percent (80%) of their face or par value.

H. The credits authorized by this section shall not be claimed against any income tax, bank privilege tax or insurance premium tax liability prior to July 1, 2006.

I. The Oklahoma Tax Commission shall:

1. Certify, upon request of an authorized agent or representative of a qualified initial recipient that the qualified initial recipient is authorized to receive the tax credits and transfer such credits to a subsequent purchaser. The certification shall be in writing and signed by an authorized representative of the Tax Commission and, for purposes of determining qualifications of an establishment which may be eligible for the credit authorized by this section, shall be binding upon the Tax Commission; and

2. Issue a certificate to tax credit transferees that provides adequate documentation of qualification for the credit authorized by this section even if the credit may not be claimed until after the date upon which the certificate is requested. Upon issuance, the certificate shall be evidence that a transferee of the qualified initial recipient submitting the certificate, or a certified copy thereof, with the relevant tax return or other form, has the legal right to exercise the credit in order to reduce the relevant tax liability for the period authorized by this section.”, and by renumbering subsequent sections, which amendment was declared adopted.
