Advising her approval April 16, 2014, of Enrolled **SBs 1293, 1636, 1693, 1781, 2046, 2060 and 2061,** and veto of **SB 1577.**

The veto message reads as follows:

April 16, 2014

To the Honorable President Pro Tempore
and Members of the Oklahoma Senate
Second Session of the
Fifty-fourth Legislature
Enrolled Senate Bill No. 1577

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have VETOED Senate Bill 1577.

Senate Bill 1577 creates an exception to the Open Records Act for all institutions within the Oklahoma State System of Higher Education, limiting public access to any records maintained by these institutions concerning business plans, feasibility studies, financing proposals, marketing plans, etc. The expansion of exceptions to the Open Records Act serves only to limit public access to information.

The principal concern addressed by Senate Bill 1577 relates to proprietary information within the possession of the institutions within the Oklahoma State System of Higher Education. However, Section 24A.10 of the Open Records Act provides protections for records containing proprietary information. Specifically, no public agency is required to produce records if “disclosure would give an unfair advantage to competitors.” Because these concerns are protected by current law, the expansion of exceptions to the Open Records Act is not necessary.

By the Governor of the State of Oklahoma
/s/ Mary Fallin

Pursuant to the Ford motion, the Senate adjourned at 3:25 p.m. to meet Monday, April 21, 2014, at 1:30 p.m.
