Section 1113.

A. 1. Except for all-terrain vehicles, utility vehicles and motorcycles used exclusively off roads and highways, upon the filing of a registration application and the payment of the fees provided for in the Oklahoma Vehicle License and Registration Act, the Oklahoma Tax Commission or Corporation Commission, as applicable, shall assign to the vehicle described in the application a distinctive number, and issue to the owner of the vehicle a certificate of registration, one license plate and a yearly decal. The Oklahoma Tax Commission shall assign an all-terrain vehicle, utility vehicle or motorcycle used exclusively off roads and highways a distinctive number and issue to the owner a certificate of registration and a decal but not a license plate. For each subsequent registration year, the Tax Commission shall issue a yearly decal to be affixed to the license plate, except for an all-terrain vehicle, utility vehicle or motorcycle used exclusively off roads and highways. The initial decal for an all-terrain vehicle, utility vehicle or motorcycle shall be attached to the front of the vehicle and shall be in clear view. The decal shall be on the front or on the front fork of the motorcycle used exclusively off roads and highways and the decal shall be in clear view. The yearly decal shall have an identification number and the last two numbers of the registration year for which it shall expire. Except as provided by Section 1113A of this title, the license plate shall be affixed to the exterior of the vehicle until a replacement license plate is applied for. If the owner applies for a replacement license plate, the Tax Commission shall charge the fee provided for in Section 1114 of this title. The license plate and decal shall be of such size, color, design and numbering as the Tax Commission may direct. However, yearly decals issued to the owner of a vehicle who has filed an affidavit with the appropriate motor license agent in accordance with Section 7-607 of this title shall be a separate and distinct color from all

other decals issued under this section. The Tax Commission shall also issue a monthly decal which shall include a two-letter abbreviation corresponding to the county in which the vehicle is registered. The Tax Commission is hereby directed to develop the decal design to incorporate these requirements in a manner that will permit county abbreviation to be readily identified. The Tax Commission shall develop a unique two-letter abbreviation for each county to be used on the decals. The Tax Commission shall issue all decals in the possession of the Tax Commission on January 1, 2010, prior to issuing any of the county abbreviation decals created pursuant to this paragraph.

Upon payment of the annual registration fee provided in Section 1133 of this title, the Tax Commission or Corporation Commission, as applicable, or a motor license agent may issue a permanent nonexpiring license plate to an owner of one hundred or more commercial motor vehicles and for vehicles registered under the provisions of Section 1120 of this title. Upon payment of the annual registration fee, the Tax Commission or Corporation Commission shall issue a certificate of registration that shall be carried at all times in the vehicle for which it is issued. Provided, if the registrant submits its application through electronic means, such qualified owners of one hundred or more commercial motor vehicles, properly registered pursuant to the provisions of Section 1133 of this title, may elect to receive a permanent certificate of registration that shall be carried at all times in the vehicle for which it is issued.

All license plates and decals shall be made with reflectorized material as a background to the letters, numbers and characters displayed thereon. The reflectorized material shall be of such a nature as to provide effective and dependable brightness during the service period for which the license plate or decal is issued;

Any such new designs shall be submitted by the Oklahoma Tourism and Recreation Department to the Department of Public Safety for its approval prior to being issued by the Oklahoma Tax Commission.

In such instances the reason for not issuing a certificate of title

shall be indicated on the receipt given to the applicant. It shall still be the duty of the applicant to immediately take all necessary steps to obtain the Oklahoma certificate of title and it shall be unlawful for the applicant to sell the vehicle until the certificate has been obtained in the applicant's name.

D. The certificate of registration provided for in this section shall be in convenient form, and the certificate of registration, or a certified copy or photostatic copy thereof, duly authenticated by the Tax Commission or Corporation Commission, as applicable, shall be carried at all times in or upon commercial vehicles so registered, in such manner as to permit a ready examination thereof upon demand by any peace officer of the state or duly authorized employee of the Department of Public Safety. Any such officer or agent may seize and hold such commercial vehicle when the operator of the same does not have the registration certificate in the operator's possession or when any such officer or agent determines that the registration certificate has been obtained by misrepresentation of any essential or material fact or when any number or identifying information appearing on such certificate has been changed, altered, obliterated or concealed in any way, until the proper registration or identification of such vehicle has been made or produced by the owner thereof.

E. The purchaser of a new or used manufactured home shall, within thirty (30) days of the date of purchase, register the home with the Tax Commission or a motor license agent pursuant to the provisions of Section 1117 of this title. For the first year that any manufactured home is registered in this state, the Tax Commission shall issue a metal license plate which shall be affixed to the manufactured home. The temporary dealer license plate or the metal license plate shall be displayed on the manufactured home at all times when upon a public roadway; provided, a repossession affidavit issued pursuant to Sections 1110 and 1126 of this title shall be permissible in lieu of a current license plate and decal for the purposes of removing a repossessed manufactured home to a secure location. The Tax Commission shall make sufficient plates and decals available to the various motor license agents of the state in order for an owner of a manufactured home to acquire the plate or decal. A one-dollar fee shall be charged for issuance of any plate or decal. The fee shall be apportioned each month to the General Revenue Fund of the State Treasury.

F. The decal shall be easily visible for purposes of verification by a county assessor that the manufactured home is properly assessed for ad valorem taxation. In the first year of registration, a decal shall be issued for placement on the license plate indicating payment of applicable registration fees and excise taxes. A duplicate manufactured home registration decal shall be affixed inside the window nearest the front door of the manufactured home. shall issue decals to the various county treasurers of the state in order for a manufactured home owner to obtain such decal each year. Upon presentation of a valid ad valorem tax receipt, the manufactured home owner shall be issued the annual decal.

G. Upon the registration of a manufactured home in this state for the first time or upon discovery of a manufactured home previously registered within this state for which the information required by this subsection is not known, the Tax Commission shall obtain:

The application for registration shall also include the school district in which the manufactured home is located or is to be located.
