“SECTION 2. AMENDATORY 70 O.S. 2001, Section 24-100.4, as last amended by Section 6, Chapter 216, O.S.L. 2008 (70 O.S. Supp. 2008, Section 24-100.4), is amended to read as follows:

Section 24-100.4. A. Each district board of education shall adopt a policy for the control and discipline of all children attending public school in that district, and for the investigation of reported incidents of harassment, intimidation, bullying, or threatening behavior. Such policy shall provide options for the methods of control and discipline of the students and shall define standards of conduct to which students are expected to conform. The policy shall:

1. Specifically prohibit threatening behavior, harassment, intimidation, and bullying by students at school and by electronic communication, whether or not such communication originated at school or with school equipment, if the communication is specifically directed at students or school personnel and concerns harassment, intimidation, or bullying at school;
2. Address prevention of and education about such behavior;
3. Establish a procedure for the investigation of all incidents of harassment, intimidation, bullying, or threatening behavior reported to school officials for the purpose of determining the severity of the incidents and their potential to result in future violence;
4. Establish a procedure whereby, upon completing an investigation pursuant to paragraph 3 of this subsection, a school may recommend that available community mental health care options be provided to the student, if appropriate; and
5. Establish a procedure whereby a school may request the disclosure of any information concerning students who have received mental health care pursuant to paragraph 4 of this subsection that indicates an explicit threat to the safety of students or school personnel, provided the disclosure of the information does not violate the requirements and provisions of the Family Educational Rights and Privacy Act of 1974, the Health Insurance Portability and Accountability Act of 1996, Section 2503 of Title 12 of the Oklahoma Statutes, Section 1376 of Title 59 of the Oklahoma Statutes, or any other state or federal laws regarding the disclosure of confidential information.

In developing the policy, the district board of education shall make an effort to involve the teachers, parents, and students affected. The students, teachers, and parents or guardian of every child residing within a school district shall be notified by the district board of education of its adoption of the policy and shall receive a copy upon request. Provided, the teacher of a child attending a public school shall have the same right as a parent or guardian to control and discipline such child according to district policies during the time the child is in attendance or in transit to or from the school or any other school function authorized by the school district or classroom presided over by the teacher.

B. Except concerning students on individualized education plans (IEP) pursuant to the Individuals with Disabilities Education Act (IDEA), P.L. No. 101-476, the State Board of Education shall not have authority to prescribe student disciplinary policies for school districts or to proscribe corporal punishment in the public schools. Districts that utilize corporal punishment shall ensure that such measures will be administered by a certified employee of the district who is of the same gender as the student receiving the punishment and shall require the presence of another certified employee who shall observe the administration of such punishment. The State Board of Education shall not have authority to require school districts to file student disciplinary action reports more often than once each year and shall not use disciplinary action reports in determining a school district's or school site's eligibility for program assistance including competitive grants.

C. The board of education of each school district in this state shall have the option of adopting a dress code for students enrolled in the school district. The board of education of a school district shall also have the option of adopting a dress code which includes school uniforms.

D. The State Board of Education shall promulgate rules for monitoring school districts for compliance with this section and providing sanctions for noncompliance with this section.”, and by renumbering subsequent section, which amendment was declared adopted.
