“SECTION 1. AMENDATORY 22 O.S. 2001, Section 471.1, is amended to read as follows:

Section 471.1 A. For purposes of this act, "drug court", "drug court program" or "program" means an immediate and highly structured judicial intervention process for substance abuse treatment of eligible offenders which expedites the criminal case, and requires successful completion of the plea agreement in lieu of incarceration.

B. Each district court of this state is authorized to establish a drug court program pursuant to the provisions of this act, subject to availability of funds. Juvenile drug courts may be established based upon the provisions of this act; provided, however, juveniles shall not be held, processed, or treated in any manner which violates any provision of Title 10 of the Oklahoma Statutes.

C. Drug court programs shall not apply to any violent criminal offense. Eligible offenses may further be restricted by the rules of the specific drug court program. Nothing in this act shall be construed to require a drug court to consider every offender with a treatable condition or addiction, regardless of the fact that the controlling offense is eligible for consideration in the program. Traditional prosecution shall be required where an offender is determined not appropriate for the drug court program.

D. Drug court programs shall require a separate judicial processing system differing in practice and design from the traditional adversarial criminal prosecution and trial systems. Whenever possible, a drug court team shall be designated consisting of a judge to administer the program, a district attorney, a defense attorney, and other persons designated by the drug court team who shall have appropriate understanding of the goals of the program and of the appropriate treatment methods for the various conditions. The assignment of any person to the drug court team shall not preclude the assigned person from performing other duties required in the course of their office or employment. The chief judge of the judicial district, or if the district has more than one chief judge than the presiding judge of the Administrative Judicial District, shall designate one or more judges to administer the drug court program. The assignment of any judge to a drug court program or the designation of a drug court docket shall not mandate the assignment of all substance abuse related cases to the drug court docket or the program; however, nothing in this act shall be construed to preclude the assignment of all criminal cases relating to substance abuse or drug possession as provided by the rules established for the specific drug court program.

E. When a drug court program is established, the arresting officer shall file the criminal case record for potentially eligible offenders with the district attorney within four

(4) days of the arrest. The district attorney shall file an information in the case within twenty-four (24) hours of receipt of the criminal case record when the offender appears eligible for consideration for the program. The information may be amended as necessary when an offender is denied admittance into the drug court program or for other purposes as provided in Section 304 of Title 22 of the Oklahoma Statutes of this title. Any person arrested upon a warrant for his or her arrest shall not be eligible for the drug court program without the approval of the district attorney. Any criminal case which has been filed and processed in the traditional manner shall be cross-referenced to a drug court case file by the court clerk, if the case is subsequently assigned to the drug court program. The originating criminal case file shall remain open to public inspection. The judge shall determine what information or pleadings are to be retained in the drug court case file, which shall be closed to public inspection.

F. The court may request assistance from the Department of Mental Health and Substance Abuse Services which shall be the primary agency to assist in developing and implementing a drug court program or from any state or local agency in obtaining the necessary treatment services which will assure maximum opportunity for successful treatment, education, and rehabilitation for offenders admitted to the program. All participating state and local agencies are directed to coordinate with each other and cooperate in assisting the district court in establishing a drug court program.

G. Each drug court program shall ensure, but not be limited to:

1. Strong linkage between participating agencies;
2. Access by all participating parties of a case to information on the offender's progress;
3. Vigilant supervision and monitoring procedures;
4. Random substance abuse testing;
5. Provisions for noncompliance, modification of the treatment plan, and revocation proceedings;
6. Availability of residential treatment facilities and outpatient services;
7. Payment of court costs, treatment costs, supervision fees, and program user fees by the offender;
8. Methods for measuring application of disciplinary sanctions, including provisions for:
 - a. increased supervision,
 - b. urinalysis testing,
 - c. intensive treatment,
 - d. short-term confinement not to exceed ~~five (5) days~~ seven (7) days for each violation,
 - e. recycling the offender into the program after a disciplinary action for a minimum violation of the treatment plan,
 - f. reinstating the offender into the program after a disciplinary action for a major violation of the treatment plan, and
 - g. revocation from the program; and
9. Methods for measuring performance-based effectiveness of each individual treatment provider's services.

H. All drug court programs shall be required to keep reliable data on recidivism, relapse, restarts, sanctions imposed, and incentives given.”, and by renumbering subsequent sections.
